FOUNDATION OF GOOD CLOTHES

A Coat depends upon its Canvas as a house does upon its foundation. Our canvases are made entirely by hand, the material is thoroughly cold-water shrunk and the hair cloth of best quality. Our method tends to keep a coat in shape longer—from puckering or breaking should the wearer get it wet—and adds materially to the life of a coat.

SOPHOMORE ANNUAL.

The weather may have had something to do with it, what with rain every day, and a lot of traffic over the streets the mud is several inches deep. In the midst of such conditions the sophomores published their —“Stinger” they called it, but Boomerang would have been better, for one cannot do otherwise than read the writer’s character in what he wrote concerning others.

The class as such published this “Stinger” but the class as a body does not agree with the efforts of their editors, while the comments of upper classmen, alumni and friends are far from complimentary.

We have sounded the praises of the sophomores this year for their efforts in abolishing hazing. For that we still praise, but for this publication (?) there can be nothing but censure. It will be a happy day for Colby when the sophomores have sufficient genius to edit a “War Cry” that is witty; that knows how to knock, and is *clean*.

COLBY-BATES GAME POSTPONED.

The game which was scheduled with Bates for last Saturday had to be postponed because of rain. Manager Nash is trying to arrange another date, but the proposition is a difficult one owing to the fact that examinations are the order of the day in both colleges. It is hoped that the game can be played this coming Saturday.

THE COLBY CLOCK.

Another old mark has been forever blotted out of existence on the campus. For years the self-contradictory clock faces on the tower of Memorial Hall have caused the freshmen to set their timepieces every time they went around the building. When the class of 1914 first steps on this sacred

domain, they will be able to look up at a real clock; one which marks the time henceforth, telling by its faithfulness of the loyalty of the classes 1908-’11.

The clock was purchased through F. A. Harriman, Waterville, and was constructed by E. Howard who makes the finest tower clocks in the world. It is an eight-day clock arranged with four dials, the faces are black sanded while the hands are made of the best pine oil-soaked and are in gold leaf with black spots.

BASE BALL.

Colby 2—Bowdoin 1.

One of the greatest base ball games ever played on a Maine college diamond was the 17 inning contest won by Colby from Bowdoin at Brunswick, Wednesday, June 8, by a score of 2 to 1.

While every Colby man was right at his post all the time, the long struggle was a proof of the magnificent staying qualities of Ralph Good, the Colby pitcher, who never weakened from the beginning to the end of the game. Only six hits were made off his delivery, and he fanned 10 Bowdoin men. Capt. Frank Cary got both of Colby’s runs and handled 17 chances with but one error.

Sturtevant pounded out three singles. His one chance in left field was well handled. Reed erred but once in 20 chances, a fine showing, while Frohock, Clukey and Bowker put up a strong game in the infield. Vail had but one chance in right field, but Roy Good at center was more fortunate, and made seven put outs with no error.

Colby scored first in the second inning, by means of a couple of errors. In the sixth F. Smith got first on an error, was sacrificed to second by Wandtke, and scored on Clifford’s single.

From the sixth to the sixteenth, it was nip and tuck. Both teams were working in fine shape. And here was where Good showed superior generalship. He saw that

the game was to be lengthy, and he eased up a bit, while Hobbs, in the box for Bowdoin, kept wearing himself out on the Colby batsmen.

Bowdoin came near scoring in the 16th. Hobbs got a two-bagger, and Smith sacrificed. Wandtke connected to Frohock for a fielder's choice. Frohock tried for Hobbs sliding for home plate, and Cary got his man. Hobbs was unfortunate enough to turn his arm under while making the slide. Wandtke stole second. Ralph Good passed Clifford and Wilson, but with two out, Good struck out Lawlis.

In the 17th, Cary opened with a two-bagger. Reed sacrificed to Skolfield. Frohock's single brought home Cary, and the game was won, for although Bowdoin got a man on second, she was unable to make any further advances.

