

BLUE AND GRAY OUTCLASSED
AT NATIONALS AT PHILADELPHIAMittelsdorf and Taylor Qualify But Fail To
Place In Finals---Amazing Times And
Distances Turned In.

The Colby men found the going too rough at the National Intercollegiate championships held on Franklin Field at Philadelphia last Saturday, and failed to collect a point. The performances were amazing and the quality of the competition was indicated by the times and distances turned in.

George Mittelsdorf and Elmer Taylor were the only Colby men to qualify, but failed to place in the finals. One of the classiest fields in competition was assembled for the 100 yard dash which was won by Bowman of Syracuse in 9.9-10 seconds.

Elmer Taylor failed to place in the low hurdles because he was simply outclassed. The men in the race were all performers who have had years of experience. Scattered good won this event in 24 seconds which was 3-5 of a second better than Taylor's fastest time.

Wentworth was left out of the running in the hammer throw. The event was won by Gates of Princeton with a toss of 160 feet 10 3-4 inches. Charles of Bowdoin was the only Maine man to score, he taking second place in the discus. Carl Ring of Maine was not able to place in the high timbers.

The total points scored were Southern California, 33; Princeton, 29 1/2; Yale 26 1/2; Georgetown, 23; Penna., 22; Cornell, 16; U. of California, 12; Harvard, 12; Penna. State, 12; Syracuse, 11; Mass. Institute of Tech., 7; Holy Cross, 5; Columbia, 5; Bowdoin, 4; Dartmouth, 4; and Boston College, 2.

The summary: 16 pound shot put, final: Won by Hills, Princeton, 49 feet 9 5-8 inches, (new Intercollegiate record); second, Houser, Southern California; third, Anderson, Southern California; fourth, Gerkin, University of California; fifth, Plansky, Georgetown.

Javelin throw, final: Won by Bench, Yale, distance 186 feet, 4 inches; second, Wolkowitz, Cornell; third, Covert, Dartmouth; fourth, Glenn F. Dodson, University of California; fifth, Verne E. Dodson, University of California.

120 yard hurdles, final: Won by Die, Southern California; second, Wolf, Penna.; third, Stever, Southern California; fourth, Becker, University of California; fifth, Scattergood, Princeton. Time, 14 8-10 seconds.

440 yard dash, won by Tierney, Holy Cross; second, Gage, Yale; third, Ascher, Georgetown; fourth, Paulsen, Yale; fifth, Proudlock, Syracuse. Time 47 9-10 seconds.

Discus throw: Won by Houser, Southern California, distance 150 feet 2 1-4 inches; second, Charles, Bowdoin; third, Anderson, Southern California; fourth Coleman, Penna.; fifth, Gates, Princeton.

One mile run: Won by Haggerty, Harvard; second, Theobald, Colum-

bia; third, Gegan, Georgetown; fourth, Stewart, Penn State; fifth, Cavanaugh, Boston College. Time 4:25 7-10.

Two mile run: Won by Tibbetts, Harvard; second, Barclay, Penn State; third, Loucks, Syracuse; fourth, Briggs, Yale; fifth, Fouracre, Penn State. Time 9 minutes 26 6-10 seconds.

Running High Jump: Tie for first place between Blake, Princeton and Mampden, University of California. Height 6 feet 3 1-8 inches; third Steinmetz, Princeton; fourth, tie between Deacon, Yale and Ross, Southern California.

Sixteen pound hammer throw, Won by Gates, Princeton, distance 160 feet, 10 3-4 inches; second, Caskey, Cornell; third, Taylor, Penna.; fourth, Biggs, Syracuse; fifth, McManus, Boston College.

880 yard run: Won by Marsters, Georgetown; second, Lences, M. I. T.; third, Holden, Georgetown; fourth, Watters, Harvard; fifth, Campbell, Columbia. Time, 1:53 5-10.

Pole vault: Won by Sherrill, Penna., height 13 feet; second, tie, Bradley, Princeton; Sanford, M. I. T., and Greening, Cornell; fifth, tie, White.

TAYLOR AWARDED
CONDON MEDALHigh Honor Conferred By
Senior Class.

At a meeting of the Senior class of Colby college held in the college chapel Monday, Elmer M. Taylor of Winthrop was awarded the Condon medal. In order to be presented with this emblem a member of the senior class must be the outstanding one and must get at least three-fourths of the votes of the class. This presentation marks the second time in the history of the medal that it has been awarded. The members of the previous senior classes have failed to reach an agreement. The members of the present senior class came to an agreement on the second ballot.

