UNITED STATES CIVIL SERVICE COMMISSION

BUREAU OF DEPARTMENTAL OPERATIONS

WASHINGTON 25, D. C.

ADDRESS REPLY TO
"CIVIL SERVICE COMMISSION"
AND REFER TO
FILE DISO:SJM:al

AND DATE OF THIS LETTER

February 12, 1957

Chief, Regional Investigations Division

Twelfth U. S. Civil Service Region

FEB 12 1957
RECEIVED
FEDERAL BUREAU OF INVESTIGATION

The file in the case of Bernard Harden Porter, serial number 12.56.30084, is returned without conversion.

Your conversion was based on the fact that one Bernard Porter, who appears to be identical with the subject, was listed by the Executive Board, Federation of Architects, Chemists, Engineers and Technicians among other "certain important contacts that were to be made among the scientific personnel engaged in atomic research and other critical work". Although the employee may have been listed as a contact to be made due to his occupation, there is no indication in the file that he was a member or otherwise connected with the organization in question; therefore the information does not warrant referral to the Federal Bureau of Investigation for full field investigation.

If additional information reflecting on the subject's loyalty is secured, the case should be converted and returned to this office. Otherwise it should be retained in the region for completion.
