SIXTH ANNUAL MEET OF THE INTERCOLLEGIATE A. A.

There is no such thing as "luck," but when the weather is perfect for a week previous to an event in which all Maine college men are interested and then turns off rainy on the eventful day, there is something out of joint somewhere.

Unusual interest in the meet had been aroused this year and some surprises were looked for. Bowdoin was expected to do her usual good work, U. of M., who has sent a team to Worcester the past two years, was booked for second place, Bates had developed some good men, while Colby, at home, was expected to get two firsts and be able to win fourth place by a hard struggle.

The U. of M. team, with about thirty-three men, went to Brunswick Friday afternoon. Saturday morning, the Colby team, or what part of it could be roused from bed, started on the six o'clock with heavy hearts, while, in the language of the poet, "The Heavens wept."

The meet was begun at 10.30 in the forenoon, and the trials in the quarter mile, two mile bicycle and the weights were disposed of. There were 119 entries in all. Bowdoin had 43 men entered, U. of M. 37, Bates 21, and Colby 18, of whom 14 appeared at the meet.

In the trial for the quarter mile Gray, of Bowdoin, Newenham, of Colby, and Snow, of Bowdoin, qualified in the first heat, for finals; in the second heat, Hatch, U. of M., Beane, Bowdoin, and Pierce, Colby. Colby had no entries in the bicycle race, in which Fuller, Bates, Webber, Bowdoin, Hamlin, Bowdoin, Lowe, U. of M., qualified. In Field Events only one man from Colby, Thomas, in the shot-put, qualified for finals.

After dinner the meet really began and the different events were run off between showers. The track was rather heavy but didn't seem to affect time much.

The first event was the 100 yard dash, trial, in which three Bowdoin men and one Bates man qualified. Next came the half mile, a splendid race, won out by Nutter of Bowdoin, in 2 min. 5 3-4 sec., breaking the Maine record. Colby got no man into the finals for the high hurdles, but when the quarter mile final came Newenham went out determined to push Snow around in record-breaking time. The race was a hot one, Newenham leading till the last seventy-five yards, when Snow got the lead and finished two feet ahead, in 53 1-5 sec., breaking the Maine record by two-fifths seconds. In the bicycle final occurred a surprise, for Fuller of Bates, won it easily in 5m. 3 1-5s., making a new record. Fuller is a wonderful rider. The 100 yards final was won by Cloudman in ten seconds flat.

In the mile run there was a full field. Moody, of Colby, was picked for a winner, but Wheeler, of Bowdoin, surprised the crowd by keeping at his heels and on the third lap it was a sprinting match of the most exciting kind. Wheeler broke the tape a yard ahead of Moody, breaking the record by six seconds and finishing the closest mile run ever made in Maine.

The high hurdle race was slower than usual and was won by Hunt of Bowdoin. The low hurdle race was a fast one, being won by Edwards, who reduced the Maine record, held by him, one second, and equalled the New England record.

The two mile run was looked forward

to with great interest, for Moody was expected to put up a good race. The crowd wasn't disappointed, either. A large field started, Moody taking the lead from the first. In this race occurred one of the worst examples of dirtiness on the part of a contestant and of gross negligence on the part of officials ever seen in this state. During the run, two Bowdoin men constantly interfered with Moody, one in particular spiking him so that his ankles were severely scratched, and contrary to the rule which prohibits taking the pole unless two yards in advance, elbowing in when abreast of Moody. But the splendid endurance won out and, though Moody's protest against foul was unheeded and the officials got interested in Astronomy and allowed the contestants to run nine laps in spite of protest, Moody finished half a lap ahead second man and full lap ahead of the last man in the field, doing the nine laps in 12 min. 7 2-5 sec. Moody protested the number of laps on the fifth round when he was told that there were four more to go, so did not try for a record. He is easily the fastest two-mile man in Maine.

In field events Colby won but six points, Hawes winning the pole vault after a sensational struggle against Dunlap, of Bowdoin, and showing that Colby will have some men for the next annual meet. Thomas got third in the shot-put.

The running high jump was taken at a very low mark, 5 ft. 3 3-4 in.

In the hammer throw a new record was made by Dunlap, of Bowdoin. When the points were reckoned, Bowdoin led with 92 1-2; Colby second, with 17; Bates third, with 13; U. of M. fourth, with 12 1-2. Bowdoin took eleven firsts, Colby two, and Bates and U. of M. one each.

Following is a summary of events and results:

100-yard dash—Won by Cloudman, Bowdoin; Edwards, Bowdoin, second; Garlough, Bates, third. Time 10s.

