

# DR. WILKINSON ACCEPTS HISTORY REAPPOINTMENT

## ALUMNAE BUILDING OPENED TO PUBLIC MONDAY

### RELEASE SKETCHES OF NEW GYMNASIUM

Building To Be Located  
On Back Campus  
Of College

Sketches of the new proposed men's gymnasium, indoor field or cage, and swimming pool with the architect's description of the buildings were released today by the Hon. Herbert E. Wadsworth, executive chairman of the Colby College \$500,000 Development Fund Committee and chairman of the Board of Trustees. The sketches and descriptions are furnished by the firm of Coolidge & Carlson, Boston architects.

The proposed new buildings, which consist of gymnasium, cage and swimming pool, will be located to the rear of Roberts Hall, the old gymnasium, and Shannon Observatory. The gymnasium proper will be erected just to the north of but behind the old gymnasium, and on the same level. The cage will be on the next lower level toward the Kennebec River and will extend behind the new gymnasium southward so that the south end will be in line with the south end of Roberts Hall. The pool will be connected with the cage and will extend northward behind Shannon Observatory.

The location of the new building as described above, will be the first step toward the development of the back campus which the architects claim to be the most beautiful part of the college property. Improvement of this part of the campus has long been discussed and only recently elaborate plans for its beautification were suggested by a writer in the first quarter "Colby Alumnus."

The buildings are in the Georgian Colonial type of building in keeping with the adjacent Coburn and Chaplin Halls, and are to be built of brick and limestone with steel trusses.

The New Gymnasium.  
The gymnasium proper is 80x120 feet in size. It is large enough for two practice basketball games to go on at once; or to have one central competition ball game with a 1200 audience on sloping bleachers; or the

(Continued on page 4)

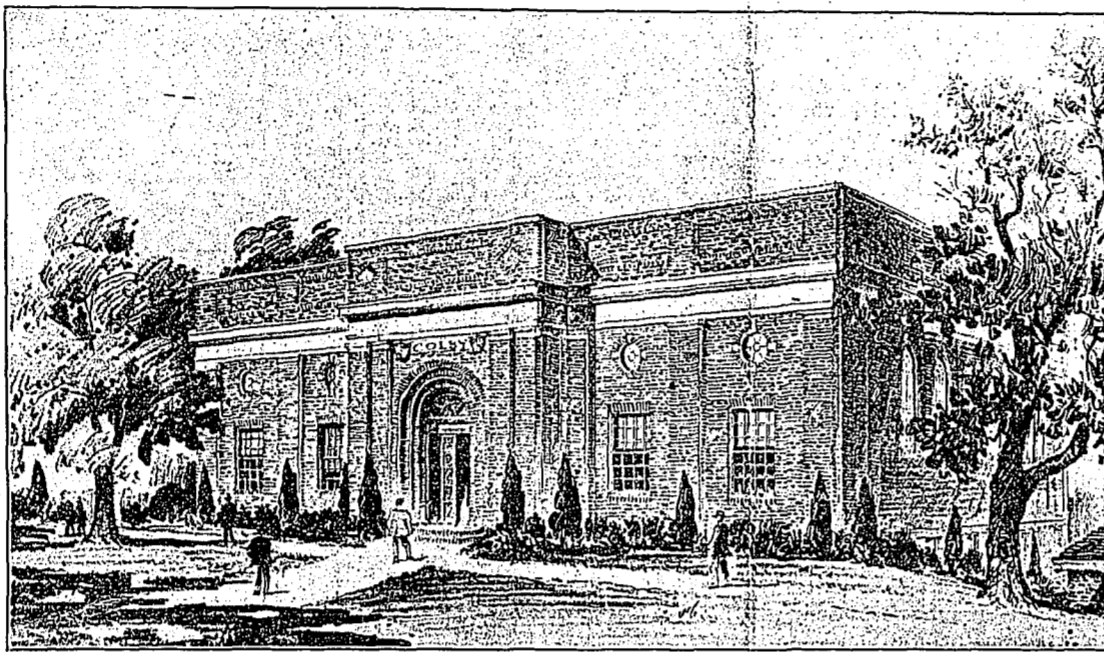

### ANNOUNCE DATE OF LYFORD SPEAKING

Announcements were made Tuesday night by Professor Herbert C. Libby, head of the department of public speaking, that the annual Lyford Interscholastic Prize Speaking Contest would be held under the auspices of the college on Friday afternoon and evening, May 3. This is the twentieth consecutive year that this contest has been held, and it is estimated that a total of 1200 secondary school boys have taken part in these contests.

The prizes, aggregating \$100, are the gift of Will Hartwell Lyford, of the class of 1870, of Chicago. The contest is open to young men attending the preparatory schools of Maine, New Hampshire, and Massachusetts. Each school competing is entitled to two representatives. The chief object of the prizes is to stimulate interest in public speaking and the awards are made for general excellence in declamation.

Students offering themselves in competition for the prizes must file application blanks at least one month prior to the contest. Preliminary speaking occurs in the afternoon, in groups, and from 12 to 15 are selected to take part in the finals which occur in the evening.

Vincent P. Mathers, '27, representative of the New England Telephone and Telegraph Company, will be at Colby on March 4, 5, and 6, to interview seniors who are interested in the Bell System.

