## HUGH ROSS HATCH.

### Head of the Mathematics Department Passes Away After a Long Illness.

For the third time this year, the College has been saddened by death,—this time by that of one of the members of the faculty. Professor Hatch underwent a serious operation in Portland late in the winter. He recovered sufficiently from its effects to leave the hospital and went to the home of his mother-in-law in Fairfield for the open air treatment which was recommended in his case. Favorable reports came from him until a week ago Sunday, when he began to fail. Gradually all hope was abandoned and on the following Wednesday afternoon about five o'clock the end came.

Last summer while bathing at Old Orchard, Professor Hatch had a narrow escape from drowning. He was seized with cramps and was rescued with difficulty by friends. At that time his life was despaired of, but after strenuous efforts he was revived. He never wholly recovered, however, from the shock received at that time and it is thought that this contributed in part to the trouble which caused his death.

Professor Hatch was born in Islesboro, May 19, 1865. He graduated from Colby in 1890, and went from here to the Newton Theological Institution, from which school he graduated in 1893. He was ordained immediately upon graduation but remained at Newton as an instructor for four years. In 1898, he was chosen pastor of the Baptist Church in Wolfville, N. S., where he remained until 1903. In that year he returned to Colby to succeed Professor Warren as head of the department of mathematics.

Professor Hatch impressed his personality upon all who knew him. He early won

a firm place in the esteem of the students and had always a strong influence among the boys. He was always popular with his classes. He gave every student his individual attention and many a man has been helped over a hard place by the generous assistance which Professor Hatch was always ready and glad to give to any who might be in need of it.

His college work did not end in the classroom but was continued outside. He made it a point to know all the boys and was glad of any chance that was offered to mingle with them. His services as treasurer of the athletic association have been of untold value to that organization. He found its financial affairs in bad condition and at once instituted an entirely new system of keeping the accounts. By his good judgment and close attention to details he made it possible for the association, a short time before his active management of its financial affairs ended, to pay off every dollar of its indebtedness.

In Professor Hatch's death the College has lost a loyal son and faithful teacher; the students, a kind and sympathetic friend.

Funeral services were held at the Baptist Church last Friday afternoon. The whole front of the pulpit where the casket rested was banked with flowers, many beautiful set pieces being prominent. Students from the college served as ushers and nearly the entire student body was present. The faculty, the Delta Upsilon Fraternity, the men's class of the Baptist Sunday School, and the board of education attended in a body. The bearers were Professors Hedman, White, Parmenter, Taylor, Black, and Simpson.

The opening prayer was offered by Dr. G. D. B. Pepper, and several passages from the Bible were read by Rev. E. C. Whitte-

more. President Roberts spoke of his lifelong friendship with Professor Hatch, and paid an excellent tribute to his sterling character and devotion to duty. Rev. I. B. Mower spoke of the esteem in which the Baptist denomination of the state held Professor Hatch, and told of the splendid service which he had rendered throughout the state. Rev. J. L. Clark of the Fairfield Baptist Church offered prayer, after which a hymn was sung by the congregation. Rev. George Merriam of Skowhegan pronounced the benediction. The interment was in Evergreen Cemetery in Portland last Saturday afternoon.

### BATES 2—COLBY 1.

Colby Defeated by Bates at Lewiston in First Championship Game of the Season.

Colby was defeated by Bates at Lewiston, last Saturday afternoon, in the first championship game played this spring by the score of 2 to 1. The game was close from start to finish. It was mainly a pitchers' battle and the decisive run was not scored until after two men were out in the ninth inning. Cobb hit a hot one through Nutting and was sacrificed to second. He went to third on an out at first and came home on Lamorey's hit.

The game was exciting continuously, both pitchers frequently retiring the opposing side with men on second and third. Good pitched a good game but Harriman, who was in the box for Bates, had a little the better of the argument. Bates had seven hits to her credit while Colby could get but three. Harriman struck out twelve men and allowed but one base on balls. Good struck out two men and passed four to first base.

The teams were evenly matched and, although the game was not spectacular, it was one of the best baseball games often seen in Lewiston. Michaud played a first class game in the outfield for Colby. Five

hard flies came his way and he accepted them all without an error.

The first score of the game was made by Keaney for Bates in the second inning. He led off with a hit and stole second. An error by Good placed him on third and he scored on a two bagger by Cobb into right field.

In the third, Harriman almost scored again for Bates but Nutting threw well to Cary and he caught his man. Two of Colby's hits came in the sixth inning. Vail led off with a single, went to third on a wild pitch by Harriman, and scored on Sturtevant's hit.

At the opening of the ninth inning, the score was tied, Bates 1, Colby 1. Nutting was the first man up for Colby. He hit a high fly to Keaney and was out. Sturtevant hit a hot grounder to Keaney and was out at first. Tibbits struck out and it was Bates turn at the bat. Cobb, the first man up, hit a hot grounder between Nutting's legs and was safe on first. Clason made a neat sacrifice and Cobb was on second. Harriman batted to Tibbits on third and was out on first but Cobb went to third. Lamorey hit the ball over Lander's head but not far enough for the fielders to catch it. This hit scored Cobb and the game was called with two men out.

### PRACTICE GAME.

Cobbossee Inn Wins from Colby in Eleven Innings by the Score of 5 to 3.