It is a great honor to be the recipient of this medal for it is given to the man who has shown the best qualities of citizenship during his college career. The donor of the medal is Randall Judson Condon, A. B., A. M., of the class of 1886. Dr. Condon is now located in Cincinnati, Ohio.

This medal has been awarded only once and the recipient was John W. Brush, who until recently was pastor of a church in Portland.

To secure this coveted medal a student must be of outstanding personality and ability. The receiver of this medal must be a student who has always held the interest of the college close to his heart, who has been a good scholar, who has upheld the name of the college in athletics, and who has interested himself in all undergraduate activities which have worked for the betterment of the college and the advancement of good citizenship.

Taylor is a man well deserving of this honor and the members of the senior class made no mistake when they presented it to him. Before the medal can finally be awarded to Taylor the faculty must pass on the nomination, which, without a doubt, will be in favor of the man selected by the class.

Taylor has been greatly interested in the various activities of the college during his career here. He is a scholar, an athlete and a real man. During his Sophomore year Taylor earned a place on the college relay team which at that time had a very successful season. This year the members of the team honored him by electing him captain. Under his leadership the team lost only one race and that to Brown.

Taylor also is a talented debater and has been a member of the college society. He is a member of the Lambda Chi Alpha fraternity.

ALPHA FRATERNITY
HOLDS DANCEAnnual Spring Affair Takes
Place at Elks Hall.

The Alpha fraternity held its annual spring dance at Elks hall last Friday evening. About fifty couples enjoyed the dancing which lasted from nine to one o'clock.

The decorations were beautiful and very tastefully arranged in the form of a false ceiling of red, gold and black streamers. The window decorations consisted of red and gold streamers with a block A in the center. This color effect was heightened by the light from the fraternity escutcheon at one end of the hall. Music was furnished by Manson's 3 O'clock Orchestra of Gardiner, whose playing helped to make the dance a success.

The reception committee consisted of President and Mrs. Arthur J. Roberts; Dean Nettie M. Runnals; Dr. and Mrs. T. B. Ashcraft. It was regretted that Dr. and Mrs. W. J. Wilkinson were unable to be present. The committee in charge of the dance were: Charles H. Eaton, Raymond S. Grant and Gwyeth Smith.

GRANT IS ELECTED
Y.M.C.A. SECRETARYTo Have Charge of Boys'
Work in Augusta.

At the last meeting of the boys work committee of the Augusta Y. M. C. A. Raymond S. Grant was elected boys' work secretary. He succeeds Leland L. Stacy who has accepted the position of city boy's secretary of the Waterbury, Connecticut Y. M. C. A. His duties will begin immediately after his graduation which takes place this month.

All Colby students wish "Ray" success in his new work and it is felt that his agreeable personality and conscientious attitude toward life will make the way easier.

His four years in college found him prominent in college activities being a member of the Druids, the Junior honorary society, the Delta chapter of Kappa Phi Kappa, the national professional educational society and a member of the Alpha fraternity. He has been a leader in Y. M. C. A. work and served on numerous deputation teams.

At present his home is in Springfield where he has figured in Boy Scout and Sunday School activities.

He will begin his work the latter part of this month as instructor at the leadership conference at the state Y. M. C. A. camps at Lake Cobbescontee and will act as leader of the group of boys after the conference.

CROSS COUNTRY PROSPECTS

Next year the Colby college cross-country team will undoubtedly be severely handicapped because of the apparent lack of material and most especially because of the new semester ruling for Freshmen. With but a few veterans left of this year's team Mike Ryan will have to work hard to whip into shape a squad that will carry Colby's colors to the front.

Next fall we lose the services of John Loughton, the blue and gray leader of the 1924 harriers. He was the only Colby man to finish among the first ten in the State Intercollegiate Cross Country run held last fall over the Bowdoin course. He ran a strong and handy race and finished seventh.

Captain-elect Brudno, '27, though not always a winner, is deserving of the commendation of the student body for the diligent and faithful work he

TENNIS TEAM
DEFEATS BATESShoemaker and Tandiman
Show Good Work in the
Singles.

The Colby tennis team finally came into its own by defeating the Bates aggregation by the score of 4-1. The Colby players were going the best they have this year but won their matches only after a tough struggle in most of the cases.