This number of *THE ECHO* is the last to be issued under the present editorial and business management. We have no apologies to offer. *THE ECHO* is what the students make it, and while we have been fully cognizant that the burden of the responsibility has been upon the shoulders of the editorial board, yet we feel that our failures and successes have been due to circumstances involving active student co-operation. That hearty assistance has been rendered from many sources, particularly from faculty and alumni, is cause for congratulation; and to all who have in any way aided the work of the board, sincere thanks are extended.

Although the baseball championship has been lost to Colby for some weeks, the brilliant 2 to 1 seventeen-inning game at Brunswick, Wednesday, is a Colby victory

that is worth more than passing mention. Time was when the loss of two games or more dispirited a Colby team. The ability to win the contest of today and let the losses of yesterday take care of themselves, is an indication that the new spirit at Colby is a permanent and not an evanescent thing.

TRACK CAPTAIN.

At a meeting of the track team held in the chapel last Monday, Frank D. Nardini was elected captain for the year of 1911.

Nardini prepared for Colby at Brewster Academy. In his senior year there he took five firsts in the New Hampshire Inter-scholastic Track Meet, the 100 yard dash, the 220 yard dash, the hammer throw, the shot put, and the broad jump. He holds the record there in the 100 at 10 sec. He also holds the Brewster Academy records in the broad jump and the 12 pd. shot.

Nardini entered Colby last fall. He was protested for the M. I. A. A. Meet by the other colleges, as he had been at Dartmouth a few weeks. In the dual meet, however, he won the 220 yard dash. In the 100 a race in which it was a very close decision as to who broke the tape, he took second against Capt. Williams of Bates, who a week later won this event in the M. I. A. A. Meet.

COOMBS VS. GOOD.

On Monday of commencement week there will be the largest crowd on Alumni Field that ever gathered there. The managers of the two teams are working like Trojans to let everybody know about the great pitchers battle, for that is what it will be no doubt.

Interest in the contest has been trebled since Good pitched and won that 17-inning game at Brunswick, and since it has been announced that he is to join the Boston Nationals June 25.

Four years ago Coombs went direct from Colby to Philadelphia, and has been able to hold his position ever since. It is not often that a Maine audience has such an opportunity as this to see a National favorite in the box, so it is expected that thousands will make the most of this chance.

The line up of the teams will be very nearly that of their respective seasons. Craig of the 1906 cannot be on hand.

The line up:

1906	1910
Dwyer, c	Cary, (capt.)
Coombs, p (capt.)	Good, R. N.
Willey, 1b	Reed
Tilton, 2b	Frohock
Pugsley, 3b	Bowker
Reynolds, ss	Clukey
Tribou, lf	Sturtevant
Shaw, c	Good, Roy
Palmer, rf	Vail
Manager, A. K. Stetson	R. E. Nash

Admission 35 cents; grand stand 15 cents; bleachers, 10 cents.

Y. M. C. A.

So far only three delegates have been secured for Northfield this year. They are Russell Lord, James C. Romeyn, and Isaac Higginbotham. These men will go to the conference on Friday, June 24, and will remain there for about one week. If any of the members can afford to go they ought to consider it their duty to do so.

The Handbook Committee is at work getting advertisements for next year's issue of the handbook.

A Cabinet Meeting will be held sometime this week. Watch the bulletin board for the notice.

Next year we want to make the best yet for the Colby Y. M. C. A. Let every member be back on time, and more than that let him come back with a willingness to work and a desire to help the other fellow.

The Chairman of the Bible Study Committee, who is to attend the Northfield Con-

ference, is planning to make a special study of his subject while there, and will doubtless come back in the fall full of enthusiasm. Let us make more of Bible Study than ever before next year.

MAINE INTERCOLLEGIATE TENNIS.

On account of the unfavorable weather the tennis tournament dragged on through the whole week, and most of the contestants went home on Friday, disgusted with the weather.

The semi-finals were played off in the doubles and both Bowdoin teams qualified for the finals which will be played off on their home courts. In the last round of the semi-finals Black and Ross of Bowdoin defeated Moulton and Bolster of Bates, 6-3, 3-6, 6-3. This was about the most interesting of all the double contests, and it looked at one time as if Bates would win out.

