

SENIOR CLASS VOTES TO GIVE PORTRAIT OF LATE PRESIDENT A. J. ROBERTS

Will Be Executed By Dr. Charles H. Pepper,
'89 of Concord, Well-known Colby
Graduate and Artist.

That the senior gift to the college by this year's graduating class from Colby should be a portrait of the late Arthur Jeremiah Roberts, president of the college from 1908 until last October, was the decision reached at a joint meeting of the fourth-year group of both college divisions which was held in the chapel this afternoon.

Dr. Charles Hovey Pepper, '89, the son of a former president of Colby and the most noted artist ever to graduate from the college, has been engaged by the senior class to execute the portrait. It will be similar in size to that of the late Chief Justice Leslie C. Cornish which now hangs in the chapel.

Present plans call for the completion of the painting in time for its unveiling at the memorial service for President Roberts, which will be held as part of the 107th annual Commencement exercises of the college in June.

In making its report this afternoon the gift committee stated that it was considered especially fitting for the class of 1928 to present such a portrait to the college, as the present seniors had been in Colby under the administration of President Roberts longer than any of the other undergraduates.

Gift Committee.

The senior gift committee is composed of J. Louis Lovett, Hudson, Mass., chairman; Charles P. Nelson, Augusta; Harold E. Carson, Hodgdon; James T. McCroary, Adams, Mass.; Charles E. Callaghan, South Brewer; Roland B. Andrews, Wytopitlock; Lawrence A. Peakes, Poulney, Vt.; Harold E. Clark, Norwich, Conn.; and Wendall R. Grant, New Limerick.

Dr. Pepper, the artist who is to do the painting, graduated from Colby with the degree of Bachelor of Arts with the class of 1889, received his Master of Arts degree three years

later, and the honorary degree of Doctor of Humane Letters in 1912. Following his graduation from the college, he studied at the Art Students' League in Paris, in Aman-Jean Atelier, and under Jean Paul Laurens and Benjamin-Constant.

The most important exhibitions of his paintings have been in the Rembrandt Gallery in London in 1898; the Doll-Richards Gallery in Boston in 1903 and 1921-22; the Kimball Gallery in Boston; and the Bartwell-Brooks Gallery in Denver. His works have also been exhibited in the salons of Paris, Berlin, Vienna, Philadelphia, Chicago, and New York.

The artist is a member of both the New York and the Boston Water Color Clubs, of the Copley Society, the St. Botolph Club; the Boston Art Club, in which he is the chairman of the art committee; the Concord Social Circle; and the Middlesex Club. He is also a member of the local Xi chapter of the Delta Kappa Epsilon fraternity and of the Colby chapter of Phi Beta Kappa, the national honorary scholastic society.

Gifts to the College.

Several of Dr. Pepper's paintings are now in the possession of Colby. These include the portraits of Dr. John Barton Foster, '43, and of Dr. Samuel King Smith, '45, two former Colby professors, and a full length portrait of the painter's father, Dr. George Dana Boardman Pepper, president of the college from 1882-1889.

Dr. Pepper gave the college the collection of terra cotta figurines from Tanagra which are on exhibition on the first floor of the old library. He is also the donor of the "Charles Hovey Pepper Collection" of color-prints and etchings for use in the study of the history of art.

Since 1899 Dr. Pepper has made his home in Concord, Mass., although he is at present spending the winter in Berkeley, Calif. His studio is at the Franklin Studios in Boston.

NOTICE.

There will be a meeting of the entire membership of the Colby Y. M. C. A. next Tuesday evening at seven o'clock in the college chapel. Phillips Elliott, College Secretary for the New England Field Council of the "Y" will be the speaker.

Joint chapel services from 9.30 to 10.30 each morning during Kirby Page's visit to Colby on March 6, 7, 8, have been approved by the college faculty. The evening meetings will be held at 7.30.

TO SEND TWO-MAN TEAM TO PI KAPPA DELTA CONVENTION

Selections Not Yet Made
--Debating Schedule
Announced.

A two-man team of Colby debaters will be sent to Heidelberg College, Tiffin, Ohio, April 2-6, to participate in the biennial convention of Pi Kappa Delta, the national honorary forensic society, according to plans made at a meeting of the debating squad which was held in the chapel last Friday evening.

The men who will make this Ohio trip have not yet been selected, but it is probable that the two Blue and Gray debaters who show the most ability in the preliminary encounters of the season will be chosen. Eight men have already been definitely assigned to places for the three first debates on this year's schedule. The other men on the squad are still competing for the remaining assignments.

