Athletics

The New Mayflower Hill Athletic Plant

The 1949 ORACLE would hardly be complete without a commemoration page dedicated to Colby's new Mayflower Hill Athletic Plant. The years 1948-1949 saw an entirely new athletic plant put into use on the new campus, and it is doubted if any other college in the nation has made such a gigantic movement in providing six major sports with new facilities within the space of two years. The mass exodus has been made to facilities of which everyone connected with Colby will be justly proud, and which will compare with any to be found in any college of comparative size.

The men's athletic field was the first of these new facilities to be used by Colby teams. This large area includes three football fields, of which two are practice fields, and one the actual game field used for home games of the Colby Varsity and Freshman football teams. The game field was appropriately dedicated on Homecoming Weekend in honor of Charles F. T. Seaverns, '01, loyal Alumni and generous Benefactor.

Surrounding the game field is a quarter-mile oval cinder track, with facilities for the running of six hurdle lanes, or eight running lanes simultaneously with a straight-away of up to 250 yards.

Although only temporary stands were up this year, plans have been formulated for a permanent stadium to be built in the future on the south side of Seaverns field which will be 30 tiers high, seating 7,000 people, and having accommodations below the stands for dressing rooms, concessions and storage space.

Also used for the first time was the new field house located directly across from the athletic fields. This new field house has dressing rooms, shower rooms, administrative offices, a class room, a first aid room, plus the available playing area of 100 x 180 feet on which were built two basketball courts. The game court was one of the finest

to be found anywhere and consisted of 169 sections which could be taken up at the end of the season — the cost of this floor alone was over \$8,000. This floor was outlined in blue with the playing area being 50 x 88 feet; the second basketball court, a permanent structure for all-around use, was somewhat shorter.

Surrounding these courts was a cinder running track having 11½ laps to the mile. Permanent seats for 1700 people were installed with temporary seating increasing the capacity to 2,500 people for all home basketball games. If need be, the seating capacity could be increased for about 5,000 people.

Directly adjoining the field house was built the outdoor hockey rink complete with lighting system. This rink, the first Colby hockey teams have ever had with adjoining locker and shower rooms, is 85 feet wide and 185 feet long. When the new gymnasium is built and the basketball court transferred, the field house will be Colby's permanent indoor hockey rink.

Facilities for the new Coombs baseball field were expected to be completed in time for the 1949 season. This field, named after Colby's most illustrious athletic son, John Coombs, '06, former all-time great with Connie Mack's Athletics and present Baseball Coach at Duke University, has perfect dimensions with all fields being over 340 feet distant and 60 feet clearance from all foul lines to the stands.

Adjoining the baseball diamond are the Wales Memorial Tennis Courts. These courts were given to the college in memory of Walter M. Wales who was killed in World War II, and they consist of 7 all-purpose hard surface courts, and 7 quick-drying red clay courts for Varsity and Tournament play. Although these courts had been in use prior to this year, they reached peak use with the availability of locker and shower

rooms as afforded by the new field house.

The men's athletic fields, the new field house, the outdoor hockey rink, the new baseball field and the tennis courts all comprised the new Mayflower Hill Athletic Plant and all are located within five minutes walk of one another. Another new sports facility was added to Colby's plant although not part of this Mayflower Hill Plant — a new ski slope.

With the generous gift of Dr. Charles Vigue, '20, a large plot of land, located within sight of Mayflower Hill, containing a natural slope and landing, was available for the development of skiing. Solely with student initiative this project was carried out, so that by snow time Colby was the proud possessor of one of the finest ski slopes in the state. This slope, with facilities for beginning and advanced skiers, included a trail of some 1400 feet in length, with a vertical drop of about 320 feet. The clearing of brush, uprooting of trees and stumps, mechanical and administrative planning all was done by students. The Outing Club backed the purchase of a rope tow which was set up by the students and afforded a tow some 1400 feet in length at a speed of about 10 miles per hour. A jump will be added in the near future with jumps possible up to 120 feet; a lodge is planned for a future date to be located at the base of the slope, as is a road leading in to the base of this slope.

Thus the years 1948-1949 were epic years for the athletic situation at Colby with new facilities available for the Colby teams and students. Although it is admitted that facilities in themselves do not make teams, the availability of modern facilities for students assures continued participation under excellent conditions — Colby can well be proud of her athletic plant!!!

