

Council Report

All Interfraternity Basketball games must be played off by March 16th if they are to count toward the Interfraternity Championship Cup, according to the decision reached by the Student Council at its weekly meeting Monday night.

This decision was rendered because of the necessity of completing all league games before the beginning of the spring vacation. Those games which have not played before the above date will be considered forfeited.

Reports of the Winter sports committee and the Student Council Dance Committee were also given at the same meeting. The Winter Sports Team, the committee considered, had conducted itself very creditably by taking second place in the State Winter Sports Carnival held at Lewiston last Saturday. The Dance Committee reported the last Student Council dance to have been a success, both financially and socially.

There was also a discussion of the Freshman toques. A substantial loss has been sustained, it was reported, because of the unwillingness of the freshman class to cooperate in the purchasing of the toques.

DR. WILKINSON SPEAKS TO WATERVILLE LEGION

"War Guilt" is Topic of His Lecture--Blames All Nations.

In an address on "War Guilt" before the Waterville Post of the American Legion, Monday evening, Dr. William J. Wilkinson of the history department, said that the assertion of Lloyd George that the European statesmen, British, French, German, Austrian and Russian alike, "stumbled into the war," is accepted in many quarters as a fair picture of the situation just prior to the fateful days of August, 1914.

"No reputable historian," he said, "believes that Germany was solely responsible for causing the great conflict." While the Germans must be held accountable for their very culpable acts; it is true that France and Russia must also share a part of the responsibility. Nor is England entirely absolved by the historian.

After referring to Lord Gray's conduct of the British Foreign Office during the years 1900-1914, Professor Wilkinson spoke of the secret documents which were taken from the foreign archives of Russia, Austria, and Germany following the revolutions in those countries. These documents, which have been printed and are generally known as the Kautsky documents have forced many people to revise their former views as to the war guilt. They show that Sazonoff and Izvolsky who handled the foreign affairs of Russia prior to 1914, and Poincaré, who was an important figure in the French government at the same time, welcomed a general European War as the means of securing Constantinople, and the Straits for Russia, and Alsace-Lorraine for France. Such, at least, is the opinion of the English historians Gooch and G. Lowes Dickinson, the well known publicist and writer in his recent book "International Anarchy."

The French writer, Fabre Lucie, in his widely read "Limitations of Victory" is of a similar mind. Senator Owen of this country, who devoted much time to a study of these documents considered his efforts worthy of a 30,000 word speech which is to be found in the Congressional Record, and which has more recently appeared in book form, goes so far as to place the major blame on Russia and to a less degree on France. DEPUTATION TEAM VISITS HOULTON

A two-man deputation team from the Colby Y. M. C. A., made up of Professor Horbert L. Newman, the faculty head of the "Y" and Lemuel K. Lord, '20, of Pittsfield, visited the Ricker Classical Institute at Houlton last week-end.

The team conducted three services Sunday, and on Monday morning Mr. Lord spoke before the students at their regular chapel exercises.

The trip to Ricker is one of the longest made this year, and deputation work has been one of the most important activities in the Y. M. C. A. program.

FIVE MAN TEAM TO GO TO NATIONALS

Sansone, Seekins and Bagnall to Represent Blue and Gray Leaders

WILL LEAVE FRIDAY

Sprague To Enter Seventy Yard Dash Event and Drummond To Compete in Shot Put.

With Captain Charles Sansone, Mayo Seekins and Ira Bagnall as outstanding performers, a five man team accompanied by Coach M. J. Ryan and Manager A. A. D'Amico, will leave Friday for New York City where it will compete in the Annual indoor meet held under the auspices of the N. I. C. A. A. A. in the armory of the 102nd Engineer's regiment, Saturday afternoon and evening.

