Y. M. C. A. CONFERENCE.

The fifth annual Maine State Students' Y. M. C. A. Conference was held at Bowdoin College, Brunswick, February 28, March 1 and 2. One hundred and twenty five delegates were very hospitably entertained during the conference by the Bowdoin fraternities and the people of Brunswick.

The opening service was held at the Congregational church and was addressed by Hon. Carl E. Milliken, president of the Maine Senate. A rousing reception was given in the evening in Memorial Hall. Harvey Knight, '14, responded to greetings from Bowdoin College, which were extended by Professor McConaughy, and gave an invitation for the next conference to meet at Colby. Music by the Bowdoin Glee Club added much to the evening's program.

Saturday forenoon, except for an address by President Hyde, upon, "The Student and the Church," was devoted to business meetings and sectional conferences. The afternoon, after addresses by Professor Brown and Arthur Howe, was

given up to recreation. In the evening, Mr. Harrison Eliot delivered an illustrated lecture.

Sunday was the big day of the conference and proved to be most helpful.

The speakers of the conference were all able and prominent men. Dr. Robert E. Speer, of New York, Secretary of the Presbyterian Board of Missions, and a famous college preacher, left a lasting impression upon the students by his pleasing personality and forceful addresses. Other speakers were: Arthur Howe, of New York, the Yale football captain in 1911, and All-American quarterback, and Henry H. King, student secretary for Massachusetts and Rhode Island. Mr. McConaughy, the Bowdoin secretary, presided over several of the meetings and was largely instrumental, through his painstaking efforts, in making the conference so successful.

The following Colby men attended the conference: John A. Foster, '13, Lester A. Keyes, '13, Chester E. Wood, '14, Arthur Gillingham, '14, Robert E. Owen, '14, Harvey Knight, '14, George W. Perry, '14, Chester R. Mills, '15, V. M. Dyer, '15, Crawford A. Treat, '15, Fred B. Dunn, '15, Harold S. Campbell, '15, V. H. Sanderson, '16, E. P. Smith, '16, Scott D. Staples, '16, Erolld R. Farrar, '16, Roy H. Gillmore, '16, and George W. Putnam, '16.

THE WHITE MOUNTAINS.

LECTURE, BY DR. GEORGE F. PARMENTER.

The fourth and last of the series of lectures for the benefit of the college library was delivered in Chemical Hall,

Monday evening, by Professor George F. Parmenter. The subject was, "The White Mountains of New Hampshire." The material for the lecture was gathered by Dr. Parmenter on a walking trip through the mountains in the summer of 1909. Many stereopticon views, made from photographs taken by the speaker, illustrated the lecture.

Leaving the railroad at Intervale, in the foothills of the mountains, the party made their way to Carter Range; one of the three ranges of the New Hampshire Appalachians. There the mountains were seen in all their beauty and grandeur, the lecturer explaining the atmospheric conditions under which each of the pictures was taken.

The next views were of the more famous Presidential Range. Mount Washington was ascended by the carriage road. From the summit of this lofty peak photographs were taken of the twin peaks, Adams and Jefferson, the Great Gulf, the old Tip-top House, and the world-famed cog-wheel railroad.

Upon leaving Washington, a visit was made to Tuckerman's ravine, where snow of considerable depth remains the entire year. From this point, the party crossed to the Franconia Range, past the lovely Cascades and the rushing waters of Glen Ellis Falls. The way then led through Crawford Notch, by the Old Man of the Mountains, over the summit of Mount Lafayette, to Bethlehem and the Flume, where is situated a peculiar whim of nature called Diana's Footbath.

The lecture closed with a sunset view of Lake Winnepesaukee. Dr. Parmenter not only gave a graphic description of each place visited, but also made many comments from the point of view of the geologist and the forester. He showed the vast devastation wrought by the lumber operations, and made an ardent plea for further government preservation.

LECTURE BY DR. EDWARD HOWARD GRIGGS.

Those who heard Dr. Edward Howard Griggs lecture last year were not disappointed last Wednesday evening. Every one must have appreciated the privilege of hearing such an accomplished speaker. The lecturer made his subject, "Some Historical Sources of Modern Civilization," extremely interesting. His language was forceful and eloquent, and he held the attention of his audience throughout the lecture.