Macomber and Shoemaker of Colby won the first doubles match from Tandiman and Purington of Bates after a long and hard fought battle, by a score of 11-9 and 6-3. Wilkinson and Larrabee of Colby had a much easier time in defeating Davis and Grey of Bates 6-4 and 6-3.

In the singles Wilkinson of Colby overcame his Garnet opponent Davis rather easily while Macomber won his first set but lost his match to Purington of Bates.

The outstanding tennis playing was exhibited by Shoemaker of Colby when he defeated Tandiman of Bates in a singles match 6-1 and 6-3. The score, however, does not tell of the wonderful opposition which the Bates racket wielder gave Shoemaker who brilliantly returned him play for play and more too.

The summary:

Doubles.
Wilkinson and Larrabee (Colby) defeated Davis and Grey (Bates), 6-4, 6-3.

Macomber and Shoemaker (Colby) defeated Tandiman and Purington (Bates), 11-9, 6-3.

Singles.
Wilkinson (Colby), defeated Davis (Bates), 6-3, 6-1.

Shoemaker (Colby), defeated Tandiman (Bates), 6-1, 6-3.

Purington (Bates), defeated Macomber (Colby), 2-6, 6-2.

Larrabee (Colby) vs. Grey (Bates) rain.

BERRY TO BE SENIOR
CLASS PRESIDENTMeeting is Held in Chemi-
cal Hall. Officers Elected.

At a meeting of the Junior class held in Chemical Hall, Monday afternoon the officers for the coming year were elected. According to the new student council ruling each class must elect its president in the Spring and he takes office when college opens in the Fall.

The following men were elected: President, Stephen B. Berry of Providence, R. I.; vice president, George B. Barnes, of Houlton, Maine; and Secretary and Treasurer, Sherod B. Holcombe of West Orange, New Jersey.

After the election the Junior Prom committee reported and a discussion followed.

has put in as a wearer of the Blue and Gray.

As a nucleus Brudno has the following men around whom he will have to build his team, W. P. Cadwalader, '27, A. J. Hilton, '27, T. J. Smart, '27, D. S. Thurlow, '27, R. Sullivan, '27, F. L. Turner, '28, C. E. Ripley, '28, G. Roach, '28, E. Sansone, '28, and C. Towne, '28.

Annually Coach Mike Ryan sends in quite a few entries to the secretary of the New England Intercollegiate Cross Country Association for the race which is held over the Franklin course in Boston, and then the men are entered in the National Intercollegiate cross country run held at Van Cortlandt Park, New York. These two races are the classiest of cross country. The Colby cross country team will have to pluck hard to maintain and uphold the blue and gray reputation in these events.

COLBY WINS OVER TUFTS 11-9
AND NORTHEASTERN 4-2Fagerstrom Saves Tufts Game With Sensa-
tional Catch--Trainor Does Good Work
in Five Inning Game.

The Colby nine conducted a successful finale to their second southern trip on Saturday afternoon at Tufts when they outslugged the Jumbo batters 11 to 9. The game was featured by the free hitting of both teams. The Colby batters pounded out 15 base hits which is enough to win most any ball game. Despite the heavy hitting of the Colby batters the verdict might have gone to the Tufts nine if it had not been for a sensational catch by Fagerstrom which cut off several Tufts' counters.

Corbett essayed the mound duty for the Colby team and was hit rather hard. The only thing that gave him a victory was the tremendous batting of his teammates. Peabody, Smart and Chase led the blue and gray artillery, clouting the ball to all corners of the Jumbo diamond.

Shuman toed the slab for the Medford collegians but was soon banished in favor of Brothers who afforded but little opposition to the Waterville batters.

Trainor, freshman hurling star, held the Northeastern University nine subdued for five innings in Boston last Friday while his teammates were garnering a 4 to 2 victory. The game was called in the fifth with the verdict naturally falling to Colby.

The game was fast while it lasted with both teams playing heads-up baseball. Several fine plays were contributed by both sides. O'Brien and Hannafin offered classy exhibitions of fielding, making several startling stops.

Captain Jack McGowan of the blue and gray aggregation led his teammates at the bat by collecting a brace of hits. McGowan had little difficulty in fathoming the delivery of Lane, the Boston twirler, and doubtless would have fattered his average considerably more if the contest had been of full duration.

Trainor hurled steady ball for the Colby team although he was bothered once or twice by the Northeastern sluggers.