Sansone, now in his last year at Colby, has given evidence this winter that he is due to wind up his collegiate running career with a banner year. He has turned in some good performances in two indoor meets in Boston this winter; taking second place in a fast field of 1000 yard runners in one and performing creditably as a member of the Colby relay team in the other. "Eb" has been entered in the one mile run and although he will be meeting the best in the country can be relied upon to finish in the money.

Seekins will step up to oppose the best high jumpers from the some twenty colleges which will be represented at the National meet. By leaping 6 feet 1/2 inch and to a tie for third place in the event at the B. A. A. games Seekins showed that he is capable of holding his own with the best of them. He should leap to prominence Saturday night.

In Ira Bagnall, Coach Ryan has developed a performer who bids fair to emulate Wentworth, former Colby weight man, who holds the distinction of being the only Blue and Gray athlete to win a National title. Ira has been coming along fast lately with the 35 pound hammer and should be up with the leaders when the results of the event are announced Saturday.

Dick Drummond is going along to compete in this event as well as the 16 pound shot put. Bagnall will also try to push into the win column with the shot putters.

The seventy yard dash will find Alden Sprague sporting the Colby silks. He has been performing creditably of late in this event and may crash through as a place winner Saturday night.

UPSILON BETA DANCE AT ELKS HALL NEXT FRIDAY

Proceeds of Annual Affair of Freshman Society to Go to Gym Fund.

The annual dance of Upsilon Beta, the Freshman honorary society, will be held Friday evening, March 2, at the Elks hall. Music will be furnished by George Allison and his Blue Serenaders.

The dance committee consists of: James E. Davidson, '30, of Omaha, Neb.; Ernest J. Thoberge, '30, of Lawrence, Mass.; Karl R. Hines, '30, of Berkshire, Mass.; John H. Leo, '30, of Portland; and Philip A. Stinchfield, '30, of Strong.

Proceeds of the dance will go to the Colby Gym Fund.

KAPPA PHI KAPPA HOLDS BI-MONTHLY MEETING

The regular bi-monthly meeting of Kappa Phi Kappa, the national educational fraternity, was held at the Kappa Delta Rho House, last evening at seven-thirty. Professor Lowell Q. Maynes, instructor in philosophy and psychology, led the discussion of questions pertinent to secondary school and college teaching.

Leaders of discussion groups for coming meetings of the fraternity were announced. They are: Clyde B. Russell, '22, headmaster of Winslow High School; Ralph H. McLeary, '24, mathematics teacher at Waterville High School; and H. Truo Trofeth, '27, assistant in geology at Colby.

Plans for a banquet for the active members and alumni to be held late in May were formulated.

Clough Announces Junior Membership of Prom Committee

Carl T. Clough, '29, of Houlton, chairman of the Junior Prom committee, has announced that the committee on decorations for the prom will consist of the following men: Horace P. Maxcy of Rockland, Lambda Chi Alpha; Richard E. Benson of Bethel, Conn., Kappa Delta Rho; John W. Miner of Calais, Zeta Psi; Frank C. Foley of Norwood, Mass., Alpha Tau Omega; Albert D. Richards, Jr., of Columbia Falls, Non-Frat; and Mayo A. Seekins of Pittsfield, Delta Kappa Epsilon.

Friday evening of Junior Week-end, which will extend over May 18 and 19, has been selected for the prom. Music will be furnished by an orchestra from Boston.

TO PLAY MAINE IN VARSITY BASKETBALL

Ten Best Players of Interfraternity League will Compose Team

WILL PLAY AT ORONO

With the cream of material from various teams in the Interfraternity league working faithfully under the able tutelage of Coach Edward C. Roundy, indications are that the team which will be sent to Orono by the Student Council, to oppose the University of Maine basket tossers Saturday night will be a strong aggregation.

Several practice sessions have been held during the past week. Although the short period for preparation is a distinct handicap, the men are fast mastering a style of play and should present a smooth working outfit by Saturday.

Up to the time the ECHO went to press no selection of the players who will make up the squad had been made. According to an announcement by James McCreary, secretary of the Student Council and acting manager of the team, ten players will probably be selected to make the trip.

