HELD UP AS A GERMAN SPY.

Dr. Little and His Geology Class Have Amusing Experience.

To add to the numerous war-scares of the day, comes the report that some agents from the Wilhelmstrasse have been at work down at Paris Hill. This is how it happened.

Last Saturday the senior class in Geology, with Dr. Little and Professor Chester as escorts, set out on a field trip by autos to Mt. Mica. Here they were to study the topography and the origin and association of minerals in this famous spot. Sunday morning the party arose early and, while passing through Paris Hill village, stopped to inquire concerning some people there. Then they proceeded to the mountain. After collecting specimens and viewing the surroundings they started for home.

On the return trip, however, much to their surprise, the party was overtaken by a Ford containing two men and was accosted by one of them, presumably the town constable. He asked many questions as to the place whence they had come, and their business at Mt. Mica. Learning the mission of the members of the class, he enlightened them on his reasons for questioning them.

It seems that some villager had followed the geologists to the mountain and was puzzled by what he saw. His imagination had run riot and he had immediately reported that German spies were planning a wireless station or an aeronautic base on the hill.

We all rejoice at the safe return of the party, but caution them hereafter to be careful how they act.

THE JUNIOR PROM.

The annual Junior Promenade was held last Friday evening at the Elk's Hall, and the members of 1919 report a huge success.

War conditions were met fairly, and the Prom was without its usual formality. Nevertheless it was well attended and thoroughly enjoyed by all. The hall was decorated with banners of the different fraternities.

Many of the professors and their wives served as patrons and patronesses. The committee in charge of the Prom consisted of E. S. Tyler, H. E. Brake-wood, J. H. Johnson, L. Heyes, C. M. Bailey, 2nd, J. G. Sussman, and W. V. Driscoll.

LYFORD SPEAKING CONTEST.

The ninth annual Lyford Interscholastic Prize Speaking Contest held last Friday afternoon and evening was a great success in every way, it being the largest and best in the history of the Lyfords. Over forty boys from preparatory schools in Maine and New Hampshire were entered, and after this number was reduced to sixteen who competed in the finals, it was apparent that the finals would prove to be exceptionally closely contested. This proved to be the case. The prizes were awarded as follows: First prize of fifty dollars to Carroll Enemark of Deering High School, Portland, who rendered "Address to the Fighters of France;" second prize of twenty-five dollars to Raoul J. Dufail, of Edward Little High School, Auburn, who delivered "The Old Flag at Fort Sumter;" third prize to George B. Wolstenholme, of Coburn Classical Institute, whose speech was "The Soldier of 1914;" and fourth prize of ten dollars to John J. Magnusson, of Sanborn Seminary, Kingston, N. H., whose subject was "A Vision of War."

The fellows were entertained at the various houses, and all possible was done to give them a good impression of Colby. In the evening, after the speaking, a reception for the visitors and the members of the men's division was given at the Delta Kappa Epsilon House. A large number attended, and were well entertained by several musical selections and readings. Raoul J. Dufail, one of the contestants, delighted every one with his splendid tenor voice, and Neil Leonard, '21, with his readings did his usual good work. From all that could be learned the visitors were well impressed with Colby spirit, which was never shown to better advantage than while the boys were here.

The Lyford contest is increasing in size and popularity every year, and it is becoming more and more evident that it is one of the best means the college has at its command for inducing preparatory school boys to select this as their college.

THE COLBY ALUMNUS.

The Colby Alumnus is to be issued next week. This number is to be of especial interest, as it will contain about sixty cuts of boys in uniform and also a complete list with addresses of all Colby men in the service. Any one knowing of changes in the addresses or ratings of our boys is requested to report them to Professor Libby.

ROCKLAND RESERVES TAKEN IN.**Defeated 7-3.**

Colby continued her winning streak last Saturday by defeating the Rockland Reserves, 7 to 3. The game was well played and interesting throughout, and a feeling of jolly rivalry was prevalent at all times.

Frost, a former U. of M. star, was in the box for the sailors and showed a classy brand of ball. Poor support in the pinches lost the game for him. Bucknam started the game for the grey and blue, but was replaced in the sixth by Hamer. This was Hamer's first chance on the mound and he did creditable work.