PROPOSED NEW GYMNASIUM, ARCHITECT'S SKETCH

### NEW COLBY ALUMNAE BUILDING FORMALLY OPENED ON MONDAY

Fine Program is Presented by Women's  
Division--Large Attendance

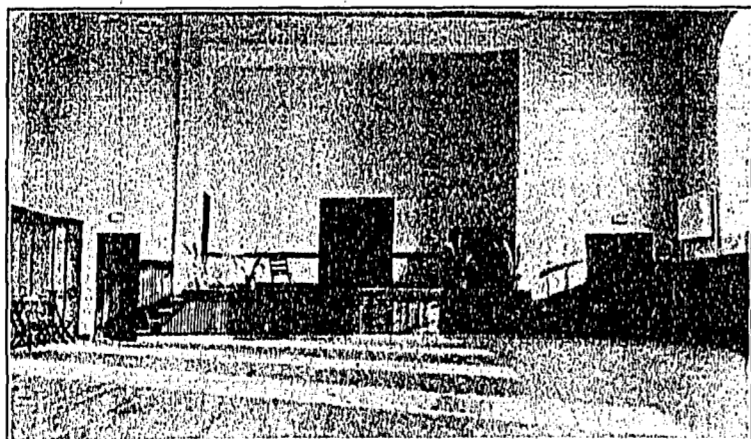

The formal opening of the Alumnae Building on Monday from three to nine was attended by several hundred people, who inspected the building and left generous contributions. During the afternoon and evening, a musical program, arranged by Miss Florence Dunn, Dean Nettie M. Runnals, Miss Adelle Gilpatrick, and Miss Alice Purinton. Members of the women's division who served as ushers then accompanied the guests through the building, bringing them back to the auditorium where tea and

gifts of various organizations, and the bouquet in the social room was the gift of Mrs. Eleanor H. Woodman of Winthrop Center.

The following took part: Gwendolyn Johnson, piano; Harriet Johnson, '30, vocal; Muriel and Marion Lewis, vocal; Mrs. Mary Berry Manter, Mrs. John Stobie, Mrs. Gladys Ferrell,

EXTERIOR VIEW OF ALUMNAE BUILDING

INTERIOR VIEW OF ALUMNAE BUILDING

sandwiches were served in the afternoon, and punch and cookies in the evening. The hostesses were: Mrs. Martin Bartlett, Mrs. William A. Smith, Mrs. Nathaniel Wheeler, Mrs. Mary Caswell Carter, Mrs. Donald Putnam, Mrs. Willard Arnold, Mrs. John F. Choate, Mrs. Raymond Rogers, Mrs. Carl J. Weber, Miss Harriet Parmontor, Miss Nolla Morrick, Miss Jennie Smith, Miss Alice Clarkin, Miss Margaret Totman, Miss Helen Springfield, and Miss Mary Warren. Members of the women's division served as waitresses. The tea was poured by the hostesses at long tables decorated with flowers. These and other flowers displayed in the auditorium were the

vocal trio; Jessie Alexander, '20, piano; Ruth Daggett, '20, vocal; Mary Wasgatt, '30, piano; Marion Morrell, '32, violin; Ruth Bartlett, '20, vocal; Ruth Park, '30, violin; Helen Paul, '30, piano; Martha Holt, '20, Dorothy Donnelly, '30, and Mary Wasgatt, '30 instrumental trio; Miss Viola Rowe was accompanist for the numbers.

Many alumnae came from surrounding towns to celebrate the occasion, and many guests other than alumnae were present. Among the alumnae from out of the city were: Miss Adelle Gilpatrick of Hallowell, Mrs. Ethel Inyard Weston of Madison, Mrs. George A. Martin of Springfield, Mass., who represented

(Continued on page 4)

### ELECT SECRETARY TO DEAN OF WOMEN

Elsie Lewis, '29, Appointed  
to Position by  
Trustees

Elsie H. Lewis, '29, of East Lynn, Mass., has been appointed by the Board of Trustees to fill the office of secretary to the dean of women, which will be created at the beginning of next year. The announcement was made today through the dean by the Hon. Herbert E. Wadsworth, vice president of the college.

ELSIE H. LEWIS

There has been for a long time the need for a full-time secretary to the Dean, and, with the approval of President-elect Johnson, it was decided that this office which will be in effect throughout the entire year, should be created. The position will include in addition to secretarial work, chaperonage, and responsibility for one of the dormitories.

Miss Lewis this year is president of the Women's Student Government and has been a member of the executive council for the past three years. She is also secretary of the Y. W. C. A.; literary editor of the "Colblana"; a member of the Oracle Board; and an honor student. She is a graduate from Lynn Classical High School and a member of the Alpha Delta Pi sorority. Miss Lewis plans to attend Bryant Stratton secretarial school this summer in order to prepare herself for the secretarial part of the position.

### KAPPA PHI KAPPA TO MEET NEXT TUESDAY

Prof. E. C. Marriner, '13, chairman of the Executive Committee of Colby, will be the speaker at the regular meeting of Kappa Phi Kappa, which will be held at the home of Professor E. J. Colgan at 12 West street, on Tuesday night, Feb. 20.

"The Little Red Schoolhouse and the Little Green Boy," is the subject of Professor Marriner's talk. It will have to do with the problems of the teaching personnel.

### POPULAR HISTORY PROFESSOR TO BE BACK AT COLBY NEXT YEAR

#### LANGER CLUB TO BECOME NATIONAL

To Affiliate With Theta  
Kappa Nu Fraternity  
--Installation

The installation on February 22 of the Lancer Club as Maine Alpha Chapter of Theta Kappa Nu Fraternity will mark the climax of three years of endeavor. Ever since the formation of the fraternity on October 31, 1923, it has been the aim of the members to "go national," but within the last three years definite action has been taken and the coming installation is the tangible result of this action.

At present there are twenty-eight active members of the Lancer Club. Twenty-six of these, together with seven alumni members, are planning to affiliate with Theta Kappa Nu.

Theta Kappa Nu is a fraternity especially strong in the South and West, but recently it has reached up into New England, having a chapter at Clark University, Mass., Alpha. The fraternity came into existence in June, 1924, as the outgrowth of the combination of eleven local fraternities from nine southern and central states.