In stacking up against the University of Maine hoopers the Colby men will be meeting, on its own court, a well organized team which has been playing as a unit all season. But reports coming from the Maine camp are to the effect that the wearers of the Pale Blue are expecting a hard game and are working hard in preparation for the encounter.

The game marks the first encounter of teams representing the two institutions in a number of years. It is said that in the last meeting of a Colby and a University of Maine team on the basketball court, the Blue and Gray emerged triumphant.

No prediction as to the outcome of the contest Saturday night could be made with any degree of accuracy. The Colby team will be playing its first game as a unit and it is impossible to say how the going will be on a strange floor. The Maine team has just returned from a strenuous trip down-country and although it lost a majority of the games played on the trip, played good basketball and was only beaten by small margins in the games dropped.

LETTERS AWARDED TO HOCKEY PLAYERS

Six Varsity Men Receive "C" --Numerals Given To Freshman Team

LOSE CHAMPIONSHIP

At a regular meeting of the Athletic Council last week letters were awarded to the players who filled the requirements in hockey during the past season. Numerals were also awarded to members of the Freshman outfit who played in the necessary number of games.

The hockey season ended for the Colby squad directly after the last State series encounter with Bowdoin. The possibility of winning undisputed right to State Championship honors was lost to the Blue and Gray puck chasers when they dropped two contests to the fast Polar Bear outfit. Bowdoin, by virtue of two wins over Colby and one over Bates, retained possession of the mythical championship bunting which she won last year.

The following Varsity players were awarded the Colby "C": Captain E. Richard Drummond, '28, Waterville; John S. Carlson, '29, Norwood, Mass.; Robert W. Scott, '29, Wilton; Edward J. Sturhahn, '30, Hartford, Conn.; George C. West, '28, Waterville; Albert J. Thiel, '28, Canton, Mass.

The Freshmen who were awarded numerals are: Daniel F. Scanlon, Malden, Mass.; John F. Pollard, Fairfield; Walter B. Lovett, Hudson, Mass.; Richard G. Dow, Winchester, Mass.; Thomas J. Kenney, Cambridge, Mass.; Lloyd V. Marsters, Arlington, Mass.; Thomas E. James, Providence, R. I.; Charles W. Hedderiege, Whitman, Mass.

Karl A. Anderson, '27, of East Pepperell, Mass., manager of last year's hockey team, was awarded the "C" in recognition of his services. This year's manager will receive a similar award when his duties are completed and approved.

Elks Hall Scene of Formal Deke Dance

Forty-five Couples Attend Annual Ball of the Fraternity --Music By Weed's.

With forty-five couples in attendance the Delta Kappa Epsilon fraternity held its annual formal dance at the Elks Hall last Friday evening from eight forty-five to one. Music was furnished by "Chink" Weed and his orchestra.

The hall was attractively decorated with unique combinations of the fraternity colors. Representatives were present from the other eight Colby fraternities.

The dance was preceeded by a formal dinner which was served in the fraternity dining room at six-thirty. At this time Professor and Mrs. C. Harry Edwards and Coach and Mrs. Edward C. Roundy were the guests of the fraternity.

The committee in charge of the affair consisted of: Albert J. Thiel, '28, of Canton, Mass.; Charles W. Jordan, '29, of Auburn; and James E. Davidson, Jr., '30, of Omaha, Neb.

The patrons and patronesses were: Professor and Mrs. C. Harry Edwards and Coach and Mrs. Edward C. Roundy.

On Saturday afternoon a tea dance in the nature of a chaser was held.

ANNUAL ICE CARNIVAL OF HEALTH LEAGUE FEB. 28

The Colby Health League held its annual ice carnival on the Foss Hall skating rink, Wednesday evening, February 22, at seven o'clock.

The carnival opened with a grand march led by Miss Corinne B. Van Norman, and Helen A. Wyman, '28, president of the Health League.

