## COLBY, 3; BOWDOIN, 2.

**"ETH" ALLEN'S HOME RUN IN THE 12TH  
TURNS THE TRICK. WRIGHT DOES  
WELL IN HIS STATE LEAGUE DEBUT.**

In a game culminated by nerve-racking sensations, Colby defeated Bowdoin 3 to 2 in a 12-inning battle, last Saturday. Wonderful pitching by Wright and James and two heart-breaking clouts by Allen, tell the story of one of the hardest fought victories ever staged on Alumni Field. Allen's homer in the twelfth scored the deciding run. It was the kind of game you read about, but seldom witness. James fanned six Bowdoin batsman in last three innings.

Wright, who has shown up well in the early season games, was selected to tame the Bowdoin pennant-chasers, while James was sent to centerfield in order that his hard hitting should be added to the team. It was apparent in the first inning, when Wright fanned three in a row, that Colby's second string pitcher had "lots of stuff," and there was no cause to reverse this decision during the entire nine innings in which he worked.

Colby on the other hand started after the opposing pitcher like world-beaters. "Swipes" Simpson led off with a clean hit to left. Campbell laid down a pretty sacrifice and all but beat the throw. LaFleur grounded out, but Chapman returned the ball to the pitcher too high, and "Swipes" scored. A single by Joe Deacy came to naught.

In the second stanza, Wright experienced trouble where none should have occurred. After two were down, a pass to Goodsky, followed by a stolen base and a wild pitch put a man on third, and a single by Woodman tied the score.

Again in the third inning, Bowdoin worked the same identical play. After two were down, Kelley drew a pass, pilfered second, and went to third on a wild pitch. Donnell's single brought him in, making the score 2 to 1 in favor of the visitors.

Both teams had now settled down to their best gaits, and neither was able to score. Fraser, the visiting twirler, was hit frequently, but he was simply invincible when hits meant runs. Again and again, Colby got men on first or second but could not push them around. It seemed as though a little more versatile attack might have brought better results in one or two cases. The bunting game is a good one, but it is apt to lose its effectiveness when the other team expects it.

The Blue fielders, notwithstanding their unsuccessful offense furnished sensations galore in the field. No drive was too hard to try for and the best of it was, the plays were almost invariably successful. In the third inning, "Candy" LaFleur made a wonderful one handed stop and throw, thereby retiring the first batter. With one down in the fourth, Simpson backed up to the board-pile in left field and robbed Chapman of what appeared to be a home run. Smith followed in the fifth with a sharp throw to the plate, cutting off Goodsky, and again in the ninth called forth round after round of applause, when he crashed into the crowd around first after a foul fly—and got it.

Then came that long to be remembered ninth inning rally. After two were down and all was over but the shouting, Sam Fraser got careless and passed Wyman, who was batting for Duffy. "Chick" Fraser was sent in to run, and Allen was selected to hit for Wright. The stocky fielder responded to the satisfaction of all

concerned—except Bowdoin—for he poled the first ball pitched far into the precincts of right field for three bases, Fraser scoring the tying run. With Simpson up, the outlook was auspicious to win right here, but "Swipes," overanxious, hit to third base and was thrown out.

"Jimmie" James, who had meanwhile been warming up, now took up the pitcher's burden. Only once during the three innings was he in danger and that once was the eleventh. LaFleur retired McElwee with a pretty catch of a difficult foul fly, but Chapman singled, went to second on a wild pitch, and stole third. Scored on a single? Not much! "Jimmie" put on steam and fanned the next two batters.

Both teams strove without result until that fatal twelfth. It was growing dark and the crowd feared the game would be called, but once more it reckoned without Allen, "the fence-breaker." First man up in the twelfth, Fraser tried to sneak one over, but Allen was laying for that very one, and clouted it far, far into right field, well out of the reach of any Bowdoin game-saver. The drive was easily good for the circuit, but Allen touched all the cushions in record time, just to make sure.

