PHI DELTS AND LAMBDA CHIS TO DECIDE BOWLING SERIES SATURDAY

The final struggle for the title in the college bowling league will come next Saturday afternoon, when the Phi Delts and the Lambda Chis come together for the last time this year at the Casino alleys. The bowling so far this week has been a neck and neck affair, with the leaders fighting hard to maintain their supremacy. The Phi Delts had their lead badly cut when they dropped two to Alpha Tau Omega yesterday afternoon.

The comparative standing remains little changed as far as position goes. The Lambda Chis have, however, taken first place from the Phi Delts by a narrow margin:

	Won	Lost	Pct.
Lambda Chi Alpha	47	17	.718
Phi Delta Theta	45	19	.703
Delta Upsilon	42	22	.656
Alpha Tau Omega	32	32	.500
Delta Kappa Epsilon	28	36	.437
Zeta Psi	25	39	.378
Pi Delta Phi	7	57	.110

COLBY COMETS CLAIM STATE TITLE

The Colby Comets returned to the fold last Sunday, after taking two more scalps, one from the Sanford Professionals to the tune of 31 to 30, and the other from the Valmonts by 67 to 50. Don Smith went out of the Valmont game, which was the roughest of the season, with a dislocated elbow, which, it is feared, will put him out of the game for some time to come. Since the Bangor A. A., better known as the Earl Heal outfit, refuses to take up the Comets' challenge for a three game series, the Colby men are undisputed claimants for the state championship title. They have played eleven

games, ten away from home, against the strongest teams of the state, and they have been defeated but once, by the Bangor aggregation, just after the mid-years. They had previously whitewashed the Heal quintet in Old Town, so this defeat does not count so much. The Comets have tried to start a series to be played off in various towns in the state to decide definitely the state title honors, but the Bangor team has failed to agree. Plans are now under way whereby the Comets will go on a trip through Massachusetts, so they can show to the down-country people the brand of basketball produced in the Pine Tree State.

INTER-FRATERNITY TRACK SERIES UNDER WAY

Last Wednesday and Thursday, the first events in the series of three inter-fraternity track meets took place. Considerable interest was developed among the fraternities and a keen rivalry was shown by the various contestants. Alpha Tau Omega and Delta Kappa Epsilon, in particular, who proved the top-notchers in last week's events, got into the game with "the old fight." This week, weather permitting, the second round of events will be held.

Results of last week's meet:

Team	Points
Alpha Tau Omega	29
Delta Kappa Epsilon	26 1/3
Phi Delta Theta	17
Zeta Psi	6
Lambda Chi Alpha	5 1/3
Unattached	4 1/3
Delta Upsilon	1
Pi Delta Phi	1

NEW HEAD PHYSICAL DEPARTMENT CHOSEN

The Alumni Governing Board of Colby College announces that C. Harry Edwards, of Springfield, Massachusetts, has been chosen as the head of the new department of physical education and training to be established at Colby next fall.

Mr. Edwards will graduate in June from Springfield College, where he has taken a prominent part in the activities of that institution. He is this year president of the Student Association, an organization which embraces all undergraduate activities at

Springfield. Edwards has been a member of the track team four years, of the basketball team three years, (captain, two years), and of the football team two years. He was student instructor in class football three years, class track three years, and has been coach of the second Rugby football team this year. Last year he coached the Trinity College basketball team. This year he is serving as referee in all basketball games played at the Taft school.

Edwards is highly recommended by Dr. McCurdy, physical director at Springfield, and by President Laurence E. Doggett. Dr. Doggett says of him: "Mr. Edwards is thirty years of age, a man of fine personality, vigorous physique, and of earnest Christian character. He is well qualified to administer a physical department and will have a remarkably strong influence on the students."

