

FROSH ICE-BIRDS
WIN VICTORY

Register 3-0 Win Over Notre Dame Team.—Fast and Sharp Play.—Drummond and Gould Feature.

The freshmen hockey team uncovered a masterful brand of hockey by defeating the speedy Notre Dame sextette of this city. It was a hard fought contest, and fast and sharp throughout.

The Notre Dame team played a good brand of hockey, but could not seem to work together. There was almost no pass work, each player trying to score by means of his own individual effort.

Dickie Drummond broke the ice for the Frosh. The first period ended with both teams making unsuccessful attempts to score. In the second period Dickie got possession of the puck in back of his own goal. He shot up the right side of the rink and managed to leave the Notre Dame forwards behind. He eluded the first defense man and skated around the second man to take a shot at the goal. Violette came out to meet him and Drummond shot the puck past him into the net.

In the third period Gould tallied after two minutes of play. Drummond scored the last tally when he hooked the puck out of a scramble in front of the Notre Dame goal and slipped it into the net.

Drummond and Gould showed that they have excellent possibilities and will make good varsity material when the freshmen ban is lifted. For Notre Dame Poulin and Michaud were the outstanding stars.

The summary:

Colby (3) (0) Notre Dame
S. Snow, lwrw, Poulin
Gould, cc, Michaud
Chase, rwlw, Bourgoin
Drummond, rdld, H. Cyr
R. Snow, ldrd, Fortin
West, gg, Violette
Goals: scored by Drummond 2, by Gould 1. Substitutions, Notre Dame, Butler for Fortin. Referee, McBay. Goal umpires, Hunter and Thiel. Time 3-15 minute periods.

KAPPA PHI KAPPA PLANS
ACTIVE PROGRAM

The Kappa Phi Kappa fraternity at Colby has a very active program for the remainder of the year. Plans now are under way for a chapter newsletter to be circulated among the national chapters and its local alumni members. It is at present working on a teachers bureau and is getting in touch with the Colby graduates who are teachers in New England, New York and New Jersey. In this manner, the Delta Chapter plans to be of service to its members and the student body as a whole in procuring teaching positions.

During the past few months several new chapters have been added to the Kappa Phi Kappa National Educational fraternity, one at Syracuse University, one at Washington, one at Lee, one at William and Mary College and one at Middlebury College. The Syracuse Chapter was organized as a local in 1911, and has been very successful in connection with the teachers college there. Middlebury, Washington and Lee have been organized only a short time, yet have proved very beneficial in procuring positions for those desiring to teach. Its expansion has not been rapid although at present there are fifteen chapters including the leading eastern colleges and universities, the nearest, other than the chapter at the University of Maine, being at Dartmouth.

INFORMAL REUNION.

The younger Boston Colby Alumni and alumnae are planning to hold an informal reunion and dance at the Royal House in Modford sometime about the twentieth of February. There is a large number of recent graduates in and around Boston and this affair is being held to enable old friends to see each other and mutually enjoy again the old Colby spirit. It is planned to make this quite an affair as it is an oniro innovation.

All those who wish information about this reunion should get in touch with C. M. Bailey, 198 Winchester street, Brookline; or Doris Wyman, 117 Dudley street, Modford, Mass.

Lady Ursula Idora Beatty

SPRAGUE PRESIDENT
OF COLBY DEBATERS

Other Officers Also Elected by Debating Society.

At a meeting of the Colby Debating Society held recently, Donald E. Sprague, '26, was chosen president; Paul M. Edmunds, '26, vice president; Kenneth E. Shaw, '25, secretary; Theodore R. Hodgkins, '25, corresponding secretary; and William A. Macomber, '27, treasurer.

Sprague has been a leading figure in forensic activities since he has been at Colby. He matriculated to Colby from Hebron Academy where he was prominent in public speaking and debating. While at Colby, he has been on the winning Murray Prize Debating team, took second prize in the Hallowell Prize Speaking contest and was on the winning intercollegiate debating team last year. Sprague is assistant editor-in-chief of the White Mule and president of the junior class. He was a candidate for the Rhodes Scholarship from Colby and is a member of Pi Kappa Delta. He is a member of the Delta Kappa Epsilon fraternity.

Paul M. Edmunds, vice president of the organization, took part in the Murray Prize Debate. He took first prize in the Goodwin Prize Speaking contest and a prize in the Hallowells. He is a member of the White Mule board and of the Zeta Psi fraternity.

Kenneth E. Shaw, retiring president of the Debating Society and secretary for the coming year, has long been a leader in Colby debating. He took second prize in the Junior Exhibition last year, took part in the Goodwins and Hallowells, and is also a member of the White Mule board. He is president of Pi Kappa Delta. He was a member of the winning debating team last year. He has been on the varsity track team for three years and was associate editor of the Oracle. Shaw is a member of Delta Kappa Epsilon.

Theodore R. Hodgkins is business manager of the White Mule. He was a member of the winning intercollegiate debating team of 1922. He is a member of Pi Kappa Delta and of the Alpha Tau Omega fraternity.

