A NEW system has been created this year in an effort to provide a more representative body and a more effective organ in the life of the students. This motive has been met by splitting the men's division into two groups—one composed of non-frats; the other of fraternity members. In this way, the non-frat men will have the same proportional representation in the Student Council as they have on the campus.

## Colby Shares State Football Title

**C**OLBY sons and daughters may once again gather around the gridiron and proudly display the emblem of their Alma Mater. The White Mule, weary of being whipped and beaten, has at last found a new lease on life. Last season showed the following results: five victories, two losses, and a tie with Bowdoin for the State Championship.

During the past few years the Mule has been sitting positively back on his haunches suffering defeat after defeat, accepting it as the will of Fate it seems, and waiting for his luck to change. But even a mule can take only so much; Thus in the fall of '38 we find a long smouldering fire bursting into open flame. Tufts College was the first to feel the heels of a now very stubborn Mule.

### TUFTS GAME

For the first time in twenty-five

long years the Colby-Tufts game ended with Colby on the long end of the score. In fact Colby did all the scoring as they swept roughshod over the stunned Jumbos for a grand total of 23 points.

Harley Bubar made the first tally of the season on a 26 yard pass from Johnny Daggett. Having smelled victory there was no stopping the now wide awake Mule. The Touchdown Twins, Daggett and Hatch, went into action. Tufts watched dazedly as a combined passing and running attack hung up two more touchdowns.

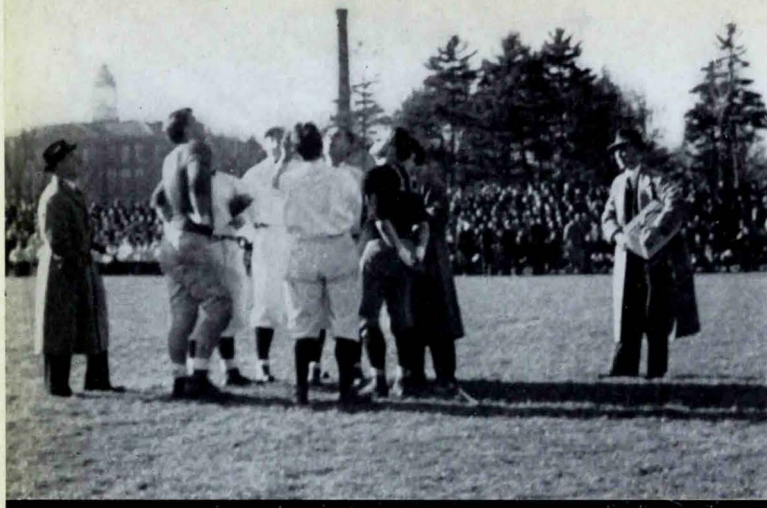

The result of the Tufts game was a new spirit—a real living spirit in the Colby team. No longer were they willing to be tossed about at will and not fight back. They had tasted blood and were out for more. Yet we find them due for a slight setback before finding themselves.

### VERMONT GAME

The following week Colby suffered a 6-9 defeat at the hands of their host, Vermont University. It was a bitterly contested struggle and a heartbreaker to lose. In almost every count except the score (which of course is what tells the story) Colby was superior.

Colby led 6-0 during the first three periods. Early in the final quarter Vermont grabbed a Colby fumble in the dead end zone for a touchdown, and quickly converted for the extra point. A few moments later a Colby man was tackled in his own end zone giving Vermont 2 more points. Then Colby came back to life—but too late; the final whistle had blown.

It was a quiet and rather bitter Colby squad that winded its way back home through the beautiful hills of Vermont and New Hampshire. The landscape, clad in all

the glory of autumn, with its glistening lakes and streams and its misty hilltops was all lost upon the McCoy men as they brooded over the cause of their defeat. Deep down in their hearts they decided it would never happen again.

### **NEW HAMPSHIRE GAME**

Bus Burrill, Colby's All Maine end, pounced upon a New Hampshire fumble early in the first period of the game with New Hampshire. Thereupon Al McCoy, thinking of his State Series opener with Bowdoin yanked as many of his regulars as he could spare.

The game settled down to a dog-fight affair. Neither team could seem to gain much ground. Colby with its 6-point lead resorted to conservative plays, while New Hampshire carried on its attack by land and air. All in vain, for the game ended with Colby still hanging on tightly to its slim lead. "On to Bowdoin" was the Colby cry.

### **BOWDOIN GAME**

Colby Alumni returned en masse hoping to watch their school whip the Polar Bear. But fate had decreed differently.

Colby opened up the game in the first minutes of play with a Daggett to Burrill pass for the first touchdown. Then the Colby attack bogged down completely. For three periods the Polar Bear pushed the Mule about at will. Haldom and Karsokos, Bowdoin backs, ran wild around the Colby line piling up a total of 25 points.

Then in that last period the Mule came back to life. For fifteen minutes Colby sponsored one of the most thrilling attacks in its history. Clyde Hatch tossed pass after pass into the eager hands of Daggett and Maguire while the Bowdoin rooters held their breath.

Colby grads went wild as Johnny Daggett grabbed a pass on the dead run and streaked to the zero stripe for his second touchdown. Colby took the ball again in the last few minutes of play and started for the fourth score, but the whistle blew, leaving the Polar Bear still out in front and a prayer that the final whistle had blown, on his lips.

For the first time Colby had really turned on the heat. Next week they would do so before it was too late.

