The Hungry Ocean

By Linda Greenlaw '83

In his number-one bestseller, *The Perfect Storm*, Sebastian Junger describes Linda Greenlaw '83 as "one of the best sea captains, period, on the East Coast." Now you can read her own riveting story...

In *The Hungry Ocean*, Greenlaw tells the story of a 30-day swordfishing voyage aboard the Hannah Boden, one of the best-outfitted boats on the East Coast. Her tale is complete with danger, humor and characters so colorful they seem to have been ripped from the pages of *Moby Dick*. The excitement starts immediately, even before Greenlaw and her five-man crew leave the dock—and it doesn't stop until the last page. While under way she must contend with nasty weather, equipment failure and treachery aboard ship, not to mention the routinely backbreaking work of operating a fishing boat.

Displaying a true fisherman's gift for storytelling and a true writer's flair for both drama and reflection, Greenlaw offers real-life adventure and tales of the beauty and power of the sea.