Many of the women took part in the relay and obstacle races, and ice games. After the races skating was enjoyed. Refreshments of hot chocolate and fancy cookies were served.

POWDER AND WIG TRYOUTS MARCH 5TH

Three Act Comedy Will Be Presented at Opera House in May

ALL MEN ELIGIBLE

Plot For Original Spring Production Laid in India--Special Costumes To Be Secured.

Tryouts for the original three act musical comedy, "Most Extraordinary," which will be the spring Powder and Wig presentation, will be held at the Opera House, Monday afternoon, March 5, at 4.45 according to an announcement of Ralph H. Ayer, '28, of Lynn, Mass., president of the men's dramatic society.

All members of the men's division are eligible to try out for the spring production. Those who have ability along dramatic or musical lines or as staff members are urged to be present.

The entire personnel of the company will be comprised of about seventy people including a cast of forty-five, an orchestra of fifteen, and a staff of ten.

The plot of "Most Extraordinary" is laid in India and revolves about the maneuvers of a regiment of British Tommies. This setting will provide excellent opportunities for costuming and scenic effects. It is hoped that the whole production will rival the last year's presentation of the Powder and Wig, "Royalty Flushed" which scored a complete success.

Kirby Page Will Give Lectures Next Week

Opportunity for Students To Hear Noted Editor at College Chapel On March 6 and 7.

Kirby Page, noted lecturer and editor of "The World To-morrow," who has been secured as Chapel speaker through the efforts of the Y. M. and Y. W. C. A.'s, will be at Colby on March 6 and 7 to address members of both divisions of the college.

Contrary to previous announcements Mr. Page will be unable to continue his lectures at Colby on Thursday, March 8. He has, however, consented to hold a series of discussion groups during his two days stay here. His lectures, which will be given in the chapel from 9.30 to 10.30 on Tuesday and Wednesday mornings and at 7.30 each evening, will include the topics: "Nationalism and the Causes of War;" "Is the United States Imperialistic?" "The Outlawry of War;" "What Should a Patriot Do About War?" and "Barriers to World Peace."

Colby Takes Second At Bates Carnival

Captain Rollins Scores Ten Points As Team Noses Out Bowdoin.

By piling up ten points in a triple tie for high point man, Captain "Deke" Rollins led the Colby winter sports team to second place at the Intercollegiate Winter Sports Carnival held at Bates college last Wednesday.

Bates carried off first honors with 48 1/2 points to her credit. Colby was next with 12 1/2 points while Bowdoin came through with but five, giving her the cellar position. Maine did not send a team to the carnival.

In consideration of the small amount of practice that the team was able to get in Colby made an excellent showing. The absence of "Dick" Allen who was unable to make the trip detracted greatly from the strength of the mule's representation.

The places taken by the Colby men were as follows: Rollins, first in the downhill mile ski race, third in the efficiency ski race, third in the ski jump, and fourth in the cross country race; Johnson, fourth in the snow shoe cross country run, and tie for fourth in the snow shoe dash; Ashmore, fourth in the ski jump.

CHI GAMMA THETA ENJOY TOBOGGAN PARTY FEB. 22

The members of Chi Gamma Theta, sophomore honorary society for women, held a toboggan party, Wednesday afternoon, February 22, at four o'clock.

After the party the members returned to the home of Miss Louise Thomas, '30, where refreshments of hot dogs, coffee, and Chi Gamma Theta doughnuts were served.

INTER-FRATERNITY BASKETBALL

Is the Inter-Fraternity Basketball schedule a chess board affair or is it a dependable program of games?

It has happened all too frequently in the past that league games have been side tracked for trivial matters. In fact the schedule has been so changed and the games so bandied about that the original program is far from recognizable. The laxity of the present agreement allows any member of the league to cancel a game to suit its convenience.

There must be a remedy for this situation and the logical one would seem to be stricter rules governing the cancellation of games. Perhaps if cancellation meant forfeiting the game altogether, a more tangible program would result.