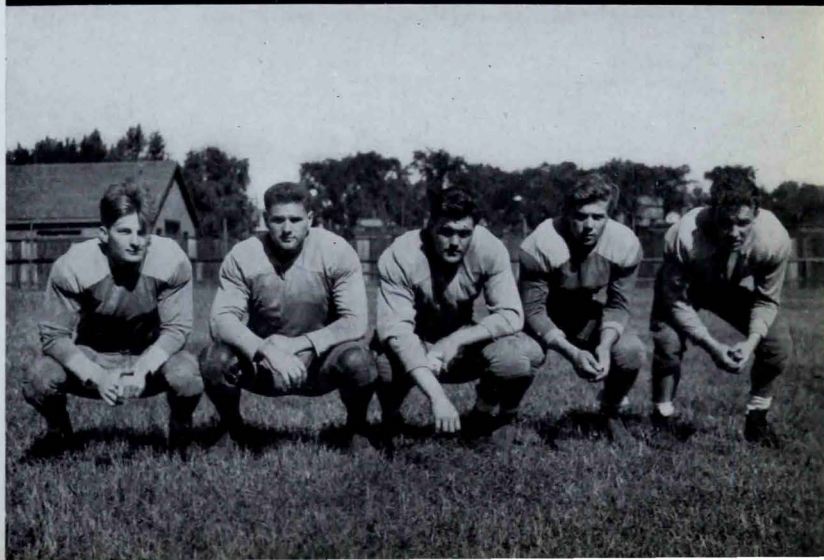

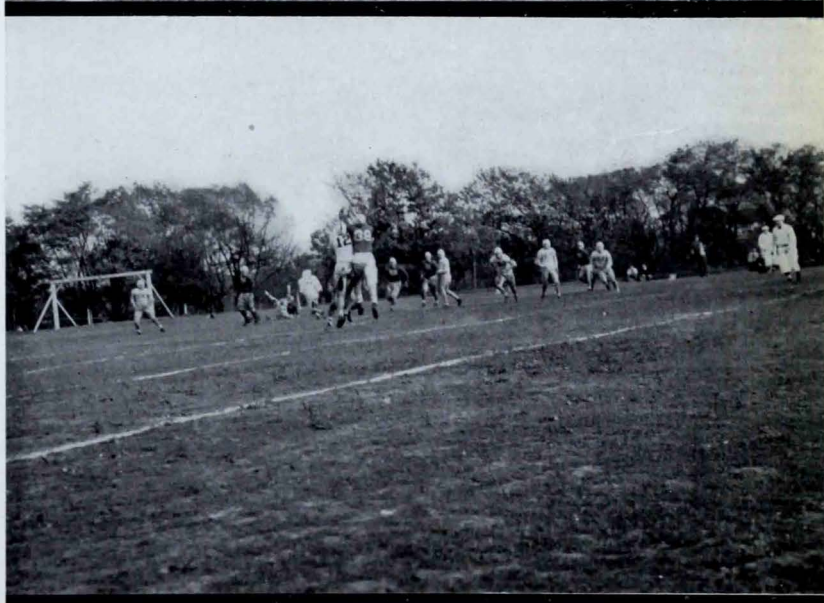

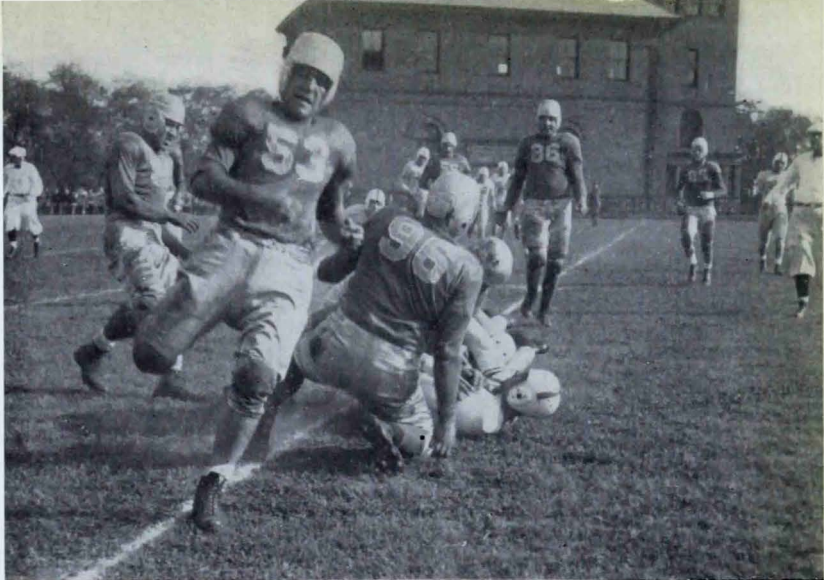

### MAINE GAME

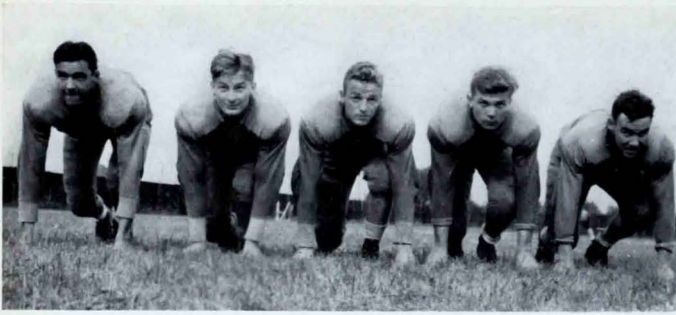

In the closing moments of the Maine game Colby staged another sensational comeback — this time for a 19-14 victory. Following another first period touchdown by Hatch, the Colby boys once again slowed down. Maine went into the air with All Maine Dana Drew doing the tossing. The opening of the last period found Colby trailing 14-6.

During that final dramatic period, 10,000 spectators yelled themselves hoarse, as diminutive Johnny Daggett ran himself ragged in a successful attempt to stave off defeat. Once — twice — three times he ran through the whole Maine team. The last time he collapsed from sheer exhaustion but victory was already in the hands of Colby.

Maine and Colby fans will not soon forget that thrilling game. The passing of Clyde Hatch and Dan Drew, the defensive work of Bruce (captain-elect) and White in the backfield and of Captain Hersey, Hodges, Burrill and Maguire in the line will long remain in the minds of the witnesses.

Colby had finally discovered its weak spot. From now on it would be all Colby. No more settling down on a single touchdown lead. Henceforth the slogan would be

Co. hrane, Hawes, Bulak, Burnham, Daggett

“score, score, score, and then score some more.” Middlebury College was to find out just what this slogan meant.

### MIDDLEBURY GAME

With the touchdown twins, Daggett and Hatch leading the way, Colby mopped up Middlebury College by a score of 38-21. The game was a one-sided affair, although at times Middlebury showed some semblance of power.

Coach McCoy used every available man in the game. A tired but exultant group of Mudge-men gathered at the gymnasium after the game, and decided to collect bounty on the Bates Bobcat the following week.

### BATES GAME

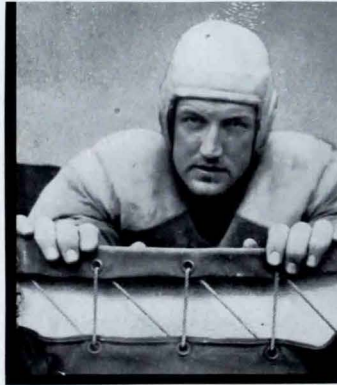

Coach Alfred Mudge McCoy quietly stroked his chin as his players gathered in the locker room following a discouraging first half which found Colby on the short end of the plank by a score of 13-0.

“Fellows,” said Al, “I was once told that what a fellow wanted most he would get.” With that he left the fellows alone to think it over.

The second half found a new team on the field. In that inspired and now famous last quarter attack the Mule really gave out. Bates fought back desperately but vainly. The final whistle found Colby leading 21-13 and still going strong.

With the Bobcats watching Dag-

gett’s every move, Clyde Hatch with his brilliant passing and running, carried away honors for the

Captain Hersey

day. Charlie Maguire did brilliant work both on defense and on pass receiving. The Dailey boys sparkled on the defense, and showed some of the hardest tackling of the year. Bob Bruce displayed his

Lake

Bruce

usual fine quality ball handling. Dick White, 202 lb. quarterback, showed that he could snare passes with the best of them.

Playing their last game for Colby, Captain Hersey, Carl Hodges an Bus Burrill went out in a blaze of glory. All three men will be sorely missed next year. Captain Hersey, calm, reliable, level-headed; Hodges, wild, rough, headstrong, a lover of the game; and Burrill,—flashy Bus—some claim he gets all the breaks; those who know say he makes them.— Yes, we shall miss them!

Thus we find that in one brief year Colby has risen to the top of the heap. Much of the credit must go to coach McCoy. True, a winning team must have the material, but it must have a smart coach who is willing to put his heart and soul into his team. Coach McCoy is all that. He has put football above all else in order that Colby might get out of the rut. Much of the “New Colby Spirit” is nothing more or less than a reflection from its very competent coach, Al McCoy.

Very disconcerting is the fact that a white bear and a White Mule must sit together on the throne.

Loyal Colby fans believe that next fall the White Mule of Colby will be still serenely on the throne —ALONE.

## *Cross Country Men in New England Meet*

FROM the standpoint of meets won, the Colby cross-country team did not have a very successful season. Due to the fact that college began late in September the team had less than three weeks practice before their first home meet with Bates. The Bates all-veteran team won 18-40, "Jim Chase and "Chuck" Card being the first two Colby men to finish in that order. The next meet was the first in over ten years with Boston University. The Hub City University showed its superiority by a score of 24-33. For their next competition the team traveled to Orono for a meet with the University of Maine. The team showed much improvement over the first meet. In the State and New England Meets Maine and Bates were first and second respectively. Colby made a better showing against Maine than against Bates. The score was 20-37. This shows the

stiff competition that Colby has in the state.

The State Meet was held at Bates College in Lewiston. Colby was easily outclassed as well she might be. Bowdoin did not run. In the New Englands held at Franklin Park in Boston on November 14. Colby was eleventh in a field of fifteen. Chase and Card put in the best individual performances with the positions of thirty-six and fifty-three respectively. "Chuck" Card was elected captain for the next year.

The record is surely not impressive, but looking more closely at all aspects one gets a different viewpoint. Until four years ago when "Cy" Perkins first came to Colby there was not a cross-country team every year unless there was enough interest to warrant one. Since "Cy" has been here there has been a cross-country team every year even

though one year there were only five men out for the team. This year there were more candidates for cross-country, eight men at the beginning of the season but before the final meet it had dwindled down to six men.

When teams like Maine have to divide up their squad into two and three parts with thirty or more on each squad and over 100 out for freshmen cross-country is it any wonder that Colby does no better?

Next year, Coach Perkins will have but one letter man with which to build a team. Captain Charbonneau, "Jim" Chase, and "Mac" Stevens all graduate. And with the freshman team the poorest in years it seems that "Cy" must be a miracle man again. A great deal of credit and praise should go to "Cy" Perkins for what he has accomplished.