He compared Greek and early Christian ideals and the bearing which each has had on modern civilization. His two descriptions, that of the Temple of Paestum to illustrate the Greek spirit, and that of the Cathedral of Notre Dame in illustration of the Christian spirit, were particularly striking and beautiful. Dr. Griggs has an immense fund of information and knows how to use it in order to make his subjects interesting. He is to deliver a second lecture, "The Social Idea in Modern Civilization," March 5, in the Baptist church, and no Colby student should fail to hear him.

Y. M. C. A.

Renewed interest is being taken in the work of the Y. M. C. A., since the annual conference at Brunswick. A Normal Class under the direction of Professor Brown is soon to be organized. The aim of this class will be to prepare leaders for next year's Bible classes. A nominating committee, consisting of, Andrew Young, '13, Chester F. Wood, '14, and Merle F. Hunt, '15, has been appointed to draw up a slate of officers for the ensuing year. The regular service, Tuesday evening, was made a "Conference Meeting," owing to the unavoidable absence of Mr. Hinckley, who was to have delivered a life-work talk on the subject of "Philanthropy."

SOCIAL EVENTS.

Last Saturday evening, an informal dancing party was held at the Delta Kappa Epsilon House. The party was given by Wilmer A. Mooers, '14, in honor of his sister who is visiting friends in the city. A very pleasant evening was enjoyed by all present. The patronesses were Mrs. Parmenter and Mrs. Caldwell. Wyman's orchestra furnished music.

A party of college students made a trip to Salmon Lake House, at North Belgrade, last Saturday afternoon. One of the pleasant features of the occasion was the sumptuous chicken dinner which was served in fine style. The remainder of the afternoon was passed in games and other diversions. The party returned to Waterville at an early hour in the evening.

The members of the Senior Latin class gave a delightful entertainment at the Taconnet Club House, last Saturday evening, March 1. Mrs. E. D. Thompson acted as chaperon. Games were played, refreshments were served, and a pleasant evening was enjoyed by all.

The seniors will enjoy a social evening and banquet at the Royal Café, Friday evening, March 7.

BOWLING LEAGUE.

The standing of the teams in the interfraternity bowling league is as follows:

	Won	Lost	P.C.
Delta Upsilon	9	1	.900
Zeta Psi	9	2	.818
Delta Kappa Epsilon	5	6	.454
Phi Beta Theta	3	6	.333
Alpha Tau Omega	0	10	.000

This leaves the championship between Zeta Psi and Delta Upsilon. Only a few more games are scheduled to be played, and the two leading teams are making every effort to win the remaining games, as so much depends upon them for the evening was enjoyed by all.

LECTURE BY DR. EDWARD HOWARD GRIGGS, MARCH 5.

"MEDICINE," ADDRESS BY DR. JOHN G. TOWNE, MARCH 11.

Arthur Howe, of New York, Preparatory School Secretary of the Y. M. C. A., will speak in chapel, Thursday morning. Mr. Howe will be well worth hearing, for he comes with a message, and enjoys an enviable reputation. He is a graduate of Yale, was captain of the varsity football team, 1911, and was one of the coaches, 1912. Every man in college should be in his seat at chapel, Thursday morning.

There have long been rules regarding the granting of scholarships, but, of late years, little attention has been paid to them. This year, however, President Roberts has decided that they should be better enforced; and, by proceeding to do so, has caused some little anxiety on the part of a number of students. While this

action may seem to be rather severe, it must be admitted that the scholarship rules are not very strict, and their enforcement, heretofore, at any rate, has not been exceedingly stringent.

The editors of the ECHO do not claim any originality in the composition of the following lines; but, after diligent search in the ecclesiastical archives of the library, they unearthed them. It is needless to add that the rhyme, "Why they go to Church," has some point even here in Colby.

Some go to church just for a walk,
Some go there to laugh and talk,
Some go there the time to spend,
Some go there to meet a friend,
Some go to learn the preacher's name,
Some go to church to sound his fame,
Some go there for observation,
Some go there for speculation,
Some the impulse ne'er discover,
Some go there to meet a lover,
Some go there their eyes to close,
Some go there to eye their clothes,
Some go there to doze and nod,
A few go there to worship God.

All group and individual pictures for the Oracle must be taken on, or before, March 12.

Probation is a bad business at scholarship time.

At the close of Mrs. White's music class Tuesday afternoon, Mrs. White and Mrs. Grove gave a most enjoyable recital, at which they played movements from two of Beethoven's Symphonies.
