COLBY OVERWHELMS BATES.

With "Jimmy" James pitching wonderful ball, Colby mixed hits with Bates' errors and won easily, 5 to 1, here Saturday. The game was marked by sensational playing by Colby, costly errors by Bates, and two or three long hits by both teams.

"Swipes" Simpson got his name in the honor column when, with two on bases and none out, he speared a terrific line drive off the bat of "Midget" Talbot. It was by far the hardest hit ball of the day, and the catch effectively restrained a threatened batting rally. This feat was followed by one of James' characteristic plays. He picked a bunt from under Lord's flying feet, and got the big catcher at first. Then, with anxious runners on second and third, "Jimmie" fanned the hard-hitting Butler.

This game will go down as one of the greatest games that James ever pitched for Colby. Not only did he field his position perfectly and twirl shut-out ball, but, on three separate occasions, with men on bases, he "got" that slugging trio,—Talbot, Lord and Butler. "Jimmie" was invincible when hits meant runs, Bates' only score being made in the seventh inning when "Monty" Moore tapped a slow one over the left field fence for the circuit.

Colby got three scores in the second inning. With one down, Allen drew a pass, stole second, and went to third on the catcher's wild throw to Duncan. "Eath" scored a moment later on a passed ball. James was thrown out at first, but Smith got a scratch hit. Then, Duffy drove a hard one to right. The ball got by Thurston, and Duffy romped home. Fraser fanned for the third out.

The Blue threatened in every succeeding inning, but "Monty" was going well, and the home team was unable to break the row of zeros again until the seventh. Then, Duffy, first man up, singled, stole, and went to third on a passed ball. Campbell's hit brought him in. Duffy was again the big noise in the eighth, when, with two out and James on first, the little shortstop drove a terrific three-bagger to right field, scoring "Jimmie" with the fifth and last score.

Bates threatened the score on several distinct and separate occasions, but her rallies were short lived and, for the most part, the Lewiston boys ate gently from Jimmie's hand.

COLBY WINS FROM BOWDOIN.

Colby started things with a rush, yesterday, on Alumni Field, by crossing the pan with four runs in the first inning. "Swipes" Simpson knocked a clean three-bagger on the first ball offered, and at no time after that was Colby in danger.

Bowdoin was held scoreless until the fifth, when McElwee made a long hit to right field, bringing in Donnell and himself. In the next half, "Eddie" Cawley furnished considerable amusement for the fans, by keeping three Bowdoin men guessing between first and second, while Simpson walked home. With the score 7 to 3 and two men down, in the ninth, the visitors made one last gasp and put over another tally. A fly to "Swipes" ended the game.

The battle was characterized by heavy hitting and sensational fielding. Simpson played errorless ball, capturing six long hits to left garden, while Cawley, Duffy and "Candy" LaFleur, handed the grounders in perfect style. "Jimmy" Wright pitched the full game, allowing only five hits.

COACH COHN RE-ENGAGED.

All are happy to hear that Harvey Cohn is coming back next year. Not only is he one of the most popular coaches Colby has ever had, but he is one of the best. He has instilled into Track activities a spirit that has never before been equalled in the history of the college. His popularity in and outside the college has increased each year he has been here, and the teams he has turned out speak for themselves. Here's wishing you the best of luck, Harvey!

COLBY PAYS TRIBUTE TO CIVIL WAR MARTYRS.

That Colby did her share among the colleges of the country in defending the Union in times of peril was vividly demonstrated at the exercises held in Memorial Hall on the morning of Decoration Day. The faculty and the men's division of the student body marched from City Hall Square to the College Chapel, with

Shibles, '15, acting as marshal. They were followed by Company H, N. G. S. M., the local camp of the Sons of Veterans, and the members of the Grand Army.

The procession halted at the walk leading to Memorial Hall, where the student ranks uncovered and gave way to the veterans, who filed into the hall, followed by the others. Prayer was offered by Comrade A. O. Libby. Then Lindsay, '16, gave an interesting account of the events leading up to the giving of Lincoln's Gettysburg address and, then, impressively gave the address. Spinney, '15, standing beside the tablet on which are inscribed the names of the twenty Colby soldiers who sleep in unknown graves, delivered the oration of the day.