**L**ED by Captain Bus Burrill, Colby's varsity basketball team enjoyed a respectable season. Solely a home team, winning only by one game away and suffering its only home defeat at the hands of Maine in the last game of the season. Coach Roundy was faced this year with the replacing of two valuable guards lost by graduation, and further handicapped by the loss of Baron Pearl by a football injury. However, due to the untiring efforts on the part of Coach Roundy, and the same fighting spirit that carried them to the State Title last year, the team played a brand of basketball that Colby could be proud of. Never outfought, and only losing by a few points when they did lose, Colby's second year of basketball was one of great interest and enthusiasm.

#### **THE LOWELL TECH GAME**

The season opened with a close margin defeat at Lowell. Colby led until the last minutes of play when

a belated surge on the part of the home team defeated them by the score of 25-22.

#### **THE CLARK GAME**

On the following night Clark University furnished the opposition for a game played at Worcester, Mass. Again the Colby quintet met defeat in a ragged game, the final score being 39-24.

#### **THE M. I. T. GAME**

The engineers entertained the Roundymen for the third game of the trip. This proved to be the

best exhibition of basketball so far. The excellent playing on the part of Peters, a star of last year's freshman team, was pleasing. However, the narrow margin jinx still followed Colby and they were defeated 36-32.

#### **THE MAINE GAME**

The first of the State Series Games opened at Maine just after the Christmas Holidays. Playing before a capacity crowd the two teams battled on even terms until twenty seconds before the final whistle. At this point with the score deadlocked, Maine sank a free throw. Thus a heartbreaker was lost 32-31.

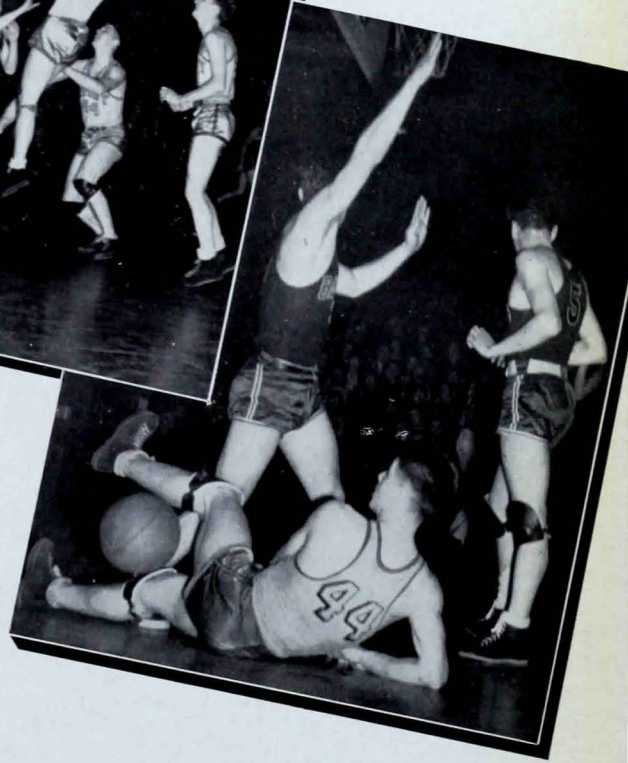

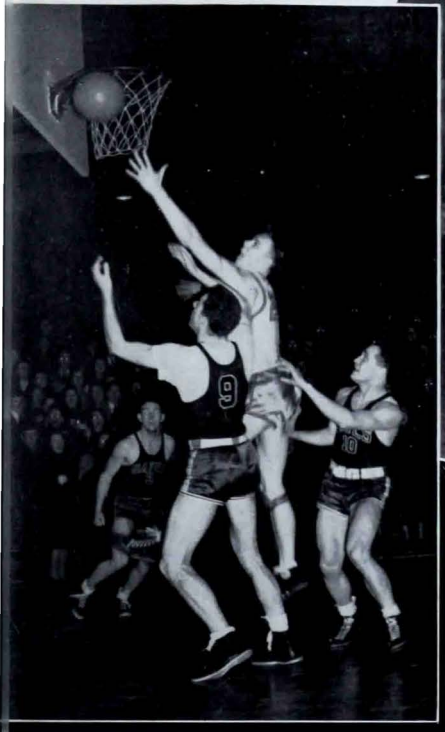

#### **THE BATES GAME**

Colby opened its home season on the following Saturday by playing a second State Series Game with Bates College. This proved to be a typical series game with its hair-raising finish. The mules outfought their rivals to capture a single point victory. The final score being 31-30.

#### **THE NORTHEASTERN GAME**

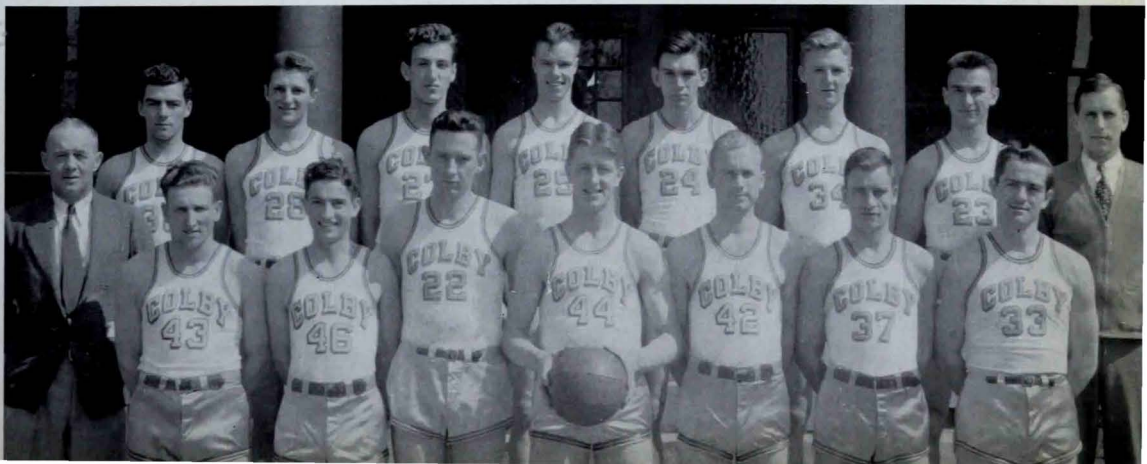

The final game before exam period brought Huskies to Muletown. This evening was a warm one for Northeastern and Colby, paced by Capt. Burrill pinned a defeat on them to the tune of 51-31.

## *Colby Nipped In Hard Fought Title Game*

LeGassey, Stumpp, Gruber, Peters, Young, Beach, Pullen  
 Roundy (Coach), Hatch, Spina, Hopkins, Burrill, Malins, Irish, Pearl, Stanley (Manager)

### THE LOWELL TECH GAME

A return encounter with Lowell Tech at home provided the opening after mid-years. This proved disastrous for the visitors, and the Mules avenged the early season defeat at Lowell. A great spurt in scoring by Capt. Burrill placed him among the twelve leading scorers in New England and brought victory to the Mule's by the score of 51-39.

### THE NORTHEASTERN GAME

This game was played at Boston on the second trip of Coach Roundy and boys to Beantown. However, after a hard struggle our boys were defeated by the score of 38-36.

### THE B. U. GAME

The next evening Colby met Solly Nectem and team at the Arena. This game turned out to

be a real rough and tumble contest with B. U. coming out on top to the tune of 52-37. The game was featured by the excellent playing of Vic Malins. Baron Pearl made his first real appearance in uniform this year, showing some of his old time form until removed late in the game.

### THE NEW HAMPSHIRE GAME

Returning from an unsuccessful Boston trip the Mules met the Wild Cats on the following Saturday. In this game the Colby boys found their shooting eyes. Capt. Burrill and Gil Peters led the attack with twenty-one and twenty points respectively, and New Hampshire was defeated 66-53.

### THE BATES GAME

Colby journeyed down to Lewiston to face the Bobcats in their second meeting of the State Series.

This was an important game for the Mules as a loss would mean complete elimination in the fight for the State Title. With but six men taking part the Colby quintet broke the "away-from-home-jinx", and defeated their rivals for the second time this season 46-43.