The features of the game were the hitting by Bucknam, Wyman's three bagger, and the two two-base hits secured by the visitors.

Mention should be made of the comedy at second, when Plaisted picked Fraas up by the chin and then patted him on the shoulder as a loving father might his infant son.

The score:

nam 4, by Hamer, by Frost 4. Double plays, Oates to Thayer. Passed ball, Taft. Base on balls, by Bucknam 4, by Hamer 2, by Frost 4. Sacrifice hits, Fraas. Umpire, Gregory. Time, 2 hrs., 10 min.

COLBY GRADUATE MAKING GOOD.

A letter was received at Colby recently telling of the wonderful success of Robert Bowen, '14, at a training camp in Ithaca, N. Y. While at college Mr. Bowen was a student of marked ability, winning the second highest rank ever accorded any graduate of the men's division. Besides being a scholar, Mr. Bowen was active in college politics and in athletics.

A part of the letter is as follows: "In his squadron of 117 men, at the end of the third week, he was first in the class in gunnery. At the end of the sixth week there had been only one in the history of the school ranking as high as he in engine work, and he went clear over the top at the end of the course."

Mr. Bowen has now been sent to Aviation Field, No. 1, Hampstead, N. Y., and is connected with the detachment flying cadets. He began flying Monday, May 6.

TENNIS PRELIMINARIES.

Last Wednesday afternoon Capt. Hatch met the ten candidates for the Varsity Tennis Team. Owing to the large number of contestants and the lack of sufficient time before the Intercollegiate Tennis Tournament to be held here the week of the 20th, he decided to run off the preliminaries by elimination. The contestants were paired off as follows: Miranda and Moor, Bigelow and Little, Black and Song, Riker and Scott, and Pratt and Hersom. Moor by his superior work in the back court defeated Miranda, 6-3, 6-3. Little won from Bigelow, 6-3, 6-4. Black outplayed Song, winning 6-3, 6-3. Riker trimmed Scott, 8-6, 6-2. Pratt in the third set won from Hersom, 2-6, 6-2, 6-3.

A stiff wind greatly hampered the contestants, but all made a fine showing, the Freshmen doing some excellent work. Although Capt. Hatch is the only varsity man from last year he hopes to meet the other colleges with a winning combination. The finals for the team will be played off Tuesday or Wednesday of this week.

Newspaper Man—I should like to telegraph home immediately that the commanding general is an idiot.

Officer—I am very sorry, sir, but the department allows no strict military secrets to be let out.

—Judge.

CALENDAR FOR MAY.

- May 15—U. of M. at Waterville, 3 P. M.
 May 16—Semi-finals in Freshman Reading, 4 P. M.
 Ladies' Glee Club at City Opera House,
 8 P. M.
 May 17—Hallowell Prize Speaking Contest, 7.30
 P. M.

 May 20-21—State Intercollegiate Tennis Tourna-
 ment.
 May 22—Finals in Freshman Reading.
 May 24—Goodwin Prize Speaking Contest.
 May 25—Bates at Waterville.

Dates to be announced:

- Hamlin Prize Speaking Contest.
 Sophomore Declamation.
 Finals in Reading for women in Freshman Class.
 Lecture by Professor Johnson at Opera House
 under auspices of the Y. M. C. A.

COMMENCEMENT SPEAKERS.

The members of the senior class who are to be the speakers at the Commencement Day exercises have recently been chosen by a committee of the faculty. These speakers were chosen under two considerations—scholarship and speaking ability.

The men are: Herbert Lee Newman, John Kemp Pottle, Harvard Edgar Moor.

The women are: Helene Bradbury Buker, Jennie Odelle Sanborn, Cornelia Pulsifer Kelley.

The committee of the faculty making the selections consisted of Professors Libby, Franklin, Parmenter, and Brown.

VESPERS

Sunday afternoon, at four o'clock, a Vesper Service was held in the college chapel under the auspices of the Y. M. C. A. and Y. W. C. A. Arthur Scott, '19, was the presiding officer. Miss Helen Baldwin, '19, read the scripture and Miss Alberta Shepherd, '18, offered prayer. A chorus of thirty voices sang "Heavens are Telling" from The Creation by Hadyn. The vested choir also gave some selections. Professor Franklin was the speaker. His subject was "The Way to Freedom," taken from the thirty-second verse of the eighth chapter of the gospel according to St. John, "And ye shall know the truth and the truth shall make you free." He gave an excellent and interesting address, showing the advance of the human race of today in all lines of enlightenment.