William A. Macomber is treasurer of the Colby Debating Society. He is captain of the tennis team and is secretary of the sophomore class. He is a member of the Delta Kappa Epsilon fraternity.

At the meeting, plans for the year were discussed. The first debate of the year is to take place March 6, against the U. of N. H. This is a dual debate. The question to be debated is, Resolved, That Congress should have the power to pass a measure over the veto of the Supreme Court by a two-thirds vote.

In past years, a great amount of interest has been taken in debating. Colby has always been successful in her debates and has won the majority of decisions. It is hoped that the debaters may take a trip through New York state and meet colleges on the way down and back.

The faculty advisers chosen at this meeting were Prof. Morrow, Prof. Wilkinson, Prof. Newman and Prof. White.

FIRST CONCERT
OF MUSICAL CLUBS

Performance in Oakland Last Night the First of a Four-Day Trip.

The combined Colby Musical Clubs gave their first performance of the year at Oakland last evening. This was the opening concert of a four day trip during which stops will be made at Livermore Falls, North Jay, and Farmington. On Wednesday evening, a concert and dance will be given at North Jay. On Thursday, Livermore Falls will be visited and the final concert of the trip will be at Farmington on Friday evening. The Colby clubs gave programs at these places last year and that they were very successful is attested by the fact that the organizations under whose auspices the performances were given, were very anxious to have the clubs this year.

The clubs are similar in personnel to those of last year. The "Jazzsters" are still rendering correct interpretations of collegiate music under the able supervision of Lloyd M. Dearborn, '25. This orchestra plays selections during the performance and they also play for dancing following the entertainments. The Jazzsters have already played at the Boys' Club Conference held in Waterville a few weeks ago. Many new features have been introduced which are sure to improve the team. Among them are a quartet consisting of Stanley C. Brown, '26, John E. Tibbets, '25, Elmer F. Allen, '27, and Edwin W. Harlow, '28. The quartet furnishes several vocal selections which are very pleasing. Also several selections are read by Karl E. Rood, '27, Carroll J. Cooke, '28, and Roland S. Baird, '27. These numbers are clever and are sure of making a decided hit.

The mandolin club this year is led by Kenneth W. Bragdon, '26. The selections rendered by this club last year were well received and the club has noticeable improved this year. The chorus is made up of a fine array of singers and the selections they render are praiseworthy. As a whole the glee clubs are very good and they compare favorably with those of previous years.

The Massachusetts trip will be taken as usual during the Spring recess.

ORACLE PICTURE
DATES CHANGED

New Schedule Arranged By Board. Classes In Afternoon To Be Delayed.

BLUE AND GRAY RUNNERS TRIUMPHANT
IN BOSTON ARENA ATHLETIC GAMESELMER P. MARSHALL IS
NEW MATHEMATICS PROF

The faculty has been fortunate in securing the services of Mr. Elmer P. Marshall of Allston, Mass., as a substitute for Prof. Carter during the latter's illness. This position in the mathematics department, temporarily held by Mr. Loring, who left immediately after mid-years, will be well filled by Mr. Marshall. He was graduated from Northeastern University with the degree of Bachelor of Chemical Engineering in 1924. Since then, he has been with an engineering firm in Boston.

Prof. Carter has returned to Waterville and is well on the road to recovery. He will probably resume his work some time after the Easter vacation.

ICE TEAM LOSES
TO BOWDOIN

Game Disastrous to Colby—Results in 7-0 Score.

The Bowdoin hockey team continued its march to the state championship by giving Colby a 7 to 0 trouncing at Brunswick. The Polar Bears had the class and deserved the victory, but the margin between the two teams was not as large as the score indicates. Fagerstrom in the net had an off day and allowed shots to get by him that should have been easy stops.

The Bowdoin players were better individually than Colby, but as a team did not show anything that would outshine the Blue and Gray. The White ice artists were experienced and could handle a stick well in addition to being able to skate faster than the Colby players.

Bucknam scored the first goal for Bowdoin after six minutes of play. Widen took the puck from a Colby man and skated deep into Colby territory. He passed to his guard. The puck was near the corner of the rink. Cutter took a quick shot and the damage was done. Fagerstrom saw it too late to stop it. Thirty seconds later there was a mixup in front of the Colby goal and Bucknam poked the puck into the net.

Cutter scored twice in the second period. The first was a long shot from the middle of the ice, and the second from the center ice.

At the opening of the third period Widen took the puck down the ice and passed to Bucknam who scored for Bowdoin. Cutter then skated through the entire Colby team and scored the last goal for Bowdoin.

Cutter and Widen were the Bowdoin aces, McGowan, MacPherson and Millett were the Colby men to put up the best kind of a battle. These men worked hard but to no avail.

The summary:

Colby (0) (7) Bowdoin
McGowan, lwlw, Cronin
MacPherson, cc, Cutter
Muir, rwrw, Bucknam
Millett, ldld, Probie
Peacock, rdrd, Widen
Fagerstrom, gg, Berry
Goals, scored by Cutter 4, Bucknam 3. Penalties, Muir two minutes, slashing. Referee, Pat French. Three 12-minute periods. Substitutes, Bowdoin, Fisher, Brown, Littlefield, Cole and Lord.