MacPHELEMY
"CAPTAIN '48"

To the fragrance of leaves burning in little piles along the road, and to the aroma of hard cider bubbling in a jug was added this season the odor of defeat on our virgin vale. The phrase, "Well, maybe next year," mumbled by more and more people with less and less conviction, is beginning to sound like a chant or the theme of a new college song for Colby.

After a survey we found most people attributed our losses to a lack of subsidization. It wasn't because our men weren't trying — they were outclassed. To the man who does know the correct answer will go our undying devotion.

We hardly had enough time to admire the new field, to take in the scenery and to cross our fingers before Teddy Shiro leaned around left end in the first period and contributed six points plus another for conversion. We were happy. We were hysterical when Gene Billings took a punt, faked to Shiro and ended up sixty yards away experiencing the satisfaction of victory: a total of fourteen points for us after Shiro did the honors once more. Perhaps one reason for our donning the laurels was the fact the A.I.C. had such a heavy, slow team: certainly most of it was due to Grant's punting and the defensive play of Toomey. It was with much boasting and flexing of biceps that we walked off the field that day.

Tufts 21

We fumbled our way into the stands for this the first annual Parents' Day game, and watched helplessly as our team fumbled that game away. The Jumbos proved to be one of the stronger small college teams in the East, using a very fast and tricky "single wing." Taking the ball after a . . . you guessed it . . . fumble, Tufts made 7 points in the first period, and later racked up 14 more in the final quarter. We experienced four morale lifts when our Mules stopped that many Tuft marches to the one yard line, thanks to Gabriel, Toomey, and Tempesta.

This was the game which, if for no other reason than the presentation of the white mule mascot, many students, alumnae and parents will remember.

was the nullification of the touchdown pass from Wales to Harrington. Captain MacPhelemy, Gabriel, Mitchell, and Alex were in the limelight that day.

'Twas on a sunny day, and 'twas before a crowd of two thousand that we worked hard for nothing. We missed a field goal in the last period tried from the 26 yard line by Shiro. Rubbing salt in the wound

Colby 14
Amherst 27

If nothing else for us, this was a very interesting scoring contest. Quite a few of us made it to Pratt Field in time to see Lew Hammond lead the undefeated Jeffs in their early passing. Succeeding their first startling touchdown, we were able to drive back 65 yards, using the hard play of Billings, Alex, Hall, and MacPhelemy as a springboard for the Lundin-Shiro pass that tied the score 7-7. Soon after the half they passed for one T.D., and came back again for another in the fourth division. Colbyite "Baldy" Baldwin was the spark plug for the next Colby marker on a Wales-King pass. Another one at this time could have won the game for us, but our fumble and their scoring on it in the closing minutes extinguished our hope for that day.

Colby 0
Bowdoin 28

After our clear-eyed dedication of the new Seaverns Field the Polar Bears came roaring onto it and soon had our loyal alumni crying in their bottles. We were fortunate to hold our big rivals scoreless the first quarter, however, their first two just before the half's end, brought on the traditional mumbling to ourselves and palm punching. Bowdoin's Burke topped off more Brunswick brow beating with his score on a pass to Lee in the third quarter, which was followed in the fourth by their score on Grant's blocked kick. Wales, Harrington, and Cannell made the team look good at times, but Bowdoin obviously had too much on us and the new field.

Maine 21

We bummed, hooked, and asked for rides up to Orono that sunny afternoon and sat through the first quarter punting duel a little bored but sensing that something was in the offing. Maine's touch-down on an aerial in the second period corroborated our worst expectations. Reggie Lord did it again for them on a beautiful punt return that second period. After the half, our fumble gave them two more points, and it wasn't long after this that Maine got their cave, but we just couldn't put it across. A bit of recompense, though, was the after-game fraternizing.

Colby 14
Coast Guard 19

The day was dull, but the playing was brilliant — many thought it the best game of the year. It was evident to us that our team was out to win for it had control of the ball throughout most of the game. The crowd raised itself to tippy-toes twice

when Phil Lawson and Chet Harrington each made a sensational catch — each resulting in a touchdown. Captain MacPhelemy's running and line plunging, Shiro's conversions, and a couple of double and triple reverses combined to give a polish to our team that almost dazzled the Middies. But not quite — with one minute to play Smith lobbed to Vaughn and the sailors took it.