220-yard dash—Won by Cloudman, Bowdoin; Snow, Bowdoin, second; Hunt, Bowdoin, third. Time 22 3-5s.

120-yard hurdles—Won by Hunt, Bowdoin; Davis, U. of M., second; Sylvester, Bowdoin, and Thompson, U. of M., tied for third. Time 17 2-5s.

220-yard hurdles—Won by Edwards, Bowdoin; Hunt, Bowdoin, second; Davis, U. of M., third. Time 25 4-5s.

440-yard run—Won by Snow, Bowdoin; Newenham, Colby, second; Gray, Bowdoin, third. Time 53 1-5s.

Two-mile bicycle race—Won by Fuller, Bates; Hamlin, Bowdoin, second; Webber, Bowdoin, third. Time 7m. 4-5s.

One-mile run—Won by Wheeler, Bowdoin; Moody, Colby, second; Tate, U. of M., third. Time 4m. 48 2-5s.

Running high jump—Moore and Hamilton, Bowdoin, tied for first; Richardson, Bates, third. Height 5 ft. 3 3-4 in.

Running broad jump—Won by Hunt, Bowdoin; Cloudman, Bowdoin, second; Edwards, Bowdoin, third. Distance 20 ft. 4 5-8 in.

Half-mile run—Won by Nutter, Bowdoin; Ham, Bates, second; Silver, U. of M., third. Time 2m. 5 4-5s.

Pole vault—Won by Hawes, Colby; Dunlap, Bowdoin, second; Merry, Bates, third. Height 9 ft. 9 in.

Two-mile run—Won by Moody, Colby; Thompson, Bowdoin, second; French, U. of M., third. Time 12m. 7 2-5s.

Putting 16-pound shot—Won by Ham-

ilton, Bowdoin; Laferriere, Bowdoin, second; Thomas, Colby, third. Distance 33 ft. 8 in.

Throwing 16-pound hammer—Won by Dunlap, Bowdoin; Laferriere, Bowdoin; second; Richardson, Bates, third. Distance 115 ft. 8 in.

Throwing the discus—Won by Watson, U. of M.; Dunlap, Bowdoin, second; Richardson, Bates, third. Distance 105 ft. 5 in.

Five state records were broken. Those of the quarter mile, half mile, mile, 220 yds. hurdle, and the hammer throw. Only one accident occurred during the day. In the second heat of the bicycle trials the men fouled and two were thrown heavily on the cinders, breaking their wheels and receiving bad scratches. Aside from the injustice in the two mile race, where Bates, U. of M., and Colby, together with a number of Bowdoin men agree that nine laps were run, and apart from some other instances not altogether satisfactory, the meet was very successful and is encouraging for Maine athletics.

Colby was represented by the following men: Cotton, Bakeman, Pierce, Newenham, Marvell, Hedman, Moody, Doughty, Crawshaw, Thomas, Hawes, Withee, Larsson, Knowles and Witherell, manager.

The following were the officers of the day:

Track events: Referee, John Graham, B. A. A. Judges at Finish, Prof. G. T. Files, Bowdoin; W. R. Howard, Belfast; W. W. Bolster, Bates. Time-keepers, Prof. C. B. Stetson, Colby; Dr. F. N. Whittier, Bowdoin; R. H. Rockwood, U. of M. Starter, I. S. Clark, Boston. Clerk of Course, R. L. Dana, Bowdoin. Marshal, Wm. L. Watson, Bowdoin.

Field Events: Measurers, P. Walker, U. of M.; R. W. Purinton, Bates. Judges, J. A. Hayes, U. of M.; C. F. Kendall, Bowdoin. Scorers, F. Summerbell, Bates; R. F. Chapman, Bowdoin.

SENIOR EXIT.

For the first time in many years if not in the history of the college, the men of the Senior class celebrated the end of their active college duties. On Tuesday evening 1900 enjoyed a banquet at "The Gerald," Fairfield's new and splendidly appointed hotel. The 9.10 electric car carried the company out of town and upon arrival at "The Gerald" the time before the banquet was spent in being shown over that structure and in parading the town to the tune of Phi Chi and other college songs of kindred nature. Exactly at ten, the doors of the dining room opened and the jolly crowd of Seniors took their places at the festive board. After ample justice had been done the fine repast post-prandial exercises followed with toast master Alden E. Doughty as master of ceremonies. "The Occasion," C. F. Towne; "The Cream of the Nineteenth Century," F. F. Lawrence; "Nineteen Hundred's Victory," E. H. Tupper; "A Glimpse Forward," E. D. Jenkins; "The Faculty, Where, O Where, O Where," W. A. V. Wren; "A Glimpse Sidewise," J. F. Moody.