BETA CHIS HAVE PARTY

All griefs and regrets of mid-years were forgotten when fourteen of the sorority members were delightfully entertained at the home of Girlandine Priest, '26, of East Vassalboro, Saturday, Jan. 31. Stunts and games of various sorts with accompanying prizes, engaged the attention of all. A buffet lunch of very substantial and appetizing viands was served. Those present were: Elsie Adams, '25; Claire Crosby, '25; Mildred Briggs, '25; Jennie Nutter, '25; Margarette Albert, '26; Agnes Brander, '26; Nela Sawtelle, '26; Mollie Seltzer, '26; Rose Seltzer, '27; Florence Wolf, '27; Ena True, '27; Martha Davis, '27; Jessie Alexander, '28; and Rose Black, '28.

Relay Team Defeats Boston University And Tufts In Thrilling Race. Brudno Places Third In Mile Handicap. Mittelsdorf And Laughton Run Well.

The banners of Colby were flung to the fore last Saturday evening, when the sturdy little band of athletes which Mike Ryan led to Boston, garnered several honors while in competition with the cream of the country's athletes.

The B. A. A. games in which the Blue and Gray runners competed so successfully, drew a record breaking attendance. Throngs jammed the Arena entrances long before the time for the opening event. Thousands milled their way into the huge structure to witness one of the most imposing sets of athletic games ever offered in this country. And shining forth as the premier attraction of the evening was stalwart little Paavo Nurmi, Finland's wonder athlete, who has been raising havoc with the track records since his recent advent into the United States running game. Although the wonderful little foreigner failed to duplicate any of his startling record smashing performances in Saturday's games, he ran a winning race and the applause of the huge gathering was unstinted.

The fleet Colby relay team duplicated its performance of last year by coming home to the tape in advance of the teams representing Boston University and Tufts. This race, which bore all the earmarks of a decisive win for the wearers of the Colby spangles, developed into one of the most thrilling finishes of the evening when Mastaglio, B. U. anchor man, with a phenomenal burst of speed closed up the gap between himself and Hearn, the Colby runner, finishing two feet in the rear.

Jimmy Brudno, captain-elect of the Blue and Gray cross country team, who has endeared himself to all who have witnessed his track work by his plucky running, brought more honor to the Colby aggregation by finishing third in the one mile handicap, an open race with nearly half a hundred competitors, numbering some of the country's foremost milers.

Colby men will be glad to hear of the achievement of Charlie Major, the elongated Coburn athlete who leaped to victory in the high jump over a formidable field of entries, including such prominent men as Leroy Brown, former Dartmouth star, Flahive, of Boston College, and a host of other entries.

Major was also under the wing of Mike Ryan, and his accomplishment heaped additional honors on the head of the able Colby mentor who has striven so faithfully to perfect the Coburn jumper.

George Mittelsdorf, Blue and Gray sprint star, battled his way through the trials and semi-finals in the all-star Major Briggs sprint event. In the finals, however, he went down to defeat, drawing fourth place, with such runners as Murchison, the Olympic star, in the lead.

John Laughton, Colby cross country captain, played in exceptionally hard luck at the Boston games. He was entered in the three mile race and bruised his knee in a jam at one of the turns. This handicapped him severely, putting him out of the running.

The relay event started out with Taylor running for Colby against Onthank of B. U. Taylor took the pole from the B. U. runner at the start of the second lap, and managed to edge out Onthank with a two yard lead. Ev Fransen then seized the baton for Colby and piled up about six more yards over Cullen, the terrier man. Brown was next for the Blue and Gray, and his running brought roars of applause from the vast Arena gathering. Brown, running with admirable form, increased Colby's lead to a good 20 yards. Roy Hearn, Ryan's anchor man, clutched the baton for the final lap, and found the stiffest of opposition in Mastaglio, Boston University star. The B. U. runner, travelling at tremendous speed, closed up the wide gap between himself and Hearn and was at the Colby man's heels when the final stretch neared. Here the Colby runner's familiarity with track lore served him in good stead. He swung wide, forcing the Boston man from his stride and saving the race for Colby.

MITTELSDORF IN
SEVERAL MEETS

Blue and Gray Dash Man Entered by Coach Ryan, at Portland, New York and Newark, N. J.

It should be of great interest to Colby students to know that Coach Mike Ryan of the Blue and Gray track squad has accepted, on behalf of George Mittelsdorf, fleet Colby dash star, invitations to partake in several meets this week.

Ryan will take his protégé to Newark, N. J., where he will enter in the Wilco A. C. games. The Colby sprinter is also slated to show his wares at the Legion Games in Portland this Saturday. Ryan is considering invitations from several other prominent meets and doubtless the Blue and Gray sprint phenom will partake in at least one New York meet before his return.