The trip to the convention in Tiffin will be the second longest ever made by Colby debaters. Six years ago a four-man team accompanied by Dr. Herbert C. Libby, professor of Public Speaking and Coach of Debating, made a 1500 mile tour through the middle western and southern states.

Revised Schedule.

The revised debating schedule as announced Tuesday by the undergraduate manager of debate is as follows: March 2, University of New Hampshire, dual; March 16, Boston University in Waterville; April 3-6, Pi Kappa Delta Convention in Tiffin, Ohio; April 10, McMurry College of Abilene, Texas, in Waterville; April 13, Massachusetts Agricultural College in Amherst; April 16, University of Vermont at Burlington; April 17, Middlebury College at Middlebury. A dual debate with the University of Maine will also be held in March, but the date has not yet been definitely decided.

Appointments to debate which have already been made by Dr. Libby include: Lowell P. Leland, '29, Chester E. Morrow, '29, and Donald H. Millett, '26, negative against the University of New Hampshire; Lemuel K. Lord, '29, Arthur B. Levine, '28, and David F. Kronquist, '29, affirmative against the U. of N. H.; and Charles P. Nelson, '28, and Lawrence A. Peakes, '28, against Boston University. The third man for the B. U. debate will probably be selected from those who take part in the New Hampshire encounter.

TRI DELTS ENJOY RIDE AND DANCE SATURDAY NIGHT

Saturday evening Alpha Upsilon chapter of Delta Delta Delta made up a party of about 25 couples and enjoyed a straw ride through the outskirts of Waterville and Fairfield. The merry crowd started from Ruth Bartlett's house at 7.30, and after riding for a couple of hours, returned to the Tri Delta chapter rooms, where the Tri Psi served coffee, sandwiches, cake and silver, gold and blue ice cream. Dancing and card playing was enjoyed until 11 o'clock.

Dr. and Mrs. Edwards, Mr. and Mrs. Thayer, and Mr. and Mrs. Larkhi went as chaperones.

BLUE AND GRAY MUSICIANS ENJOY SUCCESSFUL TOUR THROUGH NORTHERN MAINE

Give Series of Four Concerts--Will Close
Season With Waterville Concert on
Friday Evening at Opera House.

The Blue and Gray Musicians enjoyed a most successful five-day tour of Northern Maine and Aroostook county which ended with a concert and dance given at the Stearns High School in Millinocket on Thursday evening, February 9, the clubs returning to Waterville on Friday.

The opening concert of the trip was given at the town hall in Smyrna Mills and the clubs were greeted by a crowded house of Colby supporters. Following the concert a dance was enjoyed, which was attended by the largest crowd to gather at the hall for such a purpose this season.

At Caribou the clubs met with even greater success. The concert there was sponsored by the High School and given in the beautiful large auditorium of the school. Caribou can rightfully boast of one of the finest high school buildings in the state and it has an auditorium that is surpassed by none. A new stage curtain and scenery costing about two thousand dollars had been set up two days prior to the appearance of the Colby Clubs and this background lent atmosphere to the occasion. The auditorium seats one thousand people and it was necessary to place additional rows of seats to accommodate the crowd attending. It was estimated closely that more than twelve hundred people were in attendance. Following the concert a dance was held in the gymnasium and music was furnished by the "Midnight Sons."

At Houlton on Wednesday evening the concert was rendered at the High School Auditorium and was sponsored by Miss Helen Mitchell, '27. Although it was not so well attended as the Caribou concert, nevertheless the fine manner in which the members performed was a credit to the Clubs and each selection received hearty applause. A return engagement for another season was requested here, as at each of the other towns visited on the tour. A dance was held in the auditorium following the concert.

The last concert of the trip was

given at Millinocket. It was under the auspices of the High School and took place in the spacious gymnasium of the new five hundred thousand dollar high school. About seven hundred people attended and expressed much satisfaction of the program and the orderly manner in which it was carried out.

On Friday night of this week the students and citizens of Waterville will have the opportunity to hear the Combined Clubs when they present their closing concert of the season at the City Opera House. The program has been rearranged and novelty numbers, introduced to make it better adapted to the Waterville audience. Special scenery has been ordered for the affair and the opening number will be a scene in a Spanish Garden in which the full membership of the Glee Club in Spanish costume will render "Captain Kidd."

Miss Ruth Park, '30, of Fairfield, one of the most talented violinists in this section, will be the guest artist of the Clubs and will render two solos accompanied by Roy E. Smith, '29, of Waterville.