Colby 0

Bates 7

Even if we lost this one we were partners in causing a situation which had never occurred before. Bates' victory produced the only three-way tie for titular honors in Maine football history — Bates, Bowdoin and Maine.

We missed our chance in the first period to score when we were on the three yard line, but Bates made no bones about cashing in the first 3 minutes of the second half.

Accolades to Bob Gabriel for being made All-Maine at this time. George MacPhelemy relinquished his official capacity to George Toomey, who will be captain of the team in '49.

CAPT. MITCHELL '49

Five returning lettermen, the nucleus of last year's freshman club, and three transfer students were among a group of twenty-three men who answered Coach Lee Williams' call for basketball candidates in late October. Williams, in his third year as hoop mentor at Colby, found the prospects for a good season equally as bright as the schedule was strenuous. Colby had hopes of annexing its first state series basketball crown since the recent war.

Heading the list of returning lettermen were Russ "Tubby" Washburn, high scorer for the Mules for the past two seasons, Bill Mitchell, this year's captain-elect, Tommy Pierce, the very smooth ballhandler and excellent playmaker, and Dick

"Punchy" Michelsen, a left-handed sharpshooter from Stamford, Conn. New faces to the varsity squad, but well-remembered for their showing on the crack freshman quintet of 1947-48 were such players as Teddy Shiro, former Waterville High School athletic great, Walt Russell, Jim Lazour, Warren Finegan, Crif Crawford, Gene Billings, a three-sport star at Madison High School, and Sherwin Welton. Outstanding among the transfer students was George Paine, formerly of Mass. State College (Devens).

As the date for the first game drew near, the general opinion was that the Mules would need all the reserves they had plus a goodly share of the breaks of

the game to surmount a back-breaking schedule of 25 games, the longest in the school's history. High points on the schedule were a pre-Christmas trip into Massachusetts, and a five-game journey into western New York, Connecticut, and northern Ohio. In addition, home games were carded with such formidable teams as Springfield U., Wesleyan, and Providence College.

The season got underway on November 30th when Colby trounced the Farmington State Teachers College five in an exhibition game, 89 to 49. Good teamwork on all sides gave promise of better things to come. Colby officially opened the lid on the new season on December 4th when they sneaked past the Polar Bears of Bowdoin, 42 to 41. Pivotman Finegan excelled in this first State Series clash as he dumped in 17 counters to greatly outdistance his mates in the scoring parade.

The Mules really showed the fans some fancy basketball on December 8th as they easily outsped a sluggish U. of Maine outfit, 60 to 45. At times Colby seemed to score at will, combining good backboard play with flashy offensive work. Teddy Shiro paced the attack with 16 points, closely followed by Tubby Washburn, who had 15. Three nights later, however, an accurate-shooting Bates quintet handed the Mules their first setback of the season in an

overtime thriller, 66 to 60. Colby, after holding a comfortable lead throughout most of the game, tired toward the end and succumbed in the extra period. Russ Washburn was more than adequate offensively as he racked up 23 points, high total for the season thus far. Shiro played a grand defensive game and also tallied 11 points.

As Christmas vacation arrived, Colby headed south for a pair of games in Massachusetts. The first of these two contests was with Clark U. of Worcester and saw the Mules bow in the last 10 seconds after leading all the way, the score being 59 to 56. Washburn again led

our scorers with 16 points and center Finegan tossed in 10. The next evening in Boston, Northeastern U., shooting with amazing accuracy, easily downed the Mules, 59 to 53. Colby scored 13 points in the last minute and 50 seconds in a desperate effort to get back in the game. Ever-reliable Russ Washburn was again high-point man for his team, dumping in 20 points. Ted Shiro was next in line with 15.

After a week's rest, Coach Williams and his team assembled in Boston and embarked on their all-important holiday trip, stopping first at Rochester, N. Y. on December 28th to play Rochester U. The Mules did not play their best basketball in this game and wound up on the short end of a 75 to 59 score. High scorer for the losers was Warren Finegan with 15 points. Washburn had 11 points, Shiro 10.

The following evening, Akron U., with an undefeated team, played host to the Colby club at Akron, Ohio. Against a team whose starting lineup averaged 6' 4½", the Mules showed their class by keeping pace with the home club until the last three minutes of play. Then Akron poured in three quick baskets and held on to take the game, 52 to 44. Warren Finegan easily was the best man on the floor as he hit the nets for 17 points.

Two nights later, Colby traveled back into New York State to meet a very strong St.