Because of its rapid growth and strong standing Theta Kappa Nu has been spoken of in fraternity journals as the "miracle fraternity." At the present time, after only five years of existence as a national organization it stands in twentieth place on the list of national fraternities and has forty-three chapters in twenty-two states. Two charters have recently been granted, one at Georgetown and the other to the Lancer Club.

### CLASS COMMITTEES CHOSEN BY SENIORS

At a meeting of the senior class held this afternoon in the college chapel the following commencement committees were chosen: Program, Harry E. Tattersall, New Bedford, Mass., chairman; Earle A. McKeen, Millinocket; Franklyn B. Dexter, Mattapoisett, Mass.; Donald H. Fraser, Lawrence, Mass.; Frank J. Twadell, Skowhegan; Allan J. Stinchfield, Skowhegan; Harvey G. Potter, Waterville; J. Drisko Allen, Columbia Falls; Fred J. Storns, Hartland; Senior Hop: Charles W. Jordan, Auburn, chairman; E. Richard Benson, Bethel, Conn.; Sterling C. Ryder, Portland; Philip L. Miller, Caribou; John R. Richardson, Waterville; John W. Miner, Calais; G. Cecil Goddard, Portland; Reed W. Davis, Lincoln; W. Rodney Wyman, Fairfield; Floyd M. Mason, Bethel; Ode: Norris W. Potter, Islington, Mass., chairman; Richard J. Race, Guilford; Carroll J. Cooke, Moriden, Conn.; Roy E. Smith, Waterville; Gift: Ernest E. Miller, Bethel, Conn., chairman; Mayo A. Seokins, Auburn; William S. Chapin, Sheffield, Mass.; Arthur H. Snyder, Portland; George C. Severy, Gray; H. George Hanson, Manchester, N. Y.; John E. Walker, Winthrop, Mass.; Aldon C. Sprague, Waterville; Clifford J. McGaughy, Washburn; Nomination: Rupert M. Irvine, Caribou, chairman; Webster J. Brown, Lynn, Mass.; Wendell A. Tufts, Westboro, Mass.; Nathaniel L. Silowitz, Brooklyn, N. Y.; S. John Carlson, Norwood, Mass.; Class Day: Oscar M. Chute, Beverly, Mass., chairman; Elmer Rivkin, Brooklyn, N. Y.; Carl T. Clough, Houlton; Donald H. Rollins, Winthrop; Robert W. Scott, Wilton; Charles F. Abbott, Franklin, Mass.

Dr. William J. Wilkinson, former head of the history department at Colby, and this year head of the department of history at the University of Vermont, will return to Colby next September, according to a recent statement by Dr. Franklin W. Johnson, president-elect of the college.

Coming as a total surprise to most of Dr. Wilkinson's many admirers at the college, this information has been received with unanimous approval and expression of satisfaction from faculty and students alike. Dr. Wilkinson will again take up his duties as head of the department of history, in which capacity he won the respect and friendship of the entire student body during the years of his

DR. W. J. WILKINSON

professorship here. Although the agreement which induced Dr. Wilkinson to accept the offer of the college authorities and return to Colby has not as yet been made public, it is understood that he was greatly influenced by the conviction that Colby offered larger opportunities for service than any larger institutions.

In connection with his reappointment, Dr. Wilkinson made the following statement to the COLBY ECHO: "Replying to your telegram asking for a statement to the ECHO with respect to my reappointment at Colby, I wish to say that it is with the utmost satisfaction and pleasure that I contemplate the opportunity and privilege of returning to my work in the history department and in the activities of the college which I confidently believe is entering upon the greatest era in its history under the leadership of President-elect Johnson. Instead of my relation with Colby being only pleasant memories, they will again be realities. May I add that one of the major considerations which have influenced me to return is the conviction that the opportunities afforded in a small liberal arts college are far greater than those which obtain in any other type of an institution of higher learning."

Very sincerely,  
William J. Wilkinson.

#### WOMEN'S CHAPEL.

Dean Runnals announces the speakers for the women's chapel for the coming week:

Thursday, Feb. 21. The speaker will be Ernest C. Marriner, chairman of the Executive Committee.

Saturday, Feb. 23. Nettie Runnals, Dean of Women.

Tuesday, Feb. 26. C. Harry Edwards, professor of physical education.

#### MEN'S CHAPEL.

Dr. T. B. Ashcroft, chapel officer, announces the following program for the coming week:

Monday, Feb. 25. Professor Ernest C. Marriner, subject, George Washington.

Wednesday, Feb. 27. Judge Charles W. Atchley, judge of the Waterville Municipal Court.

### PROOF OF PROGRESS.

A while back it was mentioned in this column that 1929 was already a big year at the end of the first week. Now, at the end of seven weeks it is a huge success. It surpasses all expectations.

For one thing the new Alumnae Building is completed. The women are to be congratulated on their new health plant. A very appropriate opening too!

Assurance of Dr. Wilkinson's return next year means that Colby's history department will be back on its feet again. All credit is due Dr. Hall for his admirable accomplishment in gathering up the loose ends occasioned by Professor Ridgeway's resignation. He has done a remarkable piece of work. But the college can welcome back Dr. Wilkinson whom students admire as a teacher, respect as a gentleman, and honor as a friend. His reappointment to Colby is an example of the big things Dr. Johnson promised us. It is an indication of Dr. Johnson's own remarkable foresight and sagacity.

Following things definitely accomplished there is great possibility of more to come—and come before the end of the present college year. The plans of the new proposed men's gym appear elsewhere in this issue. They are the result of work on the part of the \$500,000 Development Fund Committee. And furthermore they are stimulating a sense of responsibility in the men of the classes now in college that it is up to them to do their share in making it possible for the corner stone to be laid next June. The women, in their accomplishment, present a real challenge. It is not merely a challenge to the old bunk, "college spirit." It is a challenge of real and material development.

