*The Class of 1942 have come to the end of their college days. So, fifty-one years ago, did I. You are leaving the active life of the campus and so, again, am I. In spite of the uncertainties and hazards that confront you, I wish I were in your place. I would gladly take a part with you in the grim experiences of war and, more happily, in the building of a more secure and cooperative world society which will follow. It is my confident expectation that you will carry on the Colby tradition of loyal service in war and peace. God bless you all.*

Composed of two members from each sorority, Pan Hellenic Council aims to promote harmony in inter-sorority relations.

The group has as its purpose, the coordination of the interests of sorority and non-sorority members of the Women's Division, and the enforcement of rushing rules. The Council is called upon to settle many problems which come before it each year, and it inflicts penalties on those who do not conform to its regulations.

Pan Hell is a very active organization, and sponsors several teas and a formal dance each year.

The Interfraternity Council consists of the presidents of the eight fraternities: the Dean and Registrar serve as President and Secretary-Treasurer respectively. Its aim is to coordinate activities among the various fraternity groups, and through it the administration deals with fraternity government.

It is the Council's responsibility to draw up the fraternity rushing and pledging rules. It arranges dates for fraternity dances and schedules interfraternity sports.

The Council makes decisions on many kinds of problems, and it forms a very important part of the government of a fraternity college.

Inspired by a great new coach, "Nels" Nitchman, and possessing exceptional material, the Colby White Mules clinched outright the Maine State Series Title for the first time since the 1923 season. Meeting keener competition than in 1940, the team did not acquire as good a record as that of the preceding year, but they did rise to greater heights. The only blemish on their series record was a 13-13 tie with the University of Maine. At the time this tie seemed ruinous, but fortunately it was not insurmountable.

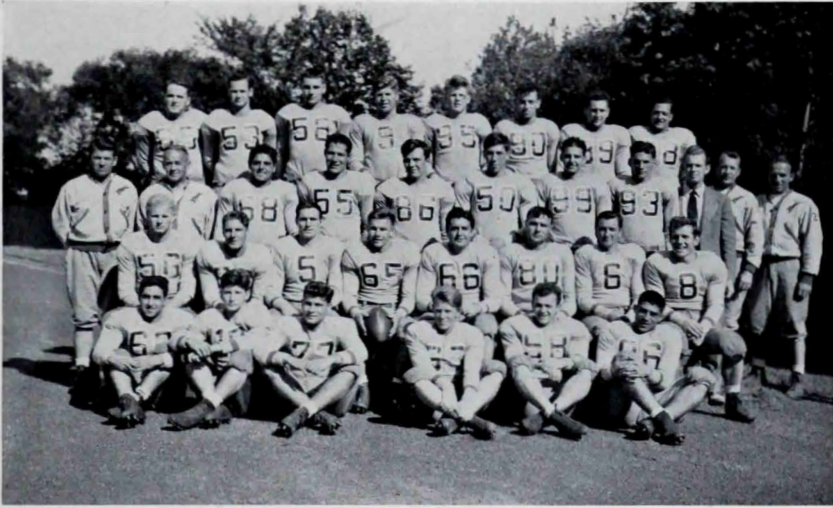

The season got under way on Seavern's Field with Colby testing Coach Nitchman's single-wing formation for the first time against a strong C. C. N. Y. club. Apparently scoring at will, Colby took a quick 14-0 lead in the first five minutes of the game, only to be overtaken and set back by the New Yorkers to the tune of 20-16. Sophomore Ray Verrengia and 1940 All-Maine hack Bobby LaFleur scored the touchdowns for us while Eddie Loring kicked an extra point and a field goal for the remaining points.

The second game of the season proved to be just as hard a nut to crack. Norwich University, led by All-American candidate Walt Domina, invaded the Mules' stamping grounds and walked off with a 21-7 victory. The score alone, however, should not be taken as a criterion of the game. Colby, while pushing Norwich back repeatedly, held a slight advantage for much of the game but weakened late in the third period to give the visitors the victory. Wendy Brooks' touchdown and Eddie Loring's placement scored seven points for the Mules.

Vermont, barely edged by the '40 team, proved not too high a hurdle, and was easily defeated 13-0. Three sophomores, Phil Caminiti, "Bud" McKay, and Ray Verrengia stood out in this game, with Phil scoring both touchdowns.

The first game away from home held no terrors for the Mules. The Middlebury Panthers went down 18-6, by virtue of scores by Caminiti, Captain Helin, and LaFleur. However, this victory proved costly as Henry Rokicki

was carried from the field with a twisted knee that kept him inactive during most of the remaining games.