### THE MAINE GAME

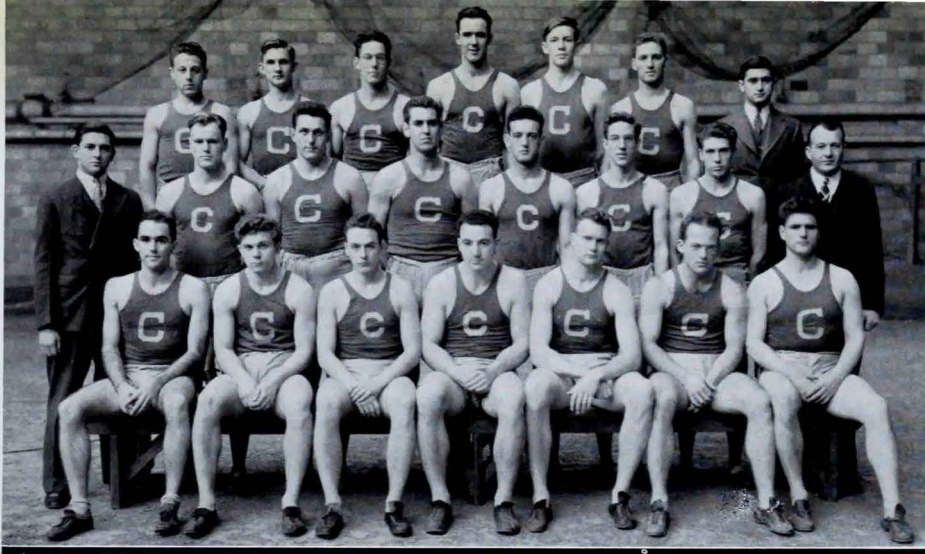

In the last game of the season, Colby met the Maine basketeers at Waterville in the most important encounter of the State Series. A win for the Mules meant tying the Black Bears for the Title. Before a capacity crowd the home team opened a withering attack that netted them a ten point lead at the half. However, Maine, paced by some remarkable shooting on the part of their center, overcame this deficit and in the closing minutes of the game forged ahead to take complete hold of the State Title. The score being 53-44.

### SEASON'S HIGHLIGHTS

The highlights of the season were topped by the capturing of the state's high scoring title by Capt. Bus Burrill for the second year in succession. Vic Malins, converted into a guard this year and becoming one of Colby's defense pillars, held many of New England's scoring aces to a minimum of points. The most improved player on the squad this year was Gil Peters. Starting slowly, he improved with every game and reached a twenty point scoring total in the New Hampshire game. Peters together with Al Rimsoukas, another sophomore star, should furnish most of the scoring power for Coach Roundy during the next two years.

At a dinner following the close of the season Baron Pearl, a star in both basketball and football, and Clyde Hatch, a three letter man, were elected co-captains for next season.

Goffin, D. Thompson, Beeh. Cochrane, Card, Gardner, Branz (mgr.)

## *Daggett Outstanding In Indoor Track*

THE Colby indoor track season opened at the Boston Gardens with the B.A.A. Games. The relay team, composed of Jay Cochrane, Chuck Card, Jim Chase, and Mac Stevens failed to place. In individual events Cochrane placed in the 40 yard dash, while Paul Burnham qualified in the 45 yard hurdles. Both Hodges and Levin showed improvement over their last year's marks in the thirty-five pound hammer.

The Maine and Bates tracksters showed themselves clearly superior to Colby. In spots Colby showed strength, but as a team the Mule was weak.

Outstanding on the Colby team were Cochrane, Daggett, Hodges and Chase.

Jay Cochrane was undefeated in the 40 yard dash in state competition. Jay came to Colby two years ago, a tall lanky lad who was yet to don his first pair of track shoes. Today he can show the heels of those shoes to the best competitor in the State.

Johnny Daggett is our versatile trackster. He runs, pole vaults and broad jumps. Johnny was undefeated in the broad jump. He is expected to break the State record this spring in that event. He broke the State pole vault record with a leap of 12'9". Daggett, a sophomore, should play a big role in putting Colby track back on the same standing which it used to enjoy.

James Chase, veteran distance

runner, came through wonderfully to win the mile at Maine. Jim was formerly Captain of cross-country and will be turning in his shoes for the last time at the close of the outdoor season.

Captain Carl Hodges is also a senior. He is the best weight man Colby has had for some time. The shot put, hammer, and discus are his specialties.

Paul Burnham, a sophomore, turned in good work as a hurdler. Next year he should be a real threat against any type of competition. Keith Thompson, Chuck Card, Maynard Levin, did well in their respective events. These fellows form a nucleus which in two years may be strong enough to walk away with the State Title.

## *Roundymen Make Southern Trip*

**I**NAUGURATING a new feature in Colby's baseball history this year, Coach Roundy took sixteen players for a tour south during the Easter Vacation. The team, led by Co-Captains Allen and Cleveland played seven games on this opening trip.

### **THE LAFAYETTE GAME**

Getting outdoors for the first time, the Mules dropped a 11-7 exhibition game to Lafayette at Easton, Pa. The wildness of Colby hurlers accounted for the loss. Burrill and Rancourt starred at bat for Colby.

### **THE GETTYSBURG GAME**

Featured by Joe Slattery, who pitched hitless ball for three innings, Colby defeated Gettysburg College in a six inning exhibition game by the score of 3-2.

### **THE HAMPTON-SIDNEY GAME**

The Mules lost the third game of their tour to Hampden-Sidney. Collecting eight of their nine hits in the sixth inning, Colby led 9-5 at that point. However, Hampden-Sidney blasted the Colby pitchers for eight runs in the seventh and eighth innings and came out on top 12-9. Slattery showed well on the mound and at bat, collecting a double and a triple in the Mule's big sixth inning.

### **THE WAKE FOREST GAME**

Held to two hits, a double by Burrill and a home run by Co-Captain Allen, Colby lost to Wake Forest by the score of 8-2. The Mules showed some excellent fielding but were unable to touch the opposing hurlers.

### **THE DUKE GAME**

Led by All-American, Eric Tipton, who drove in six runs, Duke defeated Colby by the one-sided score of 26-8. Prior to the game, Professor Loeb presented Jack Coombs, Coach at Duke and former Colby athlete, with a Colby sweater in honor of his services rendered during his career at Colby.

### **THE ELON GAME**

Making eight errors in the field cost the Mules this game at Elon College, in Greensboro, N. C. Although they gathered the same number of hits as Elon, the Mules could not capitalize on their chances.

### **THE DAVIDSON GAME**

Colby lost the last game of their ten day tour to Davidson College, by the score of 9-8.

## Fortin's Injury Costly To Team

**G**RADUATION of five letter-men and the failure of Leo Lemieux, freshman sensation, to return to college, made Colby hockey expectations low at the opening of the season. From last year's regulars, Coach Millet had left a pair of flashy forwards, Ray Fortin and Tony Bolduc, a center, Gordon Jones, and a goalie, Hi MacIntosh. Leverett DeVeber proved a mainstay of the forward line, with Norris Dibble also featured in the forward wall. The defense situation was taken care of ably by Maurice Rancourt, Gordon Jones and Robert Wheelock, with Hi MacIntosh starring in the nets. Ray Fortin was judged one of the most valuable players in New England collegiate hockey. After mid-years a potent crop of Frosh stars came to the outfit, including Ed Loring, goalie, a forward wall composed of Clarence Reid, Walter Woodward, and Bud Johnson, and two defense men, Al Laliberte and Art Beach.

Without the benefit of outdoor practice, due to weather conditions,

*Back Row: Johnson (mgr.), Bolduc, Fortin, Millet (coach). Front Row: Dibble, Wheelock, Jones, Peck, DeVeber, Rancourt, Macintosh.*

the Colby squad lost the first game of the season 4-0 to Brown University at Providence. The odds were evened as Northeastern fell victim to the Mules with a score of 8-5. In this game Colby's star forward, Ray Fortin, injured his knee and was off the ice during the next tilt with Boston College. The Mules proved easy prey for Boston losing by a 7-0 count.

Returning to home territory, still without the services of Fortin, the Colby squad dropped their first state series game with Bowdoin, 1-8. The battered squad lost to Middlebury 2-4, and the return

game with Bowdoin gave the same results as the first, 1-8 in the Polar Bears' favor.

Northeastern tasted sweet revenge in their second match with Colby, winning 4-1. The Frosh aggregation put new life into the Mule team and the next game with Boston College resulted in a 2-2 tie.