It goes without saying that, if the Blue continues to play ball as it did Saturday, Colby stands a fine show for the championship. Coach Hauser has certainly done wonders for the team. The men cut loose with more "pep" and real baseball, last Saturday, than they have shown in years. But best of all, that much dreamed of second string pitcher is a reality. With James and Wright to alternate with each other, the twirling problem should be a thing of the past.

#### COLBY EASILY DEFEATS SPRINGFIELD Y. M. C. A. TRAINING SCHOOL.

Springfield Y. M. C. A. Training School was easily defeated, 79 2-3 to 43 1-3, in an exhibition dual track meet with Colby, Saturday afternoon, at Alumni Field. The track and field were far from being in ideal condition, but, nevertheless, some interesting exhibitions were given. The Blue and Gray stars did not show up at their best, in every case, the idea, presumably, being to keep their speed and

strength for next Saturday. The new men were given a chance to win some of the events. In the low hurdles, Royal of Colby held back to allow E. Cook a chance to capture first place, but Metcalf of Springfield took advantage of the opportunity and won the race.

Howe, the Colby sprinter, appeared in good form, as did the various other athletes. Mayers, the pole vaulter, who sprained his ankle several weeks ago, was unable to perform, Parker being the only Colby man to compete in this event.

The summary:

100-yard dash—First heat: Won by Howe, Colby; Buhler, Colby, second; Williams, Springfield, third; time, 10.2 seconds. Second heat: Won by Goffing, Colby; Moses, Springfield, second; C. Adams, Colby, third; time, 10.2 seconds. Final heat: Won by Buhler, Colby; Howe, Colby, second; Goffing, Colby, third; time, 10.2 seconds.

220-yard dash—Won by Howe, Colby; Williams, Springfield, second; Merrill, Colby, third. Time 23 seconds.

440-yard dash—Won by Metcalf, Springfield; Moses, Springfield, second; Merrill, Colby, third. Time, 54.1 seconds.

## FIELD BRAVE IN INTERNATIONAL CHESS TOURNEY.

Theodore Fieldbrave, '16, star chess player of the college, is entered in the International Chess Tournament, now going on. The games are played by telegraph, players being entered from all parts of the United States and Canada. Fieldbrave is matching his chess wits against six individual players, one from Canada, and five from various parts of the United States. It might be stated that "Teddy" thinks he has two of the games already "in his claws." The other four are still in doubt.

In entering this contest, Fieldbrave takes his place among the foremost chess players of this country and Canada, and if he makes good, it will mean honor to Colby as well as himself in this form of sport.

## KEEP OFF THE GRASS.

Burton B. Blaisdell, '16, has been appointed Managing Editor of the ECHO and will direct its publication for the remaining issues of the year.

Notice is hereby given that all freshmen who wish to try out for the editorial board of the ECHO should hand their names to the editor at once. There will be several vacancies on the board by the close of the year, and these must be filled largely from the freshman class. Previous experience is not necessary. All names of candidates must be in by Saturday at the latest so that assignments may be made for the next issue.

During the latter part of this week more than sixty-five young men from the various high and preparatory schools of Maine and New Hampshire are to be the guests of the college. Probably the great majority of these schoolboys will be entertained on the campus. The college is making extensive preparations to make their stay here a pleasant one, and we as students should heartily co-operate with

the president in his efforts. Many of these young men will doubtless enter college next year; so as President Roberts says, let's make a good impression and try not to be any tougher than we ordinarily are. Furthermore, let's make an extra effort to live down our alleged reputation of inhospitality.

## SPRING TENNIS TOURNAMENT.

The spring tennis tourney is now well underway. Several single matches have been played off and some promising material has come to view. Flood and Kelsey appear particularly good and their chances of making the team seem very bright. Leseur is playing well but is apt to be erratic and to lose his temper if he doesn't "land 'em all." Captain Ramsdell and Fieldbrave, fully expect, of course, to win the championship. The results of the single matches thus far played off are as follows:

G. H. G. Campbell won from H. Pratt, 11-9, 6-3, 6-2.

Foster won from Ray Smith, 5-7, 6-4.

