MEETING OF TRUSTEES.

There was a large attendance at the semi-annual meeting of the board of trustees of the college, held in the Union Mutual Building in Portland, last Friday. Reports were given by the Treasurer, the chairman of the finance committee, and the committees on academics and honorary degrees. A large part of the meeting was devoted to discussion of the relationship existing between the college and the fitting school.

COLLEGE RALLY.

The Student Council has been considering the holding of a college rally in the gymnasium, sometime during the first part of next semester. The committee appointed to look out for the rally consists of Tibbetts, '14, chairman, Beal, '14, and Levine, '16.

THE REV. E. C. HERRICK, '98, TO VISIT COLBY.

For a long time there has been a call upon the part of a large proportion of the student body for some distinctive moral and religious work here. It has been a number of years since any man has been engaged by the college to forward such influences. The Y. M. C. A., acting in accordance with the suggestions of President Roberts, has engaged the Rev. E. C. Herrick, '98, of Charlestown, Mass., to conduct a series of special services, for the college exclusively, during the opening days of the next semester. Mr. Herrick gave the Commencement address of Sunday evening, last June, and is a man of large ability and genial person-

ality, as well as one who is loyal to every Colby interest.

FURLONG LECTURE.

Charles Wellington Furlong, F. R. G. S., delivered an exceedingly interesting and instructive lecture on South America at the First Baptist church last Tuesday evening. It was illustrated by very beautiful colored slides. He began his lecture by showing several maps which gave a clear idea of that great continent and of the route Mr. Furlong took in one of his extensive trips. There were some tropical scenes along the Amazon and pictures of the Negroes who were descendants of African slaves and who alone could guide the scientific expedition of the lecturer through the jungle. A part of the time was spent on the republic of Chili but he devoted the principal part of the evening to the great and resourceful country of Argentina. The rolling treeless plains, the pampas, covered with cattle, the boundless wheat fields, and the fine clean cities which he pictured, made us realize the future which Argentina has before her. The cold bleak deserts and their inhabitants, the giant Patagonians, the dangerous passage of the Straits of Magellan, the icebergs of the great Lake Argentine, and the hardship met in crossing the Andean trails made the audience realize the perils which the lecturer himself had to encounter in the interests of science. Mr. Furlong had some very instructive slides showing the immense sheep and cattle industries which are increasing all the time, so that American markets are affected by South American competition. Although the railroad systems of South America are not as great as

ours, they are, very interesting, especially the Trans-Andean Railroad. Mr. Furlong closed his lecture with a very fitting poem of Kipling's "The Explorer." He held a large audience, with closest attention, for an hour and a half.

SUBJECTS CHOSEN FOR GOODWIN DEBATES.

Questions for the preliminary debates in the Goodwin Inter-scholastic Debating League have been selected and the teams representing the eight Maine preparatory schools have made choice of sides. The following are the questions to be debated.

No. 1. The best way for a nation to promote peace is to be constantly prepared for war. Affirmative, Coburn Classical Institute. Negative, Maine Central Institute.

No. 2. Any further centralization of power in the Federal government of the United States should be opposed by all citizens. Affirmative, Good Will High school. Negative, Madison High school.

No. 3. Members of trades-unions are justified in refusing to work with non-union men. Affirmative, Waterville High school. Negative, Skowhegan High school.

No. 4. The Federal government of the United States should own and operate the railroads (steam) within its borders. Affirmative, Oak Grove Seminary. Negative, Hebron Academy.

These preliminary debates will be held in about five weeks. The different teams are already at work upon the questions and the eight coaches appointed from the class in Debating are co-operating with their teams.

INTER-FRATERNITY BOWLING.

Three matches have been rolled-off in the inter-fraternity bowling league during the past week. Last Thursday, Zeta Psi won from Phi Delta Theta. On Sat-

urday, Delta Upsilon clashed with Alpha Tau Omega, winning by 99 pins. Delta Kappa Epsilon yesterday trimmed Phi Delta Theta, although a "Phi Delt" man, Shea, rolled both the highest single and three-string scores.

At the present time, Delta Upsilon stands at the head of the league, having won six games out of seven played. The entire standing is:

	Won	Lost	P.C
Delta Upsilon	6	1	.857
Zeta Psi	5	2	.714
Delta Kappa Epsilon	4	3	.555
Alpha Tau Omega	2	5	.285
Phi Delta Theta	1	7	.143

TRACK MEN BUSY.