Bonaventure quintet. The Bonnies, with a flashy offensive club which played a shifting man-to-man defense, throttled the Mules' attack throughout most of the game and walked off the floor with a 52 to 43 victory. Colby's Tubby Washburn was key man in his team's offense as he swished 17 points through the nets.

On New Year's night, the Mules faced a good team from Buffalo State College. Although this opponent did not exhibit the classy brand of basketball shown by the previous two, the Colby attack just couldn't get rolling, the result being our 4th successive loss on the present trip. This time the score read 55 to 47. Russ Washburn was high point man for the Mules once again, scoring 11 points. Ted Shiro was next with 10 counters.

For their final game of the Christmas trip, Colby traveled to Storrs, Conn. to meet Connecticut U. Showing a tight zone defense for the first half of the contest, the Mules battled their favored opponents closely all the way. However, the second half told the story and Connecticut opened up a big lead and kept it to win going away, 58 to 45. Warren Finegan was the bright light in the scoring department for Colby, hooping 15 points.

In virtually every game played on this trip, Colby's pattern of play was the same. They started out strong in the first

half, then weakened in the 3rd and 4th periods to lose by a few points. The Mules were far from discouraged at the results however. They believe that these games have given them the experience necessary to show their class against the three other Maine colleges and enable them to cop the State Series crown.

Returning to their home court for the first time since their game with Maine in December, Colby played host to a smooth-working combine from Wesleyan on January 7th. Evidently they liked the idea of playing before home fans, for they shot and passed with uncanny accuracy as they outlasted the Connecticut club to win, 66 to 59. The victory broke a string of eight consecutive losses for the Mules. Russ

Washburn tied his own scoring record (also the individual scoring record for a Colby player) as he flipped 26 points through the hoop. It was also Tubby's best game individually thus far this season. Teddy Shiro was outstanding defensively and managed to score 16 points himself for the Colby cause.

The Mules captured their 3rd win of the year in State Series play when they thumped a very poor U. of Maine team at Orono on January 13th, 60 to 49. Colby

broke fast from the start and the outcome of the game was never in doubt after the first ten minutes of play. Ted Shiro led the offensive parade for the Mules, pumping in 13 points. Tubby Washburn and Warren Finegan followed Shiro with 10 points each.

Two evenings later, in the Fieldhouse, Colby gained sweet revenge on Bates for an early-season loss by drubbing the Bobcats 68 to 55. It was their 4th win in 5 series contests, and their 3rd win in a row since their return from their Christmas trip. Although Tubby Washburn led the scorers with 22 points, it was Punchy Michelsen's play which insured the victory. The Punch threw in shots from all angles of the court, while displaying his best basketball of the year. He trailed Washburn by one hoop in the point department, scoring 20 points.

Staging a grand comeback in the second half, Lee Williams' Colby outfit chalked up their 4th win in a row January 18th as they smothered Bowdoin, 62 to 48. It was the Mules' 5th win of the year in State Series competition, their 2nd in succession over the Polar Bears. Bothered by Bowdoin's smart, aggressive style of play, Colby left the floor at halftime leading only 25 to 23. However, by switching to a floating-zone defense in the second half, they completely tied up their opponents and dominated the game from there in. Finegan was high

scorer for the Williamsmen with 16 points. Washburn and Shiro followed with 14 and 12 points respectively.

As the ORACLE goes to press, Colby seems almost assured of gaining at least a tie for the State Series crown. With a record that now stands at 7 wins and 8 losses (including the exhibition win over Farmington), the Mules can very well wind up with one of the best records among the small colleges in New England, should they maintain their winning pace for the balance of the season.

Colby easily won the State Series Crown for 1949 with a record of eight wins against a lone defeat. The final season record was 14 on the good side with 11 on the bad—8 of the wins were in a row and in the latter portion of the season after a bad Xmas road trip. The Mules were invited to partake in their first tournament by the National Association of Intercollegiate Basketball (NAIB) New England Sectional tourney at New Britain, Conn. After losing the opening round to St. Anselm's by a 76-58 score, Colby defeated Providence College the following night, 58-48, to win consolation honors.

In addition to making All-Maine, Russ Washburn was named to the NAIB All-Tourney team at New Britain and has since signed to play professional basketball next year with the Boston Celtics. During the course of the season "Tubby" broke most every Colby scoring record and ended his collegiate career with a total of 400 points scored for the 1948-49 season alone.