GOODWINS TO BE
HELD IN CHAPELFinal Speaking Contest of
the Year Will be Held
Thursday Evening.

On Thursday evening, June 4, the annual Goodwin Prize Speaking Contest will be held in the college chapel. This event will close the elocution competition for 1925. The following speakers have been chosen for the honor:

Rowland E. Baird, '27; Kenneth E. Copp, '27; U. Cleal Cowing, '27; Paul M. Edmunds, '26; Clarence E. Emery, '26; W. Lincoln MacPherson, '27; Alden C. Kittredge, '27; Gabriel R. Guedj, '27; and Marion N. Rhoades, '27.

One does not have to be told of the ability of this impressive list of orators, and it is easy to see that the winner of the contest will have to "show the goods." Everyone who is interested in public speaking should make it a point to "take in" this choice bit of oratorical competition.

The prizes, aggregating \$100, are given by Mattie E. Goodwin of Skowhegan in memory of her husband, Hon. Forrest Goodwin, class of 1887, of Skowhegan, Maine. These prizes are made available to the college, and are open to all students in the Men's division.

The general subject for the contest tomorrow evening is "The Enemies of Democracy."

COLBY DEBATERS COMPLETE
SUCCESSFUL SEASON

The Colby College Intercollegiate Debating Society has completed a busy and successful season, winning three out of six debates in competition with some of the leading New England colleges.

The oratorical ability displayed by the Colby teams was an outstanding feature in their success and reflects favorably on their careful training. The work of each team as a consecutive unit went toward putting across their points.

The question for debate was: Resolved, That Congress should, by a two-thirds vote, have the power to override the decision of the Supreme Court.

The results of the debates held are as follows: Colby won from Middlebury at Colby, lost to Lafayette, won from Maine at Colby, lost to Maine and lost to Clark at Worcester.

WILKINSON IS
BADLY INJUREDPopular Professor is Victim
of Unfortunate Accident
while Playing Tennis.

Prof. W. J. Wilkinson, head of the department of political science and history, was seriously injured while playing tennis last Friday afternoon. While attempting to return a "serve" the ball took a bad angle and struck his eye, bursting a blood vessel. It was believed by attending physicians that the blow would impair the sight of the eye, but now the crisis is past and the patient is resting comfortably.

It is unfortunate that such an accident should happen and especially in the closing weeks of the college year. Prof. Wilkinson will be unable to give the examinations in his courses, and as far as can be ascertained Prof. Auffering will conduct the finals.

WEDNESDAY, JUNE 3, 1925.

A CHEER LEADER.

The spirit of a college is a direct reflection of the spirit of its leaders. It seems that the basis of the whole question of undergraduate leadership lies in the fact that the man whom the students of Colby set on a pedestal is not of the right type. A man is not always selected who is best fitted for his position and who would work for the best interests of the college seriously and earnestly. We must form in our minds the ideal Colby man and put him in charge of our activities. It is said that the need for a great man is what makes a man great. The need for our ideal Colby man to lead the undergraduate body was never greater. He is in our student body somewhere but you must clear your vision if you will find him and then throw away all prejudice in your choice. This situation vitally concerns every man in Colby.

There are two elements involved in this matter: First, you must form in your minds the qualities of the ideal Colby man and second, with no prejudice, choose this type of man to lead our undergraduate body and intensify its spirit. We are trying to make this the best little college in the country. It is not asking you to forfeit any personal advantages nor to be untrue to any of your fellows, it is but asking you to think clearly when you elect any undergraduate officer for such a man can intensify or destroy the spirit of our college and no man, no team, no college, no nation, ever became great without spirit.

SUNDAY TENNIS.

There seems to be no valid objection to using the tennis courts on Sunday. We have outgrown the day when it was considered compulsory to spend the Sabbath in a sort of listless coma, either reading or meditating. In those days the Sabbath was totally wasted, and it seems a shame that such a rule should exist now. Tennis is a clean, quiet game and should give no offense to even the most puritanical objector. It is certainly a welcome alternative to some other sports on Sunday. These lovely spring days would be better spent out-of-doors than in the close atmosphere of a smoke filled room amid the noises of crowds which were amusing during the cold weather.

THE BOOKS.

If a student's desk should be taken as an index to his character, Colby would possess a good many students who are remarkably devoid of anything except a very practical aptitude.

Even on a senior's desk we seldom find any books except those which he uses in his various courses. What a prosaic picture the average student's desk is?