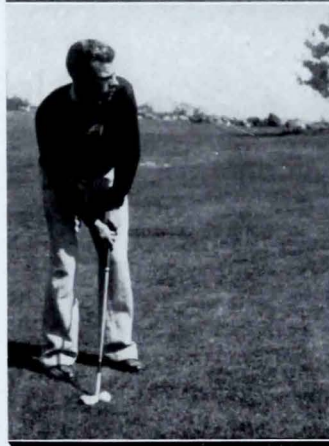

On the final southern trip the Mules broke even, losing the first tussle with Boston University 6-7, and winning from Massachusetts Institute of Technology 3-1.

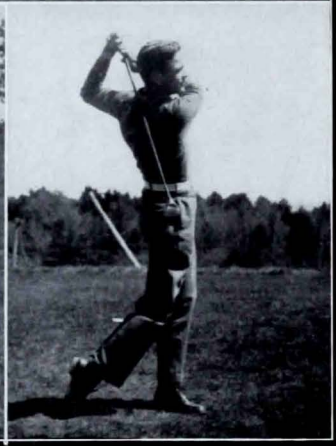

FOR the second consecutive year Gardiner Gregory was the Captain and ace of Coach Bill Millett's divot-diggers. Other members of the squad included veterans Jim Bunting, Bob Winslow, and Frank Mellen, along with three capable Frosh — Arnold Myshrall, Larry Berry, and Johnny Coolidge.

For their first matches the Blue and Gray club swingers went on their annual southern trip, April 21-23, where they encountered Tuft's Jumbo's and emerged from the duel an 8½ to 1½ victim. Brown's big Bruins continued the Colby team lost a hard fought assault the next day for an 8 to 1 victory. However, upon returning to Massachusetts and M.I.T. the match to the Technicians by a close 5 to 4 margin.

The Bowdoin Polar Bears again reigned supreme in State of Maine collegiate competition: they easily subdued the White Mules for a perfect 9 to 0 score and went on to grab the state title at the annual Intercollegiate Tournament held at the Waterville Country Club. By qualifying, Captain Gregory and Bunting for the match play, Colby became runner's up to Bowdoin over the Pale Blue from Maine, who had previously defeated the

Capt. Gregory

Bunting

Blue and Gray by a 5½ to 3½ score.

Captained by Gardiner Gregory for the third consecutive year and only losing one man by graduation

there is a much brighter outlook this spring. Two new matches were added this year, one with Boston University in the Hub and the other with Bates at Waterville.

## Team Goes South with Ball Club

**T**HE Blue and Gray net squad accompanied the baseball men on their tour of the southland.

### THE HAMPTON-SIDNEY MATCH

The first game of the trip was played at Farmville, Va., where the Mules swept through to a 7-0 win over Hampden-Sidney.

### THE WAKE FOREST MATCH

In a game that was played partly outdoors and partly indoors due to

rain, Wake Forest defeated Colby 6-3. The Mules had difficulty in becoming accustomed to the board surface of the indoor court.

### THE NORTH CAROLINA STATE MATCH

Colby secured a 4-4 tie in this game as the last doubles match was called because of darkness. The last match of the trip scheduled with Elon College was cancelled because of rain.

Alternating in number one and two positions on the team during

the trip were Captain John Chase, and freshman Charles Lord, former Middle State Interscholastic champion. Number three position was held by William Pinansky, where he won all of his matches. Frederick, Talbot, and Chupas rounded out the six man team.

The tennis schedule for the remainder of the season includes games away from home with M.I.T., Brown University, Boston University, and Tufts College and finishing the season with the State Tournament at Orono late in May.

## *Frosh Have Successful Season*

SHOWING tremendous offensive power the Freshman football team went through their season with only one defeat. Under the watchful eye of Coach Millett, a total of 109 points were amassed in only five games.

After only four days of practice the squad journeyed north to clash with Ricker Classical Institute at Houlton. The feature of this game was the line plunging of Danny Scioletti who scored both touchdowns for the Frosh. The final score being 12-6. The following week the freshmen suffered their first defeat at the hands of the powerful Coburn Classical eleven, by the score of 7-6. Phene Willette, backfield ace, suffered a knee injury in the second period and was forced to retire. After the loss of Willette, the Colby offensive faltered with the result that the Frosh were unable to score the winning touchdown.

With the Coburn defeat still ringing in their ears the Frosh took the measure of Higgins Classical Institute the following week, and after the smoke of battle had cleared Colby had scored 32 points against 7 for Higgins. Joe O'Neil and Hal Hegan showed great defensive power in this game; with Danny Scioletti and Wendall Brooks bearing the burden of the attack.

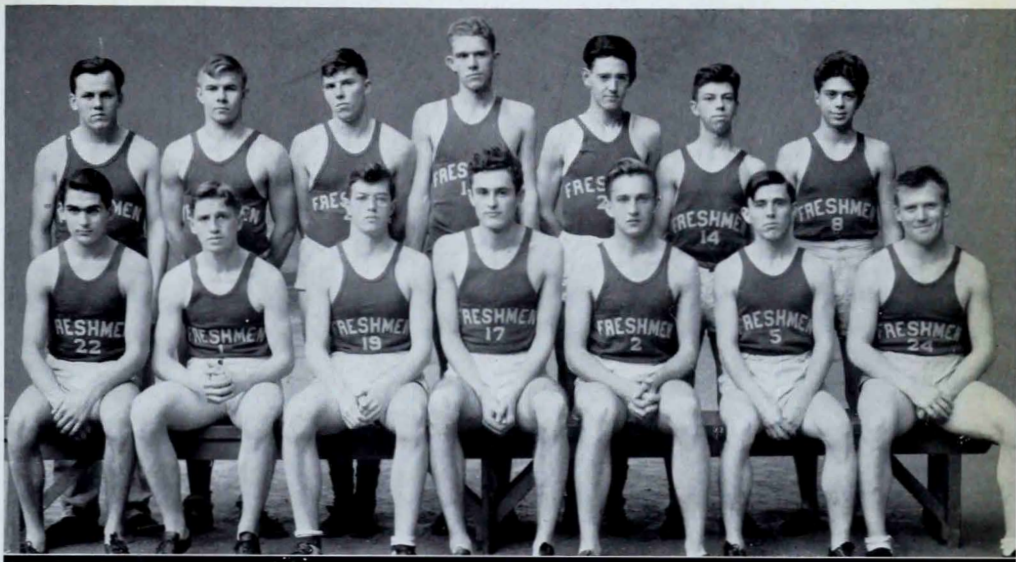

The M.C.I. game proved to be a field day for the freshmen. The Colby backs took turns scoring and even Joe O'Neil, frosh center, romped across the last white stripe to score. The pass receiving of Hal Hegan was the highlight of this game, which ended with Colby on the long end of a 39-0 score.

The freshmen wound up their season with a 20-0 victory over the fast-moving Bridgeton Academy team. Danny Scioletti again showed his great plunging power by pushing over every one of Colby's

scores. Scioletti's fine running was made possible by vicious blocking on the part of the Frosh line. Joe O'Neil played a brilliant game at center, stopping almost every play at the line of scrimmage.

Only a few of the players have been mentioned whose fine playing was made possible by the combined efforts of the team as a whole. Jack Stevens and Oren Shiro were two blocks of granite in the line, while Kilbourne and LaLibertie starred in the backfield. Spoffard, Page and Loring carried out their assignments like seasoned veterans.

Coach Millett should be congratulated for the fine job in constructing such a well-balanced team, and Coach Al McCoy should have little trouble in replacing members of the varsity squad who will be lost by graduation in June, with such an outstanding selection of freshmen to choose from.

## Frosh Run Well

**E**NJOYING rather a fair season considering that team started with only two men, Pratt and Helin, who had previous experience. . . . Team showed improvement as season progressed. In first meet of the year the Young Mules were "kicked" by Thornton Academy by a score of 54-51.

Accompanying varsity squad to Bates, the Bobkittens cuffed the Colby yearlings by a score of 67-39.

Fifield and Pratt throughout season took honors in the short dashes and hurdles. . . . Al Schoenberg consistent threat in the 600 yard dash. . . . Di Pompo outstanding man 1000 yard run. . . . Doe and Emery shared individual honors in mile. Both promising material. "Vic" Lebednic broke Freshman Indoor discus record. Fredorevich and Pratt showed up well in the high jump. Helin consistent star in shot put.