Informal toasts from other members of the class followed the regular toast list. A special electric carried the class back to Waterville at an early hour after the most enjoyable occasion in its history. The committee of arrangements were F. D. Sawyer, Carl Cotton and E. D. Jenkins.

FRESHMAN PRIZE READING.

At the Baptist church, Friday evening June 1st, at eight o'clock, occurred the annual Freshman Prize Reading. The audience was very large. The large number of people is probably to be explained by the expectations of excitement which usually accompanies this occasion. For the joy of some and to the disappointment of many the reading passed off in a very orderly way.

The exercises were of unusually high order. The speakers acquitted themselves with remarkable credit. President Butler presided over the exercises and Rev. E. C. Whittemore offered prayer. Most excellent music was furnished by the college orchestra. The judges were Hon. Charles F. Johnson, Rev. E. F. Marsh and Prof. J. D. Taylor. Among the young ladies the first prize was awarded to Mabel Esther Dunn and the second to Mildred Jenks. Among the young men the first prize was awarded to Christie Boyadjieff and the second to Cecil Murice Daggett.

The program was as follows:

While waiting for the report of the judges, President Butler explained to the audience why no "War Cry" had been published. The Sophomore class, he said, had made a promise last year not to publish any and that it was in keeping this promise, though oftentimes regretted since perhaps, that no "War Cry" was published. He would not say that the class was better than any other class yet he said that they had made a promise and were to be complimented on having kept it. This explanation was made that the audience might not be disappointed, yet the President thought "that all were of one mind on the subject."

The judges on the Junior articles, Rev. E. C. Whittemore, Rev. G. L. Lindsay and Prof. J. W. Black have announced the successful writers. They are: Sturtevant, Our Summer Visitors; McKoy, The Religion of the 20th Century; Witherell, The Vice-Presidency; Sprague, A plea for the American Navy; Bakeman, The Final Aim in Education; Withee, The 15th Amendment; Allen, Independence of Thought and Action; Howard, Gladstone; Miss Farrar, Some Things a Women Should Know; Miss Clark, Ruskin and Art.

Some of the newspapers in the State and the *Bowdoin Orient* are kindly misrepresenting the Colby Freshmen by saying that we do not want a meet in track games this year. Such is not the case. On the other hand, Colby has done all in her power to bring about such a meet. The last issue of the *Orient* makes the following statement:

"In all probability there will be no intercollegiate Freshman athletic meet this year. Perhaps it is just as well. Eddie Dunlap and two or three more men from Bowdoin could win the meet so easily that the affair would be entirely uninteresting. Anyway the other colleges think it would."

Hawes, Thomas, and Pierce, all of whom showed up well in the intercollegiate meet, could certainly make things interesting for the Bowdoin Freshmen when backed up by the other athletes in their class, for they are all sure of firsts in their events. The whole history of dual games between the two institutions shows that Bowdoin has never been willing to enter a competition unless she felt positive that she could win.

The track men who represented Colby at Brunswick last week bring back a unanimous protest against the way Bowdoin acted in competition and in regard to the placing of men in heats. Moody was fouled in his long race but could get no satisfaction from Mr. John Graham, Bowdoin's coach, who was acting as referee. The start in the finals of the quarter looked like a put up job, and it was only luck that Newenham was not left a yard or so at the start. To cap the climax, nine laps were run in the two-mile race, lest a record might fall to Colby. Our men expected nothing better than a chance at twenty points, but they did expect sportsmanlike treatment.

The baseball league games are over and the pennant will probably be awarded to U. of M. At a recent meeting of the managers it was voted to play over again the game which resulted in dissatisfaction to Colby played at Garcelon Field, May 15. The

Bates manager was present at that meeting but at another meeting held since, Bates protested against that agreement. Since then she has sent word that she would not play in Waterville on the 9th of June. Therefore Colby's schedule is finished. The record for the season is not entirely satisfactory. The individual records of the members of the team will be published in the next issue.

The next issue will be the annual Commencement number and will appear about the 22nd. All contributions must be in the hands of the editor by the 18th.

It is a pity that the annual celebration cannot take a more ingenious form than that of tearing down shutters.

ABOUT BICYCLE RIDING.

We understand that very recently one of our Colby students was stopped on the walk which leads down College avenue from the chapel and asked to dismount from his bicycle. He did so, when the so-called special policeman put down his bundles, took out his note book, asked the rider for his name, and advised him to appear in the court room and pay his \$5. The student who hails from another county, took the man at his word and went to the police court where he paid his fine. If the student had understood the rights and privileges attending such a case as this, he never would have paid the fine until the case had been discussed and a new code of laws drawn up by our city marshal.