It would be a unique and a pleasant experience if we should, by chance, come across a desk upon which were a book of essays by Emerson, plays by John Galsworth, the poetry of Rupert Brooke, or kindred volumes.

THE SENIOR CLASS GIFT.

The Senior Class is giving the college a much needed bulletin board. No longer shall notices be read from behind a tree on a black, disreputable piece of wood, now used for that purpose.

This new board will be a large artistic creation standing opposite the South College. Its foundation has already been laid and from its sturdy construction should be able to withstand the elements for ages to come.

Its surface will be illuminated at night enabling students who do not get out in the daytime a chance to keep in touch with college affairs.

C. M. T. C.

For those men of college age who do not have to work during the entire summer vacation one month at one of the Citizens Military Training Camps would be very enjoyable. At the present time we have several students at Colby who have attended such camps and who have received a commission. These camps which are furnished in every way by the Government offer national schools for physical health and a thorough understanding of the obligations and privileges of good citizenship.

The unsettled condition in the outside world and our intimate relations with foreign nations make it advisable to bring together the best young men in the country on a common basis of equality and to instruct them in lessons in citizenship, in care of health, in the upbuilding of the body, in social contact and in

sports of all kinds. What more can a fellow ask for when he has a month to spend as he pleases?

COLLEGE PRESIDENTS

The average age of the presidents of the thirty colleges and universities of New England is a little over fifty-four years. The oldest president is George D. Olds of Amherst, Clarence C. Little of the University of Maine is the youngest. The oldest woman president is Mary E. Woolley of Mt. Holyoke and the youngest is Ada L. Comstock of Radcliffe.

President Arthur J. Roberts of Colby is the oldest among the Maine "Prexies." He is now completing his eighteenth year as the head of our college.

CHANGES IN EDUCATION

The following program of courses in psychology and education for 1925-26 is announced:

PSYCHOLOGY—1. General psychology (one section only). 2. Applied psychology (one section only.) Tuesday, Thursday and Saturday at 10.

These two courses are elective for third and fourth year students, and for sophomores after conference with the instructor.

EDUCATION—1. History of Education in Europe. 2. History of Education in the United States. Monday, Wednesday and Friday at 2.30.

3. Social Principles of Education. 4. Educational Psychology (learning process). Monday, Wednesday and Friday at 11.

5. General Methods of High School Training. 6. Principles of Secondary Education. Tuesday, Thursday and Saturday at 11.

All courses in Education are elective for Juniors and Seniors.

Courses 3, 4, 5, 6 are not open to Sophomores.

Courses 1 and 2 are open to Sophomores after conference with the instructor. (They are of particular value as try-out courses to students who are considering teaching as a profession.)

The college, through this department, has undertaken to meet in full the minimum requirements established by the Maine State Department of Education for preparation for the Professional Secondary Certificate. That certificate is granted to qualified college graduates who have taken 15 hours of approved work in Education, in addition to a course in general psychology.

In an attempt to meet the demands of modern education for high school teachers who have had professional training for their work, most states have requirements similar to those established by the State of Maine. Although the holder of a diploma from an accredited college can obtain a teaching position in a public high school, the requirements for a professional certificate must be met either before graduation or within a stated time, usually 2 years, after beginning to teach.

**Bad Weather is Cause of
Slow Contest--Called after
Eight Innings.**

Maine defeated Colby in a hectic baseball game played Wednesday afternoon, May 27, by a 2 to 1 score. The game was slow and uninteresting. The infield was nothing but a sea of mud, and the players found it hard to cover the ground. The rain which had fallen during the day and which continued to fall intermittently during the game distracted a great deal from the interest.

The game lasted but eight innings. At the start it was agreed that the game should be called at six o'clock, and Maine was at bat in the ninth when the whistle blew.

The contest was in no way sensational. The heavy field robbed the game of any possibility of the spectacular and the contest was without color of any kind. Loads of shavings were spread around the field to take up the moisture but after a few minutes of play, conditions were as bad as ever.

Colby was the first to score, pushing across her counter in the first inning. Hannafin drew a base on

balls. Smart hit to Crozier, who threw Hannafin out at second. Chase hit safely, and Smart went to second. MacGowan then poked a hit out into right field. In spite of the heavy field Smart scored from second. Peabody fanned, and Fransen ended the inning by flying out to Joy.