In the singles the matches were called off on account of rain. In those that were played Martin, Bowdoin, defeated Moulton, Bates; Bird, Maine, won from Baum, Colby.

CLASS OF 1911.

Election of Officers.

A meeting of the class was held after chapel on Friday. The Junior Prom Com. made its report which was accepted. The report of the treasurer was also read and accepted. The class then proceeded to elect officers for the ensuing year. The following were elected:

President, Isaac Higginbotham; Vice-president, Nathan R. Patterson; Secretary, Delber W. Clarke; Treasurer, Guy W. Vail; Executive Committee, Robert Ervin, Wilbur V. Cole, Raymond C. Bridges, Delber W. Clarke, Thomas Packard.

The other officers will be elected next fall after the class returns to college.

OFFICE HOURS.

The college office will be open from 11 to 12 and from 1 to 2 daily for the remainder of the year.

ALUMNI NOTES.

'87. Charles C. Richardson has recently been elected superintendent of schools at Charleston and Leicester, Mass. Mr. Richardson resigns a similar position which he has held for seven years at Central Falls, R. I.

'05. Alfred M. Frye, recently with the Winslow Skate Mfg. Co., is now with the Red Heart Chemical Company, Worcester, Mass.

'83. Asher C. Hinds is now sure of the Republican nomination for Congress from the 1st district, to succeed Congressman Amos L. Allen. In all probability Mr. Hinds upon his election will be made Speaker of the House, as he is without doubt the ablest parliamentarian in the country.

COLLEGE RAW MATERIAL.

The following table of enrollment in colleges for 1909 and 1910 indicates something of the relative strength available for athletic purposes. However, Yale, Harvard, Dartmouth, Princeton, Cornell and the University of Pennsylvania do not permit freshmen to compete on the representative teams, and all of these except Pennsylvania bar also the members of graduate schools. Yale, however, allows graduate school members to compete under certain conditions. At Amherst henceforth freshmen will not be allowed to represent the college at football, although they may be candidates for other athletic teams during freshmen year.

	1910	1909
Amherst	526	528
Bowdoin	419	420
Brown	974	993
Dartmouth	1,197	1,223
Harvard	4,518	4,223
Lafayette	468	455
Lehigh	667	662

Princeton	1,398	1,344
Tufts (college only)	428	434
University of Maine	850	884
Williams	528	487
Yale	8,264	3,448

Subscriptions to the Echo are now due, and must be paid at once. Render payments to Crowell E. Pease or Raymond C. Bridges.

CAMPUS CHAT.

Higginbotham, '11, preached Sunday at North Berwick, where he is to supply for the coming summer.

At a recent meeting of the Oracle Association the following slate of officers was proposed: For President, Harry W. Kidder, '11; Treasurer, Thomas S. Grindle, '12; Secretary, Elmer H. Hussey, '13; and for Art Editor, Mahlon T. Hill, '12.

Owing to a mistake made by the electrotyping company the printing of the Oracle has been delayed. It is hoped however, that the work of printing may be completed this week, and that the books can be delivered at the end of this week or the beginning of next.

Harry Stinson, ex '11 was married this noon to Miss Meriam Dunham, Wellesley, '12. Miss Dunham is the daughter of H. R. Dunham, Colby '86.

Ralph N. Good, '10, will join the Boston Nationals June 25th. He makes the fourth Maine college man going into the big leagues this summer. The other three are Pond, McHale and Wilson.

alumni notes

COLLEGE ATHLETES RESTRICTED.

The A. A. U. authorities will enforce their rules strictly this summer with reference to college athletes who wish to compete in track sports as members of non-collegiate organizations. If the athlete be under 21 years of age he may only transfer his registration to a club located in the district of his actual residence, which must be considered the residence of his parent or guardian. If he is 21 years of age or over and he is not graduating or leaving his educational institution, there is but one district to which he can transfer and still be eligible to compete in less than four months of residence therein, and this is the district of his last place of abode before entering his educational institution.