Colby played the first ball game which the weather has permitted for nearly two weeks with Cobbossee Inn on Alumni Field last Wednesday afternoon. The diamond was muddy so a temporary diamond was laid out in the field. This was rough and naturally rather unsatisfactory; but, under the circumstances, a very good game was played. The visiting team won in eleven innings by the score of 5 to 3. Three of Colby's regular team were unable to play, Tibbits and Vail being at the meet in Lewiston, and Shaw being laid up with the mumps.

Michaud was in the box for Colby and pitched a good game until the last inning when a little hard luck took his nerve and Good went into the box. Owing to the fact that they had expected the game to be postponed, Cobbossee only brought eight players to Waterville, so Herrick played right field for them. He made two hits, one run, and accepted four chances without an error.

In the first inning, Michaud retired the visitors in order, and Colby made three

runs. By good hitting, however, and good base running Cobbossee made two in the second and evened things up by making one more in the third. No more scoring was done by either team until the eleventh inning. Colby had men on bases a number of times but Fuller, the pitcher on the visiting team, pulled out of the hole every time.

In the eleventh, Colby had all kinds of hard luck. Perry the first man up for Cobbossee struck out. Chase hit to Michaud. He threw the ball over the first baseman's head and, after hitting a rock, the ball bounced over the fence. Before the ball was returned to the diamond, Chase had scored. The next man up hit a home run to left field and a two bagger followed this. Good replaced Michaud and the next two men up were easily retired. Colby was unable to score and the game was ended with the score, Cobbossee Inn 5, Colby 3.

## ARBITRATION BOARD.

Semi-Annual Meeting held at West End Hotel in  
Portland Last Saturday Morning.

The regular semi-annual meeting of the  
Maine Intercollegiate Arbitration Board  
was held at the West End Hotel in Portland  
on last Saturday morning.

The University of Maine was represented  
by L. C. Southard of Boston, Prof. R. K.  
Jones of Orono, and E. L. Towle, '09, of  
Portland.

Bates College was represented by Rich-  
ard S. Stanley of Boston, Prof. F. E. Pome-  
roy of Lewiston, and R. G. Page, '09, of  
Bucksport.

Colby College was represented by J. Col-  
by Bassett of Boston, Prof. John Hedman

of Waterville, and C. D. Chapman, '09, of  
Portland.

The business of the morning was largely  
routine. Various matters of interest to the  
several colleges represented were discussed  
but no definite action taken. A committee  
was appointed, consisting of the faculty  
members of the board, to investigate the  
financial conditions at the games between  
the different institutions for a term of five  
years and to consider the feasibility of ar-  
ranging better athletic schedules for the  
several teams.

## DUAL MEET WITH BATES.

A Closely Contested Track Contest Won by Bates  
on Garcelon Field, Lewiston.

The long expected meet with Bates was  
held at Lewiston last Wednesday. The  
contest was close. Colby proved superior  
in the track events, but Bates took enough  
points in the weights and jumps to win the  
meet. The Colby team in charge of Coach  
Thompson and Manager Haskell left Water-  
ville Wednesday morning on the nine  
o'clock train.

The track at Lewiston was very heavy  
and fast time was impossible. The records,  
however, made in some of the sprints  
and runs were very creditable. Bates won  
eight first places to Colby's six. The only  
event in which either college won all nine  
points was the two mile run in which three  
Bates men finished first. One state record  
was broken, Blanchard running the high  
hurdle race in 16 1-5 seconds. The pre-  
vious record was 16 2-5 seconds and was  
held by Kendall of Bowdoin. The quarter  
mile run was the hardest race of the meet,  
all three of the winners being completely  
exhausted when they reached the finish.

The summary of the meet follows:—

### COLBY, 1912 VS. WATERVILLE HIGH.

The freshman ball team was defeated last Saturday afternoon by the Waterville High School by the score of 9 to 7. The freshmen started off with a rush and made six runs in the first three innings, at the same time shutting the high school out. In the fifth inning, however, Waterville began to make things hum. They scored five runs in that inning and four more in the sixth. The freshmen completed the scoring for the day in their half of the sixth, making the final score 9 to 7 in favor of Waterville.

The two teams were very evenly matched. The high school showed the results of more practice. Their playing was steadier and they had better team work. It was a good game to watch, however, and interesting all the time.

The summary:—

Waterville High	0 0 0 0 5 4 0 0 0—9
Colby, 1912	2 0 4 0 0 1 0 0 0—7

# Start a Mail Order Business of Your Own.

---

A few years ago I was a newspaper correspondent, \$3,000 in debt, and broke. I wanted to increase my earnings. I had often heard that there was money in the mail order business. I felt if I could get started with some little scheme, something legitimate and honest, whereby I could make \$40 or \$50 a month, extra in spare time, I would be the happiest man alive.

I started a mail order business at home with a plan that looked good to me, using only a few dollars as a working capital. In less than a year I was making \$1,000 a month, and I cleared \$50,000 in five years.

If you want to get out of the rut and into a business in which it is easy to make money fast, start a mail order business of your own. You don't need large capital, but you simply must have energy and executive ability. You must also have a plan that is a winner.

The mail order business is a legitimate field in which you can get rich in a short time if you strike it just right. Or you can lose money if you get in wrong. The work can be done entirely at home and in spare time until you get well under way.

I will show you how to start right, with small capital and a rattling good working plan. I will tell you what to sell, how to buy, and where and how to advertise. I will explain in detail just how you can get started on the right track and how to meet with success. Send for my free booklet, "A Straight Talk on the Mail Order Business."

Don't put this off till tomorrow or next week or next month, but write me today. You will receive my book and full particulars about my plans by return mail.
