1st August. Dearest Mamma

1. An examination I don't find Unwin's statement so satisfactory.
2. None of my books has sold as much as 1200 America included.
3. What this means is shown by Faber's Marina being in the 6th thousand.

I am decidedly an unsuccessful author, well known but not read.

4. I should like my maps, volants to pillow to be cleared.
5. But I expect it is even more urgent to recover the maps in his room: it was going to Paris just as Pa's was.
6. Please tell me whether it wd be agreeable to you & useful to I if Olive were to come before my return. It would greatly relieve my mind.

Love me love to Papa. We shall hear Austin's news. to Sat. so much love.