Two novelty numbers have been introduced, one a clog dance by Charles Giles, '29, of Damariscotta, and the other a song in French dialect by John Richardson, '29, of Waterville, both of whom will be accompanied by "The Midnight Sons." The program will also include selections by the Glee Club, Concert Orchestra, and Midnight Sons; vocal and instrumental solos, readings, Saxophone Quartet, Male Quartet numbers, and Banjo Sextette selections. It is a well-balanced and well-arranged program and a musical treat is in store for those who attend.

Tickets for the concert have been on sale for the past week and the advance sale indicates that there will be a large attendance. Tickets may be exchanged for reserved seats at Choate's Music Store.

Much credit for the success of the clubs this season should be attributed to Ralph H. Ayer, '28, of Lynn, Mass., leader and manager.

STUDENT VOLUNTEERS HOLD JOINT CONFERENCE

Foreign Mission Delegates
Attend From Maine
Colby and Bates.

Representative groups of the Student Volunteer Movement for Foreign Missions from Bates, Maine, and Colby were in attendance at a retreat conference held last week-end at the First Congregational Church in Waterville.

The conference convened at the local church Friday evening and general discussion sessions were continued throughout Saturday. On Saturday evening formal addresses were delivered by Professors Metzmer and Wilson, and by Mr. Gray who spoke for the national organization. The program was concluded Sunday morning with a service in the college chapel. Delegates were entertained at Foss Hall and the various fraternity houses.

The activities of the Student Volunteer Movement, which are new to this campus, were begun with the inception of the organization at Princeton University in 1889. The need for some instrument of common interest between the mission and the college as its potential source of workers was felt and the organization was founded by Princeton students. From the original nucleus the movement has grown to international proportions and now comprises over twelve thousand American and Canadian members. Its scope includes the whole missionary field.

At the informal discussion period following the meeting, Ralph McLeary, '24, who holds a position on the faculty at Waterville High School, addressed the assembly, and brought several interesting items to the notice of the members. Plans for various future activities were formulated, and it was decided to devote a part of the time at each meeting to a discussion of matters of practical value to prospective teachers, and to have an experienced teacher as discussion leader.

WEDNESDAY, FEBRUARY 15, 1928

February is important for its contribution of great men, bad weather, and flunks. Of the three mentioned the last two seem to have more direct application to the college community, and perhaps more particularly still, the very last.

Great men are always presenting object lessons and Washington and Lincoln present not the least of them. Bad weather—that is, a generally open winter and lack of snow, may have prevented the holding of the interfraternity winter sports carnival. But the flunks—aye, there's the rub!

Putting aside all tearful farewells and lugubrious parting scenes without further ado, it should be of interest to us to seek the answer to the question: why flunk? Is it the student's fault, the fault of the college, or of some force at work that is at present uncontrolled?

Flunks, it appears, are not a phenomenon peculiar to Colby College, but we have, nevertheless, a share of them. It may be that this institution has been exceptionally hospitable to conditioned entrants and special students. Dead wood from other colleges has not been barred from registration. In some instances transfers present none too glowing reports of past work which bring home the fact that a rank of "C" should be the minimum average accepted from a transfer.

From the foregoing it can be seen that the student of ability may begin on an equal footing with the one who is obviously beaten from the start. "Survival of the fittest," it may be termed, but for some it is "the descent of man," complete descent from the college orbit.

This "descent" flunking, is unfair, needless, and prodigal. If the uncontrolled force above mentioned remains uncontrolled the most appropriate place to eliminate the misfits is in the beginning. More stringent requirements for entrance and transfer are a means of amelioration.

Flunks, then are somewhat the fault of the college in the immediate analysis. More remotely they are eugenic. But until social laws and eugenic research have devised a means of controlling the present uncontrolled factor, heredity and individual biological heritage must be dealt with summarily, and temporary benefit, only, considered.

The Student Council is most certainly to be lauded for its action in sending the winter sports team to Lewiston, Friday. Apparently Colby has one organization that does not come under the head of "honorary societies," but to which its members should feel honored to belong.

In spite of this good work, the spirit of the student body seems to be undivided in its attempts to defeat the noble projects of the Council.

It is surprising the number of fellows that get tired of college at this time of the year—Brown and White.

COLBY AND ACADIA PLAY TO DEADLOCK IN FAST CONTEST

Blue and Gray Shows Great
Improvement--Weather
Slows Up Play.

Presenting a much smoother and stronger team as a result of the addition of Scanlon, freshman hockey ace, and a change of lineup, the Blue and Gray hockey combination came back to old form in holding a fast and aggressive team from Acadia University of Wolfville, N. S., to a 2 to 2 tie in a game played under adverse conditions on the College rink last Thursday afternoon.

The Acadia team, well-equipped with red, white and black uniforms, made up a neat outfit and it wasn't long after the game started that it showed itself to be as nifty with the steel runners and the maple sticks as it looked.