The weather, which has been a "bugaboo" for hockey in Maine every year, really went out of its way to dampen the hopes of a successful season for the Colby Varsity Hockey squad this year. Although the team lacked experience, one of the prime reasons for a poor early showing was, other than the weather, a lack of a suitable place to practice — the squad doing most of their practicing on a pond without the use of the boards which are so necessary for a hockey team to practice with in order to develop a smooth working organization. No matter how much material may be at hand there is no way to develop a winning combination without all the essentials to the game at the team's disposal.

At this writing only four games have been played. Two during the Christmas vacation, and as in the past, they were invitations to defeat due to a lack of ice at Waterville, while the Boston clubs were using the Arena. Colby was defeated by Fort Devens 3-1, and by Boston University 11-0.

Bill Millett was forced to vacate his position as hockey coach with the appointment by the college on the fund raising committee for the Mayflower Hill Campus. Rum Lemieux, '37, replaced him and is well known in northern New England as one of the all-time hockey greats from Colby in his undergraduate days. He made a successful debut when Colby defeated Fort Devens 4-2 in Waterville at the South End Arena. Opening the State Series with Bowdoin at Waterville, Colby defeated Bowdoin 5-0 to go into the lead in this traditional series. Marked improvement was noted on the part of the entire Mule sextet while Spinner in the nets was superb, and Bailey pulled the "hat trick" scoring three goals.

The outstanding player on the squad is Johnny Spinner, one of the best goalies to be found in Eastern colleges. Captain Bingo Leaf, Laliberte, and Titus were the defensive mainstays. The first line composed of McGrath, at center, and Bailey and Hall at the wings looked very good at this writing and scored all four goals against Devens at Waterville. The other lines were not set but Wales, Johnston, Harrington, Millett, Reid, Clark, Richards, Doyle, Keefe, and Latham were all in the thick of the fight for positions on the 2nd and 3rd lines.

It is hoped that the remainder of the season will be played on the rink built next to the field house on the new campus, for at this writing the flooding is just about completed. With these added facilities the remainder of the season should bring forth a few more victories into the Mules net for, with the material at hand, the team is certain to improve — especially with better facilities at hand in the near future — we hope!!

During the outdoor season of 1948, the prospects of track at Colby took a turn for the better. The team won its first meet since 1941, by defeating Fort Devens 70-65. The thing which makes this so spectacular is that it was done with only thirteen men, all of whom were lettermen. This resulted in the fact that every man had to participate in at least two events. Added to the shortage of men was the loss of Captain O'Halloran for most of the season.

Outstanding during the whole season was Aaron Sandler. In the meet with Fort Devens he scored 18 points by winning the 100, 220, and 440 yard dashes and placing second in the broad jump. In this meet Colby swept the 100, with Marden second and Dowe third. Other firsts were Gates in the high hurdles, Dowe in the low hurdles, and Woods and Lawson tying for first in the pole vault.

In the meet with Vermont, Sandler again starred by winning the 100 and 440 yard

dashes and placing a close second to Marden in the 220. Al Gates made an excellent showing in the high jump, despite a pulled muscle. John Harriman came through with a surprise win in the broad jump and also took second in the 880 yard run.

Harry Marden was Colby's star in the state meet, winning the 220 and placing third in the 100. Sandler was lost to the team in the finals of the 100, when he pulled a muscle.

"CAPTAIN ELECT '49"
CLARK

Coach Eddie Roundy's Colby Mule Pastimers — edition 1948 — enjoyed one of the best seasons in the history of Colby baseball last spring as they won the State Series, going undefeated in the regular season of the Maine Conference and carding wins over such schools as Boston College, University of Maine, Bates, and Bowdoin.

After a bad start in the early part of the season when they dropped five straight games, two of them exhibitions with Maine and Bowdoin, the Mules came back to rack up five consecutive wins out of six, to wind up the year with a 5-6 record.

Two factors helped bring about the poor Colby record at the start of the year. One was the bad weather which plagued Maine athletics in the early spring and forced postponements of both games and practice sessions. The other was the fact that Coach Ed Roundy had not yet devised a way to beat his apparent loss of experienced hurlers.

Good weather finally prevailed and the pitching problem was ultimately solved. After a disastrous Massachusetts trip which saw them lose to Harvard 4-3, Northeastern 6-5, and Boston University 17-15, the

Mules returned to Maine to wind up the season in a blaze of glory and cop the coveted State Series diadem.