The Alumni Governing Board has selected Edwards from a large number of candidates, only after very careful consideration and consultation with President Roberts, faculty members, members of the athletic council, and a considerable number of alumni. It is the belief of the members of the board that he comes nearer to measuring up to the standards set by the trustee resolve which provided for the new department and which inspired Mr. Seaverns's generous gift to athletics than does any other man available. In making the selection, coaching ability has been considered of secondary importance, altho there is little doubt but that Edwards is entirely competent to handle the coaching program in football and basketball, and will be of great assistance in track.

The program of the new department will probably offer one hour courses for freshmen in physiology and hygiene, which will be required and will provide sufficient knowledge of these subjects to enable each individual to know his own body and care for his own physical condition. Full semester courses in the same subjects will also be offered, as electives, to the three upper classes; these will be available for those who intend to teach, coach, study medicine, or who for any other reason desire to pursue the subjects farther.

Systematic physical training will be required of all freshmen and sophomores during a large part of the year, either in the form of required gymnasium or other class exercises, or in supervised sports. An effort will be made to interest upperclassmen to the end that every man in college may engage in some form of intercollegiate or intramural sport.

Edwards will be the general head of all athletics at Colby. He will be responsible for all equip-

ment, and in cooperation with the athletic council will have supervision over expenditures, establish a budget system, and outline more clearly the general policy of Colby athletics.

LAMBDA CHI DANCE

One of the most successful affairs ever given by the Lambda Chi Alpha Fraternity was its annual informal dance held in Elk's Hall, Friday evening, March 4. The hall was tastily decorated with ferns and fraternity and sorority banners. Conspicuous among the decorations was the lighted escutcheon of Lambda Chi Alpha, on each side of which was a picture of President Harding. Besides the many town guests, there were present several alumni and out of town guests. An eight piece orchestra furnished the music for the occasion. During intermission, refreshments were served. The patrons and patronesses were President and Mrs. Arthur J. Roberts, Professor Euclid Helie, Dean Nettie Runnals, and Professor Cecil A. Rollins. The committee in charge of the dance was J. Edward Little, '21, Robert D. Conary, '21, and Wilfred Gove, '24.

MAINE DEKES HOLD BANQUET AT AUGUSTA

The Maine Delta Kappa Epsilon Association held its annual banquet at Augusta, Tuesday evening. Ninety-eight enthusiastic Dekes enjoyed the evening's get-together. Both Xi chapter of Colby and Theta Chapter of Bowdoin turned out with nearly 100% of their membership. Before the banquet, a short speech was given by Governor C. E. Baxter, of the Theta Chapter. During the banquet itself, an orchestra formed from both chapters furnished lively music and several Deke songs were sung. The toastmaster for the evening was the Hon. Charles P. Barnes, Xi '92. The only business of the evening was to elect Mr. Barnes president of the Maine Delta Kappa Epsilon. Among the speakers for the evening were John Clair Minot, Theta '96, Ransom Pratt, Xi '21, Rupert Baxter, Theta, Dean J. S. Stevens of the University of Maine, Beta Phi '85, and Dr. Whittier of Bowdoin. The evening will long be remembered by everyone who was present.

CONFERENCE OF COLLEGE MEN

Mr. Oscar Green, a student in the Andover Theological Seminary of Harvard University, spoke at the "Y" meeting last night about the fifteenth annual conference of eastern college men on the

Christian Ministry. The conference is interdenominational and includes an exceptionally fine list of speakers. The conference will be held at Harvard, during April 8-9-10.

The purpose of the conference is to present to those college men who are now deciding upon their life work, definite information concerning the opportunities and work of the Christian ministry.

Several Colby men are planning to attend this conference.

PRESS OF THE CITY JOB PRINT

Next week's ECHO will contain an account of
the trip of the Musical Clubs thru New Hampshire
and Massachusetts.

The record established by the Colby Comets
this year makes one wonder the more that Colby
does not have varsity basket-ball. Colby should
be officially represented in this popular sport, next
season.

This is a good time not to take short cuts
across the campus. Every one who wishes the

college grounds to look at all attractive should
hesitate before walking on the grass, in the con-
dition it now is. The habit of "shooting across"
directly from chapel to Chemical Hall is an easy
one to form, but—is the time saved worth the
damage done?