In fitting language Mr. Spinney told how the Colby boys of "sixty-one" put aside their books and ambitions to go into the service of their country. He spoke appreciatingly of the cherished memories of these boys and of Colby pride in owning them. The name of Elijah Parish Lovejoy, the worthy martyr to the cause of abolition, was referred to with praise and reverence by the speaker. Mr. Spinney did not neglect, however, to impress upon his listeners that war is not the only test of the worth of Colby's stalwart sons.

At the close of the exercises, Comrade George S. Wilson stepped forward and with a few appropriate remarks, decorated the Memorial tablet. The singing of America by the audience concluded the program.

At the annual election of the Musical Clubs, Friday, the following officers were chosen for the ensuing year: President, Warren B. Marston, '16; secretary, Granville C. Shibles, '17; manager, John A. Campbell; assistant manager, Ernest R. Scribner, '17; leader of glee club, Winthrop L. Webb, '17; leader of orchestra,

Leonard A. Shea, '17; leader of mandolin club, John A. Campbell, '16; leader of band, Maurice B. Ingraham, '17.

COMMENCEMENT SPEAKERS.

The speakers for commencement day were announced yesterday as follows:

"Goethals—Gorgas," Robert H. Williams; "Neutrality," Vernelle W. Dyer; "American Immigration," Harold S. Campbell; "The New American Drama," Ethel G. Chamberlain; "Mary E. Wilkins Freeman," Marion O. Steward; "The Vision of the Ideal College Woman," Aldine C. Gilman.

PHYSICAL SOCIETY ELECTIONS.

At the last monthly meeting for the year of Pi Eta Sigma, the Physical Society, the following officers were elected: Arthur D. Craig, '16, president; Richard J. Kimball, '16, vice-president; Albert Moulton, '16, secretary-treasurer; Dr. George B. Obear, faculty advisor. Two instructive papers, "Low Temperatures," and "Radio-activity," were read by Ray C. Young, '15, and Raymond R. Thompson, '15, respectively.

NEW DORMITORY GOING UP FAST.

Colby students are watching with interest the progress in the construction of the new dormitory, which is being built on a line with Chemical Hall and Roberts Hall, just at the rear of the space between the A. T. O. House and Recitation Hall. If the weather is favorable, the walls will be up in three weeks; and, a week later, the roof will have been completed. A gang of seventeen men are at work on the job, under the supervision of an efficient contractor. The building will, undoubtedly, be a source of pride to the students and a great addition to the beauty of the campus. The contract provides that the structure shall be ready for occupancy September 1.

BASEBALL, TODAY—PORTLAND MAINE CENTRALS AT WATERVILLE.

Only seven more days of school for the seniors!

Connie Mack's \$100,000 infield has nothing on ours!

In a review of our athletics during the year now drawing to a close, one feature has stood out above all others—the eminent improvement of our coaching system. Colby now has three coaches behind her three major sports who are specialists and who are keeping their teams in harmony through force of personality and constant good humor, rather than by the crabbing methods so often thought necessary in college athletics. "Smiling Ben" Houser is the latest exponent of this method of cheerfulness, and the results are clearly seen in the excellent work of his team to date. Houser is by far the best coach a Colby nine has had in years. It seems now that nothing can keep us from the baseball championship of the state.

DR. SLOCUM, 1893, DOING REMARKABLE WORK IN CONNECTICUT.

Rev. Joel B. Slocum, D.D., 1893, pastor of the Central Baptist Church of Norwich,

Conn., has received fifty-five new members into his church during the past year. Dr. Slocum is the leader of a Men's Bible Class whose attendance is frequently more than a hundred. It is called the City Bible Class for Men and is one of the largest classes for men in Connecticut. Dr. Slocum has just entered upon the third year of his present pastorate. The relations between pastor and people are very happy.

CAMPUS CHAT.