The State Series opened with Colby meeting Bowdoin at Brunswick. Supposedly much weaker than in 1940, Bowdoin offered stiff competition. It was not until Brooks broke away for a beautiful 30-yard touchdown run, and "Scooter" Scioletti plunged over from the two-yard line, that the game was clinched for Colby. Eddie Loring converted after both touchdowns. The injury jinx struck again during this game. Lou Volpe, destined to be the '42 captain, wrenched his knee so badly that he was lost to the team for most of the year.

## VARSITY FOOTBALL

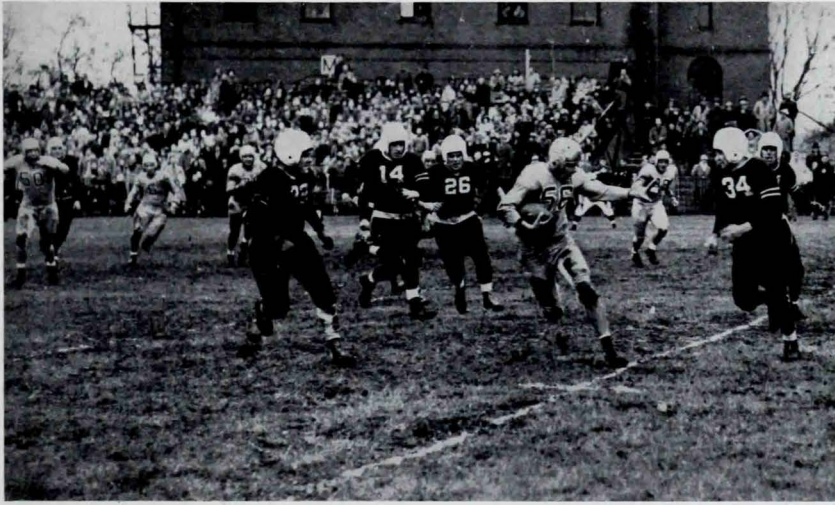

Returning to Seavern's Field, Colby met a strong University of Maine team which kept its lead through the whole game until a never-to-be forgotten last two minutes. With Phil Caminiti and Ray Verrangia alternating, the ball was brought to the 28. A pass carried it to the 13, and from there Caminiti sliced off tackle into the end zone, standing up. This score was not enough, however, as Colby still trailed by seven points, and it was not until the last two minutes that the team once more came to life. With the ball practically in mid-field, and a drenching downpour making passing virtually impossible, LaFleur was sent in. His two long throws to Bubar brought us six points nearer, and only one point behind as the overflowing stands went wild. With about a minute to go, Eddie Loring coolly booted the ball between the uprights to give Colby a much needed tie and a chance for the title.

The two league-leading teams came together on Armistice Day. The Bates Bobcats were the first to score on a 60-yard breakaway run, the effects of which did not dampen the Mules' spirits in the least. In the third period, Verrangia plunged through to the 29, was hit, lateralled to Brooks, and the latter scampered for a touchdown. Loring not only came through by tying the game with his place kick, but in the last period he intercepted a Bates pass on his own 40 and ran it back for a victory score, and the first State Series Title in 18 years.

The successful 1941 season may be attributed largely to the addition of a fine group of sophomores to an already experienced and talented squad. The backfield knew no regular line-up due to the wealth of material available—Ray Verregnia, Phil Caminiti, Bud McKay, Bobby LeFleur, Danny Scioletti, Jack Stevens, Henry Rokicki, and Wendell Brooks.

These backs worked behind a line composed of such fine players as Helin, Wood, Weidul, Hutcheson, Liss, Volpe, Shiro, Turner, Puiia, Bubar, deNazarario, and Hegan. Such a listing certainly qualifies the Mules' squad of '41 as one of the outstanding teams in Colby football history.

## VARSITY FOOTBALL

It was Friday the thirteenth and, with less than half their games before them, the Mules rested securely in second place in the New England college rankings. But it was a fateful Friday the thirteenth, for that night they traveled to Orono to meet the Black Bears of the University of Maine and were defeated, 44-42, in the waning seconds of the second overtime period of as hotly-contested a ball game as state series followers have seen in many years. Tied up at 37-all at the end of the regulation forty minutes, both teams resumed hostilities after a short rest period only to remain deadlocked at 39-all after the first ten-minute overtime. In the second extra session the teams seemed determined to make a marathon of the contest with the score standing at 42-all and only seconds to play. Then a Maine substitute slipped through the tight Colby defense and sank a lay-up shot that ended the game and set back the Mules for the first time in seven starts.

With only Johnny Lomac and Captain Oren Shiro returning from last year's championship team, Coach Roundy was faced with a tremendous task. Yet the first game on the schedule with Providence College left no fears that Colby's fine record of last year would be tarnished. With sophomores Benny Zecker and Mitchel Jaworski showing the way by piling up ten and sixteen points respectively, Providence was hard pressed to eke out a 55-54 win. Lomac left no doubt that he was picking up his scoring habits just where he left them last season by sinking fifteen points, thirteen of which came in the last half in an all-out effort to bring victory.