Maine tied the score in the next inning, Newhall scoring. There was no more counting until the fifth, when Maine pushed across Cassista for the winning tally.

From then on both Colby and Maine had chances to score but could not seem to take advantage of their opportunities. There was only one clever fielding feature of the day. In the eighth, when Colby was fighting for another chance at bat, MacGowan turned in a double play unassisted. Newhall grounded out; Lewis took a base on balls; and Gay smashed over first base. MacGowan by some fast work stabbed the ball with one hand and touched the bag, doubling Lewis.

Miss Pauline V. Page, '27, spent the week-end with her mother in Augusta.

Miss Jessie G. Alexander, '28, visited her parents in Augusta this week-end.

dale of Providence, R. I., for assistant cheerleaders, George H. Hawes of Skowhegan and Leon S. Thorsen of Ellsworth, president of the athletic council, George E. Ronch of Houlton.

Some of the men will be elected without opposition, but most of the positions will be hotly contested.

A vote will also be taken on the proposed change in the system of electing managers. Their new plan has been proposed by the Athletic Council. It provides for selection of managers on merit and vote by the student body. It is hoped that this plan will do much to eliminate corrupt fraternity politics.

The common mosquito, magnified 24 times, is a truly fearsome insect!

But this electric pumping station effected a remedy.

Do what Toledo did

Once Toledo had a nuisance, a tract of swamp land near the lake, a breeder of mosquitoes, foul odors and fogs.

But an automatic pumping station, equipped with motors made by the General Electric Company, turned the swamp into dry land—and abolished the menace to the city.

This is one example of what electricity can do. As you meet life's problems, think of electricity as a valiant and ever-ready ally.

Study what electricity is doing to make a better and happier America; remember that you will live in an electrical age, full of surprises, and full of new services to humanity. The monogram "G-E" which you see above is placed on the epoch-making products of the General Electric Company.

If you are interested to learn more about what electricity is doing, write for Reprint No. AR391 containing a complete set of these advertisements.

CAMPUS BRIEFS

DEKE.

Brother Barnes is back with us again. George reports a successful planting of the Aroostok favorite and hopes for a large crop.

Brother John Barnes, '24, visited the house over the week-end.

Brothers Parmenter, Shay, Lovett, Shaw, Macomber, Chapman and Cooke spent the week-end out of town.

Brother Bartlett purchased a new taxi for the Deke house. A collection for gasoline will be taken up soon.

ZETE.

"Chunk" Clarke retired to the wilds of Caratunk for the holiday.

Rowland Baird journeyed to the Beantown for one big reason. While there he attended a house party at Tufts.

"Charlie" Abbott took the week-end off and slid home unheralded to Franklin, Mass.

"Ben" Soule treated the boys to a box of "White Owl" cigars last Wednesday evening. The members of the Freshman delegation who took advantage of the smokes are all reported in average good health. Congratulations Ben.

"Bob" Hawkins took his last chance to view the beauties of nature in the country about Waterville.

Ralph DeOrsay and Clea Cowing motored to Old Orchard over Sunday.

Manager "Willie" Ford and "Red" Wentworth are back from the Inter-collegiate at Philly.

"Dick" Snow journeyed to his home at Rockland for the holiday.

Frank Goodrich is back from a week's stay in New York City where he attended the national convention of Boys' Clubs.

As a consequence the house was rather deserted and, aside from a few mild games of cards, the week-end was rather dull and uninteresting for the boys that "stayed at home."

This little group of "home-lovers" had the jump on the out-of-towners when "Ma" Welch surprised us with a big box of luscious cake and apple tarts. Has "Ma" ever forgotten her lonesome, hungry boys?

D. U.

Hugh Smith, '20, spent the week-end at the House with three of the boys from Higgins, Clough, Weber and Davis.

"Bud" Merrill, '20, and two of the boys from Woodbury passed Sunday at the House.

L. Anderson of Wesleyan, traveling Secretary of Delta Upsilon, was

a visitor at the house during the week.

"Gus" Parker and "Mandolin" MacDougal spent the week-end searching for fish of various denominations. They claim the honor of a successful trip but we have yet to see the proof.

"Joe" Hammond made his usual trip to Dexter over the week-end. Meade Baldwin spent the week-end in Madison.

"Bud" Weymouth, our famous Speed Cop, spent the week-end at home.

"Brat" and "Plop" Getchell and "Art" Whelpley went with the geologists on their trip to Bar Harbor during the week.

