# it's what we do...

*Attending Colby has been an incredible experience, and I am eternally grateful for the opportunity that has been bestowed upon me. Both my parents work long overtime shifts in order to support my brothers and me. Everything I accomplish will be for them.*

*I have really loved all the classes I have chosen, especially Urban Politics, which made me very interested in the structure of urban government, its history. During a Jan Plan, I interned with my town's mayor, Mayor A. Ralph Mollis of North Providence, Rhode Island. It was such a great experience learning the daily routine in the mayor's office and getting to know everyone in the town hall, from the town clerk to the tax assessor. The experience made me realize how much I loved being involved in politics.*

*Last summer, I had an internship in Washington, D.C., for Rhode Island's Senator Lincoln Chafee. It was a great opportunity!*