### THE ALUMNAE BUILDING.

Now that the Alumnae Building is opened and its praises are being sung by all who have seen it, it is only fitting that the women of Colby college show their appreciation of the work that has been done, for who if not they will derive the most lasting benefits from it? And who if not they are in a position to see its advantages? Only those who have had to spend hours in the old gymnasium with its poor ventilation and billowy floor can realize the comforts of this new, sunny building with its excellent floor and added improvements.

Though the women who are in college now have helped as much as they have been able, their assistance has necessarily been small. It is to the Alumnae almost entirely, then, that the college is indebted. The group of women who in 1920 felt that something should be done to help their Alma Mater, and who, in the following year, decided that a new recreation building was much needed, have been most faithful to the not too pleasant task of raising sufficient money to build a gymnasium that would be an honor to the college. They surely have succeeded, and it is up to the students to be worthy of the work that has been done for them. But this is no time to stop planning, for there is yet much to do. Can a person with any patriotic feel-

ing stand by useless when the wonderful swimming pool, the bowling alley, and the equipment still need completing? Surely not. This gymnasium, like the old one, may sometime have to be replaced by a building more modern, but no one will ever forget the hours of labor and interest that made possible such an excellent place for work and recreation as the Alumnae Building.

P. B.

## Ye Gladiator Column

Letters in the Gladiator Column are expressions of opinion by individual contributors to that column and the editor assumes no responsibility for any statements, allusions, or assertions made in them. The column is a free-for-all and student contributions are solicited.

Dear Gladiator:

Colby seems to have taken on a new lease of life within the past few months. The election of a new president, the remarkable achievement of the women in securing their new gymnasium building, and the new half million dollar development project; all these seem indicative of a future which shall be worthy of our past.

Yet in our efforts to build up the college in a material way, let us not forget to secure for ourselves those cultural values which shall be ours long after our collegiate days are over. We have long been lacking in those cultural advantages which in other colleges are considered a real feature of college life. I refer to the deplorable lack of opportunities to hear really worthy music.

True, we have had a few splendid lecturers here, and I understand that a movement is underway to provide at some future time a place where our art collection may be housed, but music, the most subtle and elusive of the arts, has been neglected. At most of our New England colleges there is a fund set apart for the sole purpose of bringing to the student body the finest that can be secured of good music. Dartmouth, Yale, Harvard, representative of our New England colleges, all have concert courses open to the student body for a nominal sum. These concerts are supported by the college, and are for the sole purpose of bringing the student body into contact with the very best in music. No doubt the Smith College concert course is well known to you, having on its program such famous artists as Fritz Kreisler, Harold Bauer, Pablo Casals, and others of international repute.

This year, when Colby is making so many progressive moves, is the time to commence. It can only be done through the united desire on the part of the student body to listen to something else besides the latest variation of the "blues," and the determination to enjoy the finer things of life. Who knows, perhaps there will come through this movement results so far reaching that with our new development project will go hand in hand a cultural renaissance at Colby. The college cannot sponsor this thing without the backing of the student body, so let's give it our support!

Sincerely,  
Atheniensis.

Dear Gladiator:

Within the last few weeks there has been some talk about the campus to the effect that the Colby Glee Club is not going to make a concert tour this season.

From all that I have been able to discover, this is because the manager has not been able to secure bookings for the club. The reason for cancelling the northern trip is quite obvious—there is no money in Aroostook county this year. But it does indeed seem strange that definite action has not been taken before this time on a trip through southern Maine and Massachusetts.

Through the Athletic Association nearly all of Colby's representative groups have been brought under one head. The good that has been derived from such unified direction and supervision is quite obvious to anyone who was acquainted with conditions before this was done. Why not the Glee Club, certainly a representative college group, under the direct control of college authorities? If this were done it would certainly mean that concert trips would be assured every year, and the college would secure excellent publicity of the right sort.

Besides this aspect of the situation, the members of the Glee Club themselves should be considered. Certainly it is not fair to those fellows for there to be no trip after they have rehearsed during the winter, many times somewhat inconveniently themselves in order to attend rehearsals. I believe this is a matter which

should receive the consideration of the faculty and those in charge of the club.

Very truly yours,  
Cassius.

## ANNUAL BANQUET OF ALPHA DELTA PI

Saturday night, Feb. 16, Alpha Delta chapter of Alpha Delta Pi held its fourteenth annual banquet at the Elmwood Hotel. The evening was spent in the "Good Will Flight of the Spirit of Alpha Delta Pi." A dainty plane in white and blue marked the menus and a chic aviatrix design was used as place cards.

The postprandial speeches were as follows:

The Pilot, Clara Collins; Solo Flyers, Lucy Chapin; Student Flyers, Madeline Scott; Mechanics, Marian White; Associate Pilots, Alma Glidden; Guest of the Flight, Betty Parsons, Rho Delegate; "We," Ruth Hutchins.

Special vocal numbers were given by Eunice Foye and Muriel Farnum. The initiates and pledges, who were the honor guests of the banquet, were: Ruth Andrews, Nita Riley, Madeline Scott, Ella Gray, and Marilla Barnes.