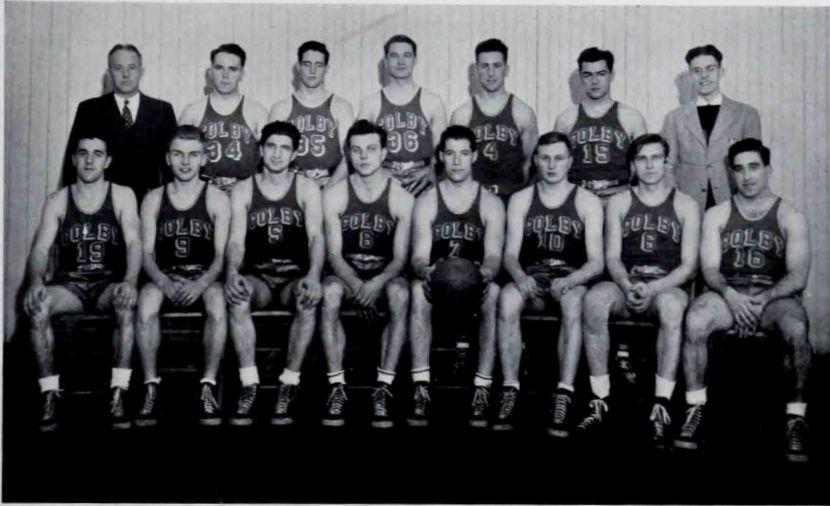

Hitting the road, the Mules continued to threaten the uncertain balances of their followers by taking Trinity by one point, 46-45, and Wesleyan, conqueror of Harvard, the following night by a slightly larger margin, 37-34. A loyal band of Colby rooters welcomed the team to Connecticut and provided moral support. Zecker and Lomac continued to be the scoring threats, contributing thirty-three and seventeen points respectively in two games.

The state series opened in earnest when Bates played host at Lewiston after St. Anselm had fallen before the Blue and Gray wave in another close contest, 30-29. But there was no doubt about the decision over the Bobcats. Jaworski, Zecker, and LaFleur put their thirty-eight points with those of the rest of the squad to amass a total of fifty-three to Bates' thirty-seven.

Bowdoin entered their first state series play on the court disastrously. The Polar Bears' inexperienced outfit did well to hold Colby to a 46-23 decision. Then the University of Maine fell prey to "our boys" in the first encounter when late baskets by Zecker edged them, 38-35.

A new scoring star was uncovered in the Boston University game, when diminutive sophomore "Lock" Jennings, who was put in to fill the gap left when Bob LaFleur was drafted, scored fourteen points, and generally made it a bad evening for the Bostonians with his sparkling defense and stolen passes. It was after this victory that Colby was ranked second only to Providence in New England, topping such schools as Rhode Island State, Dartmouth, Brown, and Harvard in the standings. Then came the debacle at Orono and the Mules returned to Waterville only to absorb their worst drubbing of the past few seasons at the hands of the smooth-passing Tufts team, 34-24.

The Colby spirit proved unquenchable, however, and the Mules bounced right back into the win column several nights later when Northeastern's Huskies invaded Waterville. One of the most feared teams in the East because of their ambidextrous scoring ace, Al Pajonas, Northeastern was highly favored, but hard luck hit them when Pajonas contracted an infected ankle and was unable to play. Demoralized by his absence, the Maroon was hopelessly outclassed, 40-17, as Colby regained its stride.

The second win over Bates followed to the tune of 48 to 38 and the Mules then journeyed to New Hampshire, defeating the Wildcats in another high-scoring spree, 58-43. Winding up the season, Colby cinched a tie with the University of Maine for the state championship with a 58-41 victory over Bowdoin. Lomac set a new scoring record for state series play when he rang up twenty-four points.

Scoring honors for the season went to Zecker and Lomac, the latter's 143 points topping the former's 122 for a game average of better than ten points. The team's accumulation of 621 points or an average game-score of slightly over 44 points as against approximately 39 for their opponents, is indicative of their defensive ability as well as their offensive punch. Sophomores Strup, Puiia, Calahan, Jennings, Zecker, Jaworski, Caminiti; juniors Westcott, Lomac, Ferris; and seniors Flynn, Shiro, LaGassey, and Came, made up one of the best-balanced and most resourceful aggregations to represent Colby in the history of basketball here, and brought a ranking of sixth in New England on the strength of a season's record of eleven victories in fourteen games.