BEAUTY SPOTS.

The intensely cold winter has gone and the delayed spring is rapidly approaching. In a few days, with warm rains, the trees will be clothed in brilliant leaves and nature will be riotous with color. Waterville is one of the beauty spots of Maine, and the Colby campus is one of the beauty spots of Waterville. To be sure some of the campus beauties are commonly unnoticed, because they are not developed; but with proper treatment by a landscape gardener they could be made to blossom like a rare flower.

Really beautiful spots all about here are easily passed by without thoughtful notice. Have you a poet's vision? Go and stand on the suspension bridge over the Kennebec on some night when there is a full moon, especially when a mist is rising from the river, and look at the tower of Memorial Hall as it rises above the trees. You will think thoughts that will be hard to express in words. They will react in greater love for Old Colby.

—D. M. C., '20.

NAVAL RESERVE WANTS MALE NURSES AND PHARMACISTS.

There are several desirable openings in the Hospital Corps of the United States Naval Reserve Force for men between the ages of 18 and 28, who are citizens of the United States.

Young men who desire to take up a calling where a satisfactory wage is obtained immediately and where there is every opportunity for advancement, instruction, education, and pleasant duty or who contemplate the study of nursing or other allied subjects, are invited to consider the Hospital Corps as a field for employment or elementary training.

Graduates of training schools for nurses of hospitals or men who have served as attendants in hospitals or in institutions and pharmacists, will find in this branch of the naval service an opening to pursue their chosen profession with added training and inducement.

Referring to the duties in brief: Hospital corpsmen act as nurses to the sick, administer first aid to accident cases, assist at surgical operations, care for the medical stores and property, compound medicines, and attend to the clerical work of the department.

For enrollment in the Hospital Corps, U. S. Naval Reserve Force apply in person at the office of District Medical Aide, Room 1210, Little Building, Boston, Mass.

D. B. Whitney of Cambridge stayed at the house last Friday.

PRESS OF THE CITY JOB PRINT

During the absence of President Roberts the college is under the official direction of our registrar, Professor Herbert C. Libby.

The spirit shown by the grandstand contingent last Saturday was a marked improvement. Let the good work go on.

The article concerning the use of the Library, printed in last week's ECHO, gives us food for thought. The number of students who use the valuable material there is surprisingly small and surely is no credit to the student body.

Why should we use the Library? Some might say that they were taking no courses that necessitated the use of reference books from that source. So

they are willing to let the English Lit. students and a few others have full monopoly of the books and the reading room. That's not the idea at all. The Library isn't a text book or a reference book for any one branch of study. It is, rather, a whole education in itself.

Before an education can be complete more is necessary than can be obtained simply from the courses offered in the classroom. Knowledge of present day thoughts and topics is an essential. Get it from the newspapers? They are neither comprehensive nor authoritative. The only dependable sources are high grade magazines and books by well-known and keen-minded men.

We are missing a great opportunity to become allround men and women when we overlook the importance of using the Library.

GREAT EXPECTATIONS.

All bulletins received from the Women's Division indicate that the Glee Club is going "over the top" tomorrow night at the Opera House. The program contains choruses, solos, quartets, and instrumental selections, all of which promise to be of the very highest order.

Let's all turn out and assure the girls a handsome profit to turn over to the Red Cross.

PILOTS WANTED FOR NAVAL AVIATION SERVICE.

The Aviation branch of the Naval Reserve Force has again opened. Young men between the ages of 20 and 25 who have two or three years college training, or the equivalent, will be accepted as applicants, provided they have a good knowledge of higher mathematics, trigonometry being absolutely essential.

These men will be given the provisional rating of Chief Quartermaster while under training for their commissions. The pay for Chief Quartermaster is \$61.00 per month.

Only American citizens will be accepted. Men desiring to enroll in this branch should send a personal letter to Lieutenant J. K. Park, Jr., Room 1225, Little Building, Boston, Mass., who will mail applications and full information. No personal interviews will be given.