F. F. Sully, '16, one of our most enterprising young journalists, is reported to have received from the Western Union Telegraph office, Thursday, the following despatch, dated, Berlin, Germany, May 27, 1915: "Kaiser drowned. Body found floating. Signed, A. S. Sup." Although "Freddie" received this important message with all due respect and appreciation, we regret to say that he failed to take advantage of the fine opportunity for a real, live "scoop." It seems as if Mr. Sully's cablegram could not have passed through the hands of the German news censors, as the American press has not yet published an account of the "passing" of Emperor Wilhelm.

WANTED—Information concerning the individual who is accountable for the publication, Friday, in several of the newspapers, of the story stating that Colby was going to lose Coach Cohn and the New York aggregation of athletes.

A. C. Niles, '15, spent the week-end with his parents in Auburn.

Paul Thompson, '18, read the Scriptures at the First Baptist Church, Sunday evening.

The Hersey House, occupied by Professor Trefethen, came near being burned down, Thursday afternoon, by a fire which started on the roof, presumably from a spark from a passing engine. The quick action of the Colby baseball men,

who were at the time engaged in practice, and the promptness with which the Waterville fire department responded saved a disastrous conflagration.

Blackington, '16, and Greer, '16, were guests at a house-party at Southport over the holiday.

A large number of students enjoyed trips up the stream on Memorial Day. A few of the "profs" also took advantage of the fine outing weather.

Patterson, '18, entertained his mother and aunt, of Attleboro, Mass., over the holidays.

The annual election of the Athletic Association will be held Saturday, June 12.

A meeting of the executive committee of the junior class was held after chapel, yesterday, to discuss plans for Presentation Day.

Someone has said that the Bates-Bowdoin contest on Memorial Day was "some game."

Leeds, '17, is entertaining his mother from Boston.

E. M. Woodward, '16, is serving as teacher at the Myrtle Street School a few days this week.

Mr. Bates's much-touted baseball team was pretty easy picking after all.

Manager Hussey of the football team announces that the date, October 2, on the football schedule, has been filled with a game with New Hampshire State at Waterville.

F. Alexander James spent the holidays with friends in Bangor.

In that Memorial parade it is said that the seniors were conspicuous by their absence.

If you find a man with a badly sunburned face and a bright red neck, who hollers when you swat him on the shoulders, you may feel pretty sure that he was one of the twenty-three D. U. boys who went on a picnic to North Belgrade, Monday. Features of the day's events were a baseball double-header between the

"Deltas" and the "Upsilons," the near-death of "Hink" Lord, '12, who umpired, and a clam bake in which about two bushels of the Belfast bivalve mollusks were devoured.

A shower of rice and old shoes greeted a prominent man of the class of 1916 and a popular freshman lady, when they detrained at the station, late Monday night, after a holiday trip to Chisholm. We are given to understand that the case isn't nearly so serious as one might think from the reception the two received.

L. E. Wenz, '17, and R. L. Webster, '17, took third and seventh places, respectively, in the ten mile road race, at Lewiston, Monday.

Only one more week after this of recitations! Get busy, ye low-hangers!

President Roberts returned last night from a trip to Boston and vicinity.

Coach Houser's pennant chasers look like a million dollars at the present writing.

The Deke house is receiving a new coat of paint.

Flanders, '17, and Chase, '18, spent the week-end at their homes in Skowhegan.

Ferrell, '18, motored to Augusta, Sunday.

W. F. O'Brien, '16, is entered to run in the one-mile race at a field day to be held at St. John's Preparatory school, Danvers, Mass., on June 17.

Professor in "Eccy": "What are some of the objections to direct tax, Mr. S-l-y?"

S-l-y: (dreamily) "Why, I don't think so."

How It Used To Be

In the early day of railroading, there was a card in the depot at Waterville which read as follows: "The Locomotive will leave every morning at 10 o'clock, provided the weather is fair."

There used to be just as much uncertainty about ready-made clothing. If all the conditions were right, it fitted fairly well.

Nowadays

The Empire State Express, the Parcel Post and

HART SCHAFFNER & MARX

ready-to-wear clothes are typical of the progress that has been made in three of the most important of the world's industries. HART SCHAFFNER & MARX SUITS AND OVERCOATS in every style for the College Man at \$18 to \$25, others in smart styles and exceptional cloth values at \$12, \$15 and \$16.50. YOUR SIZE IS HERE.