## VARSIITY BASKETBALL

*Left to right: Coach Perkins, Emory, Brown, E. Wood, Hilton, Quincy, Hamilt (Manager).*

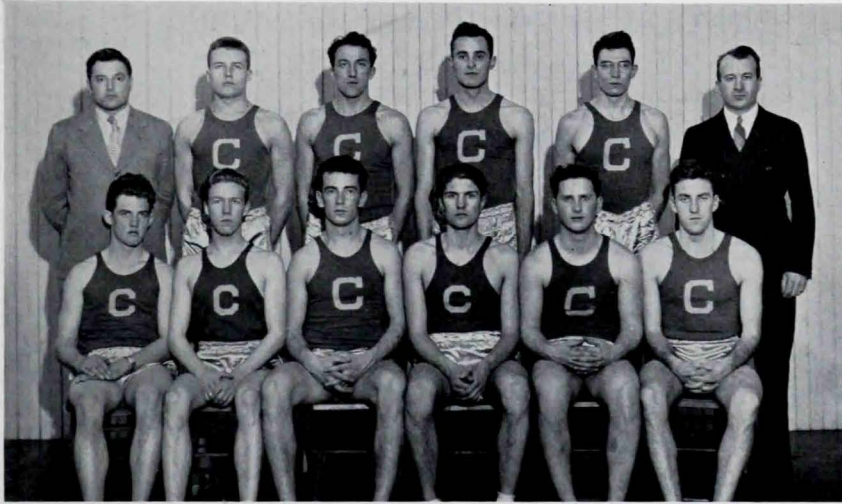

The best material in several seasons reported for cross-country this year. While not winning a single meet, the individual runners showed flashes of form and good promise that the team would get in the win column next year.

Bowdoin won the first meet 42-19 with Quincy finishing third. At New Hampshire the team got the short end of a 43-19 score, but Frank Quincy ran an outstanding race, leading the field by 20 or 30 yards near the end, and losing a first place only by taking a wrong turn. At the State Intercollegiate Meet in Augusta, Colby was fourth. Quincy in 7th place was again the first Colby man in. At the Bates meet he continued his great running by taking first place with the fastest time turned in over the Lewiston course this season. It was Quincy's first win in two years of competition. In spite of his fine effort, Bates took the meet 33-22.

The N. E. Intercollegiate Meet took place in Boston with Quincy, first man in for Colby, finishing 21st in a field of 96. In the freshman race, Ronald Veysey and Dana Robinson finished 1st and 2nd to raise hopes that next year's cross-country squad would have more to offer. Senior Walt Emery will not be returning, but Quincy, Brown, Graham, Hilton, Wood and Mountfort are expected back and are sure to show improvement.

## VARSIITY CROSS COUNTRY

*First Row left to right: Quincy, Brown, Turner, Goodrich, Blatman, Bateman.  
Second Row, left to right: Lacombe (Manager), MacLeod, Lebednik, Pratt, Weeks, Coach Perkins.*

Colby's 1942 Indoor Track season was consistent with past performances, with the team unable to win over any of its scheduled opponents, but with a few individual performers showing up well in their own events. As usual, Coach Perkins was handicapped in that he had to work with a squad that was comparatively much smaller than opposition squads, and therefore weaker in prospective material.

At the B.A.A. games, Colby entered only its relay team and dash-man, Jim Bateman. Bates won the first scheduled meet 73-43, with Bateman high scorer as he won the broad jump and "300," and placed second in the "600" and the 40. Quincy won the two mile.

Maine beat Colby 98-28, bringing to Waterville a squad so large that each man was entered in but one event. Pratt got the lone win for Colby in the high hurdles. Captain Vic Lebednik got three seconds; and Bateman, Quincy, Goodrich, Turner and Pratt gained points by placing in their events.

IC-4A champion Morcum of New Hampshire furnished pole vault and high jump thrills, as Colby lost its last meet 59½-46½. Lebednik and Quincy established meet records, and Bateman was high scorer for Colby with 13 points. Colby's nine-man squad might well have taken this meet had not Russ Brown and Doug McLeod been sick, taking needed strength from the team.

Once more a strong frosh team gives hope of improvement next year.

Getting off to a slow start, Bill Millett's pucksters enjoyed a highly successful season, in spite of the fact that they were defeated for the New England Hockey League crown by Boston College. In a play-off game at the Gardens, the stronger Boston College team came from behind to out-score the Blue and Gray by two goals, and Colby had to be content with second place. However, the skating Mules remained undefeated in the State race, and remained victorious for the third successive season.

Joe Wallace won the individual prizes of the season by breaking the league scoring record. Joe was rewarded for his consistent scoring and aggressiveness by being chosen captain of the All-New England Team.

Eddie Loring, for the third straight season played his stellar game in the nets, and again gained his berth on the All-New England team.

This year the Mules travelled to Dartmouth and Yale. Although being defeated in both contests by the outnumbering reserves of the larger schools, the Blue and Gray performed admirably.

The Spring of 1941 found Colby with a very promising outlook for a successful baseball season. However, these optimistic views were not destined to be fulfilled.

