"A GOOD GRIP"

Rev. W. W. Bustard of Boston Speaks to Men in the Colby Chapel.

A most interesting recital, that of Mr. W. W. Bustard of the Baptist Church, Boston, spoke on the theme, "A good grip." He quoted these words of praise to describe the character. Character is a man's most valuable asset, his stock in trade. The whole test of our life is that character.

The first grip should be on the Bible. Hold fast to the Bible. Critics have attacked it, but still it continues to be the guide of mankind in the formation of character and in the living of right lives. It is the greatest book of the world because it is God's book.

And lastly, by no means least, hold fast to Jesus Christ. He is the greatest friend any man can have. At the close of the recital, Mr. Bustard pointed out those who had not taken Christ as their personal Savior to do so at that time.

Several men responded to this invitation.

COLBY'S TRACK MEET.

Colby defeated Tufts in the first game on the Massachusetts "grip" by a score of 5 to 0. In the fourth inning, Tingley went up in the air and Colby started to score, making three runs. In the sixth, Tufts made five runs before Colby got the lead back. This left Colby behind by three runs in the eighth and scored three more runs. The features of Colby's fielding were three double plays in the second, seventh, and eigth innings.

The visit of Mr. Bryan to Waterville is without doubt one of the most important events of the year. Seldom do the students of Colby have the opportunity of hearing a speaker of such wide reputation as Mr. Bryan. Many of us do not agree with some of his political doctrines, but we cannot help respecting him as an American, and admiring him as an orator. With his strong attractive personality and the masterly manner in which he handled his subject, he made an impression on his listeners that will not be soon forgotten. Perhaps few men in the country could bring to us more sound advice than Mr. Bryan.