There is one thing Colby students would like very much to have explained. It has always been understood among Colby men that that portion of the city's sidewalk leading from the lower entrance to Colby's grounds, to the crossing was perfectly legitimate to ride upon. It has also been generally known that the city marshal informed many of the students last year that they would not be fined for riding the two rods or so on the city's walk in the place specified.

There is no other way to get out upon the street, if this initiated process of fining for the two rods continues, than to dismount at the entrance, jump a ditch, pull the wheel over the track, and then mount again. Go out the front way? and ride over electric car rails that have recently been raised about six inches? It would certainly seem to us who are owners of bicycles, that some sort of a crossing should be built over which bicycles might be driven with safety both to pocket book and to wheel.

I do not believe the student referred to would have been held up had the city marshal been present at the time. Was he arrested to serve as an example? Was it a mistake? Why are not all the others treated in the same way? First of all, however, let the city marshal issue a new proclamation nullifying that of last year, last of all, let the marshal investigate the matter personally. The *ECHO* columns, we are sure, will be open to any statements anyone may wish to make in the immediate future. A statement from the city marshal would set things right and prevent any seeming misdemeanor on the part of the Colby men.

U. OF M. 1; COLBY C.

Maine won her second game from Colby at Bangor, Monday, June 4, in one of the most exciting games ever played in the Maine League. Newenham pitched the best game ever seen in Bangor. Three hits were made off of his fine delivery, but these were scattered. Colby made eight errors but Newenham's clever work kept the score blank. Cushman was in great form also and kept Colby's eight hits scattered. Newenham struck out eleven, Cushman seven.

The Colby team left Waterville at ten o'clock with several supporters accompanying them. A crowd was at the station to give them a good send off. The team put up at the Bangor House. The game was played in Bangor at the Fair Grounds.

Colby came to the bat first. Cushman had great speed and Saunders was struck out. Cushman got to first on a high throw to first and reached second on Newenham's hit, but the next two men went out. For Maine, Newenham struck out the first man. Clark got a hit but was forced at second. Errors put two more men on bases, but Dorticcos fled out.

There was no scoring on either side until the ninth inning. In the second Maine got a man on second after being hit by a pitched ball and going to second on a passed ball. Colby had gone out in order. In the third after two were out Colby went out in order. Maine got a hit right off in her half but the next two men struck out and the third one went out on a grounder to Newenham. In the fourth after two were out Teague and Tupper made hits but Pike knocked an easy one to the pitcher. In Maine's half Newenham retired the first man on strikes and three strikes were called on the second one but he got his base on an error by Cushman. The same thing happened with the third man. Cushman batted to Allen and Holmes tried to reach the plate on the play but Allen threw well and he was caught at the plate by Cushman. Lurvey fled out to Hudson. In the sixth Colby went out in order again. Maine got two men on bases by a base on balls and an error by Pike, but Newenham retired the side on strikes. In the seventh "Ethan" Allen made a hit but he was left on first. For U. of M. Carr knocked a grounder to Hudson and was out. Davis batted to Saunders who threw over Hudson and over the fence. Newenham pursued the ball but Davis reached third. The next two men batted to Newenham and the side was retired. Cushman opened the eighth with a two-bagger. Newenham fled out. Hudson made a pretty single. Cushman should have scored but his ankle twisted and he only reached third. The side was soon retired. Maine went out in order. In the unlucky ninth "Ethan" was hit and his brother followed with a single but again Colby could not score. Lurvey was up for Maine and he batted one to Saunders. Again the ball went over the fence and lodged in a cart. Newenham was after it and threw home in time to catch the man but Cushman failed to connect and we were beaten. Of Colby's eight errors only one was costly.

If any criticism were to be made on the game it would be that Saunders ought not to have been placed at third base. He is a left handed man and that if nothing else excuses his error. Colby played a better game when good plays were needed and deserved to win on her batting. Mr. Kelley's umpiring gave great satisfaction. The score:

TUFTS 8; COLBY 5.

On June 1st the annual game with Tufts on the College Field resulted in a victory for the visitors. The game was an interesting one and there was some pretty fielding and good batting. As the score will show, Tufts led at the bat by only one hit, but played a better game in the field. The visitors were somewhat dissatisfied with Witham's umpiring, but there is some doubt whether they were justified in their protests. It was an ideal day for play and a fair crowd was present.

Colby took the field with Saunders in the box and Newenham behind the bat. The first man up fled out to Allen, the second man got his base on an error by Rice but was caught off second in his attempted steal and the third man struck out. Colby went out in order.