Starting off the season, Colby was beaten two in a row by Bowdoin and Maine, but managed to start rolling after that by taking three of their next five games, beating Northeastern twice, and Bates once.

The Bowdoin club were our toughest hurdle as we defeated them but once, while losing three times. To Bates we lost two decisions, after winning the first game 10-9. By taking the last two of a four-game series with the U. of M., we somewhat atoned for our earlier defeats by that club, and beat them out for third place in the State Series.

Two strong teams from the University of New Hampshire and the University of Vermont also took a game a piece from Colby, while the Middlebury game was rained out.

Joe Slattery and Gil Peters led the club in hitting: Joe ended up with a .350 average, and Gil just below .300.

The pitching department was not quite as successful as it was the previous season, with Hegan falling off somewhat, leaving Slattery to assume a greater pitching burden. The infield consisting of Capt. Peters, Bobby LaFleur, "Tee" Laliberte, Jenny Lee, and Frankie Downie behind the plate, was properly balanced by a capable outfield made up of Eddie Loring, Milt Stillwell, and Bob Dennison, with Joe Slattery playing right field when not hurling.

The tennis team, made up of four inexperienced men and two veterans, had a very successful season. Beaten by Bowdoin, Vermont, and Middlebury, the season was capped by a fine showing in the State Tournament. Captain Dyer and Captain-Elect Lord, after being beaten twice in the dual matches won the State Doubles Championship. Lord, after defeating Stern of Bowdoin in the semi-finals, lost his match to Ireland in the finals of the State Tournament. Ed Alexander, Carl Pizzano, George Burnett, and Dwight Howard in their first year of competition, did very well.

A trip to Vermont was the highlight of the season. We met the University of Vermont, Middlebury, and Norwich University in this series. Vermont and Middlebury eked out 5-4 victories, while Norwich was beaten 8-1.

In the Maine-State Dual matches, Colby was paced by Captain Dyer, who won all but his matches with Bowdoin. At the number one position, Lord also won all his matches, except a 3-set match against Ireland. Carl Pizzano, after losing all his matches, made his season successful by being the lone winner against Bowdoin.

Colby's freshman football team got off to a poor start when they were defeated by an inferior Kent's Hill eleven, 6-0 on a mud-soaked gridiron on October 10th. The freshmen had the necessary power to score, but fumbles proved costly. With only seconds left to play, an intercepted pass deep in Colby's territory, set up the margin of victory for Kent's Hill. In winning, Kent's Hill made only one first down to the freshmen's six.

A week later, the freshmen eleven came back to defeat a powerful Coburn Classical Institute team, 6-0. The "Mulettes" were slow in starting, but finally produced the needed power to win. It was the first defeat in over a year for Coburn Classical.

On the 24th of October, a powerful Hebron Academy team came to Waterville. Hebron had previously defeated the University of Maine freshmen football team, and were counting on a victory over Colby. After an evenly fought first-half, the Academy team went out to win by the score of 14-7.

The "up and down" freshmen came back a week later to down a big Ricker Classical eleven, 6-0. This brought the season standing to two wins and two losses.

Despite their mediocre season, the freshmen proved an immense help in aiding the varsity to win the Maine State Championship, by working opponents' plays against them after their season was officially over.

## FRESHMAN FOOTBALL

*First Row, left to right: Hunter, Rodgers, Roberts, Colgrove, Lewald, Dudley.  
Second Row, left to right: Wee (Manager), Miselis, Hancock, Simpson, Patterson, Gaffney, Coach Nitchman.*

Colby's Freshman cagers did not match the undefeated record of last year's team, but they did put together an imposing list of ten victories as against three losses.

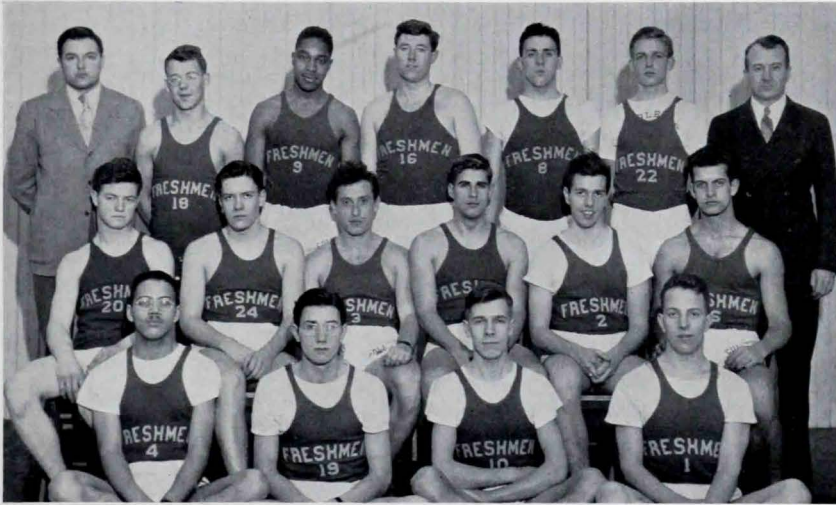

Opening the season against Waterville High, a 32-14 win looked impressive for the yearlings, but they just managed to edge Coburn 27-24 after the holidays. Taking to the road, Colby downed Higgins 47-40 on their court, and upset Kent's Hill 62-38.