Mittelsdorf has been showing wonderful form this season as was well attested in his splendid showing in the B. A. A. games. With a little more work on the indoor boards, the popular Colby athlete should produce many honors for Colby.

STUDENTS' TRIP TO EUROPE.

One of the most interesting tours to Europe this coming summer for college men and women is being handled by the Students Co-operative Society of Fifth Avenue and Forty-sixth street, New York City. An opportunity is offered a limited number of students to obtain the ocean trip, free of expense, by netting as toppings.

Any student desiring to take advantage of the opportunity may secure information regarding conditions by corresponding with the editor of the College Magazine, 505 Fifth Avenue, New York, or by writing to the Students Co-operative Society.

WEDNESDAY, FEBRUARY 4, 1925.

News Editor for this week: Roger A. Stinchfield, '26.

START NOW!

Well, mid-year exams are over at last. "How did you hit them?"

If you do your daily work during the semester, exams are no bugaboo. You can hit them well and hit them honestly. If you let your daily work slide, then exams come hard. If you crib your way through, you are only cheating yourself and an "A" can bring but poor satisfaction for the self-respect you have compromised.

Whatever you have done during the past semester, put that behind you and start getting ready for the finals now!

We look for the hockey team to take a new lease of life now the freshmen are eligible. Show us the goods, '28.

Cooperate with the Oracle board by keeping your appointments with the photographer. It's a big job to get the pictures all taken and, without the cooperation of everyone, it is impossible to make the Oracle complete as it should be. Seniors, especially, should look after having their individual pictures taken right away.

THE OUTING CLUB.

Where is the Outing Club this year? Are we going to have one or is this very desirable winter activity to die out? Winter sports form a valuable recreation at this time of the year. An outing club also has the advantage of being able to offer recreation to many students. The time for winter carnivals is fast approaching. If Colby is to do herself credit in these, she must get started.

A TOUCHSTONE FOR THE COLLEGE.

The training of men who will produce dividends in the financial world seems to be the objective of the modern college system, in the opinion of a committee of Dartmouth College seniors appointed by President Hopkins to study the subject. "The age of business demands," they say, and "the college complies." And then the committee says something that may have been suggested in various presidential inaugurals, but never, we are told, more directly:

"The serious question arises: Should the college continue to be bellhop to the world. . . and, in an age where the apparent criterion of any venture is the commercial touchstone. 'Will it pay?'—to turn out a finished product whose bugaboo is pure learning and whose ideal is immediate, paying practicability? Or, on the contrary, has the college some more difficult function—to be the leader, and not the errand boy, of society; to set up ideals for the world, and thereby satisfy a need more fundamental than those represented by the fluctuating demands of a changing society?"

"The opinion of the students turns toward this latter end. To achieve it they offer a twofold suggestion. On the one hand, they would have the student body picked with increasing care, recognizing the alleged shortcomings of all mass education. And on the other, they would let faculty members carry on their work in the knowledge that their function as relayers of information is of distinctly subordinate importance to their office as guides to independent thinking and inspirers to an intellectual life."—Literary Digest.

WHY STUDENTS FAIL.

Too little sleep, too much play, not enough study, too much leisure, fast eating and diversified thinking are factors that de-vitalize students and are responsible for the "delinquent groups" found in every university, according to a report made public by Professor Howard of Northwestern University.

OUR ADVERTISERS.

The Echo depends on its advertisements for about one half of its funds. If the business men of Waterville and elsewhere are going to help support the college paper, the students should support those business men who advertise by trading with them. Patronize our advertisers.

Why is it that the only college song we generally hear is "On to Victory"? Colby has many good songs which could be used if the students knew them. There is nothing better than chapel songs for bringing this about.

WHEELER VIEWED ECLIPSE IN RHODE ISLAND

Head of Physics Department Tells Own Story of Totality.

Professor Nathaniel E. Wheeler of the physics department made a trip to Westerly, Rhode Island, Friday and Saturday, January 23 and 24, to view the total eclipse of the sun. He reports that it was the greatest spectacle he has ever seen and feels many times repaid for the trip.

Professor Wheeler said that there were no other eclipse fans on the train until he reached Salem where the train became jammed with them. At Boston he found it almost impossible to get a ticket for one of the "Eclipse Specials" to Westerly on account of the immense crowds going there. However, Professor Wheeler made his way to Watch Hill from which the eclipse was to be viewed, equipped with binoculars and camera. The light was already getting dim and continued to diminish. Soon flickering shadow bands were seen on the snow, moving eastward. The planets, Venus, Jupiter, and Mercury became visible and the star, Vega, was seen.

As the eclipse approached totality, a wonderful shining white corona could be seen entirely surrounding the clock disk of the moon. This in its pearly whiteness, added to the brilliant colors along the horizon made a most fascinating scene. In a short time the sun began to reappear and the corona vanished. The shadow bands were again observed, this time moving westward, and the rest of the eclipse was practically the same as seen in Waterville.

RESOLUTIONS.

