TRANSCRIPTION SYMBOLS USED IN THIS EDITION

[?], {?}
Placed after a word, the transcription of which he is doubtful.

[ ], { }
Placed around editorial additions of letters or words, for the sake of clarification, where EAR's intent seems obvious, i.e. t[oo].

[=word], {=word}
The editors' suggested reading of a word apparently misspelled by Robinson, i.e. "persent [=present]."

[: date]
In cases where EAR incorrectly dated one of his letters, WA uses this symbol to indicate the correct date.

{ }
In notes: Laffey's additions to one of Anderson's endnotes.