The games in Beantown were all heartbreakers. In the first one with the laddies from Cambridge, Colby battled on even terms through nine long innings only to lose out in the home half of the tenth, 4-3. Pitching wildness set the stage for Colby's second defeat the following day. After tallying five quick runs at the start, Mule pitchers went haywire and started handing out free passes like politicians in late October. The net result was that the Huskies capitalized and nicked the plate for a half dozen runs to sew it up, 6-5.

The Boston University game was a real donneybrook. Both nines used every pitcher on their roster and by game's end, the mound was busier than Central Park, but to no avail. The Mules collected all the extra base hits except three. Those three were all home runs by Boston University. — B. U. 17, Colby 15.

Things settled down to a dog trot when Colby returned from their toils in the Hub. Roy Leaf, up from the junior varsity of the previous year, and George Clark, fireballing third baseman from the previous year's varsity, who has since signed with the Brooklyn Dodgers, along with a couple of other capable twirlers, appeared to have it.

Leaf was selected to toss the official State Series opener with Bates at Lewiston and the diminutive hockey captain threw a four-hitter at the Cats. It was all the Roundymen needed to cop 6-1.

Three days later it was Clark's turn to show how a converted infielder can pick up mound savvy in a fortnight. Clark kept the Bowdoin Polar Bears at bay with a fast sinking curve ball to win 6-4.

The Mules met Bowdoin again the following week at chummy Seaverns Field and Clark was given the assignment of muzzling the Bears for a second time. This time the likeable veteran who was first scouted at Fort Dix, N. J., by Coach (then Captain) Eddie Roundy, came through with a three hit shutout as Captain Norm White and crew unleashed a 10-hit attack to capture the decision going away, 6-0.

Only the University of Maine stood between Colby and its first State Series title on the afternoon of May 24th. George Clark, rapidly becoming a pitching mainstay, took over the pitching chores for the third straight time and gave up only five hits to muzzle the Black Bears as easily as he had the Polar variety, 6-1. Thus it was that Colby scored exactly a half dozen runs in every official series game of the year to grab the bunting.

Two other games — one with Boston College and the other with American International — represented the climax and anti-climax of the year. In the first, the Mules, behind the slants of right-hander Roy (Bingo) Leaf, nipped the B. C. Eagles, 5-1, handing the Boston club its second defeat of the season after five straight victories. In the finale, everything went a very dark shade of black for the Mules when the unheralded A.I.C. nine up and knocked Colby pitching to a fare-thee-well to snap the Colby string at five in a row, 11-2.

Prospects for a good season in 1949 look bright. Back for action from last year's club will be catcher Norm White, first baseman John Spinner, second baseman Bob Nardozzi, shortstop Tom Pierce, third baseman Nel Goulet, and outfielders Wils Eldridge, Dick Grant and Russ Washburn, and pitchers Roy Leaf and Burt Silberstein.

Up from last year's once-beaten freshman club are such performers as twirlers Frank Gavel and Jim Keefe, infielders Chet Harrington, Teddy Shiro, and Gene Billings, backstop George Wales, and outfielders Marv Aarseth, Red Deering, and Cap Lowery.

With snow conditions reported as frozen grass up to the date of this writing the ski team has been held to deep knee bends and general conditioning. Under the whip of able Coach "Les" Soule and the availability of the new slope, trail, and ski tow, improvements in the team should be great enough to earn skiing a berth in the ranks of varsity sports at Colby.

The strength of the team is based on the experience of such veterans as Captain John Harriman, Woody Gair, Ken Sawyer, Dave Dobson, and Hank Poirier. John Swett and Karl Raup will be point getters in the classic cross country race. Ten freshmen aspirants were greeted by Coach Soule with a sign of hope. They will undoubtedly add considerable balance in meets this year and in the future.

In addition to the annual Harvard Invitation where Colby rubs skis with such colleges as Harvard, Middlebury, and Dartmouth, a major feature of this season will be the Eastern I. S. U. Championships at Williams. In the home state the team meets University of Maine, Bates, Bowdoin, M. I. T., and Tufts.

Varsity Golf 1948

Colby's Varsity Golf team ended the 1948 season with a record of two wins and four losses, scoring a total of 26 points in six games in comparison to 36½ points for the opposition. The prospects for the coming season are unpredictable as four of last year's six varsity men have graduated, and the caliber of the newcomers is not known due to a lack of Junior Varsity or Freshman teams.