The "Forty-fivers" entertained Bridgton for a 49-26 victory, and their fifth straight win. At this point Boynton left school after sparking the Frosh attack in the opening games. As a result, Kent's Hill edged out a 33-32 win for the Frosh's first defeat which was quickly followed by their second when Winslow came out on top, 28-26. Undaunted, the Freshmen sank Thornton 34-27, knocked off Hebron 37-32, took Higgins again 39-35, and shaded Coburn 43-42

Ricker was tossed for a 34-24 count in the last regular game, but in an added contest against Governor Dummer Prep School, the Frosh were administered their third loss of the season.

The high scorers were: Hunter, Colgrove, Rogers, Lewald, and Roberts, who were ably backed up by reservists: Gaffney, Hancock, Marcyes, Patterson, Dudley, and Simpson.

 Second Row, left to right: Mahoney, Lyman, Weinstein, Barton, Colby, Reifel.  
 Third Row, left to right: Lacombe (Manager), Roberts, Lewis, Lucy, Berman, Thompson, Coach Perkins.

Colby's Freshman Indoor Track saw almost regular ups and downs for the team. Their first encounter of the year resulted in a win as they beat Bridgeton Academy 36½-34½. Weinstein smashed the freshman and meet records for the "600" and Robinson and Lewis won the mile and high jump, respectively.

Thornton Academy won their meet 48-42, but Weinstein again broke the frosh "600" record. Lewis won the high jump.

The Bates freshman team went down to the count of 59-49 as Robinson and Burke finished 1-2 in the mile and "1000." Lewis took firsts in the high jump and high hurdles, and just missed breaking the meet record. Weinstein, Arra and Barton also garnered points.

In their next to last meet, the frosh took a drubbing at the hands of the Maine yearlings who won 85-31. Six meet records were broken. Barton, Lucy, Robinson, Weinstein, Crowther, and Mahoney made points. Lewis won the low and high hurdles, and his win in the high jump was a meet and frosh cage record. A team crippled by sickness was beaten 58-31 by New Hampshire.

A quadrangle meet with Cony High School, Coburn Classical Institute, Maine Central Institute, and Colby participating, was held too late in the season for publication in the 1942 Oracle.

Next year's varsity will be greatly strengthened by the addition of these freshmen who have done more than their share of record breaking.

Once again Coach Bill Millet gathered together a group of Freshmen and organized them into an outfit that will surely be heard from in future years.

Since hockey is a sport which many of the colleges are cutting out for the present time at least, there were relatively few opportunities offered for the underclassmen to show their ability as future "ice-men" for Colby. Although the boys of '45 played only a few contests, Coach Millett's purpose was to find out what material there might be for future years.

Winning three out of their four scheduled games, the frosh pucksters did a fine job in upsetting Hebron Academy by a 5 to 3 score, which proved to be the highlight of the season. Also victories over Cony and Waterville High Schools turned out to be thrilling matches.

Morton and Simpson teamed with Arra to make a vicious and aggressive front line, while Leaf and Lenson predominated in most of the defensive play. Robbins and Currier both stood up well under fire in the nets.

The Women's Athletic Association at Colby serves as a coordinating agent of the many sports offered in the women's Physical Education division. Annually it sponsors a get-acquainted picnic in the fall; a Christmas party for underprivileged children, and a spring banquet. It arranges and manages inter-sorority and intra-mural athletic tournaments throughout the year. This year, in addition to its regular activities, the Women's Athletic Association promoted two new features. It provided an interesting and informative exhibition for "Meet Colby Day" and later in the year, played host to four other New England colleges at a Play Day at which skating in all forms was the central theme. Thus has the Women's Athletic Association this year fulfilled the aim for which it strives. It does not seek merely to provide temporary athletic diversion during college days, but rather "to promote a permanent interest in athletics; to keep alive the feeling of true sportsmanship, and to endeavor to give to Colby women the best possible health, and the highest ideals in women's sports."

Field hockey is the main sports feature for women in the fall. All classes may participate, either voluntarily or for physical education credit. At the end of the season tournaments are held. The team captains this year were Louise Groves, Betty Lohnes, Anne Foster, Helen Small, and Ruth Crowell. Anne Foster's team won the tournament.

Honorary class and varsity teams were picked on the basis of ability. Members of these teams were announced at a tea given in the Alumnae Building by the Women's Athletic Association. They received miniature hockey players and sticks as tokens, as well as points towards their athletic numerals, letter, or cup.