### Y. W. C. A. Meeting.

The first club meeting to be held in Alumnae Hall was the Y. W. C. A., Tuesday evening. Although the room still lacks many furnishings it was made attractive by an open fire, banners and cushions. A three act play, "Susanna of the Parsonage" was given by members of the freshman class. Every part was well taken and gave evidence of careful preparation and practice. Those taking part in the play were: Susanna Robinson, a junior in college, Marjorie Van Horn, East Boothbay; Katharine Robinson, her sister, Martha Hamilton, Caribou; Pauline Robinson, another sister, Martha Johnston, Kennebunk; Ruth Robinson, the youngest sister, Jean Wellington, Monticello; Janet Gould, a wealthy girl, Doris Campbell, Bath; Emma, her best friend, Phyllis Hamlin, Milo; Dorothy, one of Susanna's best friends, Barbara Works, Dixfield; Edith, Estelle Taylor, Harmony, Florence, Florence Marble, Harmony, Helen, Ruth Andrews, Wytopitlock, Alma, Winifred Hammett, Danielson, Conn., all students of Wells College; Aunt Susanna Porter, an elderly woman of the world, Evelyn Johnson, Caribou.

### Y. M. C. A. Deputation Teams Hold Services

Two deputation teams from the college Y. M. C. A. conducted services in Skowhegan and Waterville last Sunday. Three freshmen, Charles G. Corse, Clinton, Mass.; Richard Cummings, Newton Center, Mass.; and John A. Webb, of Brockton, Mass., made up the delegation that visited the Methodist church in Skowhegan for both morning and evening services.

Ernest E. Miller, '29, of Bethel, Conn.; David F. Kronquist, '29, of Rumford, R. I.; Mark H. Garabedian, '30, of Cambridge, Mass.; and Mark S. Kingsley, '31, of Hebron, formed a deputation group that conducted the Sunday morning services at the Gethell Street Baptist Church.

### Inspection Of The Tri Delt Sorority

Miss Isabel Hallett, of Arlington, Mass., Alpha Province Deputy of the Delta Delta Delta fraternity, was the guest and inspector of Alpha Upsilon chapter from February 14 to February 16.

Miss Hallett is a graduate of Boston University. She had visited Colby twice, her first visit being made last year when she inspected the Colby chapter of Delta Delta Delta.

was held Friday night, February 15. The meeting was followed by an entertainment to which the pledges were invited.

Miss Hallett addressed the Panhellenic Council of the women's sororities Friday noon. At this meeting she expressed her pleasure in the friendly spirit which prevails among the sororities, a spirit which reflects that of the National Panhellenic Congress. She also spoke of the new Panhellenic Building which has just been completed in New York City, a building made possible by the financial cooperation of sororities throughout the country in order to provide a home for college women in New York.

## COLBY RELAY TEAM TO COMPETE FRIDAY

Will Run in Boston Games  
-Review of Recent Meets

The Colby relay team, back from a successful invasion of New York and Philadelphia, is preparing this week for National Junior Indoor Championships of the Amateur Athletic Union of the United States which will be held at the Boston Garden next Friday evening under the auspices of the Boston Caledonian Club.

Coach Mike Ryan has not as yet announced his entries for this meet, but Colby will be represented in the medley relay race, entrants to run 220, 440, 880, and one mile, and in the running high jump, dashes and hurdles.

The recent trip on which the Colby team competed in the Millrose Games at Madison Square Garden, and at the Meadowbrook A. C. Games in Philadelphia was unique in that it was a great success in spite of the fact that the Colby team did not win at either city.

At the Millrose Games the Colby team were the victims of unfortunate circumstances. Colby was pitted against Amherst and Williams. A Blue and Gray victory over Amherst at the B. A. A. Games made things look good for Colby to finish first in this event but the fates ruled otherwise. On the first relay Brown was boxed by the Amherst and Williams runners and was in third place when he passed the baton to Potter. Potter, who had been taken sick on the trip, was not up to his best form and while he lost no ground Colby was still in third when Rivken took the baton for the third relay. This veteran runner on the indoor boards stepped out and ran the race of his life to take a second place from Williams and close up within three yards of the pace setting Amherst team. As Sprague took the baton and started to close in on the Amherst runner things looked bright for Colby. But with two and a quarter laps to go the Williams anchor man attempted to pass Sprague on the inside of a curve. This he could not do and as Sprague closed back in shutting the Williams runner off his opponent reached out and shoved him off from the track. He fell sustaining painful lacerations but got up and finished a half lap behind the leaders. Williams was disqualified for this incident and Colby awarded second place.

At the Meadowbrook Games the race with Temple, Villa Nova, and St. Josephs in which Colby was scheduled to run was called off and they entered the one mile relay for the college championship of America. As opponents in this race they had Georgetown, Fordham, University of Pennsylvania, and Syracuse. The pupils of Coach Ryan performed like veterans in this fast competition. They went out and took second place, trailing the leaders, the fast Fordham team, by a few yards up to the third relay when Pennsylvania took second and forced Colby into third, in which position they finished, beating out the much heralded Georgetown team.

Giles showed well in the sprints at the Meadowbrook Games. He was entered in the same heat with Williams, the Olympic champion, and finished a scant yard behind him. In the handicap event he started at scratch, but broke the gun, was set back, but finished third being disqualified for the finals by a close decision by the judges.

## D. U. Now Leads the Colby Bowling League

For the first time this year the Zetas lost the lead in the Colby Bowling League. The D. U.'s, owing to their four point win over the Lancers, Thursday, are now leading by one point. Arber of the Zetas regained his high point average record with Mansfield and Roberts tied for a close second for high average honors. The standing:

	W. L.	Pct.
Delta Upsilon	20 0	.813
Zetas	25 7	.781
Phi Delta	13 14	.568
K. D. R.	14 18	.438
Lambda Chi	14 18	.438
Dekas	13 19	.400
Lancers	12 20	.375
Non-Frats	0 20	.188

Records: High averages, Arber, 97; single string, Delaware, 127; three strings, Delaware, 324; team single, Delta Upsilon, 520; team total, Delta Upsilon, 1470.