Men whose applications have been favorably considered will be ordered to active duty at once and receive their training at the Massachusetts Institute of Technology, Cambridge, Mass.

"What do you mean by floating a loan?"

"Oh, that's when you set a guy up to a couple of drinks because you wanta borrow a five spot."

—Judge.

SONG.

Out of the millions of girls on this sphere,
 I met you.
 Out of the millions I found a soul dear,
 When I met you.
 You with your heart brimming over with truth,
 You with your joyous, unquenchable youth,
 Elizabeth dear!

Sure 'tis the Irish I see in your eyes,
 Friend so true;
 Or, maybe, the quick wit that ne'er sleeping lies,
 Endears you.
 I find you have stolen completely my heart.
 Pray, keep it not from my body apart,
 Elizabeth dear!

—E. C. T., '21.

CHEMICAL SOCIETY.

The Chemical Society held its regular meeting, Tuesday evening, at the Phi Delta Theta house. A paper on the manufacture of soap was read by J. Harold Johnson. Routine business was attended to and then it was decided to have a banquet at the Elmwood sometime next week. A committee consisting of Robert E. Sullivan, George E. Ferrell and Harold E. Brakewood was appointed to make necessary preparations.

THE MORNING AFTER.

May 7, 1918.

To Professor Little:

Please excuse my absence on the day that the members of the draft army left, as I was not able to get up after an all night stay up.

Respectfully,

—D., '19.

Prof.—What is worse than a giraffe with a sore throat?

Student—A centipede with corns.

—Judge.

CAMPUS CHAT

Colby is a democratic college. This was shown recently in a cosmopolitan tennis match played by Song, Mabakiao, Niles and Stone—four distinct nationalities.

Last week, President Roberts was the guest of the

Connecticut Valley Colby Association at a banquet held in Hartford, Conn.

This week President Roberts is attending the national convention of the American League to Enforce Peace, called at Philadelphia, Pa. He goes as the representative from the Maine branch of which he is president. On this same trip he is to attend a meeting of the "Four Minute Men" in Portland.

Next week President Roberts is to be away again. This time he is booked for Camp Devens, where he is to give a number of addresses to the soldiers in the Y. M. C. A. huts.

A word of appreciation is due the committee in charge of the entertainment of the Lyford speakers. Many of the boys remarked the constant zeal shown by Holt and his committee men to give the boys the time of their lives.

Upsilon Beta activities begin today.

Professor Franklin spoke at the Free Baptist Church in Oakland, Sunday.

Professor Tolman preached at the first Baptist Church in Skowhegan, Sunday.

Professor H. W. Brown spent the week-end at Hampton, N. H., where he gave three addresses and the main lecture before a Y. M. C. A. convention.

Y. M. C. A.

Rev. Ernest A. Legg of the Waterville Methodist Church spoke for the first time before the college Y. M. C. A., last Tuesday evening. Mr. Legg spoke of the great part that the college men of America would have to play in the reconstruction in Europe after the war. He showed the ever increasing importance of education and the great responsibility that must fall on the shoulders of those who possess it. He pointed out the distinction between what is ordinarily understood by education, that which Germany possess more than any other country, and the true, the Christian ideal of education, through which alone the world can be saved from the evils that it is now suffering.

Professor Brown announced that Mr. Moses Akin, '21, had consented to speak before the Y. M. C. A. next Tuesday evening. This meeting should attract the men, for it is doubtless the first time a Rabbi has ever addressed the association.

A. K. E.

The engagement of Miss Harriet Stacy Pratt to Lieut. Norman D. Lattin, '18, was recently announced.

A smoker for the Coburn and High School seniors was held at the house Tuesday evening.

Riker, '21, after a mysterious disappearance of two days, has returned to the house.

Bailey, '19, made a business trip to Boston last week.

Z. P.

John Stinson, ex-'19, has completed his year's work at medical school and is staying at the house for a few days.

Frank Carpenter, '14, visited the house this week.

H. A. O.

Harris B. McIntyre stopped at the house again Sunday, on his way to New York to enter an ensign school.

Milton A. Philbrook has been ordered to report in Rockland to act as assistant instructor in navigation at the Merchant Marine School.

Hiram F. Moody, Raymond O. Brinkman and Robert E. Sullivan took an automobile trip to Farmington with Dr. Cragin, last Saturday.