Whereas it has pleased God in his infinite wisdom to remove from this life our beloved brother, Nathan Hunt, be it resolved:

That the Colby Chapter of the Delta Upsilon Fraternity express its deepest sympathy to the immediate family;

That these resolutions be written upon the records of our chapter, and be it further resolved

That a copy of these resolutions be published in the Colby Echo.

COLBY DEFEATS NAVY.

The Colby basketball team was victorious over the Navy team in Westbrook last week. Princeton also beat Harvard while Yale won from West Point. The junior basketball league of the Westbrook Community Association have given the above names to their respective teams, choosing them, as will be seen, from the leading colleges of the country. That Colby is holding her own in fast company is evident from her 21 to 10 victory over the Navy. "Ginger" Fraser is prominent in the Community Association.

Dartmouth has made a great step in advancement in solving the present fraternity rushing system, whereby no fraternity will be permitted to either initiate or pledge a man into membership until he has attained a sophomore standing. This ruling will go into effect at the close of the present academic year.

RESOLUTIONS.

Whereas, it has pleased God in His infinite wisdom to remove from this life the mother of our Brother Clyde Mann, be it here

Resolved, that we, the members of Alpha Rho Zeta of the Lambda Chi Alpha Fraternity extend to him in his bereavement our heartfelt sympathy and be it further

Resolved, That a copy of these resolutions be sent to him and his family, that a copy be placed on the Fraternity records and a copy of printed in the Colby Echo.

LAM CHIS AND NON-FRATS WIN

Defeat Zetes and Lancers Respectively in Intramural Games.

L. C. A., 24; ZETA PSI, 15

The Lambda Chi Alpha basketball representatives trounced the Zeta Psi quintet by the score of 24 to 15 in the last half of the second round of the Colby interfraternity basketball league race, run off in the college gymnasium.

The Zeta Psi aggregation was looked upon as the most likely winners but the Lambda Chi Alphas by a brilliant display of floor work and shooting dazzled their opponents and

crashed through a winner. As a result the Lambda Chi Alpha aggregation is now tied with the Phi Delta Theta team for first place in the league.

The sensational shots and excellent floor work of Wortman, who alone kept his team in the lead featured the game.

The summary:

L. C. A. (24)	(15) Zeta Psi

Goals from fouls: Lambda Chi Alpha—Wortman, Taylor; Zeta Psi—Abbott 3, Soule 2.

Referee, Marr. Timer, Laughton. Scorer, B. Chapman. Time, 4-8s.

NON-FRAT, 26; LANCERS, 20

Forcing the attack, the Non-Fraternity five met and defeated the Lancers Club by a 26 to 20 score. The Non-Fraternity team was looked upon as the weakest team of the league due to the unmerciful drubbing handed it by the fast Phi Delta Theta team. It was however, a far from disheartened team that entered the court Saturday night and the spectators witnessed an interesting, if indifferent brand of ball.

The work of McNaughton, Hodgkins, and Chandler, three new men who were injected into the game featured the tilt and proved the undoing of the Lancers Club. They shot and passed with rapidity and although the absence of team work was noticed, this trio should be a factor in the Non-Fraternity climb for the championship.

Caulfield, by some excellent individual work kept the Lancers in the running for some time but could not stem the avalanche of Non-Fraternity field goals that came in the last few minutes of play, which decided the game.

The summary:

Non-Frat. (26)	(20) Lancers

DANCING AFTER GAMES?

The question as to whether dancing will follow the inter-frat games in the future is still pending. All games between the competing basketball artists will be slated for Saturday night from now on. Considerable discussion has arisen as to the possibility of having an informal dance after each of the scheduled games. The question has by no means been settled and any decision which will be made will depend wholly upon the future.

Athletic Director C. Harry Edwards stated today that if the games, awake sufficient enthusiasm in the student body to bring out a large aggregation at the competitions, the interest displayed might be enough to warrant the allowing of dancing following the encounters.

According to the present state of affairs, the question lies wholly with the students of Colby. Only the future can decide for or against post-game dances.

COBURN DEFEATS COLBY SECONDS

Colby Subs Lose One-sided Ice Game to Prep Schoolers, 5-0.

The fast Coburn hockey team had no difficulty in wresting a 5 to 0 victory from the Colby second team on the college rink over a week ago. The crimson team looked much better than they had in previous games, and if they continue at the same pace they should make a strong bid for the preparatory school championship.

From the start of the game it was evident that the prep team had the edge on the Colby subs. Two minutes after the opening of the first period Ellis by a flashy piece of work tallied the first time for Coburn. There was no more scoring during the rest of the period as the second string men tightened their defense.

In the second period Coburn scored twice. Ellis scored the second time when he caught a rebound off Garabedian's pads and ended the puck. The second score was made in this period by Howland who took a shot from the side of the rink.

In the third period Coburn scored two more times. Burnham scored the fourth goal with a pretty shot from

the side of the rink. Ellis tallied the third time with a lift from in front of the net.

Ellis was the star performer. Garabedian made a large number of stops in the Colby net.

