## BASEBALL.

## Team Home From Southern Trip.

The baseball team arrived home Wednesday evening, after being in the South for a week and a half. On account of the weather conditions, only three of the six games scheduled were played. Although the three games were lost, the team made a most creditable showing, considering the fact that the Southern teams had played games and were in form, while the home team made its first appearance on the diamond in the first game. The Southern teams that were played are also considered strong teams.

The first game was not played until Friday. The team remained in Washington until that time seeing the sights. At the Capitol Hon. Asher C. Hinds, '83, gave the team tickets of admission to the House of Representatives, and also introduced the members to Vice-President Sherman and other prominent men.

The first game with Eastern College, at Manassas, Va., resulted in a 4 to 1 victory for that team. The second game was also lost to Eastern, 12 to 2. On Monday, in a garrison finish, Mount St. Mary's defeated the team 5 to 4. The following are press clippings from Southern papers:

### First Game.

Manassas, Va., April 7. Colby College met its first defeat of the season here today at the hands of the strong Eastern College team 4-1. The field was soggy, but the game was fast and clean, only one miscue being made. White, who was on the mound for Eastern, struck out 10 men and did not issue a pass. The features for Eastern were the playing of Kalusky, Curry, and Billings and White's pitching. For Colby College, Good's hitting was the feature. The score:

### Second Game.

Manassas, Va., April 8—Eastern College took the second game from Colby College today, 12 to 2. The game was played on a field so muddy that the players had to clean their shoes after each inning. The diamond was covered with sawdust, rain threatening any moment.

Eastern showed up strong with the stick, Mabry being the bright star. His catching was perfect, and his batting was decidedly the feature of the game. Out of five times to the plate he sacrificed once and hit four safeties. Hall pitched a great game under the weather conditions, being invincible in the pinches. Score:

### Third Game.

Emmitsburg, Md., April 10.—In a spectacular ninth-inning rally, Mount St. Mary's defeated Colby today by the score of 5 to 4. The game developed into a pitchers' battle between Molino and Tibbetts, with the honors in favor of the latter. Washburn, who replaced Tibbetts in the eighth, proved easy for the Mountaineers.

Mount St. Mary's took the lead in the third, but Colby drew ahead in the sixth. In the ninth Colby held a two-run lead. In the latter half of this inning McHugh and Kelly hit safely and the former scored when Sturtevant dropped Cluckey's throw. Kelly was caught at the plate, but McMorris and Wymard scored, winning the game. Wymard and Good captured the batting honors of the day, the latter securing two hits that went for three bags. Wymard's throw home in the first, cutting off a runner, was the fielding feature.

Colby gave an excellent exhibition of baseball and had one of the best-balanced nines seen here in recent years. Score:

### FOOTBALL SCHEDULE.

Manager Arthur A. Knight of the Colby Football Team this week announced the complete football schedule for the season of 1911.

The schedule comprises eight games, there being two preparatory school games, two out-of-the-state trips, and a home game with an out-of-the-state college, in addition to the Maine college championship games.

The difficulty with Bates, which resulted in no game last year, has been partly adjusted to the extent that a date has been decided upon, but the place, whether Waterville or Lewiston, has not been finally settled. Last year's game should have been played in Lewiston.

Fort McKinley was dropped from the schedule this year, the Colby Day game the coming season being between Colby and Boston College.

The schedule follows:

Sept. 23—Kents Hill at Waterville.

Sept. 30—Hebron Academy at Waterville.

Oct. 7—Dartmouth at Hanover, N. H.

Oct. 14—Colby day, Boston College at Waterville.

Oct. 21—Bates at either Lewiston or Waterville.

Oct. 28—Bowdoin at Waterville.

Nov. 4—University of Maine at Orono.

Nov. 11—Holy Cross at Worcester.

### PROF. WHITE HONORED.

At the sixth annual meeting of the Classical Association of New England held at Phillips Exeter Academy, Exeter, N. H., March 31 and April 1, Prof. Clarence H. White was elected Vice-President for the coming year.

### NEW COACH IN TRACK.

Louis Guertin of Boston, holder of the world's record for the running high jump with weights, is assisting Head Coach Adams of the Track team. His record with the weights in the high jump is 6 feet 6 inches. He is also a good broad jumper, having for his record in this event 22 feet 10 inches to his credit. The Maine Intercollegiate record in this event is 21 feet 9 inches. He is also as good a sprinter as he is a high jumper.

Mr. Guertin is to leave for Europe to compete in professional competition after the Colby Track season is over.

### ZETA PSI ANNUAL RECEPTION AND DANCE.

The Chi Chapter of the Zeta Psi Fraternity held its annual reception and dance, Friday evening, March 31, at Elks Hall. The hall was decorated with Japanese lanterns, blue and white bunting and numerous banners. The guests were received by Edward G. Stacey, '11, representing the active chapter, Dr. and Mrs. F. C. Thayer, Hon. and Mrs. W. C. Philbrook, representing the alumni, and Professor and Mrs. Webster Chester, representing the faculty. The patronesses were Mrs. Thayer, Mrs. Philbrook and Mrs. Chester.

The committee of arrangements consisted of R. L. Evans, '11; H. W. Kidder, '11; V. A. Gilpatrick, '13, Spaulding Bisbee, '13, and H. L. Spearin, '14.