The Roundy-Millett men presented a new lineup at the starting whistle with Sturhahn at center, Scott and Scanlon in the wing positions, Carlson and Drummond as defense men and Irvine guarding the netting. This change greatly strengthened the forward line and the Colby team exhibited strength which enabled it to out-play the crew from across the border in the opening stanza of the game.

The fast passing Acadia forwards exhibited a brilliant offense, however, and had the Colby defense men working hard to hold them down. Irvine did a good job in the cage and warded off some shots which seemed destined to be counters. One shot did send the puck by the alert goalie and into the netting but the whistle had blown just before it registered.

Colby was the only scorer of the first period and then it was not till 10 minutes and 40 seconds of red hot play that Eddie Sturhahn lifted the black disc from center ice in a bullet-like shot which flicked off the skate of Captain McKenna, Acadia goalie, and into the cage for a tally. Pomerleau went in to spell Scott and succeeded in slipping another into the Acadia goal but the score was not al-

lowed as the whistle had blown. "Pom" was not to be outdone and a couple of minutes after slipped the puck to Sturhahn with a neat pass and "Red" poked the rubber in for Colby's second, and as it proved to be, last score.

Snow had begun to fall before the first period was over, and when the two teams faced off in the second frame, was piling up so fast that playing became difficult. The Acadia boys started in fast in the second period and just four minutes after the whistle had set the puck in motion, G. Johnson of the visiting puckmen took advantage of a rebound, and scored the first point for the Canadians.

By that time the snow on the surface had slowed up the game so that the Acadia forwards were playing deep in Colby territory. It was while they were using this method of attack that C. Johnson had an opportunity to turn another rebound into a counter to tie the score at two all.

That turned out to be the last score of the game. The tilt from then on developed into more of a contest of "seeking the puck" than anything else. Long shots were tried and only resulted in keeping the goalies on the lookout for the flying rubber. Over-time play was impossible and thus the first encounter of a Colby hockey team with an outfit from across the border ended with an indecisive score.

The Colby team showed much more strength in the contest with the Nova Scotian boys than it did in the first Bowdoin tilt.

COLBY DROPS SERIES GAME TO BOWDOIN

Possibility of Triple Tie
For State Hockey
Championship.

Although Eddie Sturhahn gave the Blue and Gray pucksters two counters, unassisted, in the first period of a State series game with Bowdoin, the Roundy-Millett charges were forced to bow to the Polar Bear outfit 4 to 2 Monday night in an ultra-fine hockey tilt on the Delta at Brunswick.

The win gave Bowdoin the lead over Colby in the struggle for championship honors in the Maine college league. The Polar Bears now have but to win over Bates to secure a clear claim to the sunberth. Should Bates defeat Bowdoin, however, the three Maine colleges would be in a triple tie for the championship. The Bates-Bowdoin encounter will therefore be watched with much interest.

In the first period of the tilt with Bowdoin, the Colby team started with a bang and in the six minutes of play, Sturhahn succeeded in twice flipping the puck by Howland for as many points. With a two-point lead the White Mules seemed in a good way to cop a win and championship honors but there is a sadder part of the story.

Bowdoin, before the end of the first period, flashed and evened up the count. Bill Walsh, defense man on the Polar Bear aggregation, pulled one of the headliners of the day by carrying the puck the length of the ice on a full field play and scored unassisted. A few minutes after that bit of sensational play, Captain Thayer was able to squeeze one in from scrimmage.

In the second period Thayer and Rice scored for Bowdoin to win the game. Rice took the puck down the ice unassisted for his counter while Thayer flipped the disc by the Colby goalie from short range.

Sturhahn, Drummond, Scott and Lovett were the outstanding men on the Colby team; while the Thayer brothers, Bill Walsh, and Rice were the big cogs in the Bowdoin lineup.

DELTA UPSILON TAKES FAST GAME FROM LANCERS

Clough and Caulfield Star
in Well Played
Contest.

Piling up a more than doubled score the fast Delta Upsilon quintet took over the Lancer outfit last Friday afternoon in an uneventful 45 to 21 struggle.

Clough with seven floor goals to his credit was high point man for the game. Thornton, Klusick, MacDonald, and Niziolek also played well for the victors.

The Lancers were virtually helpless during the first three quarters of the game and it was only after the D. U. second team had been sent in that they showed some ability at caging the ball. Caulfield, playing center for the losers, dropped five floor goals, displaying the best that the Lancer aggregation had to offer. McKeen and Knofski, who have shown their mettle in previous games were completely stopped by the fast D. U. Maneuvers.