ON TRACK

"He can, who thinks he can," is an old proverb
of proved worth. Mike Ryan apparently has long
recognized the practical application of this proverb
and, after testing it out in a Boston Marathon race
in which he made a record yet to be equalled, he
has doubtless felt that he could say with some
authority to the track men under him—"It's all
in the state of mind." There is no doubt that an
indomitable spirit, when coupled with only medi-
ocre ability, is a formidable enemy.

There are good evidences of this "winning"
spirit among the track men, this spring, as any one
who happened to be in the gymnasium, Monday
afternoon, must have observed. The veteran track
men, some of whom have been out of the game
this winter, are all back on the job again and are
showing up in good form. We predict that com-
petition for positions on the relay team which rep-
resents us at the Pennsylvania meet will be keen,
and that the men who ran at the Boston and New
York meet will have to go some to keep their
places on the relay team.

Of course, our goal is the Maine State meet.
We surprised sporting circles throughout the state
by the showing we made last year. We have fair
ability this year, and if we tell ourselves that we're
going to win that state meet and put in some real
work, there's no reason why we shouldn't give
Bates, Bowdoin and Maine a run for their money.

BASEBALL STARTED

The baseball season has started off this year with
a bang. About twenty men have been working out
in the gym, daily for the past week, under the
direction of Captain Taylor and Coach Wilkie C.
Clark.

Colby is more than fortunate in securing for a
coach a man of the caliber of Wilkie Clark. In
addition to a professional career in league base-
ball, Clark has successfully coached western col-
lege teams for the past five years, turning out three
championship teams in that period. Coach Clark
is an authority on baseball; and, more than that, he

has the ability to impart his knowledge to the men under him.

Not only will a "first team" be efficiently trained this spring, but a second team will be kept out throughout the season. Captain Taylor is already working out a schedule for this second team.

Among the veterans of last year who should show up well this year are Captain Taylor, Williams, Good, Fitzgerald, Wills, Lampher, Brooks, Azzara, R. Daniels, and Sullivan. Howard and Odom are left from last year's pitching staff. Some men with us who have pitched in prep. schools are McGarry, Feeney, M. Daniels, Porter, Coulman and Weymouth.

We are going to take baseball seriously this year. The team is going to start at the beginning and work hard all through the season. If you can play ball get out and report to Captain Taylor; if you can't, talk baseball and begin early to support the team.

CAMPUS CHAT

The triangular debate with Tufts and Clark will take place the first week in May. The question to be debated is "Resolved, That the Kansas Law for the Compulsory Arbitration of Labor Disputes Be Adopted Thruout the United States." The second try-out for the college debating team will be held next Friday afternoon, in the chapel.

Bernard E. Cratty, '24, has returned to college after an illness of four days.

On account of repairing which is now being done at the Zeta house, the Zeta Psi Fraternity was compelled to postpone its guest night exercises, which were scheduled for March 1g.

Dr. William E. Sargent, who recently suffered a paralytic shock, has been the remarkably successful and efficient principal of Hebron Academy for thirty-five years. Dr. Sargent's father was a pastor of Baptist churches for many years in Maine. The son had planned to take his college course at Colby, but owing to limited financial resources and the residence near Brunswick of a relative, in whose home he was invited to live, he went to Bowdoin, where he was graduated with honor—Charles F. Meserve, President Emeritus. Shaw University, Raleigh, N. C.

STORE with the WHITE FRONT

: BOYS :

This is the College Store

NEVER in the history of over 30 years in business has this store recorded so many sales of Clothing to the College Boys as it has this past year.

We would like to say that this store is today selling mdse. at 30 to 50% under price of four months ago. We are buying clothing every day and selling it over our counters at a considerable saving to those who buy. High prices have gone, and this is one store, regardless of what we paid, dropped our prices when the market dropped.