The Student Council at Lafayette College is sponsoring the matter of Senior exemptions there. Apparently Colby students are not the only ones to anticipate the return of spring fever.

BASEBALL SQUAD HOLDS MEETING

An initial step in preparation for a strenuous eighteen game schedule was made last Monday when all candidates for the baseball team were called together in Recitation Hall by Coach Edward C. Roundy.

Plans for preliminary sessions for battery men and conditioning work for the squad as a whole were outlined. Schedules for workouts and skull practices were also made out.

The schedule, as recently announced by Manager P. Louis Fourcade, '28, of Purchase, N. Y., includes seven home games and eleven contests on foreign diamonds. The first game will be an exhibition affair with U. of M. on Seaverns Field, April 19. The team will make two major trips; the first, including four games with college nines in Massachusetts and Rhode Island, April 25th to 28th, inclusive, and the second including Dartmouth at Hanover, N. H., May 28, 29, and 30.

DRUIDS EXTEND BIDS

The following bids have been extended to members of the class of '29 by the Druids, the honorary Junior society:

Delta Kappa Epsilon: Charles William Jordan, Auburn; Phillip Leroy Miller, Caribou.

Zeta Psi: Charles Favour Abbot, Franklin, Mass.; John Walter Miner, Calais.

Alpha Tau Omega: Allan Julian Stinchfield, Skowhegan; Warren Ridgway Payson, Waterville.

Delta Upsilon: Wendall Alexander Tufts, Westborough, Mass.; Osborne Coster Bacon, Welchport, N. B.

Lambda Chi Alpha: Herbert D. Messinger, Lynn, Mass.; William R. Wyman, Fairfield.

Phi Delta Theta: Donald Hulford Fraser, Lawrence, Mass.; George Hans Hansen, Manhasset, N. Y.

Kappa Delta Rho: Oscar Moody Chute, Beverly, Mass.; Harry Estes Tatterhall, New Bedford, Mass.

PHI MU ENTERTAINS AT DINNER AND BRIDGE

Twenty couples were entertained at a dinner party and bridge given by the Phi Mu sorority, in the Ware parlors, Saturday evening, February 25.

A dinner, consisting of oyster stew, rolls, pickles, chocolate eclairs, Phi Mu cakes, mints, nuts, and coffee, was served at six. The remainder of the evening was devoted to bridge. Music was furnished by an orthophonic vietrolo.

The patrons and patronesses of the affair were: Professor and Mrs. Cecil A. Rollins, and Rev. and Mrs. Arthur Buckner.

Ye Gladiator Column**Dear Gladiator:**

Far be it from me to criticize my peers, but occasionally I am moved to comment on the conflict of opinion evidenced among Colbyites, and also some of their weak results in logic.

"Abe Lincoln" recently wrote that a college graduate at graduation generally had a "considerable knowledge of the economic conditions, political institutions, customs, language, and literature of the United States, of England, of France or Germany," as well as a "fundamental knowledge of chemistry, physics, astronomy," and other sciences, but as a rule knew little or nothing about geography, even of these United States. He recommends that a course in geography be required for graduation. In the same edition of the ECHO "A Fellow Crab" bemoans the number of "requirements." Here we find one estimable gentleman recommending what another would have abolished.

Separately these two opinions show weak points in their reasoning. "Abe Lincoln" has evidently failed to realize the full benefit of the required course, Bibliography 1, which aims to teach the practical use of a library. If he had paid attention to what this course offered he would know where to find all the geographical information that he desired. Once having found it, no member of the college would prevent his mastering the subject. It has been well said that there is no true education except self education. If "Abe" awaits a bid or even a command from someone to urge him into the pursuit of a subject he claims to want, then I extend such an invitation to him. Do not, however, let him take up so much valuable space in the ECHO begging to be forced to get something which he may obtain with the mere effort. His pleasure, if required, might prove another's burden.