The summary:

Colby Second (0)	(5) Coburn
Ridley, rw	rw, Howland
Nesbitt, c	c, Burnham
Getchell, lw	lw, Ellis
Thiel, ld	ld, Mason
Hunter, rd	rd, Leary

FROSH WILL ADD STRENGTH TO VARSITY ICE-BIRDS

The hockey team will play Bates and Bowdoin this week, and the team that faces these two colleges will be an entirely new combination. The squad has been greatly strengthened by the addition of all members of the freshmen hockey squad. As the first semester has ended, all freshmen that have passed off their scholastic requirements are now eligible for college competition.

Among the most promising of the yearlings are Chase, Drummond, Gould, and West. Chase is one of the cleverest hockey players in college. He has been the backbone of the freshman team and has been largely responsible for the scores made. He is a fast skater and handles the stick well. He played considerable hockey in Ipswich, Mass., his home town.

Drummond played two years with the fast Coburn team. He is a stellar defense man, a great fighter, and can use his weight to great advantage. He will without doubt earn a position on the varsity team.

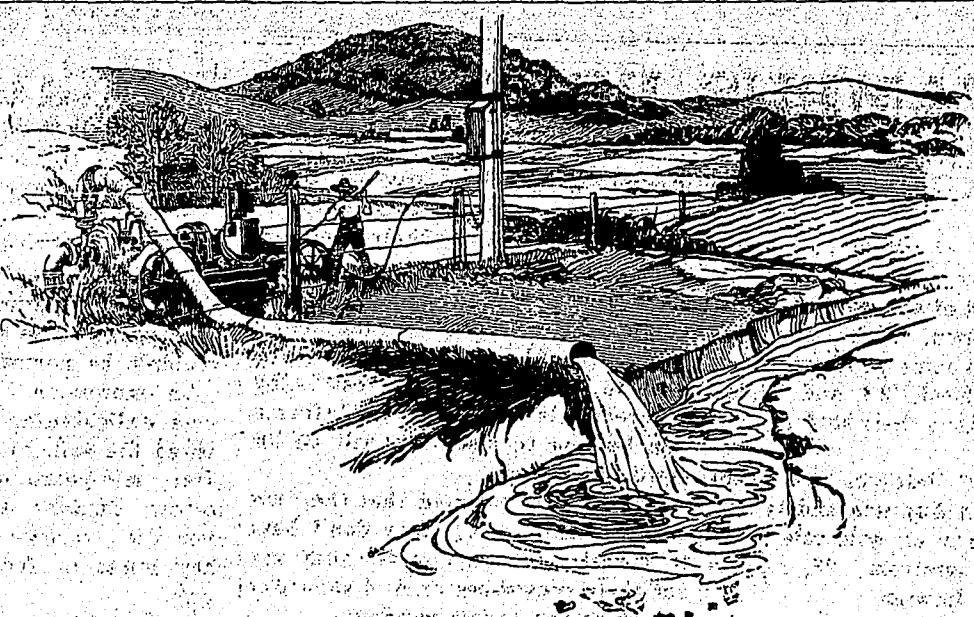

Gould is the third man that will fight for a forward position. He propped at Kent's Hill, and although he had little chance to display his hockey ability he has great possibilities. He is a fast skater and when he learns to follow the puck he will be a big threat.

West, who has been tending goal for the frosh team, will give Fagerstrom a hard fight for his berth. West is a big fellow, but handles himself well in the net. He tended goal for Coburn before coming to Colby.

Coach Roundy will try a new lineup this week. Gould will be used at center; Capt. McGowan will be moved out to left wing; Chase will be at right wing; Millett and Drummond will be used in the defense with Fagerstrom or West in the cage.

PRESIDENT ROBERTS TO SPEAK

President Roberts will speak to the members of the Delta Chapter of Kappa Phi Kappa at the Massalonskoo Inn next Friday evening on the subject of "Discipline in the Secondary School." Heretofore President Roberts has been the first speaker of the year at the Kappa Phi Kappa banquet but, owing to a conflicting engagement, his place was taken by Professor Wilkinson.

Winning the West

The General Electric Company provides for agriculture little motors that do the farm chores and great ones that operate the mammoth pumps to irrigate vast stretches of arid valleys.

If you are interested in learning more about what electricity is doing, write for Reprint No. AR391 containing a complete set of these advertisements.

Irrigation by electrically driven pumps has made hundreds of thousands of acres of desert land in the Intermountain West blossom like the rose.

For a few cents a month per acre, electricity—the giant worker—brings the life-giving water from distant lakes and rivers to rainless valleys, producing rich harvests of fruits and vegetables, cereals and forage.

What electricity is doing for the farmer is only a counterpart of what it is doing for Industry, Transportation, City and Country life or any of the professions. It is a tool ready for your use and which, wisely used, will make the impossible of today an accomplished fact tomorrow.

How electricity does these things is important to the student in a technical school—but what electricity can do is important to every college man or woman, no matter what their life's work may be.