Averages, 90 or better: Roberts, 90; Mansfield, 90; Farnham, 95; Ford, 93; Peterson, 92; Clough, 92; Whitton, 92; LePore, 92; Arnold, 92; Harlow, 92; Maxim, 91; Karkos, 91; Anderson, 91; Potter, 90; and Delaware, 90.

## D. U.—L. C. A.

Delta Upsilon defeated Lambda Chi Alpha 36 to 29 in a close game played in the gym on Friday afternoon. The D. U. outfit which is tied for first place seemed to be off form for at the end of the third period the score was tied and it appeared that they would go down to defeat. Klusick starred for the winners scoring 12 points while Miller starred for the losers with 16 points.

## D. U.—Non-Frat.

Delta Upsilon barely nosed out a rejuvenated Non-Fraternity basketball team 31 to 20 in an exciting game played Saturday night in the gymnasium. As was expected the D. U. quintet had a great deal of difficulty in outscoring their pennant-seeking opponents. At the end of the first period the Non-Frats led by 3 points and at the half the D. U.'s led by one point, but from then on the D. U.'s led the scoring till the final whistle. Wisnoski was high man with 9 points.

## ELECTION OF OFFICERS BY PI KAPPA DELTA

## Functions of Chapter to Be Combined With Colby Debating Club

Lemuel K. Lord, '29, of Pittsfield, and Norman Palmer, '30, of Hincley, were elected president and vice president respectively of the Colby chapter of Pi Kappa Delta, the national forensic society, at its annual meeting held yesterday afternoon in the college chapel. Both these men have been prominent in intercollegiate debating during the past two years, and last year Mr. Lord was one of a team of three men who represented the Colby chapter at the national convention of the forensic society at Tiffin, Ohio.

Other officers elected at the same time are: Harold F. Lamoine, '32, of Kennebunk, treasurer; John D. Swartz, '29, of Brooklyn, N. Y., secretary; Chester E. Merrow, '29, of Mountain View, N. H., manager of debate. An advisory committee composed of the following men was elected by the members, consisting of: Walter N. Breckenridge, instructor in economics; Professors Ernest C. Marriner, and Curtis H. Morrow; H. C. Marden, '20; Clyde E. Russell, '22; and James H. Woods, '29.

According to resolutions adopted the functions of the chapter will this year be combined with those of the college debating club which has in previous years existed as a separate organization. Requirement for admission to the society are active participation in debating, entailing platform work in at least on intercollegiate forensic. As fast as men who are out for that activity this year fulfill the requirements they will be extended bids and allowed to join. The local chapter has adopted the question for debate used by the national organization this year, namely, "Resolved, That the Jury System in the United States Should Be Abolished." Debates have been scheduled with numerous eastern colleges and universities, and active preparation for these meetings is already well under way. The first debate will take place within the next four weeks, probably in the Colby chapel.

## STUDENT COUNCIL.

At the meeting of the Student Council held in the "Y" room at Hodge Hall last Monday evening the following business was transacted. The Student Council committee which is working in connection with the Gym Development Fund, is making arrangements for a rally to be held in the gym March 1. Prominent speakers are being secured to speak before the students at this time in an effort to stimulate interest in the student body for this Drive.

## BATES-COLBY GAME ENDS IN DEADLOCK

## Fistic Maneuvers in Final Period Terminate Hectic Fray

The Colby and Bates hockey teams battled for two periods to a 1 to 1 tie in an exciting game played on the Waterville Hockey Club rink last Friday. In the third period the two teams forgot about hockey and turned their efforts to fistic encounters much to the delight of the spectators.

The play during the first two periods was quite fast and was marked by a good deal of roughness. Bates scored late in the first when Secor skated down center ice and passed to Cogan who shot the puck neatly into the cage. Later in the same period the Blue and Gray puck chasers evened the count when Scott slipped past the Bates defense and passed to Kenney who outwitted Farrell to even the count.

In the opening minutes of the third period the incident occurred that started the battle. Secor, upon skating down the ice, lost the puck when Carlson, Colby defense man, checked him, and evidently lost his temper at the same time for he brought his stick down on the Colby player's back in what seemed to be a deliberate blow. Carlson turned about and immediately engaged in a fistic encounter with his assailant. But the rest of the players were not idle and soon the entire personnel of both teams, even to the last substitute, rushed into the fracas and engaged in a free for all. The battle stopped only when Referee Paganucci, Coach Wiggin of Bates, and Coaches Roundy and Millett of Colby, succeeded in separating the belligerents.

The summary:

Colby	Bates
Delaware, rw	lw, Johnson
Lovett, c	c, Cogan
Scott, lw	rw, Anderson
Carlson, rd	ld, Malia
Pollard, ld	rd, Pooler
Irvine, g	g, Farrell
Spares: Colby, Kenney, Howard, and Pomerleau. Bates, McClusky, Secor, Maher, White, and Murphy.	

## Carlson Elected To Lead Hockey Team

J. Sten Carlson, '29, of Norwood, Mass., was elected captain of the Colby college hockey team at a meeting of the members of the team held recently. Carlson was a member of the Colby varsity squad his first year at Colby and has played left defense on the varsity for the past three years. He has played left tackle on the Blue and Gray football team for three years and last year was honored by selection to the Mythical All-Maine team. He is a member of Mystics, the sophomore honorary society, and of the Colby chapter of the Alpha Tau Omega fraternity.

## INTER-FRAT TRACK SCHEDULE GIVEN OUT

The annual indoor interfraternity track and field meet in competition for the Upsilon Beta cup will be held on the afternoons of March 13, 14, 19, and 20 according to a recent announcement by Coach Mike Ryan. Fourteen events will be run off on these days.

