COLBY DROPS HER LAST STATE SERIES GAME TO BOWDOIN, 3-2.

Colby met defeat at the hands of Bowdoin in the last championship game of the season, last Wednesday. The score was one-all up to the sixth inning, when the visitors hung up two counts which was one more than Colby could gather. The hitting of both teams was weak and errors aided materially in the scoring of the visitors. Colby got both her tallies on clean hitting. In the first spasm, Lowney doubled to centre and scored on a clean smash by Fraser; while the final count was scored in the eighth, when James singled and stole, and scored on a screaming double off Lowney's bat. Outside of the hitting of Lowney and McElwee, the game was devoid of features. The box score follows:

COLBY SENDS TEN MEN TO NATIONAL TRACK MEET.

Colby had a team of ten men entered in the National Intercollegiate track meet, which was held at the Harvard Stadium, Saturday. Although Colby men did not figure in the point winning, several of the men made better records than in any previous meets of the year. As this was the first time Colby has been eligible, not much could be expected of it, especially as the team was in competition with the largest colleges of the country. Colby was not the only college to fail to win points, for many of the larger ones, such as Colgate, Haverford, Georgetown, M. I. T. and others were also altogether lacking in this respect.

TRACK C'S ARE AWARDED.

At a meeting of the Athletic Council, Monday evening, the following men were

awarded track C's upon the recommendation of Capt. Royal: I. W. Merrill, R. H. Bowen, R. J. Doyle, L. K. Murchie, I. H. Waldron, T. F. Joyce, T. J. Reynolds, M. A. Thompson, L. Ezra Wenz, M. A. Golden, C. F. Wood, and Peter Mayers, Jr. These men were the point winners for the past track season.

New records established by these men were accepted as follows:—L. K. Murchie bettered the hammer throw of 119 ft. 7 in., held by Coombs '06, by 18 ft. 13-4 in. The present record is 137 ft. 83-4 in. M. A. Thompson cut the record of 4 min. 49 sec. for the mile, held by Reynolds, '14, down to 4 min. 35 sec.

T. J. Reynolds established a new record of 2 min. 21-5 sec. for the half mile run.

T. Joyce bettered the old mark of 112 ft. for the discus, held by Tibbetts, '12, by 3 ft. 31-2 in. The present record is 115 feet 31-2 inches.

Capt. Royal clipped his former record of 262-5 sec. for the 220-yard hurdles down to 253-5 sec., and holds the mark of 161-5 sec. for the 120-yard hurdles.

I. W. Merrill, R. H. Bowen and I. H. Waldron won their C's in the 440-yard dash; J. Doyle in the broad jump; L. Wenz in the two-mile run; M. Golden in the mile and two mile run; C. Wood in the high jump, and P. Mayers in the pole vault.

"SHE STOOPS TO CONQUER" WELL PRESENTED.

The Colby "Baubles" have redeemed themselves; there will be no band of crepe surrounding their pictures in this year's Oracle. After making a successful trip through Washington and Aroostook counties during the Easter recess, they appeared in the Waterville Opera House last Friday evening, and gave a high class performance of Goldsmith's famous comedy, "She Stoops to Conquer." The costumes were gorgeous, and in exact keeping with the time of the play, and the

actors were letter perfect in their parts. All the characters fitted their roles well, and moved about the stage with the precision and air of old-time actors.

The leading male role was taken by Daniel W. Ashley, '15, as the dashing cavalier, Young Marlow, and he gave a fine interpretation of his part. As the fun loving Tony Lumpkin, Harold Gilmore, '16, kept the audience in a gale of laughter. Leonard Grant, '15, made a fitting opposite to Ashley, while Lester Shibles took three difficult parts, making the best impression as the peg-legged inn-keeper in the second act. As tavern loiterers, Harold Rand, '15, "Bill" Mooers, '14, and Arthur Bickford, '16, acted out their parts in a manner that was the cause of much mirth to the spectators. Later, they proved themselves capable of changing roles, by appearing as the untrained servants in the home of Squire Hardcastle.

Neither Sarah Bernhardt nor Maxine Elliot could have filled the parts of the female characters any better than did Robert Williams, '15, Fred Pottle, '17, Donald Record, '17, and Carlton Richardson, '17. Williams, a seasoned performer, made a very acceptable Mrs. Hardcastle, and had several occasions successfully to display his histrionic ability; while the others, newcomers on the "boards," were so natural as to cause the audience to forget that the actors were not what they seemed. Altogether, the play was creditably given. The players were coached in their parts by the veteran actor, H. Price Webber of Augusta, and much credit is due to him for his work. The complete cast was as follows:

President Roberts announced in chapel yesterday morning the results of the Hallowell prize speaking contest to be as follows: First prize of \$50 won by Charles M. Rohrbach, '15.