The varsity team was challenged by and defeated the Dekes in a rip-roaring game that ended in a score of 4-1.

On at least one afternoon a week during the cold season, passers by the Foss Hall skating rink are afforded the treat of seeing the Skating Club in action. Surprisingly enough, many of the most graceful of the skaters are girls from states where the ice has not been of sufficient duration to permit their becoming very much accomplished on the blades until their advent to Colby. Their prowess attests to the degree of skill that can be attained within four short winters.

This year, a fine long series of cold spells has permitted many happy hours on the rink. A grand opportunity for expert advice has been offered by the visits of the president of the Waterville Skating Club, familiarly known as "Bob."

This sport gives promise of being even more popular in coming years, as the number of "rolls," "figure 3's," etc., perfected by novices this season has been unusually great.

The Modern Dance Club is now in its fourth year. Under Miss Marchant's direction the members learn fundamental movements and techniques, and with this as a starting point, go on to the individual and group studies with the emphasis on interpretation and self-expression.

Modern dance differs from ballet in that its effectiveness is all in the movement, rather than partly in costumes and settings.

Second semester the club showed its broadness of scope as it transformed into an exercise group, stressing physical fitness rather than dance formations.

The average college girl appears to advantage in no sport so much as she does in archery. The sight of a long line of attractive females drawn up into correct positions behind bows and arrows along the green margin of the lawn behind Foss Hall is indeed a pleasant one. Certainly no sport is as meritorious in its encouragement to upright and queenly posture.

Besides these advantages, archery provides a keen spirit of striving towards accuracy, at the same time involving the always inspiring factor of competition. It is a sport which absorbs the interest, lends itself readily to individual improvement, and is not too exerting for those who have to refrain from too much strenuousness.

In the past, tournaments and such innovations as shooting at balloons have added interesting interludes. The popularity which this sport has enjoyed at Colby gives all evidence of continuing at unabated pace.

As soon as the co-eds come back to Colby after Thanksgiving vacation, the badminton courts are the scene of frenzied activity.

Any fan may go to the gym on badminton club nights, and for a small charge to offset the cost of the "birdies," play against professors and students to her heart's content.

A ladder tournament is staged in the spring in which any member of the women's division may take part.

This stimulating sport may be played indoors or outdoors and is one of the most popular on the campus. Some of the attractions of the sport are that it may be played leisurely, merely for fun, or as one of the fastest and most strenuous games known, and it is excellent for mixed recreation.

Louise Callahan is chairman of the group this year.

## BADMINTON

*First Row, left to right: Turner, Katkauskas.  
Second Row, left to right: Foster, Higgins, Wilson, Dondlinger.*

The tennis courts behind Foss Hall are the scene of much pleasant activity both in the spring and fall. This may take the form of a gym class, playing for sheer pleasure, or a hard-fought tournament match.

In the spring season the Women's Athletic Association sponsors two tournaments. The largest of these is the singles which will determine the champion of the women's division. Usually about seventy girls begin battling "two-out-of-three" sets. When it gets to the quarter finals, competition is pretty keen. Secondly, a doubles tournament is played. Sixteen or twenty well-paired girls face this with grim determination to make the final round.

Ladder tournaments are played in the fall. The names of thirty people are arranged in ladder fashion on a board. According to the rules, you may challenge the person whose name appears above yours, and, if you win, you move up a rung. Of course your chances of moving down are equally good.

It is from the winners of these tournaments that the women's tennis team is chosen.

Basketball, one of the most popular winter sports in the women's division, is widely supported. Attendance is compulsory for almost all freshmen and sophomores, but many junior and senior women also go out for it. The season ends with a series of class and intersorority tournaments. The competition is very keen, especially between the sorority teams. This year a special feature and grand finale was a contest between the championship teams of the sorority and fraternity tournaments.

Glenna Hartley is the manager of the varsity team. The other members are Barbara Arey, Charlotte Arey, Nancy Grahn, Jean Hayes, Sue Rose, Priscilla Tallman, and Ann Westling.

Bowling is fast becoming a sports favorite with the co-eds. In its second year of organization, the bowling club now numbers a large group of members. Every other Friday afternoon the enthusiasts bowl at a local alley. This club provides ample practice and opportunities for the inter-sorority tournaments which are held every fall.

The sophomores in the club are allowed to bowl once a week in place of a regular gym class.

This all year round activity is a stimulating form of diversion.

The 1942 ORACLE staff proposed as the theme for this year's book—"Transition"—from old to new—old Colby to new Colby. Now, however, bewilderingly rapid changes in world affairs have postponed this transition, and forced us willingly or unwillingly to formulate a new outlook on life. Daughters of Colby includes all undergraduate women whose parents or grandparents attended Colby. Chief function of the group is to serve at the two receptions given for the college at large by the president. In addition this year, members of the group joined with the Portland Alumnae Association in presenting a skit on Colby night. Daughters of Colby are entertained annually in the spring at a tea given by one of the faculty.