Coach Ryan states that all men who are to take part in the meet must report for regular training on or before Thursday, Feb. 21. No men will be allowed to enter the competition who have not had at least three weeks of preliminary training. This requirement applies to all men regardless of past records or performances and for all events. This is the last opportunity this winter to get a line on the men who will be candidates for the track team in the spring. Entries for all events will close two days before the date on which the events will be run off.

Coach Ryan declared last night that for the coming competition, "A novice is one who has never been selected a member of a varsity track and field team to represent the college in collegiate or other competition."

The following events will make up the program for the four days: 40 yard dash; 800 yard run; 600 yard run; 1000 yard run; one and one half mile run; 45 yard low hurdles; 45 yard high hurdles; 40 yard run, novice; quarter mile run, novice; Interfraternity relay, four man teams, each man to run two laps; 35 pound weight throw; shot put; running high jump; and standing broad jump.

## English Department To Sponsor Movie

The English department will experiment with the student reaction to the use of moving pictures as an aid to classroom work next Friday morning, Washington's Birthday, when a ten reel film adapted from Sir James Barrie's "A Kiss for Cinderella," will be shown at the City Opera House. The program will begin at 9 a. m., and will be opened by a short introductory talk by Professor Cecil A. Rollins, who will explain the purpose of the picture as related to work in the English Department, and also give a brief introduction to Barrie's work. No admission will be charged to students enrolled in English courses but other students will be charged an admission of twenty-five cents. The entertainment is not open to the public.

The experiment will furnish a basis for a future discussion of how much student support might be expected for a college moving picture program of quality and merit superior to that of commercial houses. Professor Weber says of the production that it is "one of the most delightful of Barrie's plays and the moving picture people have done an excellent piece of work in its adaptation, especially in setting."

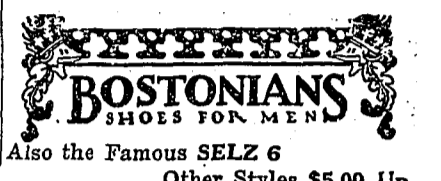

## Mystics Announce Membership Bids

At a meeting of the Mystics, the sophomore honorary society, held at the Delta Upsilon house, Tuesday, Feb. 19, the following men were admitted from the class of 1931:

Zeta Psi, Thomas J. Hodkiewicz, South River, N. J.; Ralph Edward Fullam, Mittineque, Mass. Alpha Tau Omega, Dexter Marshall Eastmont, Glen Cove, N. Y.; Richard Delano Williamson, Portland, Me. Phi Delta Theta, Gordon Keith Fuller, Waterville; Henry Oldham McCracken, Waterville. Delta Upsilon, John Hoyt Wing, Medford, Mass.; Wayne Elwood Roberts, North Berwick, Me. Lambda Chi Alpha, Donald Melvin Christie, Milo, Me.; Carlton Earle Dorman, Belmont, Mass. Delta Kappa Epsilon, Andrew James Karkos, Lunenburg, Mass.; Edward Francis Hayde, White Plains, N. Y.

# NOMINATIONS FOR PHI BETA KAPPA

## Three Men and One Woman Elected to The Society

Four members of the senior class have been nominated for election to Phi Beta Kappa, the national scholarship society, by virtue of their attaining an average grade of ninety per cent in their courses during the past three and a half years, according to an announcement made today by Professor Carl J. Weber, secretary of the Maine Beta or Colby chapter of the society. The students receiving the nominations are: Lowell P. Leland of Sanguenville; Chester E. Merrow of Mountain View, N. H.; Gilman S. Hooper of Danvers, Mass.; and Lucy E. Chapin of Greenfield, Mass.

The number of nominations from the two divisions of the college are the reverse of those of a year ago when three women and one man received the honor. The candidates will be initiated into the society on March 19, when they will be given a banquet at the Elmwood Hotel and will be addressed by Professor William C. Greene of the Greek department of Harvard University, an author of some note. Professor Greene will deliver his address on the subject "Ancient Greece and Young America." The banquet will be held in the large dining room of the Elmwood and the public will be admitted at eight o'clock to hear the lecture. Delegates from the other Maine chapters will be present.

All four of the candidates have been outstanding students during their college courses. Leland, Merrow, and Hooper have been members of the intercollegiate debating teams. Hooper has also been a member of the track squad, assistant in the physics department and is a member of the Kappa Delta Rho fraternity. Miss Chapin is a prominent member of the women's division and president of the young peoples' society of the Congregational church of Waterville.

Further elections to Phi Beta Kappa will be made in June when students who have attained average grades of eighty-eight will be admitted up to twenty-five per cent of the graduating class.

### RESOLUTIONS.

Whereas it has pleased God in his infinite wisdom to remove from this earth the father of our beloved sister, Flora M. Rideout, be it

Resolved, That we, the members of Alpha Chapter of Sigma Kappa sorority, do extend our deepest and most heartfelt sympathy in her bereavement, and be it further

Resolved, That a copy of these resolutions be published in the Colby ECHO, and that a second copy be placed in the chapter files.

PROPOSED NEW INDOOR FIELD SKETCH

### GYMNASIUM PLANS

(Continued from page 1)

room can be used for the commencement dinner with a seating capacity at tables on floor and stage about 1000; or as an auditorium with a seating capacity on floor and in gallery of about 1600.

The platform will hold an additional 150 for graduations, or some 40 at a head table for dinner occasions, or may be fitted as a stage with an area of 45x25 feet, with adjacent dressing rooms. A stair connection to the next story below will give ample accommodation for pageants or group athletics.

The under side of roof construction will be covered with a sound absorbing composition so as to give an almost ideal acoustical effect and at the same time serve as insulation against outside temperatures.