Balloting for honorary captain resulted in a tie . . . elected Pratt and Fifield.

Other men on team besides those winning numerals were Colon, Conley, Francis, Johnson, Nightengale, Palmer, Potts, Stevens, Warren, Harris, and Pizzano.

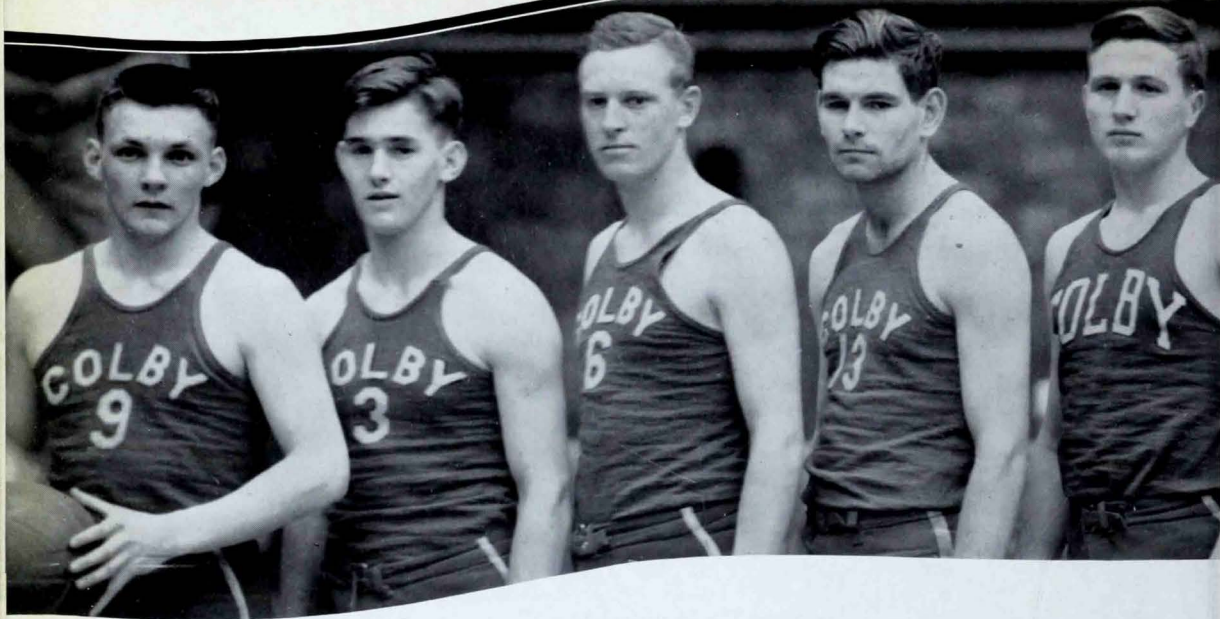

All promising material for varsity berths next year.

## Freshman Cross Country

**T**HE Freshman X Country team had a rather poor season, due, undoubtedly, to the fact that no man on the team had had any previous experience. Failing to win a single meet. . . . Team lost to Lee Academy, Hartland, Gorham Normal, and Lincoln Academy by decisive scores. . . . Outstanding men on team were "Walt" Emery and

"Lou" Di Pompo . . . both men ran 35th and 40th respectively in the New England Intercollegiate X Country run. . . . Team showed improvement in meet by finishing 10th in a strong field of 13. . . . Included on team were Pizzano, Di Pompo, Emery, Doe, all with no previous experience in the field. According to Coach "Cy" Perkins

all men on team are destined for varsity berths next year. Sees strong hope for potential winning team next fall.

Balloting for honorary captain resulted in the election of Lou Di Pompo . . . consistent leader of Frosh forces throughout year. Charles Huff was manager of the team. Cy Perkins coach.

## *Professor Loebs Turns Coach*

**G**REAT interest was aroused this year when Professor Gilbert F. Loebs, Athletic Director at Colby, appeared as freshman coach. Among the candidates who responded to the call of Coach Loebs were many former high school and prep school stars. Raymond Flynn, former Bangor High Captain and Hebron star, Clifford Came, high-scoring representative from Bar Harbor, George Kilbourne who starred for St. Paul's Academy last year, and Oren Shiro, former guard on the Waterville High team, were among the material from which Coach Loebs must mold a team.

The freshman season could not be called very successful from the

standpoint of wins and losses, but it is to be noted that the Frosh were forced to face some of the finest prep school basketball teams that the State of Maine has seen in years.

The Frosh fell several times before the high-powered Coburn quintet, who swept all opposition before them this year. The powerful Ricker Classical Institute also took the measure of the freshmen.

The opening of the season was featured by the expert shooting of Joe Slattery. However, as the season progressed, Clifford Came, George Kilbourne, and Oren Shiro were outstanding. Came at center aided the freshmen greatly with his scoring ability. Kilbourne and

Shiro, both guards, starred in every game; Shiro valuable for his defensive power and Kilbourne dangerous both offensively and defensively. All three were awarded by becoming members of the varsity squad at the close of the season. Raymond Flynn promised to be a valuable asset to the squad, but his playing was interrupted in mid-season by illness. However, Flynn will no doubt be varsity material for Coach Roundy next year.

A great deal of credit must go to Professor Loebs who as a first year Coach produced a freshman team well drilled in the fundamentals of basketball, thus relieving Coach Roundy of those duties next year.

**A**N honorary education society founded at Dartmouth College in 1922. Delta Chapter established at Colby in 1923. The aim of the society is to further the advancement of education and to discuss current problems that face new teachers. Interesting methods of introducing new subject matter to students are presented to the members. Discussion groups deal with the present day problems that the National Education societies are taking up. These discussions are under the supervision of Professor Colgan who acts as the faculty adviser for the society. Many young teachers who have recently entered the teaching field are invited to lecture at the bi-weekly meetings.

**C**HI GAMMA SIGMA, the honorary physical society, was founded in 1932 by Bernard H. Porter and Clayton F. Smith. The first open meeting was held on February 19, 1932.

Since that time Chi Gamma Sigma has been composed of undergraduate members who have attained a mark of B or better in at least two year courses in physics. The meetings have been chiefly devoted to interesting lectures or the reading of papers by the members.

This year associate membership has been created to allow students who have taken or are taking a course in physics to participate in the activities of the society.

**T**HE WHITE MULE, Colby's humorous publication, has completed its fourteenth year as a potent journalistic enterprise. The career of this publication has been changed in many ways during the current year. Another issue has been added to the yearly output; every student is now a subscriber; it is under faculty supervision. And all of these changes have been in favor of the general improvement of the Mule. Dean Marriner and Mr. Pond have given helpful guidance to the staff throughout the year. The Colby White Mule is proud of its national recognition as a class A college humor magazine.

CHRISTIANITY in its fullest sense means a full and creative life. An international and globegirdling organization, the Y.W.C.A. attempts to make world brotherhood a reality. With membership open to all Colby women this truly energetic religious group vigorously and resolutely strides toward this undefinable goal. The activities of its most varied projects are everywhere evidenced through-out the year.

THE debating society is composed of all those students interested in intercollegiate debate. Any student interested may join, and the society takes part in numerous intercollegiate functions during the year. The goal of each member is standing in the national forensic fraternity, Pi Kappa Delta, of which Colby has the Maine Alpha chapter, one of the very few chapters in the East.

Debates were held this year with Middlebury, Boston University, the University of Maine, Bates, Bowdoin, Providence Muhlenberg, and St. Patrick's College of Ottawa.

**T**HE Colby honorary Biology Society originated at Colby this year. It was called the Bowen Society in honor of the late Professor Bowen, a graduate of Colby, a teacher at Columbia University and a man of repute in the circles of Biology and the scientific world. The Society was founded for the prime purpose of discussing Biological problems of interest. In following this program, outside speakers are invited to attend the meetings to lecture and discuss any phase of Biology. Another aim of the society is to cultivate and foster the members. It is the belief that such a spirit is conducive to the highest grade of work.

COLBY COLLEGE CHOIR is made up of men and women selected because of interest and ability in singing. Considered as one of the finest Glee Clubs in New England and participating in concerts with other clubs that far outnumbered it, the Choir has been foremost among those taking part.

