FEATURES**12/History with a Twist**

The new book, *Mayflower Hill: A History of Colby College*, has been released. Author and College Historian Earl Smith combines an insider's view of Colby with a broad cultural perspective for a lively, informative, and sometimes irreverent read.

16/A Better Place

From the Congo to New Orleans, Colbians are fanned out across the globe, working with nonprofit organizations that want to leave the world a better place. Read about what they do and why they do it.

22/The Biographer's Craft

Working in what one calls the highest form of nonfiction, Colby biographers labor to recreate the lives—and essence—of their subjects. Chronicling figures ranging from Lincoln to Van Gogh, these writers strive to create the definitive biography.

28/Shadows of Kabul

A few years ago, Qiam Amiry '09 was walking the streets of Kabul working as an interpreter for the British military. Now, on Mayflower Hill, Amiry has found sanctuary but has not escaped the issues facing his country.

Colby Online (www.colby.edu/mag)**Housing Czarina**

Students who wonder how they were paired with their first-year roommate can find the answer here. Kim Cheah '99, director of housing, explains how rooms, students, and roommates are matched.

In His Voice

Hear College Historian Earl Smith read excerpts from *Mayflower Hill*, his new Colby history.

Orientation Evolution

Diversity in Colby's student body requires diversity in COOTs (Colby Outdoor Orientation Trips). New options include community service, improv, and environmentally focused excursions, thanks to Jonathan Milne, director of outdoor safety and education.
