COLBY LIBRARY ASSOCIATES

Founded 1935

There are two ways to subscribe to *CLQ*. One is to subscribe at \$3.00 per year (see inside front cover). The other is to join the *Colby Library Associates*.

The object of the *Associates* is to increase the resources of the Colby College Library by securing gifts and providing funds for the purchase of rare books, manuscripts, and letters which the Library could not otherwise acquire.

Membership is open to anyone at an annual subscription of \$5.00 or more; graduates of the College for the first three years after graduation, \$2.00; undergraduates, \$1.00; or an equivalent gift of books or other materials needed by the Library.

All members receive copies of the *Colby Library Quarterly*. Membership applications should be directed to the Librarian.

EARLY RECEPTION OF EDWIN ARLINGTON ROBINSON THE FIRST TWENTY YEARS

By RICHARD CARY

Professor Cary has gathered in this volume every known review, interview, and essay pertaining to Robinson which was published between 1896 and 1916, excluding appraisals of his two plays. Charles Beecher Hogan's *Bibliography* and William White's supplement list some 70 items relevant to this interval. Personal search of more than 80 periodicals and newspapers by Professor Cary has uncovered approximately 90 additional entries. Full texts of all are presented as in the original publications.

To enhance the value of this source material, nine introductory chapters recreate the physical and psychological ambience of the times; each commentary is exhaustively annotated; data on all cited persons and writings are provided.