Colby points with pride to one of the finest small college glee clubs in New England. This claim is no idle boast, for over the past few years our club, under the skillful direction of John White Thomas, has played a leading role in intercollegiate festivals.

The choral groups at Colby are a "three-in-one" proposition. Besides the combined choir, we have a men's club of thirty voices and a women's club of forty voices.

At Christmas time our clubs joined with those of Bowdoin and Colby Junior in presenting Handel's "Messiah." This program was given before capacity audiences in Waterville, Brunswick, and Portland.

In March the clubs put on a Spring concert of light operatic and semi-popular numbers for the students and alumni of the college. A few weeks later a program of Easter music was presented in Waterville. The men's club closed their season with a creditable participation in the Fred Waring intercollegiate Glee Club competition.

The war made it impossible for the clubs to make their usual Spring tour, but due praise must be given them for maintaining the high quality of work upon which their well-earned reputation is based.

This year the band rose to new heights of musical achievement and has very definitely earned a leading place among Colby's many interest groups. During the Fall the band did a good job of leading the Colby rooters in the gridiron stands.

During the winter months the members made a concerted drive for money to buy much-needed uniforms. Their first uniformed appearance came at a Spring concert given in the Alumnae building. "Snappy" was the general student comment.

## THE BAND

# *Features*

One week-end remembered above all at Colby by undergraduates and Alumni alike is Colby Week-end. Spirits run high, and excitement is in the air during all of the two-day program which is designed to entertain our alumni, alumnae, and student body, as well as furnish our football team with inspiration.

This year, the thirty-eighth reunion was highlighted by one of the most spectacular and exciting football games ever played on Seaverns Field.

Colby graduates from all parts of the country poured into Waterville on Friday, October 31st, for one of the largest and most jubilant Colby Nights ever. The Frosh opened the festivities with a hard-fought victory over Ricker Classical Institute. At the same time that most of the Alumni and men students were watching this game, the cornerstone of the Women's Gymnasium on Mayflower Hill was being layed by the Alumnae, advancing one more step toward the completion of our new campus.

The annual Alumni dinner Friday evening was held at the Elmwood, while the women were being entertained by the co-eds at a picnic supper in the Alumnae Building. After a hearty meal, the Alumni followed the band and student body to the gymnasium where the rally was held.

The football team was taken out of town this year to Augusta so they would get plenty of rest for the big game.

The rally was led by Russell M. Squire '25 of Waterville, who acted as general toastmaster of the ceremony. "Prexy" Johnson was the initial speaker. He expressed his regrets that this was his last year as President, and thanked the whole Colby family for the honor of being its leader.

This year three great Colby teams were honored.

## COLBY WEEK-END

The first was represented by six men of the team of 1891, which was Colby's first. Walter T. Gray, one of the team's members, related some of the interesting aspects of football as played in those days. The second famous squad was the State Champion team of 1916, represented by Eddie Cawley, who received honorable mention for the All-American team of that year. He is generally named as the greatest football player ever to come out of a Maine college. C. Gordon Brownville '20, a minister in Boston, praised the third great team honored. The next day this team was well on its way to becoming State Champions.

Captain Helin introduced the new coach, Nelson Nitchman, to the Alumni. Nitchman greeted the group simply, told some of his plans, and thanked them for their support.

While this was going on, a lively and entertaining time was spent by Alumnae and co-eds in the Alumnae Building. The Portland Alumnae group presented the skit "Romance Through Colby." Then a satire on scenes in the smoking room in Foss Hall was given by several of the co-eds. There were songs and cheers throughout the evening.

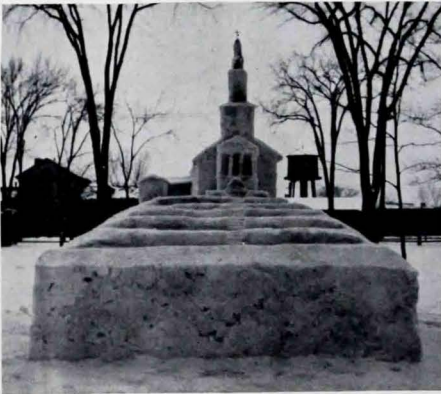

About ten o'clock the Alumni, Alumnae and undergraduates all met behind Hedman Hall for the bonfire and rally led by the cheerleaders. After the fire the fraternities had their reunions.

Saturday morning there were Alumni and Alumnae councils, after which there was a kick-off luncheon. Governor Sewall was the guest of honor.

To climax this week-end of week-ends, there was the Colby-Maine game with its photo-finish, which set the stage for the winning of the State Championship.