### PHI DELTA THETA HOUSE PARTY.

The Phi Delta Theta Fraternity, is making arrangements for a house party to be held Tuesday, Wednesday and Thursday of next week when the boys of the chapter will entertain their relatives and friends from home. The leading event of the first day will be Junior Prom; on Wednesday evening the invited guests, the faculty and the friends of the fraternity in the college and in the city will be entertained at a reception at the chapter house; and a private informal dance will be held at the Taconnet club house Thursday evening.

The remainder of the present semester will be crowded with events, up to and including Commencement. Faculty and student committees are urged to make the earliest possible announcement of dates, to which the columns of THE ECHO are always open. Conflicts of whatever kind will thus be avoided.

The merry round of hammers is not only a harbinger of spring, but is also an indication of the fulfillment of the promise made by President Roberts to the Delta Upsilon men, that their fraternity house in the southern division of North College will be ready for occupancy the first of June.

Commencement is only a little more than two months away, the dates this year being June 24 to 28. Classes planning reunions should notify the acting librarian of the college, Instructor Frank O. Dean, or President Roberts, as many scattered alumni address the college directly when making inquiries concerning Commencement plans. The Commencement of 1911 promises to be the biggest yet.

## NORMAN KEITH FULLER.

Norman Keith Fuller, Colby, '98, former mayor of Waterville, passed away at his home in this city on Wednesday, March 29, after a lingering illness from typhoid fever and complications.

As one of the local alumni of the college who was ever mindful of the interests of Colby, his loss is keenly felt by students, faculty and alumni. His loyalty to the institution was proved many times.

Mr. Fuller was born in Fairfield, August 27, 1875, the son of Mr. and Mrs. Albert Fuller, who survive him. After graduating at Coburn Classical Institute, he entered Colby, from which he was graduated in 1898. He taught school successfully, studied law in the office of Charles F. Johnson of Waterville, now United States senator, and was admitted to the bar in 1901. Interested in the public schools he became a member of the Waterville board of education. He was city treasurer 1906-7, and in March, 1910, he was elected mayor of Waterville on the Democratic ticket after a spirited contest.

In July he was stricken with the disease from the effects of which he died eight months later.

The funeral services were held in the First Baptist church of Waterville, on Sunday, April 2, and were conducted by Rev. Edwin Carey Whittemore, D. D. The Masonic burial service was performed. Large delegations from the Masons, Maine Alpha of Phi Delta Theta, the Colby class 1898, and the Waterville city government were present, in addition to many citizens and friends of Mr. Fuller.

Besides his father and mother, the widow and three young children survive.

Corbin Park, a famous game preserve, has been offered as a training ground for the Harvard Forestry students.

Washington University has offered three prizes for the three best yells submitted to the student council.

**MY TEACHERS.**

When against nightmare doubt my spirit strives,  
Beneath the outrage of triumphant ill—  
The perfidies that greedy coffers fill  
And gild the brazen car ambition drives—  
Then think I on the dedicated lives.

My Teachers led in shadow of God's hill,  
Whose calm, deep eyes of love are on me still,  
Whose lore in every nobler mood survives.

Poor and unpraised they lived; but when they passed,  
'Twas not as those who go but who return;  
And still they rain high influence from the vast.  
Thinking on them, the tinselled ill I spurn,  
New courage taking; yet this blame I bear,  
Of having entertained them unaware.

*Harry Lyman Koopman, '80.*

**NORTH COLLEGE.**

The work of reconstructing the D. U. House is progressing rapidly. The building will be ready for occupancy by the first part of June. Several changes are being made in the building. The most notable change is the enlargement of the sleeping quarters on the top floor. The rooms will be enlarged by a rearrangement of closets.

The Michigan Law School has an enrollment of seven hundred and twenty-seven students.

Chicago University plans to build a new \$600,000 library in memory of the late President Harper.

## ALUMNI NOTES.

'06. E. Parker Craig has severed his connection with Atkinson, Mentzer and Grover, manufacturers of school supplies, Dallas, Texas, and goes to Boston to take charge of the agency work in New England for the well known publishing firm of Allyn and Bacon. He writes: "I tell you it will seem good to get back where Colby men are not so scattered. \* \* \* I shall plan to run down to Waterville as soon as possible after my arrival in the East." Mr. Craig played third base on the championship baseball team of 1906, and it was much regretted that he was too far away to participate in the "Coombs game" last year. This year it is hoped that he will again be seen at his old position at third.

## CAMPUS CHAT.

Ira Mikelsky, '13, attended a passover feast at Bates last Wednesday evening.

At a meeting of the freshman class last Wednesday, Ernest Wyman was elected temporary captain of the 1914 baseball team.

Delber M. Clark, '11, who has been ill at his home in Washburn for some time, has returned to college.

R. R. Rogers, '11, is ill at his home in Belfast.

A fire on Sanger Avenue March 31, burned the house where Griswold, '14, and Boutin, '14, had rooms. Fortunately Mr. Griswold was at home when the fire broke out and succeeded in saving nearly all of his property as well as that of Mr. Boutin's. They have now taken a room on Front street.

Rideout, '12, has been substituting in the Waterville High school as assistant in mathematics in place of Bowker, '13, who was away with the baseball team.

A practice handicap meet will be held Saturday afternoon before the Kent's Hill baseball game.

The joint Columbia-Yale diplomatic course has proven a failure; only one student, of Yale, having received a certificate.

The trustees of Oberlin College have voted to drop Mathematics as a Freshman requirement. Either Latin or Greek may be substituted in its place.
