GIVING BACK COLBY FUND

My time at Colby was amazing. The challenging courses, my hardworking teammates, a welcoming community that always shows up for each other; it all prepared me for life beyond college. I give so today's students have the same chances and feel supported as they prepare to make their own contributions in the world."

—Mandy Reynolds '12
Portland, Maine

Contributions to the Colby Fund ensure that the student experience is hallmarked by intellectual innovation across disciplines and meaningful connections that extend far beyond Mayflower Hill.

Five decades, more than 40 voices, one story. Current and former members of Students Organized for Black and Latinx Unity share experiences from their respective eras, documenting the history of the club, Colby, and the nation.

For Kristin Yorke '20, the abrupt end to her senior lacrosse season forced her to say goodbye much sooner than expected. Her experience as a Colby athlete, however, stretched well beyond the field.