In the second inning Tufts got two runs on an error by Rice, a stolen base and two hits and in the third the visitors added three more from errors by Teague, Newenham and Allen, a base on balls and a stolen base. In the second Colby again went out in order but in the third after two were out we scored two runs from a base on balls and timely hits by Saunders, Cushman, Newenham and Hudson. Score 5 to 2.

Both teams failed to score in the fourth and in the fifth Tufts could not tally, while Colby added one more on hits by Pike and Cushman. In the sixth Tufts again received a blank but Colby tied the score on Hudson's hit, a throw over the first baseman's head and a hit by Rice. Score 5 to 5.

Both teams blanked in the seventh but in the eighth Tufts met Saunders for four singles and two runs and in the ninth a single and two doubles netted them one more. In the last of the eighth after two out Rice got a single but there was no scoring and in the last change to score Allen opened up with a single but the next three men but up flies and the game was over. Colby had lost the game in the second and third on errors. The score:

OF INTEREST.

Koch, '02, preached in Hartland Sunday morning.

Dr. Frew is able to be about the campus again.

Severy, '00, was employed by "Rabbit" Thursday, to mow the college lawns.

Miss Koch left Monday afternoon for Bowdoinham, where she will remain for several weeks.

Furbush, '00, who has been sick for a week from the effects of ivy poisoning, was able to be out this week.

President Butler delivered an exceedingly interesting lecture before the English literature class last Friday on Longfellow.

Hugh D. McClellan, '95, who has just finished his examinations at the Columbia Law School, New York, was on the campus for a short time Saturday.

Haggerty, '02, coach of the High School base ball team, is receiving congratulations for his faithful work in helping to bring about a victory over Coburn.

The Bowdoin writer in the Kennebec Journal, in prophesying the outcome of the meet at Bowdoin, gave his college first, U. of M. second, Bates third and Colby fourth. After the meet he sang a different song. He never mentioned the excellent work of his man in fouling Moody of Colby in the long distance run.

Prof. Hope, a graduate of Brown, and professor of Greek in a colored school at Savannah, Georgia, spoke to the student body at chapel, Monday morning, on the rapid advancement of the colored race, and of the great problems college men must solve in dealing with the negro questions of the South. Prof. Hope's remarks were frequently interrupted with applause.

A party of about thirty college students, consisting of Zetes and ladies, passed a pleasant afternoon and evening, Wednesday, under the hospitable roof of Mrs. Gleason at Great pond. The party left the Hall at about two o'clock in barges, arriving at Mrs. Gleason's at four. A sail on the pond, one of those excellent suppers so far famed, a dance in the evening, and a ride home at moonlight completed a pleasant day's outing. It was one of the most pleasant affairs in the history of the chapter. The chaperones were Mrs. W. M. Dunn of the city and Mrs. J. H. Witherell of Oakland.

RESOLUTIONS.

WHEREAS, The all-wise Father has seen fit to remove from our Fraternity, our late brother, Linton Edson Waldron and

WHEREAS, It is but just that a fitting recognition of his many virtues should be had; therefore be it

Resolved, That, in the death of our brother we have lost a friend and companion who was dear to us all; one whose upright and noble life was a standard of emulation to his fellows.

Resolved, By Gamma Chapter of Phi Chi Fraternity, that while bowing to the Divine Providence, who doeth all things well, we cannot refrain from lamenting the death of one whose life seemed so full of usefulness and promise.

Resolved, That the heartfelt sympathy of this Fraternity be extended to his family in their affliction.

Resolved, That these resolutions be spread upon the records of the Fraternity and copies be transmitted to the family of our deceased brother, to The Waterville Mail, Bowdoin Orient and Colby Echo.

Colby College, Waterville, Maine.

The College was chartered in 1818. It is most favorably situated in a city of about 10,000 inhabitants, at the most central point in Maine, in a region unsurpassed for beauty and healthfulness. It offers the classical course with 70 electives, also a course without Greek, leading to the degree of Ph. B.

The Library contains 35,000 volumes and is always accessible to students. The college possesses a unique Physical Laboratory, a large Geological Museum, and is the repository of the Maine Geological Collection. A new and thoroughly equipped Chemical Laboratory was opened in September, 1899. Physical training is a part of the required work. There is a gymnasium with baths, and an excellent cinder-track.

The preparatory department of the college consists of four affiliated academies: (1) Coburn Classical Institute, owned by the college, Waterville; (2) Hebron Academy, Hebron, (Oxford county); (3) Ricker Classical Institute, Houlton, Aroostook county; (4) Higgins Classical Institute, Charleston, (Penobscot county).