The credit for the success of this organization goes to John White Thomas, who has given his greatest cooperation to all Colby Activities and assisted in the success of many college programs with Musical contributions.

One of the outstanding features of the year is the annual Waterville Concert which the Choir presents. The Concert this year featured solo parts by Bernerd Burbank, Evelyn Short, Halsey Frederick and Conrad Swift. The well known quartet of 1940, Conrad Swift, Buell Merrill, Halsey Frederick and Spencer Winsor sang several selections. The Colby trio—a group consisting of June Saunders, Patricia Thomas and Polly Pratt gave an excellent performance. Miss Evelyne Short, contralto soloist, sang Noel Coward's latest song "Mad About the Boy."

A GROUP of faculty and student camera fans interested in various phases of movie and still-camera work. The Club arranges bi-monthly meetings where technical and non-technical lectures, demonstrations, and practical experiments are presented. A Camera School for beginners, an exhibition held before Christmas vacation, and annual Spring Bar-Harbor weekend are the outstanding features of the Club's activities. Acquisition of the new dark room opens new possibilities and adds additional value to Club membership.

## Colby Night

**A** YELLING, jostling group of Colby sons went on parade in preparation for celebrating the Annual Colby Night. It was a large and high spirited group. Many graduates had returned to watch the opening of State Series Football. Reports had stated that Colby Football was again on the up-grade.—Lights flared—The band struck up a march—Colby went on parade.

Alumni banqueteers joined the group at the Elmwood Hotel and marched back to the Men's Gymnasium for the rally. Ted Hodgkins, Charles Nelson, and Dr. Herbert Libby talked of the past and future of Colby. Coach Al McCoy, the final speaker, spoke of his football team and of what he believed was in store for them.

Outside the gymnasium a huge bonfire was lighted, and Colby men and women cheered and sang as the Bowdoin Polar Bear caught fire and vanished in smoke and flame.

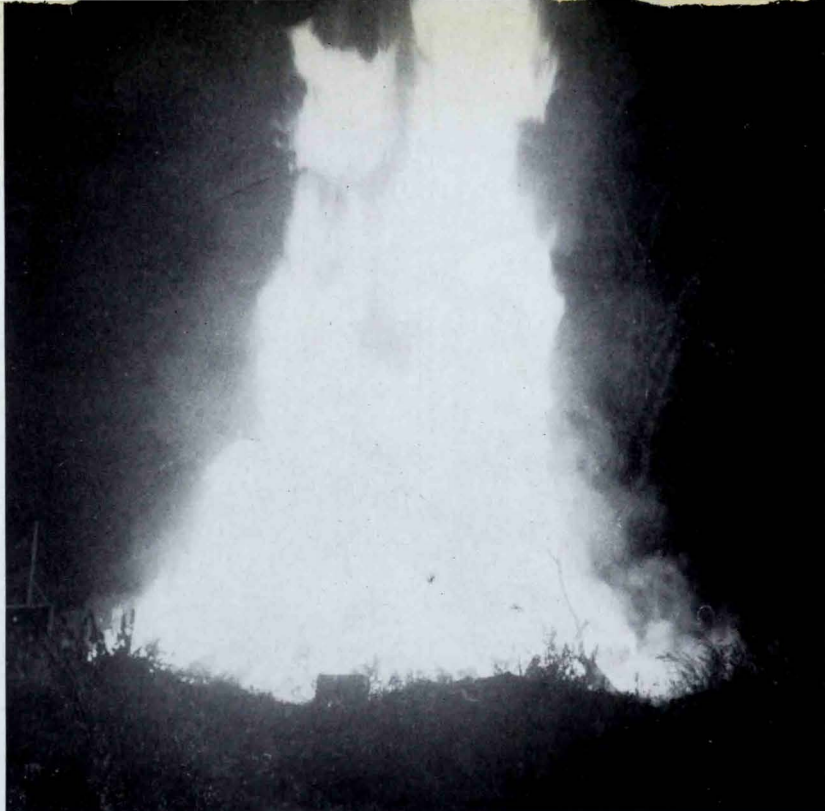

While Colby Alumni were singing their Alma Mater under the open sky other loyal sons and daughters had assembled throughout the country, in order to keep alive the spirit of their school and to make Colby Night one of the greatest annual events in Colby History.

**I**T is doubtful whether ever in the history of the college was a Colby night celebrated with as much enthusiasm and pep as it was this year. It started with a bang at the informal supper which preceded the evening's program. At this supper the silent, or otherwise, observer could see gay alumnae dashing back and forth, greeting long-lost roommates and friends. . . . The very air sizzled with excitement.

At eight o'clock, Dean Runnals welcomed back the alumnae. Then the women, led by Pat Thomas and Polly Pratt, burst into songs, cheering of Colby, our alma mater, and of the blue and gray. Coach McCoy took the stand at this point. "Feeling like a fish out of water," he spoke encouragingly of the next day's game with Bowdoin. All this served to introduce the new cheerleaders, Ann Jones, Pat Jones, Mary Reynolds, and Eleanor Mitchell. Cheering resounded in the gym, and we seemed to hear, "Beat Bowdoin!"

Speakers for the evening were: Iola Chase, Colby Exchange Student to France last year, who described France as she saw it; and Mrs. Ervena Smith, who spoke about the increase in funds for the women's union which is being built out "on the hill."

**C**OLBY'S third winter carnival took the spotlight as the most memorable social event of the winter season.

The Second Colby Varsity Show and a Barn Dance featured the Friday night Program and opened a weekend of gala festivities.

All awaited the announcement as to the choice of queen, and when the spotlight was cast upon the stage it revealed that the great honor had been bestowed upon Barbara Skehan. Her attendants were Marjorie Towle, Polly Pratt, Priscilla Jones, and June Saunders.

**T**HE Coronation Ball with its colorful pageantry was the most outstanding event of the winter carnival.

Queen Barbara Skehan was duly crowned amid surroundings which might well suit any royal personage. Heralded by a fanfare of music from Bob Richmond and his orchestra the royal attendants approached the throne where they formed an aisle for the queen.

From the rear of the hall Queen Barbara appeared and proceeded slowly to her throne amid the applause of the entire audience. President Johnson, after a few well chosen words to the assembled court and the radio audience, placed the crown upon the head of the queen. The entire coronation was broadcast over the Maine Broadcasting system.

COLLEGE Holiday officially opened Thursday evening with Noel Coward's sensational play "I'll leave it to you," under the direction of Professor Rollins. During the play the long awaited presentation of the Holiday Queen was made. It was Marjorie Towle who was to reign over the week-end festivities. Following the play dancing was enjoyed to the music of Jerry Cram and his orchestra.

The big event arrived on Friday evening as the pleasing tempos of Mal Hallett's nationally famous orchestra filled the atmosphere at the Elfin Ball. This marked the first time in the history of Colby College that a "name" band has appeared at one of its formals. The Hallet specialties were all received with tremendous applause. Sharing the lime-light with the band were lovely Irene Daye, a lively looking and charming blonde and one of the season's outstanding vocalists, and Jerry Perkins, Mal Hallett's eighteen-year-old discovery. Both offered their brilliant choral arrangements. The coronation of the lovely Holiday Queen, Marjorie Towle, took place during the evening with Mal Hallett placing the crown upon her head. Her attendants were Anna Stobie, Edith Falt, Raye Winslow and Barbara Skehan. Following the ceremony Marjorie spoke over the Maine Radio Network and Mal Hallett broadcast for a short period. Special praise went to Roger Stebbins who produced all the unique creation of Snow White, the six dwarfs, and Dopey.

Saturday evening brought a fitting climax to the College Holiday as each fraternity joined in sponsoring the traditional Chasers.

Many tired but well satisfied couples returned home at 11:45 exhausted from three nights of strenuous dancing.

The committee headed by Roy Young deserve much credit for their efforts in producing such a successful week-end.

# COMMENCEMENT

**T**HE One Hundred and Seventeenth Commencement of Colby College opened Friday, June 17th, at eighty-thirty with the Senior-Faculty breakfast at the Elmwood Hotel.

In the afternoon the Commencement Play was presented at the Opera House. This Play, entitled, "Three Cornered Moon", by Gertrude Tonkonagy was received with great enthusiasm.

Friday evening brought the President's Reception and the Commencement Dance for the graduates, their parents, and guests of the college.