Work on the board track still continues every afternoon with daily-increasing interest, as the date for the B. A. A. Meet draws near. Trials were held on Tuesday afternoon, and some fast time was recorded. The following men made the best showing: Capt. Royal, '15, Bowen, '14, Reynolds, '14, Merrill, '15, Lord, '15, Lowney '16, Weg, '17, Golden, '17, and Everett, '17.

Now that Bowdoin has failed to come to terms with the management of the B. A. A., Colby will contend with Bates and University of Maine in a three-cornered relay race. Our chances for victory are, to say the least, very encouraging.

RULES GOVERNING THE GOODWIN INTERSCHOLASTIC DEBATING LEAGUE.

1. Name. The Goodwin Interscholastic Debating League shall be the official name of the organization.

2. Membership. For 1913-1914, the League shall consist of the following eight preparatory schools of Maine: Group A,—Coburn Classical Institute, Maine Central Institute, Oak Grove Seminary, Hebron Academy. Group B,—

Skowhegan High, Good Will High, Madison High, Waterville High.

3. Supervision. The League shall be conducted under the auspices of the Colby College Debating Society. This Society shall select questions for debate, assign teams to the affirmative or negative sides of questions, select dates and places for holding debates, appoint the presiding officers and the chairman of boards of judges, and have full charge of the appointment of all officials for the final debate which shall be held in Waterville under the general auspices of the College.

4. Coaches. A coach shall be appointed from among the students of Colby College for each team represented in the League, the work of the coach to be as follows: He shall assist the team in finding material for debates, in drawing up the team briefs, and in coaching for the public exhibition. He shall *not* put into literary form for the individual speakers the debates but he shall see that each member of the team prepares a written debate and submits this to the Principal of the school for final correction.

5. Officials. For each of the preliminary and semi-final debates there shall be a presiding officer, a time-keeper, and a board of three judges. Each team shall name one judge, and the Debating Society shall name the third member who shall be chairman.

6. Method of Judging. Each judge shall be furnished a score card and each shall score the speakers on the basis of 50 points, of which value of argument shall count 25, clearness of presentation, 15, and general appearance, including voice, 10. Immediately at the close of the debate, the three judges shall meet and, without discussion of the merits of the debate, they shall total their points, and the chairman shall award the decision to the side scoring the greater number of points.

7. Length of Speeches. Each debater shall be allowed two speeches, one of ten minutes' duration, the other (rebuttal) of five minutes' duration. An intermission of five minutes shall be allowed between the main and rebuttal speeches.

8. Expenses. The school under whose auspices the preliminary and semi-final debates are held shall bear the expenses incurred by the several officials of the debate. In order to meet this and other expenses an admission fee, not to exceed twenty (20) cents may be charged. No fee shall be charged students who attend, at expense to themselves, as supporters of visiting teams. Each school shall bear whatever expense may be incurred by the coach.

9. Series of Debates. Seven debates shall be held between the eight preparatory schools, as follows:

Group A.

1. Maine Central Institute vs. Coburn Classical Institute.

2. Oak Grove Seminary vs. Hebron Academy.

3. Between the winners in Group A.
Group B.

4. Madison High vs. Good Will High.

5. Skowhegan High vs. Waterville High.

6. Between the winners in Group B.
Finals.

7. Between the winners in Group A and Group B.

10. The Prizes. The prizes, aggregating one hundred dollars, are the gift of Mrs. Forrest Goodwin, of Skowhegan, in memory of her late husband, Congressman Goodwin, one of the class of 1887, and are to be distributed as follows: The sum of seventy-five dollars shall be awarded the winning team in the final contest, and the sum of twenty-five dollars shall be awarded the losing team, the sums to be divided among the speakers taking part in the debate.

A committee from the student council has been appointed to arrange for a college rally, to be held in the gymnasium, or some other suitable place where every man in college may attend. This is a most excellent way in which to boost along Colby spirit. A successful rally was held last year, and although there was not as large an attendance as there should have been, the men who did go found something there worth while. And the thing should be kept up. One rally is hardly enough. During the winter season, occasions like these are welcomed by the students. Baseball rallies in the spring, and particularly football rallies in the fall, get the men into good spirits and a loyal feeling, and while the fellows feel happy and earnest for the success of the college in whatever line the rally is for, they are unconsciously bound nearer together into a common unit, working for the common good. That is what makes college spirit, and not individual or fraternity or team self-centeredness. A good rally, for everybody, helps to make a real college, and if it is properly conducted, it means a

big Colby star in the ascending. Get behind and boost.