As to a "Fellow Crab's" plaint that too many things of an elementary nature are required for graduation, and that there is not enough specialization in the subjects of interest to him, I must ask him to consider what he selected for a major or a minor. The Colby curriculum is marvelously flexible as may be readily perceived in reading the new catalogue (page 39). The first year work is stipulated, for what Freshman coming for the first time into college as fully aware of the subjects most interesting to him? Beginning with the Sophomore year the student generally knows what he prefers, and in the light of such knowledge selects his major and minor. It is difficult to conceive of any man choosing a major and minor which he knew would be absolutely distasteful to him. Other subjects are optional. (I am, of course, passing over any consideration of the pre-university courses which are dictated by schools of advanced standing.) Blame, if such there is, for being in an undesired course may well be placed at "A Fellow Crab's" door.

As to "A Fellow Crab's" closing question, which was designed to be a Big Bertha shell and developed into such a whining dud, I have but to call his attention to the fact that the majority of the required Freshman courses are not in the hands of the instructors. A canvass of the Frosh in any house will reveal to our disgruntled brother that no one of them encounters more than two instructors in his program of studies. Moreover, my recollection of my yearling year is that the instructors were far more stringent in their requirements than the heads of the departments.

Indeed, Mr. Gladiator, it is rude to laugh at the gentlemen who penned these opinions but you really must pardon me if I smile.

Very truly yours,

Hal E. Butt.

INTERFRAT TRACK MEET WILL BEGIN NEXT WEDNESDAY

Keen Competition Promised For Annual Events --Training Begun.

Track Coach Mike Ryan will remove the lid and let his bunch of aspirants for track honors strut their stuff during the next two weeks in a well rounded list of events in the Annual Indoor Interfraternity Track Meet, which will be contested, with the Upsilon Beta loving cup for a year's possession, as an appropriate trophy to the winning team.

The cup was put up last year by the Freshman Honorary Society with the provision that the team winning first place in the Annual Indoor Meet for three years should retain permanent possession of the trophy. The Zeta Psi team won one leg on it when it took high honors in close competition last year. The Delta Kappa Epsilon outfit was a strong contender and forced the Zetas all the way to win the honors. The Phi Deltas and Non-Frats were right up in the running and made strong bids for the coveted trophy.

There is always one thing certain about the Indoor meet and that is that the man who picks a winner could recognize himself as undisputed guessing champion. The variety of events which range from a potato race to the one mile and a half run, present possibilities to any sound bodied individual who wants to go out and train for a short time, and this fact makes it next to impossible to pick winners in the various events.

Coach Ryan announces to all interested in the meet that no one will be allowed to compete who has not had the training which the veteran mentor considers necessary for the event which he may enter. All entrants in the one mile walk, for instance, will have to have at least a week's training under the coach's guidance.

A meeting of the captains or representatives of the various fraternity teams will be held in the gymnas-

ius at four o'clock tomorrow afternoon. The meeting will be an important one as the rules by which the meet will be conducted will be explained in detail. An effort is to be made to run the meet off smoothly and without unnecessary delays occasioned by loose rules. Every fraternity should see to it that a representative is present at the meeting tomorrow as it may mean the winning or losing of the meet to any group not represented.

Coach Ryan included in his announcement of the meet the following statement: "If we are to have a well balanced track team this coming spring it is necessary that every fraternity at the college and the non-fraternity group be represented in this meet by a full and representative team. This is the only way that we have at our disposal to bring out and develop our track material for the spring meets."

The events which are to be contested are:

Wednesday, March 7th: 40 yard dash; 40 yard low hurdle; 440 yard run for novices (trial heats); 600 yard run (trial heats); one and a half mile run; rope climb; putting 12 pound shot; standing high jump.

Thursday, March 8th: Potato race; standing broad jump; 440 yard run for novices (final heat); 600 yard run (final heat).