Mogannam won from Marston, 6-4, 9-7.

Ilsley won from McIntire, 6-1, 6-0.

Derby won from Niles, 8-6, 6-0.

Ashley won from Howes, 6-3, 6-0.

Kelsey won from Don Putnam, 6-4, 9-7.

Kimball won from F. M. Dyer, 6-0, 6-0.

## "AT COLBY" TOMORROW NIGHT.

Tomorrow night the all star cast of the Colby Dramatic club will present "At Colby," a three act comedy-drama, at the City Opera House. The play is a snappy one, with plenty of melodramatic action, and good humor. The hero is a typical college man, and the villain is particularly villainous. The character parts are all well taken, and the comedy parts are well filled. The play has a true college atmosphere, and can only be properly delineated when acted by college men. The girls—well now they are some girls, one for

everybody's taste—whether you prefer the blonde, the brunette, the golden brown, or the grey, we have her. The heroine has shaved her mustache off and is really quite a young lady. The setting of each act is good, particularly the first which is laid in the new dorm, and no expense is being spared by the management as to costumes and properties. There is no doubt but that the performance will be a good one. It has been very favorably received at Hallowell and Brooks, and everyone that attends will be given a decided treat in the way of college amateur theatricals.

#### PHI DELTA THETA TAKES SECOND INTERFRATERNITY MEET.

Phi Delta Theta won the second meet of the interfraternity track handicap series, last Wednesday afternoon. Delta Upsilon, the winner of the first contest, tied with the non-fraternity aggregation for second position. The points were distributed as follows: Phi Delta Theta, 29; Delta Upsilon, 27; Non-fraternity men, 27; Delta Kappa Epsilon, 19; Alpha Tau Omega, 13; Zeta Psi, 11; Commons Club, 0. Stanwood broke the college record in the shot put with a heave of 39 feet 6 inches. The former record, held by Donald, '13, was 38 feet 2 inches.

#### DOPE ON THE BIG MEET.

Second place again this year? Well, some think so; but the more optimistic are granting Colby first. For the past week there is hardly a man in college who hasn't stirred his own dope pot and compiled his own little columns of figures, computing carefully the extent to which Bowdoin and Bates will cut in on Maine's score, the chances of any possible dark horses, and the possibilities of all sorts of dire calamities which may be visited upon Maine's stars. All agree, however, that it's sure to be one grand good meet.

Followers of track everywhere unite in regret that Charlie Rice will not be able to run, for a great race had been expected between Rice and the famous Howe of Colby. With Rice out of the running Howe should easily capture both short dashes, and it is understood that he is planning to run for time and will try to establish a new world's record in the furlong sprint. With favorable weather conditions this latter stunt is by no means impossible for Howe is in the best of condition and was never running better than now.

In spite of the reports that come down from Orono in regard to French's speed over the timbers, Colby men still have confidence in Captain Royal and are backing him to win both hurdle events as he did last year. In the mile run Mark Thompson now seems to be running the strongest race of his career and Wenz, Levine and O'Brien are expected to make Pretti hustle in the two-mile. Many think that "Jud" Merrill is the best 440-yard man in the state and Golden and Webster can be

counted on for some fast time in the half. In the field events Colby is not expected to place heavily, though Joyce is heaving the weights farther than he ever has before, and Stanwood is easily breaking the college record in the shot.

Bowdoin is expected to take third place and Bates fourth though both of these colleges may have an important influence on the final scores of the leaders.

### MURRAY PRIZE DEBATE FOR CURRENT YEAR.

The prizes aggregate \$100 and are the gift of George E. Murray, class of '79, of Lawrence, Mass.

In the early day of railroading, there was a card in the depot at Waterville which read as follows: "The Locomotive will leave every morning at 10 o'clock, provided the weather is fair."

There used to be just as much uncertainty about ready-made clothing. If all the conditions were right, it fitted fairly well.