The Class Endowment

And How It Can Be Done Through Life Insurance

THE JOHN HANCOCK MUTUAL LIFE INSURANCE COMPANY worked out this problem for the 1923 graduating class of the Massachusetts Institute of Technology, and is ready to do it for others.

Many graduating classes, wishing to benefit their Alma Mater have turned to the insurance idea since it allows the participation of a large number of students.

This plan provides for the payment of a certain specified sum to the University at the end of 20 or 25 years, the members of the graduating class paying a nominal sum each year to create an endowment. In case of the death of a graduate before the endowment matures his full share is paid into the fund.

Every student is given a chance to put his John Hancock on the dotted line and become a contributing contributor to the future welfare of his Alma Mater. It has been successfully carried through in a number of cases, and it can be done with your institution.

The John Hancock organization will be glad to render any service it can to college classes and individuals also to interested ambitious college men in life insurance work.

CAMPUS BRIEFS

"Al" Wassell, '26, has returned to college.

"Shy" Mills, '25, spent Monday at the D. U. House, returning to Winslow for the rest of the week.

"Bozo" Thorsen, '28, spent the week-end at his home in Ellsworth.

"Doc" Hammond, '28, and "Jim-mie" Tufts, '28, did their stuff in Dexter last week.

"True Story" Baldwin, '27, spent the week-end in Augusta and is now filling the boys up on wild tales.

"Eddert" Fagerstrom, '26, reports a good time in Ipswich.

Stanley Brown, '26, spent the week-end at the home of Miss Vivian Randelet in Hartland.

C. B. Chapman, '25, and Elmer Allen, '25, spent the week-end in Augusta.

Alfonso Lawson and Maynard Maxwell, both of '27, snowshoed to the home of the latter in South China.

Charles Hannifen, '28, and Lawrence Goddard were guests of Roy Shorey, '28, and Eliot Williams, '27. In addition to participating in numerous winter sports, they played the part of radio fans and listened in on the B. A. A. games.

Perrin Newell Freeman, '25, visited William Philbrick, ex-'26, at his home in Gardiner.

Everett Fransen, '25, of Lynn, Mass., and Elmer Taylor, '25, of Winthrop, visited their respective homes after taking part in the B. A. A. games.

Vernon H. Chase, '28, one of the freshman hockey stars, visited his home in Lynn.

Wilbur B. McAllister, '25, has returned from a visit to Bangor.

John N. Laughton has recovered from injuries received at the B. A. A. games. In fact he tripped the light fantastic at the U. B. dance.

Howard Tuggey, '25, and Ted Pierce, '27, took a five mile hike in the face of a blinding snow storm while returning from a week-end party in one of the surrounding towns.

Harry B. Thomas, '25, and Miles F. Carpenter, '28, spent the short vacation after mid-years at the latter's home in Norridgewock. They came back still wearing that tired look and we wonder which was more strenuous, mid-years or the vacation?

The Lancers are enjoying a fine lot of cigars sent them by absent Brother Pierpont on the event of his marriage last week.

Carl H. Crummett, '28, spent the week-end at his home in Clinton. He reports that when he left that fair burg the inhabitants were all busily shoveling snow in order to help the

groundhog make his way out to see his shadow on Candlemas Day.

The rest of the Lancers spent the week-end at the movies.

Disappeared: From the Lancers Castle, early Sunday morning, young man of about twenty summers, answers to name of H. Forrest Colby. Whereabouts still unknown. Information leading to discovery will be liberally rewarded.

Lancers are all glad that they live on the third floor. They don't have to shovel their way up for they can put their snowshoes on and snowshoe out from the turret window.

Almon R. Warren has returned to college to resume his studies, and has taken up his abode at the Lancers Club. Welcome home Brother Warren.

Hiram H. Crie, '25, returned Monday night from Rockland where he has been several days convalescing from a severe attack of mid-yearitis.

Manager Ford and Kenneth Wentworth left Friday night for the B. A. A. games in Boston. They returned Tuesday morning having had a pleasant and successful trip. They speak with admiration of Nurni, the Finnish wonder. Ford is thinking seriously of bringing the silent Finn here next year.

"Bob" Lombard was absent from the Zete House the few days of the week-end visiting friends in the Capitol City. Bob reports quite a change from the stress and strain of mid-years.

Answering to the luring call of home, "Sid" Snow embarked Saturday to spend a couple of days in his home town of Rockland.

Paul and Warren Edmunds visited relatives in Bangor over Saturday and Sunday.

It looks as if Oak Grove is satisfied with "Tom" O'Donnell's services. We hope he will have a very successful season.

The Clinton Town Hall seems to be a vicious place for basketball players. "Dent" also returned with a sprained ankle, as did Harry Kaufman.

The A. T. O. hockey team held a short practice last Saturday morning in preparation for their coming game with the Phi Delta crew.

Charles "Iron Man" Flaherty, and "Hercules" Potter, the wrestling men from Norwood, are ready to defend their championships against all comers of their own class. All would-be wrestlers wishing to show their skill may consult the promoters by applying at Room 16, Hedman Hall. All comers of their class probably accepted.