On account of the sad custom, instituted some time ago by the faculty, of imposing upon us trials and tribulations of about three hour's length, this time of the year, and on account of the ECHO board's not being exempt from this punishment, it has been deemed wise and prudent to suppress the peerless edition for next week, thereby giving everyone a rest.

We gladly welcome Professor Libby back to his college work. Although he sometimes passes us some rather disappointing reports of our labors, we miss him if he is away for any length of time.

OUTING CLUB.

A meeting of all students and members of the faculty who are interested in forming an Outing Club will be held in Chemical Lecture Room, next Friday evening, at 8 o'clock. Mr. W. C. Crawford, Colby, '82, will be present and will outline the method and purposes of such a club.

PURINTON PRIZE SPEAKING.

The Purinton prize speaking was not held this afternoon, as was planned. The preliminary contest will not be held until February, when there will be more speakers, the contest having been made a part of the required work in both the advanced speaking class and in speaking 6.

ALUMNI NOTES.

Joseph Chandler, Ph.D., of the class of 1909, has announced his engagement to Miss Anita Ethel Thomas Gray, of Louisville, Ky. The wedding is to take place early in June. Dr. Chandler is connected with the Department of Chemistry at the University of Louisville.

Asher C. Hinds, '83, has refused to allow his re-nomination for Representative

to Congress from the Third Maine District, on account of ill health.

Walter J. Rideout, '12, was married to Miss Helen R. Brickett at the home of the bride in Levant, Maine, December 25th. They will make their home in Danville, Vt., where Mr. Rideout is Superintendent of Schools.

ROLLINS ELECTED ASSISTANT MANAGER OF ORACLE.

The final ballot for the election of assistant manager of the Oracle Association took place in the chapel, Thursday afternoon. A larger number of votes than at the first election, was cast—Rollins receiving 43 and Kolseth, 39.

CAMPUS CHAT.

A. D. Craig, '16, and C. A. LaBelle, '17, served as ushers at the Mulligan-Dulac wedding at Fairfield, Sunday evening.

At the meeting of the Sophomore class, after chapel, Monday, John Harriman of Bristol, N. H., was elected to serve on the Student Council, to fill the vacancy caused by the departure of William Eustis, who formerly served.

On account of the Furlong lecture at the Baptist church, no Y. M. C. A. meeting was held, Tuesday evening.

Frank Condon, '08, visited at the D. U. house, Monday.

The Y. M. C. A. held a good old-fashioned social at the Taconnet Club House, Saturday evening. Games were played and refreshments served, while an orchestra of four pieces furnished music. This was the first social event the association has held for a long time and a good number was present in spite of the inclement weather.

Vernelle Dyer, '15, of Oakland addressed the Y. M. C. A. at Good Will High school, Wednesday.

Percy D. Mitchell, Bowdoin, '14, spent last Wednesday with friends at the Delta Upsilon house.

The members of the Colby chapter of Delta Upsilon were very pleasantly entertained by the "Dekes" at an informal smoker, last Wednesday evening.

Last Friday evening, the Musical Clubs presented their program at Clinton, before a small but enthusiastic audience. A large number of students attended the concert and appreciated the efforts of their fellows.

Frederick F. Sully, '16, of Philadelphia, Pa., who was operated upon for appendicitis, last Thursday afternoon, at the Libby hospital, is reported to be gaining rapidly.

R. A. Craig, of Pittsfield, visited friends at the Delta Upsilon house, Saturday.

Benjamin F. Greer, '16, made a short business trip to Augusta over the weekend.

Arthur S. Hawes, '14, is the Waterville reporter for the Daily Kennebec Journal during the sickness of Mr. Sully.

The chess tournament will begin immediately after mid-year's. Three men will be selected for the Massachusetts trip.

During the past week, President Roberts has been in Oxford County, speaking at Norway High school and South Paris High school. He also addressed the teachers of Houlton, and spoke at Westbrook Seminary, besides attending the meeting of the board of trustees. Next Friday he goes to Lewiston, to be present at the Androscoggin Teacher's Convention.

Frank S. Sawyer, of Jonesport, a graduate of Higgins Classical Institute in 1910, has entered college to take special work.

Mrs. A. A. Bramhall visited her son, Ralph Bramhall, '15, at the D. U. house, today.

The picture of the freshman cross-country team, which was so successful at Andover, has been put into the latest issue of Spaulding's Track Guide. This is the only team around here that will be so favored.