Byron A. Ladd, '14, is stopping at the house for a few weeks.

A. R.

Merle S. Getchell, '93, was a visitor at the house last week.

R. H. Parker, '18, has gone home for a few days to work for his father.

Several Lyford speakers were entertained at the house last Friday and Saturday.

"Broadway Bill" Snow starred in the box for the Colby second team last Saturday, allowing but four runs.

Two gold stars are now on the service flag for Murray Morgan, '15, and Herbert Fletcher, '19, who have given up their lives in this war.

A. T. O.

Chas. L. Clement, '97, was a visitor at the house, Sunday.

Boys from Sanborn Seminary and Hebron were entertained at the house during the Lyford contest.

Cook & Leonard, while meandering along one of Waterville's less populated thoroughfares, met the initiates into "Chi Gamma," whereupon the sophs in charge made the poor freshies bow thrice to the passing strollers.

O. O.

Brinkman, '20, went to Buffalo Monday on business.

"Bouke" Bailey, '18, has received his draft call and is to report, May 28.

Mr. Norman J. Kelley of Livermore Falls was the guest of "Bouke" Bailey over the week-end.

Several of the Lyford speakers were guests at the house Saturday.

A. E. Skillings, '17, is included in the next draft quota.

P. A. O.

Henry Bell, '20, preached in the Nye's Corner schophouse at Hinckley, Sunday morning.

Wendell Farrington, '21, preached in the Shawmut Baptist Church, Sunday morning.

WOMEN'S DIVISION

Edited by the News Editor of the Colbiana,
Katharine Hatch, '19.

Assistants: Elizabeth Hoffman, '19,
Lucy Teague, '20,
Bernice Butler, '21.

Announcement has been received of the engagement of Miss Phoebe J. Vincent, '17, to Mr. Raymond A. Parker of Willimantic, Conn. Mr. Parker is a graduate of Yale University and a member of Zeta Psi fraternity.

Gladys Chase, '20, spent the week-end at her home in Skowhegan.

Clara Gamage, '20, spent the week-end in Skowhegan as a guest of Doris Gower.

Dorothy Crawford, '20, spent the week-end at her home in Pittsfield.

Alice Matthews, '20, entertained her sister, Miss Esther Matthews, over the week-end.

The final initiation of Chi Gamma Theta was held Thursday afternoon, May 9.

The "University Wits" have been doing a good work in front of Foss Hall mowing the lawn. Evidently they are developing "brawn" as well as "brains."

Miss Alice Robinson of Foxcroft spent the week-end with Gladys Twitchell, '18.

Violet French, '18, visited at Readfield over the week-end.

Kathryn Sturdevant, '18, was the guest of Rev. Mr. and Mrs. Stedman at dinner, Sunday.

Last week Mrs. C. E. Sturdevant of Belgrade was the guest of her daughter, Kathryn Sturdevant, '18.

Miss Ethel Doughty of Portland is the guest of Phyllis Sturdevant, '19.

Miss Marion Lawson and Miss Lucile King of Caribou are guests of Dorothy Roberts, '18, and Elva Tooker, '20.

Rev. Dryden Phelps gave an interesting address at the girls' chapel, Tuesday morning, on the subject "Influence."

Teacher—Johnny, what are the most essential stable foods of today?

Johnny—Hay, corn and oats. That's what pa feeds our horse.

TUFTS MEDICAL COLLEGE AND DENTAL SCHOOLS

The Tufts College Medical and Dental Schools are co-educational, and provide women with an opportunity for entering vocations of great possibilities.

The requirements for entering the Medical School is that the candidate shall have a diploma from an accredited high school and two years of medical preparatory work covering Chemistry, Biology, Physics, English and either French or German.

Tufts College Dental School admits graduates of accredited high schools on presentation of their diplomas and transcript of record covering fifteen units. Many successful women practitioners are among its graduates.

Tufts College has announced that it will give a summer course in Chemistry, Biology and Physics, so that college men who lack these subjects may enter the Medical School in September, 1918.

The Tufts College Medical and Dental Schools already have several hundred graduates holding commissions either in the Army or Navy.

For further information, apply to

FRANK E. HASKINS, M. D., Secretary,
416 Huntington Avenue, Boston, Mass.
