COLBY-MAINE TRACK MEET.

Colby was defeated, 38 to 31, in the dual track meet with the University of Maine, held Saturday night, at Orono. While the result shows Maine the winner by seven points, the meet was one of the closest ever held at the university, and the contest was in doubt until the final lap of the last relay race. To the Colby team and supporters the result was by no means disappointing, and, in fact, was even better than was expected. Meanix, '16, was evidently the tower of strength for Colby, winning three firsts and a second, making a total of 18 individual points. In the 1340-yard relay race, he started for Colby and gained a lead of three yards over Rogers of Maine.

Colby's undoing was the relay races, but considering the fact that the track was absolutely new to most of the men, they should be commended upon the fine record. It was certainly their meet until the relays came off. Until the three last running events, Colby led Maine by the score, 31 to 23; winning the running broad jump, the high hurdles, the low hurdles and the running high jump,—capturing second place in the 25-yard dash, and dividing second and third points in the shot put. Of these events, Meanix won the broad jump, both hurdle events and tied for second place in the shot put.

Captain Bowen, Murchie, Goldthwaite, Goffing, Wood, Lowney, Royal, Dunn, Stanwood, Mooers, Curtis, Ayer, King, Rand, Kennedy, Reynolds, Adams, and Small, also made extremely good showing in the various events of the meet.

A large number of Colby supporters

was in attendance who made themselves heard over all parts of the spacious gymnasium. The Maine band played several selections and added much to the occasion.

The summary:

Running Broad Jump—Won by Meanix, (C); second, Murchie, (C); third, Rogers, (M). Distance 18 feet 2 inches.

Shot Put—Won by Shepard, (M); second, Meanix, (C); and Bailey, (M). Distance 40 feet 3 inches.

25-Yard Dash—Won by York, (M); second, Goldthwaite, (C); third, Goffing, (C). Time 2 and 1-5 seconds.

28-Yard High Hurdles—Won by Meanix, (C); second, Morse, (M); third, Ferguson, (M). Time, 4 and 1-10 seconds.

25-Yard Low Hurdles—Won by Meanix, (C); second, Morse, (M); third, Goldthwaite, (C). Time, 3 and 3-5 seconds.

Running High Jump—Won by Wood, (C); second, Worden, (M); third, Mooers, (C). Distance, 5 feet 5 inches.

668-Yard Relay—Maine: Leacock, Rogers, Merrill, Lawry, defeated Colby: Curtis, Royal, Goffing, Goldthwaite. Time, 1 minute 15 seconds.

4692-Yard Relay—Maine: McAlary, Kelley, Burgess, Bell, defeated Colby: King, Rand, Kennedy, Reynolds. Time, 12 minutes 15 2-5 seconds.

1340-Yard Relay—Maine: Rogers, Leacock, Morse, Donahue, defeated Colby: Meanix, Adams, Bowen, Small. Time, 2 minutes 38 seconds.

JOSEPH HOWARD FILES.

Last Thursday, March 13th, Joseph Howard Files, of the class of 1877, died at the home of his daughter, in Portland. Mr. Files was born April 15, 1852, in the town of Waterford; and it was there that his boyhood days were spent. From the public schools, he went to Coburn Classical Institute, where he prepared for college. He then entered Colby, and, after four years of active attendance upon his college work, was graduated in 1877. Besides being the poet of his class, Mr. Files served as an editor of the Oracle, and also of the ECHO. While at Colby, he became a member of the Zeta Psi fraternity. Soon after graduation, Mr. Files went to Portland, where he joined the editorial staff of the Portland Daily Advertiser. He later became editor of that paper and was engaged in journalistic work up to the time of his death. He was considered one of the most efficient editorial writers in Maine, and was certainly a son of whom Colby may well be proud.

SEA COLORS.

Light on the sea; such light the sombre
land
In all its summer splendor never knew,
As when last eve the salt wind shoreward
blew,
And day's bright craft sailed past the
sunset's strand,
Leaving a wake of fire, whose glory
spanned
The isle-gemmed bay, and fired its ripples
through,

Till all the gray sea into glory grew,
The Highlands of the islands stood up
grand,
And took soft tints of twilight on their
snows;
But royal hues the royal sea put on,
As like a huge kaleidoscope it gleamed
With purple, crimson, amber, gold and
rose
That mingled, changed, and faded until
gone,
And earth and ocean, wrapped in dark-
ness, dreamed.

—JOSEPH HOWARD FILES, '77.

"TEACHING," ADDRESS BY PROFESSOR HERBERT C. LIBBY, MARCH 25.

The next edition of the ECHO will be published, April 16.

For a number of years the Athletic Association has lost financially through the disappearance of athletic material. During the past few years these losses have been greater than ever before. They are due to two reasons:—(1) The breaking into lockers and thefts by outsiders; (2) the retention of athletic material by the players themselves.

The Athletic Council has tried to find a remedy to prevent these constant losses. They first invited the Student Council to co-operate with them; and, as a result, a joint meeting of the two councils was held. At that time, the Student Council recommended a plan by which they thought losses due to the second cause, above, could be avoided; and that was by

the organization of a "C" club, which should not only have for its purpose, the usual aims of such a club, but should also coöperate with the athletic council to reduce losses in athletic material. An invitation was extended to the "C" men in college to meet with the Athletic Council and to discuss the proposition. Last Monday evening, about a dozen "C" men responded to the invitation and, as a result of the discussion which followed, the following points were brought out:

(1) The college gymnasium is not properly guarded during athletic seasons.

(2) The reason why much of the material is kept by men of different teams is, as one "C" man put it, that "the men of the teams are not bothered enough," by those whose duty it is to collect the material.

(3) There is no sentiment among the members of the Athletic Association against those men who wilfully keep athletic material.

(4) The "C" men, as a whole, think that their interest in athletics should be recognized in some material way; as, for instance, by the presentation of a sweater with a letter, to those men who have made their "C's".

From these statements, it is very evident that there is a lack of coöperation between the college, the students, and the athletic association.

The college should see that the doors of the gymnasium are provided with modern locks, and that someone is hired, at least during the hours when the teams are practising, to watch the gymnasium.

The provision in the athletic constitution which provides that every manager shall keep a property book, and that he shall account for all athletic material before he shall be granted a "C", has not been enforced.

The students, themselves, should not look with approval upon a man who is wearing athletic material, when the ath-

letic material which that man is wearing was bought with money contributed to the athletic association by the students. When the members of the athletic association themselves refuse to countenance the retention of football jerseys, track suits, etc., then we believe that losses due to this source will cease.

Lastly, the proposition that "C" men be granted some reminder of their participation in athletics is just, and there is no doubt, that the athletic council will pursue such a policy, when it can. The present losses, however, must be stopped before such a step is taken.