"Scrouge" Brown spent the week-end at Augusta attending a conference with the "League of Nations."

Smart, Heal, and McGowan went to Massachusetts with the baseball team during the week.

PHI DELT.

Sullivan's Snappy Steppers honored the opening of Island Park with their presence. From all reports the dance was a great success.

Charlie Shoemaker made his weekly pilgrimage to Budd's Lake where he entertained the folks with his "riding." The fishing must be very good.

Brother Mittelsdorf has returned from Philadelphia where he competed in the inter-collegiate.

Scotty Marr continues to umpire prep school baseball games. "Boys, oh, boys! but the games are tough."

Ducky Greason comes back from a very enjoyable week-end spent at Fairfield. To Ducky everything that is "fair" comes from there.

Brother Atchley spent Monday afternoon with the boys discussing matters for the coming year.

Brothers Graham, Grindle, and "Spig" Fassett dropped in to spend the holiday with the boys.

Prescott and Lyon journeyed to Augusta where they spent the week-end. We wonder what attractions the high school offers?

A. T. O.

Many fish were caught by John Flynn, '25, James Berry, '27, and Lincoln MacPherson, '27, while at Belgrade Lakes, enjoying the wonderful opportunities of the sport.

Several members of the A. T. O. house attended the Alpha dance held last Friday evening. Among those present were: Carl MacPherson, '26, Stephen B. Berry, '26, James Berry, '27, Darold Nickerson, '27, Fred Baker, '27, and Charles Callaghan, '28.

Roger Stinchfield, '26, accompanied by Edwin Nee, '28, journeyed to his home last Thursday afternoon.

Evan Johnson, '27, and Douglas Johnston, '27, attended the Skowhegan Junior Prom. last Monday evening.

"Farmer" Hodgkins, '25, and a few friends enjoyed their short vacation from college at Belgrade Lakes. "Sheik" Getchell, '26, motored home and enjoyed the week-end at Farmington.

Arthur Littlefield, '28, and Charles Flaherty, '28, went to Lewiston and spent the holiday at Bates.

The proficient huntsman "Al" Law, '26, and "Ken" Doe, '25, have been probing the banks of the Kennebec in search of wild game. They have the nerve to report great success; and we hope them all the success obtainable.

Milton McKinnis, '28, spent a very enjoyable week-end at Moosehead Lake.

"Al" Peacock, '27, and "Hop" Wood of Coburn spent the week-end on a fishing trip.

George Tash, '25, has been visiting at Snow Pond.

L. C. A.

From all reports everything was quiet around the house over the week-end. The boys are all getting prepared for finals in the usual manner and expect to hit them hard.

Brother Nesbit spent the week-end with Brother Shorey at North Vassalboro. They report the water first class at China Lake until they were driven out by the caretaker.

Brother "Dirty" Taylor went to Philadelphia to try his skill against the best in the country. Although he didn't take a place, we feel sure that he gave all that he had.

If any one happens to be roaming around Fairfield any night around twelve and meets our "Dirty," please give him a lift home. We don't want to lose him right away.

Brother "Ty" Finnson has failed to come back from the baseball trip on time. The actions of our esteemed Brother have begun to cause considerable worry around the house. We are afraid that he has fallen rather hard.

Charles Hannifin, '28, Verne Chase, '28, Eddie Corbett, '28, and John O'Brien, '28, went with the baseball team on its trip into Massachusetts. Brothers Wortman and McLaughlin went home over the week-end.

They report the timber growing fast in Wytopitlock. Herbie seems to be having a mental struggle between his home town and Winslow. The fact is, he expects to work down here during the summer vacation, so all indications point to Winslow as the winner.

Brothers Wyman and Williams went to East Pond over the week-end and enjoyed all the benefits to be derived from an informal house-party. The only mishap reported was, that Williams tried to remove the bottom of the pond with his elbow, but didn't succeed.

Brothers Maxwell and Parmenter enjoyed a trip to Bar Harbor over the week-end.

Brother Mann visited home over the week-end. He reports a very pleasant trip and the results for which he went came out to his satisfaction, even though he has to tread a straight and narrow path hereafter. Chapman, Ide and Pierce competed in a race over the road to Augusta last Thursday.

C. B. Chapman spent Sunday at East Vassalboro. Some of the brothers saw him stop at Foss Hall on the way. From all appearances they had a good day.

ALPHA.