Due to the very unfavorable weather and a mid-season injury to its Captain, the Varsity Tennis team lost all four of the matches played out of the original scheduled six — two matches being lost to the weather. Although the won and lost record of the 1948 Edition of Baby Mules was not too impressive, it is felt that the material to be found on this squad was as good as any Frosh squad since the war.

The Baby Mules opened the season against Higgins Classical on the new Seaverns Field and won by the margin of 16-0. The touchdowns were scored by Ray Bill-

ington and Bob Morton, with Wil Gouzie adding the extra point on both occasions. The final two points were scored when Paul Levecque trapped an opposing player in the end zone.

The second game of the season was a different story as undefeated M. C. I. came to town and left with a 26-2 victory. With the Baby Mules dominating the first

quarter and M. C. I. seemingly unable to move against our forward wall, it looked promising for the Frosh, especially as our forward wall had blocked a kick and led 2-0 early in the game. However, time soon told which was the superior team and, with the opponents line outchargin the Frosh, plus the excellent running of their entire backfield, the Baby Mules soon found themselves out of the game and the game turned into a rout.

The third and final game of the abbreviated season was played at Hebron. The first half proved to be a fumbling contest, and it was not until the second half that either team scored. The Frosh broke the ice with a touchdown by Bill Clark and Hebron followed quickly after receiving the kickoff. Neither team made the extra point and the game ended in a 6-6 deadlock.

The standouts in the backfield during the season were Billington, Clark, Gouzie and Morton, while the line had such stalwarts as Armstrong, Aumond, Bazer, Sanderson, and Verrengia. It is hoped that these men plus others on the squad will be able to give much help to the Varsity in 1949.

At the time of this writing the Frosh basketeers, coached by Eddy Roundy, are riding high with a victory string of seven wins and no losses. Their attack formed around big Paul Aumond has led to lopsided victories over all teams faced to date. Aumond, with a devastating hook shot, was leading the scorers; Blake, Nagle, Gouzie, O'Brien, White, and Wall, all capable players, were also outstanding in this early portion of the season. Thus, the Frosh with their winning ways are following the pattern set by the 1947-48 edition which lost but one game during the entire season and avenged that loss at a later date. We hope this year's team can do as well during the remainder of the season as they have done to date.

Informals

Through the courtesy of the Maine Central Railroad we were dumped off at the Waterville Station to be welcomed into the Colby Family by a few campus-wise members of the S.C.A. Ours was a mixed gathering of veterans and those of us only a few short months ago graduated from widely scattered high and prep schools. Our many varied skills and abilities as yet unknown, we had a common feeling of mixed emotions; home-sickness, fear of possible hazings and wonderment as to all the mysteries of college life.

The new Mayflower Hill campus was fast rising and some girl's dorms had already been occupied for a couple of years. However, we were already assigned to the old campus and found consolation in the fact that these downtown houses were closer to the hotspots in town, assuring us of easily accessible night life. Our night life consisted of a couple of movies per week or possibly a bowling match or two. Those of our members who were known to frequent the city spas were frowned upon by those of us who still took our Puritanical upbringing to heart. Little did we of the Puritan sect know that before our college years were over we would

seek our spirit and inspiration in those very spots we then condemned.

This first year did not offer too much in the way of athletic contests. Some of our members turned out for football to find that the numerous afternoons of practice were to put them in shape for a "home and home" series with Bowdoin. Those of us who did not possess the muscular development necessary to be football heroes eagerly plied ourselves in the role of spectators, in our first chance to cheer our college to victory on the gridiron. Basketball also offered only an abbreviated schedule. It was sufficiently long, however, for us to discover the potentialities possessed by Chet Woods and Arvy Holt. In the same way baseball had not come into its own. It was on the diamond that we discovered that Nel Goulet and Bunny Fields were also athletes.

As our first summer vacation approached our "Who's Who" was growing. Many had joined the glee clubs and "Powder and Wig" but as of this first year they were only faces among the numbers, patiently awaiting their chances at top billing and campus stardom. Some had experienced

fleeting romances on this and the Bowdoin campus. It was with some misgivings that we left Waterville that spring, happy however, at the thought that next year we would be 'knowing' sophomores.

