## COLBY ALUMNI ASSOCIATION.

To the Editor of The Echo—SIR:

As THE COLBY ECHO is so rapidly becoming not only the organ of college opinion, but the authoritative record of the facts which mark the progress of the institution, some items concerning the Alumni Association may be of interest.

The association dates back to the year 1847 when a few alumni gathered in the chapel after the commencement dinner and took steps preliminary to the organization of an association. A constitution was adopted in 1848 and Martin B. Anderson was elected president; J. H. Hanson, secretary; and S. Ilsley, L. B. Allen and Stephen Coburn, councillors. Among those prominent in the early years of the association were N. M. Wood, Mark H. Dunnell, J. H. Drummond, Geo. Knox, Geo. B. Gow, S. K. Smith and J. B. Foster. In 1864 Prof. C. E. Hamlin became secretary and the next year the work of necrologist was placed upon him in which he rendered a long and important service to the college.

In 1865 a representative committee of fifteen undertook the work of providing a suitable memorial for the alumni and students of the college who had fallen in the civil war. The present Memorial Hall, called first the Alumni Memorial Hall, was the result of their labors. But space is not available to record here the good work accomplished by the Alumni Association. For twenty-six years Prof. E. W. Hall served as secretary and treasurer and to the faithful performance of the duties of his office he added much extra labor essential to the continuance and success of the association. The interest of many of the alumni in the college has found tangible expression, e. g. the Shannon Observatory and Physical Laboratory erected by Hon. Richard C. Shannon, of the class of '62, in 1889, and the Alumni Chemical Hall for the erection of which so many of the alumni under the persuasive eloquence of Dr. Butler, Mr. Dutton and Mr. Owen, were glad to contribute.

It was felt, however, that for the mutual advantage of the college and the alumni, they should come closer together and that, as in the case of the best New England colleges, the alumni should have some actual and responsible share in the management of the college. At the annual meeting in 1900 a committee of ten was appointed to confer with the trustees as to giving the alumni direct representation on the board. Mr. Allen P. Soule was the chairman of the committee and during the year gave a thorough study to the methods employed by other colleges in providing for alumni trustees. Such conference found the trustees willing to accept the proposed arrangement but also that a change in the chapter of the college by the Legislature of Maine would be necessary before any further steps could be taken. In 1902 Hon. S. S. Brown and Harvey D. Eaton Esq. were added to the committee which was intended to secure the necessary legislation and to submit constitution and by-laws for consideration by the association. This was done and the proposed constitution was presented by Mr. Soule and accepted in 1903. Hon. Richard C. Shannon, '62, was chosen president; Asher C. Hinds, '83, vice-president; Edwin C. Whittemore, '79, secretary; Hascall S. Hall, '96, treasurer; and Dr. E. W. Hall, '02, necrologist. The Executive Committee consists of: Allen P. Soule, '70, chairman; Judge

W. P. Whitehouse, '63; Ruben W. Dunn, '68; Wilbur C. Whelden, '90, and Clarence E. Meleney, '76. The committee to nominate alumni trustees consists of: Stanley H. Holmes, '87; Wilford G. Chapman, '83; Forest Goodwin, '87; Fred M. Preble, '81; Dennis E. Bowman, '93. The alumni representatives on the Executive Committee of the Athletic Association are E. T. Wyman, '90; J. E. Nelson, '98; A. F. Drummond, '88.

By the constitution every male graduate is a member of the association and all graduates of not less than three years standing are entitled to vote for alumni trustees. The committee to nominate alumni trustees will nominate not less than six candidates for the three trusteeships which are to be filled each year. At least two months before commencement the secretary will send a ballot bearing the names of the nominees to each graduate entitled to vote and when their votes are returned he will count and tabulate them and announce the successful candidates. The polls will close at ten A. M. on commencement day. By this plan the alumni will come to be represented on the Board of Trustees by nine members nominated and elected by themselves. It is hoped and expected that from this more intimate relation between the college and the alumni, great good will result.

EDWIN C. WHITTEMORE,  
Secretary of the Alumni Association.

## THE STORY OF A BILL OR HOW PERSISTENCY WON OUT.

This year's practice of sending frequent bills in order to secure advance payment for THE ECHO has, in one case at least, been the means of poetic inspiration. Three bills were sent to one of our subscribers, and when they were returned to be receipted each one bore a stanza of the following poem.

On the first bill.

When this bill  
Dropped down here  
I got up  
On my ear!

On the second.

When this came  
Said "Advance,"  
I felt tame,  
Searched my pants.

On the third.

When this appeared  
I was queered:  
"Echo's got me  
By the collar!"  
Stop your bills  
And take this dollar.

## THE LIBRARY.

Recent purchases for the College Library are:—Baldwin's Dictionary of philosophy and psychology, 2 vols., The Story of the mind, and Social and ethical interpretations, by the same author; James's Talks to teachers on psychology, Wundt's Outlines of psychology, Thorndike's Human nature club, Nichols' Laboratory manual of physics, 2 vols., Mann's Advanced optics, Cajori's History of physics, Vol. 6, of Larned's History for ready reference.

Dr. William Mathews has presented a copy of his new book "Conquering Success," Mr. Harrington Putman, '70, has given a collection of 18 vols., Prof. Shallor Mathews, '84, 1 vol., and 25 vols. have been received from the Supt. of U. S. public documents.

