Announcements and Comments

IN *Announcements and Comments*, Vol. XXXIV (March 1998), all references to copies of William Blake's *Jerusalem* should be to "E" instead of "B." We apologize for the error.

In December 1999 we will publish a special issue on Eavan Boland and the Irish poets who came of age during the 1950s, edited by Jody Allen-Randolph. In 2000-01 there will be issues on American Culture edited by Katherine Stubbs and Margaret McFadden, both of Colby, and on Irish Culture and Literature edited by Anne Fogarty of University College Dublin and Dermot Keogh of University College Cork. Details and invitations to submit essays will appear in the December 1998 issue.

The front cover depicts Hans Sebald Beham's "The Woman and the Fool as Death," 1541. The back cover depicts Mair von Landshut's "The Hour of Death," 1499. Figures 1, 2, and 3 for "The Fool and Death in Shakespeare" are reprinted by permission of the Folger Shakespeare Library; figures 4, 6, 7, and the front cover by permission of the British Library; figure 5 by permission of The Metropolitan Museum of Art; the back cover by the Graphische Sammlung Albertina. We are grateful to the four institutions.