When we arrived on campus for the '46-'47 year we found it already dotted with scurrying, eager freshmen. Among our own numbers we found familiar faces missing, many having dropped out, flunked or been bounced out, and some new ones added. Before too long we were also to learn that of last year's budding romances some were still blooming and others were sadly shattered, reasons for both the male and female members to look over the new freshmen crop for possibles. The student body had definitely grown and we rejoiced over the fact that we were no longer the babies of the Colby family.

This was the year that was to establish many of our members as 'names' on campus as the spotlight came back to focus on athletic games and other extra-curricular activities. In a football season that was to find us arrived back too late for the only victory, Bob Cook, George MacPhelemy and Jim Lundin were instrumental in the team picking up points and

Bob Jacobs was busy picking out bench splinters. While those male members were making their fame on the gridiron, the girls were not idle either. The field hockey season found Jean Desper, Georgia Hooker, and Deanie Whitcomb swinging away for top honors, with little respect for life and limb.

With winter many and varied activities were to be open to all. Bill Mitchell and Punchy Michaelson were to gain starting berths on the basketball team. Down on the cinder tracks Don Heacock (our combination laundry agent and Boston Post delivery boy) was having a great season tripping over hurdles. Sam Monaco was also found down there in the field house throwing his weight around. President Bob Mitchell of the Outing Club had arranged many mountain climbing expeditions and parties at the lodge (the scene of birth of many a new romance). The Winter Carnival sponsored by the above mentioned organization, was a gala occasion with our own June Stairs and Mary Lou Reed serving as members of the Carnival Queen's court. The first post-war Varsity Show was a great success with Nancy Semonian and Hope Harvey turning in super-duper

performances. Bob Mitchell was gaining fame on his barrel staves at state ski meets and Roy Leaf and Bushy Welch were acquiring many a bruise in a disastrous hockey season. It was very plain to see that we were now beginning to be recognized as individuals and not as just sophomore class members when Honey Hathaway, Bugs Beauchamp, Lynn Shaw and Franny Nourse were initiated into the GOONS.

This was the year that saw fraternities on the way back to pre-war strength. With the second semester came a mass migration of the upper class male student body to newly completed West Hall. With the coming of spring all young men's fancies turned to love and baseball. Bob Nardozzi proved himself a topnotch second sacker on the varsity while Fields and Leaf performed creditably on a nearly unbeaten jayvee team. At the same time Dave Lynch, Guy Smith and Ed Waller were making valiant attempts to break par as they putted around on the links. Down on the softball diamonds Bev Hallberg, Mary Bauman and Marion LaCasce were proving themselves major leaguers playing on an all-star

roles. Presentation of the varsity show at the Opera House found Martha Jackson and Connie White in the leading roles. Basketball season brought back Lock Jennings to bolster our successful team.

In the spring Roy Leaf and Bert Silberstein proved their worth to the baseball coach and made the mound staff on a team that couldn't be stopped as it rolled on to a State Championship. Georgia Hooker and Bev Barnett increased our membership into the GOONs to six. With a crew slightly diminished in number but still with plenty of spirit we returned home for vacation to rest for one more year with the books.

The 1948-49 year found us coming down the homestretch and headed for a diploma. We had made our names on campus in three years and now could coast on our laurels — but few of us did. Our returning athletes now boasted of five captains in their ranks: George MacPhelemy, football; Roy Leaf, hockey; Bill Mitchell, basketball; Sam Monaco, track; and Bob Mitchell, skiing. In the fall our officers were elected, Guy Smith, Janet Pride, Pat Lydon, and Tom Macguire in the

usual order. George I. Smith was elected president of the Outing Club.

To be sure many of us were wise and learned but still found that we were not letter perfect. To show one example Art Blasberg learned that one must be, oh, so careful in the selection of friends for not even the Pope is above suspicion. Mary Bauman Gates is now learning that two can live just as economically as one, providing they live on love. Bob Bedig, Bob Nardozi, Ed Pniewski and Bud Phillips have found that one cannot believe every advertisement they read about hair tonics — for with knowledge comes baldness.

With the end of college life at Colby in sight we again unite in a common feeling — a feeling that from these years we have gained not only graying heads and wrinkled brows, but also untold wisdom. It is only natural that we feel some uncertainties as to what lies ahead for us but we also feel that we are well prepared to face this unknown with the store of memories, friendships and knowledge that we have gained in our four years at Colby.