By all appearances "Steve" Berry has made his debut as a boxer. Ask Steve, he knows.

We all wonder why some people in Hedman Hall receive laundry bags but postpone the opening until they are alone?

"Turk" Moynahan was official at the Waterville and Crosby basketball game at Waterville last Friday evening.

"Tom" O'Donnell refereed at Hal-lowell last Saturday evening.

Brother "Bob" Dow was a welcome visitor at the A. T. O. house last week.

Brother Smith of the class of '26, visited the A. T. O. house last Thursday.

The A. T. O. Phi Delta basketball game has been postponed indefinitely. "Tubby" Littlefield of the U. of M. A. T. O. chapter spent the week-end here.

Many members of the victorious Hebron hockey team stayed at the A. T. O. house Saturday evening.

Brother "Roy" Hobbs, who left school in '22, is to return this semester and complete his course.

Brother "Ab" Scott returned unexpectedly to the A. T. O. house and helped the boys celebrate last Saturday evening.

"Doug" Johnston, '27, spent the week-end in Portland, visiting his sister.

"Ted" Hodgkins spent the week-end in Farmington, supposedly on business.

Charles Alexander Flaherty and John Olaf Erickson are the A. T. O. members of the Upsilon Beta Society. John Candalel and "Ed" Avery played the piano and violin respectively at the dance run by "Cliff" Littlefield last Friday evening. A very talented combination.

"Al" Penecek accidentally acquired a sprained knee during the hockey game last Tuesday against New Hampshire State. Nevertheless, he put up a hard battle under the serious handicap.

"Cliff" Littlefield held a dance after the Waterville-Crosby High basketball game last Friday. The dance promoter has made a great success of the dances held under his supervision.

The A. T. O. basketball team journeyed to Clinton a week ago Thursday evening to play the Clinton town team. Although without the services of their captain "Turk" Moynahan,

they returned as victors, defeating the Clinton team 32 to 18.

A few Abbott school students stayed at the A. T. O. house last Friday. They were on their way to play M. C. I. in basketball.

Richard Race spent the week-end in Guilford, but he had it well understood before leaving not to forward his baggage as he hoped that his visit wouldn't be permanent.

An expression expert would make some enlightening discoveries if he visited the halls at the critical period after mid-years, with regret, joy, sorrow, surprise and anger playing over the various countenances as they burst in from class with the news.

Gordon Marr quietly boarded the train for Corinna last Friday evening. We say "quietly" because he didn't want to be noticed by the conductor or brakeman.

Anyway the boys can ease over the last minutes before the departure of our brothers by rendering "It had to be you."

Lamont Kelly, '28, spent the week-end in Portland.

Phi Delta Theta wishes to announce the pledging of Lawrence Roy, '27, of Waterville.

Sylvester Sullivan made one of his frequent journeys to Oakland Sunday night, to speak at a gathering there!

"Danny" Shanahan has been forced to leave college. "Danny" hopes to return in the fall, and resume his activities at Colby, where he always has been very popular.

Brothers Staunton and Warren and Jack Ricci from the P. D. T. House are making the trip with the glee clubs.

Mittelsdorf left Saturday night, for a ten days trip. He will run at Boston, Newark, New York, Brooklyn and at Portland.

"Gus" Parker, '26, journeyed to Belfast over the week-end.

Roy Bither, '26, has returned safely from Houlton.

BETA CHI THETA.

Ellen Smith, '25, was the week-end guest of friends in Riverside.

Lerene Rolls, '26, spent the week-end at her home in East Peru.

Edna Cohen, '28, spent the week-end as guest of Helen Merrick in Augusta.

SIGMA KAPPA.

Miss Clara K. Ford has returned to college to resume her studies.

Miss Ruth Allen, '24, visited at Foss Hall over the week-end.

Miss Margaret Hardy, '26, accompanied the deputation team to Augusta Sunday to sing.

Miss A. True Hardy gave a synopsis of the play, "St. Joan," in Y. W. C. A., Tuesday night.

ALPHA DELTA PI.

Miss Esther Viles of Skowhegan was the recent guest of her sister, Miss Ruth M. Viles, '27.

Miss Ethel Hubbard called on friends at Foss Hall on Saturday.

The girls of Alpha Delta Pi with their pledges were the dinner guests of Mr. and Mrs. Herbert L. Newman on Wednesday evening, Jan. 21. A delicious dinner was served, consisting of chicken patties, mashed potato, peas, sandwiches, fruit salad, cake, cocoa, candies.

UPSILON BETA DANCE.

Upsilon Beta held its annual informal dance at Elks Hall, Monday evening, February 2. The hall was pleasingly decorated in blue and gray, artistically set off by the vari-colored fraternity banners. Despite the unpromising weather over a hundred couples danced to the music of the Blue and Gray Collegiate Orchestra. The music was good, the punch was good and the refreshments did honor to U. B. To say that a good time was enjoyed by all would but kill the true success of the occasion. Upsilon Beta crashed through for a gain in the first post-holiday dance.