## MEETING OF THE COLBY CLUB.

In accordance with the vote taken at its regular meeting in December, the Colby Club met for its monthly dinner at the College Commons on Monday evening, January 18th.

Seventeen members of the club assembled for the occasion. Of this number seven were members of the Faculty. The Zeta Psi fraternity kindly gave up its room for the accommodation of the guests. Every member of the club expressed himself as being extremely well satisfied with the bill of fare and voted the Commons a distinct success, provided nothing out of the ordinary. Coombs and Pugsley did the serving, gracing their snow-white waiter costumes no less than they do their notoriously immaculate baseball and football panties. The only exception was when John tried to go around the end with two dishes of baked potatoes in one hand and sundry gastronomic creations in the other. The resulting fall in crockery John said was due to poor interference.

The business meeting was called to order by Vice-president R. W. Dunn. The report of the committee chosen at the last regular meeting to consider the matter of building a new grandstand was considered. It is proposed by the committee's report to move the building now occupied by the Commons to the east side of the campus near the river bank and to erect a grandstand to accommodate at least a thousand people, facing the south, the centre of the stand to be opposite the centre of the gridiron. The gridiron itself is to be changed by removing the bleachers and by grading the field. These improvements will cost approximately \$2500, to be raised by subscription among the alumni, and the field is to be called the Alumni Athletic Field. It is further proposed to choose one member from each class to solicit funds for this purpose from his classmates. It was pointed out that a stand must be built this spring, and that it would be a sheer waste of money to put up a temporary structure which would have to be changed in the future.

The club voted to accept the report and to continue the committee consisting of Dr. Archer Jordan, Dr. J. F. Hill and A. F. Drummond, with power to proceed with the proposed improvements. The matter will be referred to the trustees of the college at their mid-winter meeting.

## PROSPECTS FOR BASKET-BALL.

Basket-ball is now under way and everything points toward a successful season. The team starts in greatly weakened by the loss of Captain Teague who has left college. He was the mainstay of last year's team and much was expected of him this year. However, while players of his ability are rare, there is an abundance of good material from which a team may be developed. Captain Coombs starts out handicapped by the delay in getting under way, but is rapidly moulding the team into shape. Manager Bryant has arranged a fine schedule and is devoting himself to the best interests of the team.

Captain Coombs, '06, was one of last year's five. He plays well at either centre or forward, and has a good eye for the goal. McVane, '07, is playing forward and is showing up well. He played this position at Oak Grove Seminary and has had plenty of experience. He is at his best in a hot mix-up. Newman, '07, comes from Hebron with several year's experience and has the making of an exceptionally strong man at centre. His work will be weakened by the fact that he is unable to practice regularly with the team. Manager Bryant, '04, will play one guard. He is a veteran of last year's team and is a strong all-round man. Cowing, '04, will probably be the other guard. He played this position two years ago and is an unusually strong defensive player. Other men who are almost as good as those already mentioned are Dunn, Peterson, and Spencer, forwards, Willey and Joy, centres, and Bryant '05, Kennison and Cotton, guards.

## BASKET-BALL GAMES.

The first game of the season was played in Winslow, Friday evening, Jan. 15, in which the Tacconnet Club was the victor by a score of 26 to 10. Captain Coombs played second team men during the first half, and the score stood 21 to 2. In the second half the regular team went in, and after a rough scrimmage the half was 8 to 5 in our favor.

The summary:

| COLBY.                      | TACONNET.     |
|-----------------------------|---------------|
| Peterson (Coombs), r.f.     | l.g., J. Hurd |

Score:—26 to 10. Goals thrown—by Phelan, 4; Suttie, 3; Coombs, 2; Libby, 2; J. Hurd, 2; McVane, Kennison. Fouls called—on Tacconnet, 11; on Colby, 7. Goals from fouls—Phelan, 4; Coombs, 2. Officials—Pugsley, Newenham.

On the following night the teams went to Pittsfield to play the fast team which M. C. I. is sending out this winter. The unfamiliar floor bothered the team a great deal, but they won by the score of 23 to 19 in a clean, fast game. Patridge, of M. C. I., was the star of the evening, throwing seven baskets in all.

Summary:

| COLBY.          | M. C. I.         |

At last Colby has secured a track coach and those who have been attributing the poor showing which Colby has made in the past to the lack of proper training will have an opportunity to test the truth or fallacy of their opinion. It is expected that Mr. Kanaly will come to Waterville at the beginning of the spring term, but those who intend to enter events this year should not wait until then before going into training. Of course a coach can round the men into shape but time spent in that way is time that might have been devoted to gaining a knowledge of more important points. Every man in college who is interested in track athletics should go out to the gymnasium this winter and get into such good condition that he may be able to stand the fast pace which Mr. Kanaly is sure to set next spring. If this is done there is no reason why Colby should not turn out a track team which will bring her honor in the Inter-collegiate Meet next May.

As yet it is too early to do more than give the barest outline of the most praiseworthy effort of the Alumni to erect a new grandstand and remodel the athletic field, but in the near future THE ECHO will contain an article by Dr. Jordan containing a complete account of the movement and a detailed description of the proposed changes.