Two hours after "our late unpleasantness" on Front street, "Hoccy Poccy" was found in the attic barricaded behind the trunks. After being solemnly reassured that the danger was over, he at length ventured forth.

"Bluebeard" is to be rechristened "Miss" because of his propensity for forgetting to pay attention to the "fare" or "fair." He either forgets, or is behind time so that the spelling makes no difference.

Tanner, our French ace, made a serious "faux pas" when he happened to be "in Fairfield" when his folks made a call at the house.

The narrow gauge railroad in South China which was first discovered by Mr. Hamilton on initiation night, has been relocated this past week-end by Brother Kenneth W. Bragdon. We are proud that we have such a noted explorer in our midst.

Seniors have privileges. But we wonder if that includes the right to make a date with someone on the second floor from the Foss Hall lawn.

Ask "Ray." "Mony's" brother's violin surely set the pace for the orchestra last Friday night.

The writer of this column understands that when an action becomes habitual, that it is no longer "news," nevertheless, we again record that C. Hovey Ayer journeyed as usual to Vassalboro.

LANCERS.

The house was almost vacant last week-end as a result of the Saturday holiday and also because of the ideal conditions for bumming.

Forrest Colby, '25, claims to have been to Boston but we doubt very much if he got below Portland. Portland has a special attraction for Forrest but for all that he's a nice fellow.

"Hi" Crie, '25, and Frank McLean, '28, did a little research work along the rocky Maine coast during the geology trip to Bar Harbor. It's quite impossible for "Hi" to go through Lewiston and not make his usual stop at Bates so we can guess what happened between Saturday noon and Monday morning.

"Bis" Allen, '27, and "Kid" Knofskie, '28, "henried" to Tenants Harbor and "Bis" said that the present standing of gas in the tank was about 62%, there being about 983 gallons left.

Miles Carpenter, '28, and "Pop" Fasco, '25, spent the week-end at North Pond Camps and "Pop" seems proud of his fisherman's luck after catching a four pound bass. "Pop's" quite a fisherman.

"Stretch" Corey, '28, and Gordon Grundy, '28, spent the week-end at Skowhegan with friends of the latter. "Eddie" Arl, '28, bummed down to his home in Berwick and he reports that the town pump is still standing, although it would stand several quarts of oil.

"Al" Warren, '27, also roughed it to Portland and back over the week-end.

"Ev" Condon, '26, and Morris Scribner, '28, left for Worcester last Saturday afternoon but were overtaken by a rain storm at Biddeford and were forced to turn back and spend the week-end in Portland with friends.

"Lennie" Finnmore, '27, and "Dudie" Knox, '28, spent the week-end in Sidney with friends of the former and they bring back reports of a quiet week-end although "Lennie" is still honra from blowing the horn trying to call the ferry across

the river.

The boys are all looking forward to the annual farewell banquet to be held in the Elmwood, a week from Friday night.

HEDMAN HALL.

"Coach" Keene visited at his home in Clinton over the week-end.

"Bob" Feldman visited in Oakland on the 30th.

Many Hedmanites were in attendance at Island Park on Saturday night.

"Al" Weis and "Hy" went fishing on the Belgrade road on Sunday. They couldn't catch them with a pole so they went in after them. "Al" came "back" minus "fish." All is well now!

The boys are beginning to condition themselves for the "endurance contests" next week.

Clarence Hale leaves for New York on Friday to join the Chautauqua circuit for the summer as tent manager.

Paul Seiderman entertained a group of friends at dinner at the Elmwood Hotel on Monday evening. Following the "feed" a ride was enjoyed in "Rolls-nice."

"Chef" Weymouth is busy preparing his commencement address. Of course he has not set aside his routine duties. "It's going to be something special," Chef says.

"Eb" Sansone took a flying trip by freight, automobile and buggy to his home in Norwood over the week-end.

Bill Blake and "Judge" Cary flivvered down to Island Park, Saturday night, and report that the island grows more beautiful and wet with the years.

At first Eddie Nee's victrola was a welcome innovation in the hall, but everybody knows his three records by heart now.

The latest sport is shooting the rats that wander over the dump behind the Hall. Norrie Potter, with his bow and arrow, and "Duke" Jones with his air rifle, are rapidly decimating the rat colony.

Jimmie Tufts has been giving imitations of Theodore Roberts—one long, black, expensive cigar after another.

It's nearly time to say good-bye to the Hall, and the banners and pictures are beginning to come down from the walls.