Wednesday, March 14th: 40 yard dash for novices; 40 yard high hurdles; 300 yard run (trial heats); 1000 yard run; one mile walk; putting 16 pound shot; running high jump.

Thursday, March 15th: Three standing jumps; throwing 35 pound weight; interfraternity relay race (trial heats); 300 yard run (final heat).

Friday, March 16th: Interfraternity relay race (final heat).

HORACE MAXCY OF ROCKLAND ELECTED MGR. OF HOCKEY

At a regular meeting of the Athletic Council last week Horace P. Maxcy, '29, of Rockland, was elected as manager of the hockey team of 1929.

Maxcy should be well fitted for the task ahead of him as he has had experience as assistant manager both in football and hockey. He worked hard as an assistant to the manager of football during the past season and proved to be a valuable aid to Manager Lovett of this year's hockey team.

The newly elected manager of hockey is an active member of the Junior class, being secretary this year and also a member of some of the important class committees. He is a member of the Mystics, Sophomore honorary society, and the Lambda Chi Alpha fraternity.

DELTA UPSILON STILL LEADS BOWLING LEAGUE

Kappa Delta Rho Climbs to Third Place Making New Records.

With the Interfraternity bowlers well into the last round of matches in the tournament for the silver loving cup which goes to the team having the largest per cent of wins in the end, the Delta Upsilon and Zeta Psi pin pickers are well out in the lead in the race.

The Kappa Delta Rho crew has put on some fine exhibitions to step into third position. In a recent match they took the team single record which was formerly held by the Dekes and Captain "Doc" Cobb hit one string for 129 pins to break the previous record, held jointly by Mansfield and Scanlon, of 121.

The standing to last night:

	W.	L.	%
Delta Upsilon	35	13	.729
Zeta Psi	34	17	.666

Lancers Beat K. D. R. In Rough Contest

With a score of 46 to 39 the Lancers outfit took the Kappa Delta Rho hoop team into camp Monday night in one of the Interfraternity league games of the week.

The game was fast and rough with the Kappa Delta aggregation outplaying the Lancers during three periods. The winning team secured its lead in the second period when K. D. R. quintet relaxed from its otherwise fastest playing of the season.

Caulfield and McKeen were high point men for the winners with six-

KAPPA DELTA RHO FRAT INTRODUCES NEW DOPE

Take Fast League Game From Leaders in Interfrat Basketball.

Forging from behind in the last three minutes of play the Kappa Delta Rho hoop outfit upset the dope by defeating the fast Phi Delta Theta quintet in a hard fought game in the gym last evening.

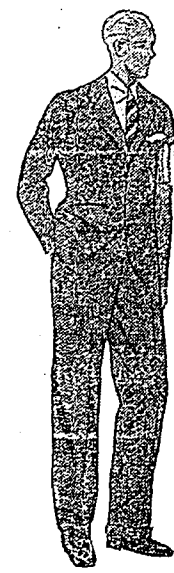

With the Phi Deltas in the lead near the end of the fourth period, Bailey of the Kappa Delta aggregation slipped in a goal from the floor and secured two additional points on fouls giving the victors a lead of two points which they maintained to the finish. "Swede" Hansen played a stellar game for the losers with fifteen points to his credit. Bailey, with fourteen points, was high man for the K. D. R.'s.

They say P.A. is the world's largest seller

I DON'T doubt it, nor do I wonder why. Just open a tidy red tin and get that full fragrance of Nature's noblest gift to pipe-smokers. Then tuck a load in the business-end of your old jimmy-pipe.

Now you've got it—that taste—that Lead-me-to-it, Gee-how-I-like-it taste! Cool as a condition. Sweet as making it up. Mellow and satisfying. Try this mild, long-burning tobacco, Fellows. I know you'll like it.

ELLIOT ADDRESSES "Y" IN CHAPEL WEDNESDAY

Nominating Committee Appointed To Select New Officers.