A. T. O'S ENCOUNTER D. U'S WEDNESDAY

Promises to Be One of The
Most Exciting Games
of The League.

Bango! The Interfraternity League games which have been sailing along peacefully are fast approaching a bunch of T. N. T. And the way it looks now the big commotion is going to take place next Tuesday night when the Delta Upsilon basket tossers line up on the gymnasium court to oppose a lightning-fast combination of Alpha Tau Omega hoopers.

And unless the unexpected happens and the so-called dopesters are as far from right as they were in picking a winner of the Colby-Maine game, these two teams will be fighting to win a decision which will mean high honors in the league this year. At any rate the losing outfit will be forced out of a deadlock which now exists among four teams boasting a clean slate in the column of losses.

The A. T. O. crew will be led by Charlie Callaghan, eagle-eyed ball tosser, who now leads the league scorers with a total of 57 points to his credit. He will pair up with "Shorty" Davis, stocky little athlete who has come along fast to be one of the classiest men in the league. Johnnie Trainor, although claiming baseball as his best sport, is no mean performer on the basketball court and will do most of the work for the Taus in center position.

Tom Langley and Deetjen are two Freshmen that the A. T. O. backers will call on to hold down the guard positions and judging from their past performances they are quite capable. "Kit" Carson announces to the public that the Delta Upsilon crew that takes the floor to oppose the Taus will be out for a win. And the work of the quintet in the three games which it has won bears out the fact that any team will have to travel hard and fast to defeat it.

In Klusick and Niziolek the D. U. team has two of the best guards in the league. They will be at their best next Tuesday and will be depended on to keep the A. T. O. sharpshooters from tossing in winning points. The game these two stellar performers will be forced to play will be a treat to watch.

Clough, MacDonald and Thornton make up the scoring machinery of the D. U. outfit and, although none of them has the ability of Callaghan in sinking the leather, will build up a substantial bunch of points. MacDonald has scored 22 points in two games while Clough has 20 to his credit.

Both teams have looked very impressive in wins over the Lambda Chi and Lancers Club outfits. The A. T. O.'s hung up a new record for the league when they defeated the L. C. A. team 67 to 19 while Delta Upsilon, using a substitute team during the greater part of the contest, won handily by a 43 to 21 count.

In three games played the A. T. O. club has amassed a total of 152 points to 44 garnered by their opponents whereas the D. U. gang has outscored opposing teams in two encounters 100 to 36.

That's the dope, fans; go ahead and pick a winner.

NON-FRAT HOOPMEN WIN FROM KAPPA DELTA RHO

Four Teams Now in Dead-
lock in Interfraternity
Title Contest.

Wisnoski, scoring 21 counters, one less than the record for points in a single game, led the Non-Frat hoopers to an impressive win over the Kappa Delta Rho outfit by a 35 to 10 score in a league game played Monday.

The win keeps the Non-Frat five in

the deadlock with the D. U., A. T. O. and P. D. T. teams for first place in the league standing.

The Non-Frat crew took the lead from the first whistle and because of the work of Wisnoski and Slosek as forwards, and Glazier and Sprague as guards, were never headed during the contest.

The league record of 22 points scored in a game, now held by Callaghan of the A. T. O. quintet, would undoubtedly have been broken by the leader of the Non-Frat aggregation had he not been replaced by a substitute in the final period of the game.

A great game is expected when the Non-Frats stack up against the fast-travelling Phi Delta outfit sometime this week.

Featured by hard fast playing the Phi Delta Theta quintet defeated the Deke outfit 41 to 26 in the interfraternity league in the gym yesterday afternoon. This victory enables the Phi Deltas to maintain their standing among the leaders and insures them of a berth near the top.

A. T. O'S WIN DECISIVE VICTORY OVER L. C. A.

Callaghan Stars in One-
Sided Contest.

With Callaghan, Davis, Trainor and Tierney scoring with apparent ease the A. T. O. basket tossers had little trouble winning their third straight game by a decisive 67 to 19 victory over the Lambda Chi outfit in a regular league game played last week.

Captain Callaghan broke his previously established record of points scored in one game by sinking 11 floor goals for 22 points. "Shorty" Davis went great guns for the winners and donated 15 points to the grand total.

After the A. T. O. regulars had built up a substantial lead they occupied the bench for a period and cut the second string men loose. They made a neat appearance on the floor equipped with new uniforms and exhibited a clean, fast brand of ball tossing. Tierney was the big boy in this combination and while he was in the game scored 11 points.

Hannifan and Hines were the best the losers had to offer and they played a fast game. Tom Langley played an exceptionally good game in his guard position and it was largely because of his efforts that the Lambda Chis were held to a low score.