The gym building is entered through a trophy vestibule with offices and lounging room to the right and left. In this trophy room is a staircase to the gallery above and to the story below.

The floor below the main gymnasium is for coat room purposes for the auditorium above. In addition, there is a general locker room with toilets and showers, two squad rooms (vars-

ity and freshman) with their toilets and showers, a similar room and accommodations for visiting teams entered from the outside only, a lecture room seating 100, a corrective gymnasium for special development and for the use of the faculty, drying room for suits, next to this a large equipment room with adjacent towel room; all arranged so as to be controlled with a minimum of service and also located so as to give a general supervision of floor.

There are offices for the physical director, together with his assistants, examination room, restroom, etc.

The various rooms are so arranged that if it is ever decided to physically examine every student every year it can easily be done.

A large kitchen with elevator gives service for the dining room above.

The story below which is on the lower ground level is devoted to a number of standard size squash and handball courts, and to the heating apparatus of the various athletic buildings. It will be possible, if desirable, to develop this heating apparatus into a central heating plant for the entire college. Back of the squash courts is a large unfinished room for general storage.

### The Cage.

The indoor playing field, the cage,

will have a dirt floor 150x170 feet in size with a high roof so as to give ample room for baseball practice.

A banked cinder track will surround the playing field and will also give room for various other activities, jumping, shot put, etc.

The building will be of brick, lined with terra cotta for warmth and will be heated by "unit vents" in the corners which will force hot moist air against the cold skylight and by constant motion cause the room to be heated at a minimum of expense and a maximum of comfort.

The playing field walls and ceiling will be formed by a huge net to give safety in playing and to let through the light from the huge skylight above.

### The Swimming Pool.

The pool itself with tile floor and walls, will be 25x75 feet in size, 8 feet deep at the deepest part. All around the pool is arranged a spectator's gallery accommodating several hundred persons.

The water will be sterilized by a combination of the chlorine and ray system and in addition the sunlight from the large skylight over the whole pool will give additional health-giving qualities.

Special showers will give cleanliness before entering pool.

and this property was purchased by the college. The contract was let to the Purinton Construction Co., and the work was begun last spring."

The building itself, although primarily the home of the department of hygiene and physical education, provides the center for the social life of the women's division. There are two entrances at the opposite ends of the building, one the social entrance, and the other the business or worker's entrance. A description of the building in the words of Horace True Muzzy shows the admirable way in which architectural plan is adapted to these two functions: "The social entrance admits the visitor to a stair hall leading from the basement to the second floor. From this end of the basement, one enters the bowling alley, the visitor's gallery in the swimming room, and the boiler room.

"At the level of the first floor one passes through an archway to the social room, with which are connected a retiring room and a kitchen. A large fireplace gives this room an atmosphere of good cheer. Doors open directly into the gymnasium. The location and the arrangement of these rooms make them exceedingly convenient both for the smaller group and for the large college gatherings. The main entrance to the gymnasium is at the first floor level just at the right of the main entrance to the building. The Y. W. C. A. room, located on the second floor, is just over, and similar to the social room. The visitor's gallery, across the end of the gymnasium, with accommodation for one hundred seats, is approached from this upper level.

"The entrance at the other end of the building, which we will call the workers' entrance, is similar to the social entrance. At the head of the stairs on the second floor, is a class room. On the first floor are the physical director's rooms, the entrance to the stage in the gymnasium, the main exit from the gymnasium, and a small room that may be used for special exercises and as a dressing room for the stage.

"Going down stairs to the basement the student finds herself in the large dressing room, or locker room. She steps into a booth, and dresses either for the gymnasium or for the pool. She then goes to the gymnasium by way of a staircase at the rear of the room or to the pool by way of the shower room. Accommodations for hair drying and for washing and drying clothing are provided in the basement.

"The gymnasium is intended to be used both as a gymnasium and as an

auditorium. As a gymnasium allowing 45 square feet per pupil, it will accommodate 71 students, while as an auditorium, allowing 6 square feet per person, it will seat, including the balcony, 636 people. The room is 70 feet long, 46 feet wide, and 22 feet wide under the roof trusses. Opening out from the gymnasium at the rear are two rooms, one to be used as a serving room or small dining room and the other as a storage place for chairs and apparatus.

"The swimming pool is as yet unfinished. It is reached by way of the shower room and will be under the supervision of an attendant. The pool itself is of standard size, 60 feet long and 20 feet wide, with a depth varying from three to eight feet. The walls of the room and the lining of the pool are to be of tile, decorated perhaps with the college colors. The room is lighted from three sides and from a skylight directly over the pool. The water will be cleansed, filtered and heated by the most approved methods."

The great need at present is for funds for the equipment and furnishings. \$25,000 is needed to complete and endow the swimming pool. Five hundred chairs have been purchased for the gymnasium, the gift of Miss Louise Coburn of Skowhegan, and a large gift from Mrs. George Otis Smith will provide for much of the needed equipment. Other smaller gifts have been received and the proceeds of the Silver Tea will be used for this purpose. At present, the only rooms which are equipped for use are the classroom, furnished by Miss Florence E. Dunn, and the Physical Director's office. Equipment has been brought over from Foss Hall for the corrective and examination room. The committee hopes that the building may be completely furnished for its dedication at Commencement.

## Gym Dance Held Saturday.

Following the basketball game Saturday evening, between the D. U.'s and Non-Frats, dancing was enjoyed in the gym until ten-thirty. Owing to several fraternity and sorority initiations rather a small crowd was present, but the dance proved to be one of the most pleasant that has been held in the gym this year. Music for the dance was furnished by George Allison's orchestra. The patrons and patronesses were: Prof. and Mrs. E. J. Colgan, Miss Corinne B. Van Norman, Miss Ruth Daggett, and Horace P. Maxcy.