Philips Elliot, secretary of the New England Field Council of the Young Men's Christian Association, addressed the regular meeting of the "Y" last evening in the chapel.

Mr. Elliot reviewed the field of Y. M. C. A. work and stressed the fact that the association is founded on the abstract and unseen quality of love. This quality, he declared, is the force behind the sectional, national, and international organization of brotherhood that is working in a way that will be the ultimate solution of world problems.

The speaker urged the attendance of representatives at the Poland Springs Conference which will be held this week-end when approximately two hundred delegates will gather to hear a program of noted speakers.

In anticipation of the election of next year's officers a nominating committee of the following men was appointed: A. T. O., Albert U. Peacock; Zeta Psi, W. Robert Lombard; L. C. A., Cecil Rose; D. U., Elwood J. Hammond; P. D. T., Charles E. Towne; D. K. E., Joseph L. Lovett; K. D. R., G. Vinton Jones; Lancers, Harold E. Clarke; and Non-Frat, Garth C. Koch. A resolution, as follows, was adopted:

Whereas, God, in His infinite wisdom, has called home the father of our beloved president, Lawrence A. Peakes, be it

Resolved, that it be known that the members of the Colby Y. M. C. A. express their heartfelt sympathy to their president and to his family, and be it further

CHI EPSILON MU HOLDS MEETING

At a meeting of Chi Epsilon Mu, the local chemical society, held last evening, in Chemical Hall, George E. Ferrell, '17, of Waterville, read a series of papers on "The Manufacture of Tire Rubber," before an audience of thirty-five members of the society, members of the faculty, and automobile and accessory dealers of Waterville.

Mr. Ferrell, who was formerly employed as chemist with the Goodyear Rubber Company, explained the processes of the manufacture of the special rubber used in making tires. At the conclusion of the lecture a two reel film of the General Motors Proving Grounds was shown.

Osborne C. Bacon, '29, of Welchpool, N. B., the newly elected president of Chi Epsilon Mu, announced that the next meeting is to be held Friday, March 16.

Herbert M. Lord Speaks To Colby Alumni On Budget

Speaking before more than three hundred members of the New York Colby Alumni Association last Tuesday night, General Herbert M. Lord, '84, Director of the United States Budget, told of the savings effected through the application of the budget principle to government finance.

In the course of his speech General Lord said that \$2,392,000,000 of the total treasury surplus of \$2,692,000,000 was attributable to the functioning of the budget system. But in a characteristic manner he added "the public receives these figures with as little enthusiasm as an appointment with a dentist."

Other speakers of note that addressed the association at this time were Senator Herbert E. Wadsworth, '90, chairman of the Board of Trustees of the college and Dr. Franklin W. Johnson, professor of education at Teachers College, New York.

DR. WILKINSON SPEAKS.

(Continued from page 1)

In two bulky volumes loaded with citations and judicial estimates, forms a similar opinion of war guilt. According to Dr. Wilkinson the most impartial record for the truth of war guilt has been made by Professor Sidney B. Fay of Smith College, whose articles on the subject have appeared in the American Historical Review. A book embodying the careful work of Professor Fay is now in process of publication and will be available within a few months. The reader who examines these pages may well trust the authenticity of the facts and conclusions as set forth by this scholarly authority.

AN ADDITION TO CAMEL SMOKE-LORE

WE SUBMIT the sad case of the freshman in zoology, who, when asked to describe a camel, said, "A camel is what you wish you were smoking while you try to think of the right answers." He flunked zoology—but he knew his cigarettes. For in time of trial or time of joy, there's no friend like Camels.

The subtle influences of choice tobaccos upon the smoke-spots of mankind have been carefully studied, identified, and blended smoothly into Camels—the finest of cigarettes. And we'll bet an alkafitch on this: Camels have just the taste and aroma to pack your smoke-spot with the "fill-fulment" every experienced smoker seeks. Got an alkafitch you want to lose?