This was the fifth annual Hallowell speaking contest, and was one of the best ever held. It took place Monday evening in the chapel, before a fair sized audience. Twelve contestants participated, and the speeches were exceptionally well delivered, showing evidence of careful thought and preparation. The contest was presided over by Professor White. Prayer was offered by David Jack, '14. The judges were: Principal Stanley Oldham of Maine Central Institute, Pittsfield; Hon. William R. Pattangall of Waterville, and E. Eugene Thayer of Waterville. MISS ANNIE L. PEACOCK WINS MARY FLOYD NEELY MEMORIAL PRIZE.

The history of eight successive years has been repeated by the winning again of the Mary Floyd Neely Memorial Prize, this time by Miss Annie Lois Peacock, Colby, '14.

A prize of fifty dollars is offered every year by the Society of Colonial Dames, for the best essay on some subject connected with the colonial history of Maine. The competition is open only to young ladies pursuing courses of history in the Maine colleges. The subject of Miss Peacock's essay was: "The Menace of Louisburg to New England, and Maine's Part in the Expedition of 1745."

Miss Peacock is a senior, a member of Delta Delta Delta sorority, and of the sophomore honorary society, Chi Gamma Theta.

INTERCOLLEGIATE ARBITRATION BOARD.

Representatives of Bates, Maine and Colby were present, last week, at a meeting of the Maine Intercollegiate Arbitration Board. Bowdoin was not represented. L. E. Warren, '14, was the student, and Dr. G. F. Parmenter the faculty, delegate from this college. At the meeting, several questions were taken up and satisfactory agreements were made. The ruling out of freshmen from intercollegiate athletics was discussed. It was recommended that baseball coaches be kept from the players' benches during championship games. Dr. Parmenter was elected secretary and treasurer of the board.

The Dramatic Club has "come back" and we rejoice in its redemption. After two successive years of abject failure, the club has "come through," and on Friday evening gave one of the finest dramatic presentations staged by Colby talent in many years. The parts were well taken and, to quote from the Bangor News, several of the players showed true "historic" ability—whatever that means. Much credit is due Manager Ashley and President Williams for the success of the club this season.

Although not the winners of the first honors, last Saturday, our track team has, nevertheless, completed a pretty success-

ful season and we feel satisfied with the showing they have made. This year, Colby has been represented in the largest and most notable schedule in her existence, for which a large part of the credit is due to the efficient and wide-awake management of N. J. Merrill, '14.

To the fighters themselves, too, no small credit for this year's work is due. Not pampered, without superfluous equipment, and fighting their own way, they have achieved things that allow every Colby man to be proud to own his college. We owe to them a big debt of gratitude.

Both as a fighter and as the leader of his team, Captain Royal is the style of athlete that we all admire. A gentleman, student, athlete, and able leader, "Boob" Royal has made himself one of the most popular and respected men in Colby College. Loyalty, with seven big letters, is unquestionably his middle name.

And last, but by no means least, of the best track coach in the State of Maine, Colby supporters everywhere speak praises. Himself one of the foremost track men of the country, he has known what was needed and best for every individual man and has given each particular case its own special treatment. He has been respected by everyone under him; his manner has been such as to draw out the best in his charges; and there is not a member of the Colby track team who would not attempt impossible feats in order to please the coach who has done his best for all. With an eye ever open to Colby's interests, whether in securing athletes, or opportunities of prominence, or in working away with what was at hand, Harvey Cohn has won the admiration and respect of every person connected with the college of our hearts.

All additional slates must bear the signature of at least one member of the Athletic Association.

D. U. TAKES D. K. E. UPSTREAM.

The members of the Delta Kappa Epsilon fraternity were the guests of the Delta Upsilon fraternity on a "moonlight" outing up the Messalonskee stream, last Thursday evening. The two "frats," some fifty strong, met in a body at the "Deke" house and marched to the stream where they embarked in canoes and paddled up the river about three miles, to where the committee had built upon the shore a roaring camp-fire. Here they gathered, and with their musical instruments, made the river ring with college and fraternity songs. Barring such little accidents as that of some of the canoes becoming untied and floating down stream, the evening was passed very pleasantly. The return was made at a late hour. Fuller, '14, Sully, '16, and LaBelle, '17, composed the committee of arrangements.

COLBY MAN HONORED.

Dr. Randall J. Condon, '86, one of Colby's most honored alumni, and one of the foremost educators of modern times, was recently re-elected to the superintendency

of the public schools of the city of Cincinnati, for a period of five years at a salary of \$10,000 per year. The vote of the board of education was unanimous. In speaking of the election Dr. Withrow, president of the board, said:

"Dr. Condon came to Cincinnati with a big job before him. He has made good to such an extent that we are more than pleased. He is in thorough touch with the modern demand for the adapting of public school work to the real needs of life and knows just what to do to get the best results along this line. He has inculcated in the schools a desire on the part of the teachers to study the personal characteristics of the pupil and thus to get beneath the surface and find out the qualities of the child which need to be developed. Dr. Condon has always played square with everybody and with every interest. He never leaves anybody in doubt as to his meaning or his reasons for taking some action. I know that we have done a great thing for the city of Cincinnati in getting Dr. Condon for the schools for the next five years."

The other members of the board gave similar views of the election of Dr. Condon, whom all indorse as the right man for the head of the schools.