Saturday the 18th began with the breakfast meeting of the Phi Beta Kappa society and the annual meetings of the Alumni Associations. Later in the morning, the Senior Class Day exercises were held on the back campus. Norman Walker was the Class Marshall. The guest of the seniors was Charles J. Keppel, 1913, Ph.D., Director of Tome School.

An interesting special event occurred Sat-

urday morning when Professor Frederick A. Pottle, 1917, Ph.D., of Yale University addressed a group of Library Associates and others on "Books".

Saturday afternoon the Commencement Play was repeated in the City Opera House. In the evening the five year class reunions were held.

The Baccalaureate Sermon was delivered in the First Baptist Church by Rev. Everett Carlton Herrick, President of Andover-Newton Theological School.

Finally, on Monday morning, June 21st, came the climax, Commencement. The new feature of the affair was the outdoor Commencement exercises. The procession marched from the college chapel, not to the City Opera House as formerly, but to the lower campus where the ceremonies took place.

Dinner followed the exercises thus ending the One Hundred and Seventeenth Annual Commencement of Colby College.

# ARCHERY POPULAR

Perfect Form

ONE of the favorite sports among the women in the fall and spring is Archery. The new equipment purchased by the Physical Education Department has increased the interest in this field. Under the direction of Miss Van-Norman individual instruction is given and informal tournaments are conducted to add to the interest of those participating.

Several other minor sports have created great interest among the women this year. Among these, Badminton, Shuffle Board, Table Tennis, Skating, and Volleyball have received the most attention. Much enthusiasm was shown this winter over the intramural games of Basketball and Volleyball between each Sorority.

# "MEET COLBY" DAY

ON May 14th, 1938, Colby presented its annual "Meet Colby" Day. Prospective students were invited to the Campus to see the different departments in operation. All the Clubs and organizations of the school cooperated in planning interesting exhibits and demonstrations for the visitors, and guides were furnished to take the visitors to the different departments.

Under Professor Webster Chester and Joseph Odiorne the Biology Department showed a microscopic view of a three day old chicken embryo. The Camera Club gave an exhibition with a collection of their prints. Chi Epsilon Mu, the Chemistry society, demonstrated the arts of glass blowing and the making of a flame that doesn't burn.

The Physics society, Chi Gamma Sigma, under Maynard Waltz carried on several experiments in Shannon Hall. The Echo in charge of Joe Ciechon presented a display of former editions, while the Debating Society featured their recording machine.

Professor Carl J. Weber again came to the fore with a Hardy exhibit, this time of some of

The Glee Club held its open house in the music room, while the International Relations Club presented a display of great historical interest. The Math Club and Kappa Phi Kappa gave exhibits. The Oracle display showed the process of engraving from the printed to the finished plate. Cover designs and a picture display was also part of the Oracle exhibit.

The Outing Club showed stereopticon slides of a climb up Katahdin, with a display of snow and climbing equipment as an added attraction. Pi Gamma Mu showed a display of sociological maps and graphs made by the students. Powder and Wig opened its workshop for general inspection and at the same time a rehearsal for the Commencement Play was in progress. Professor Colgan's Psychology department headed its long list of interesting apparatus with the lie detector.

Chemists Blow Glass

Thus with a program that rivaled that of M.I.T.'s "Tech Day" Colby went on parade before the visiting public.

"Meet Colby Day" has now become a regular feature in the program of Colby College. This year a careful preparation is being made for this day which will be held on April 22nd. Each organization and society will again endeavor to give the prospective student a general idea of the activities at our college.

# CHEER SQUAD FORMS CLUB

Women to lead cheers for first time at  
Colby

Aristole Gets Attention

**L**AST fall four men and four women were chosen as cheerleaders for the newly formed cheering club organized by Vic Malius and Mike Spina. They were Eleanor Mitchell, Mary Reynolds, Priscilla Jones, Ann Jones, Mike Spina, Vic Malius, Norris Dibble and Allan Knight.

Through the efforts of this club a mule was purchased and for the first time in several years Colby's official mascot paraded on the field. The club also sponsored several stirring rallies and a large bonfire on Colby night. The freshman baby parade was an interesting feature prior to the New Hampshire game. Several new cheers were added with exceptional response from the student body.

Through the efforts of this club a stronger spirit was instilled in the hearts of the students, who in turn spurred their team to new heights on the gridiron last fall. Thus it is vital for the spirit of Colby that the students heartily support rallies and events sponsored by the cheerleader's club.

# STUDENTS DISPUTE WINNING RUN

Prexy At The Picnic

**T**HE annual student-faculty soft ball game ended in a heated debate when "Prexy" Johnson stopped all athletic proceedings due to a lost ball in deep center field at Mayflower Hill.

The students claimed the victory, but prexy ruled otherwise and gave the decision to the faculty. All turned to Skeets Eustis who had assumed the role of official scorer, but Skeets was preparing the score from a business point of view and requested a few days to tabulate the exact results. The answer to which has not been made public at this late date. No doubt there will be some dispute as to who shall umpire and who will be the official scorer this year. However, this tension was eased by the wild dash of four hundred students for the overflowing food tables.

This is a day for which great appreciation should be expressed to the faculty. A day in which all formalities disappear and the word "Professor" vanishes from the vocabulary and all the nick names come forth in full, with the

faculty showing as much interest in the amusement as the students themselves.

We see from the pictures accompanying this article that Prexy was one of the first to draw his share of the food. Also the excellent form of Professor Chester as he reaches base safely.

In summarizing the events of the afternoon we find that the umpiring was decidedly on the shady side. The faculty stars were numerous in every inning. The all around form of "Donkey" Morrow both at the plate and in the field was foremost in the eyes of all. Miss Duffy looked like Rabbit Maranville at Short. Miss Mary Mar-

shall led her English department fellows to the outfield, and there they carried on their annual conference on the life and works of the great Thomas Hardy. Phil Bither was the proud captain of the faculty.

Big Dick Dow pulled all the tricks known to baseball out of his bag, but all to no avail. Even the squeeze bunt with no one on base failed to work, so Richard left the scene in favor of Hulie Wade, his co-captain. Hulie immediately removed the giant line-up, which included Jay

Cochrane, Peg Higgins, John Coolidge, Fern Brouker, and Barbara Baehr, in favor of the midget team.

So "Occie" Emery, "Eddie" Peck, Pat Jellison, Jimmie Williams, Shirley Porton, Inch Salisbury and Marjorie Towle all got their chance. Skeets Eustis claimed to be the official scorer, but when Skeets had finally given his decision the food had drawn all interest.

Sandwiches, soft drinks, ice cream, and cookies were the best part of the program. This is one day when the faculty dig down and feed the entire student body.

Faculty Pay At Last

After the appetites were appeased songs were sung, led by John Thomas. And again our Alma Mater closed a perfect day.

The faculty committee in charge of the affair consisted of "Tubby" Ashcraft, Chairman, and Professors Lougee, Loeb, and Stanley, Messrs. Rush, Carlson, Bither, and Joseph Smith, Dr. Marshall and Miss Duffy.

# CHOIR FEATURES NEW ATTRACTIONS

Women's Quartet

**T**HE Colby College Choir presented several new features with its programs this year. Robert Carr, the accompanist for the Choir was a valuable addition to every program. He played several outstanding selections at each concert and also several number of his own composition.

The Class of '40 quartet was again featured on the Choir's programs. This consisted of Halsey Frederick, Conrad Swift, Buell Merrill, and Spencer Winsor.

An additional variety was added with the Colby instrumental trio, Elizabeth Solie, Elizabeth Bavis, and Eleanor Bavis.

The Coed Trio was a new feature of this year's program. June Saunders, Patricia Thomas and Polly Pratt.

This Colby Choir, under the careful direction of John White Thomas, has the unique distinction, for a small college, of being classed with the choirs of the larger New England Colleges. Colby has received this recognition through the various concerts which it has given throughout New England.

# OLD CHAPEL HAS FAMOUS HISTORY

**A**S few students probably know our chapel is a famous landmark in our country. This chapel was the first building built north of the Mason Dixon Line in memory of those who died in the Civil War.

This old building which contains the Colby Chapel, where many great men have worshipped and spoken, also houses a very modern library. During the past three years, Professor Rush, the librarian, has carried out the difficult task of recataloging the entire library into a more modern system.
