# Scale Bar Properties

## North Arrow Properties

## Data Frame Properties

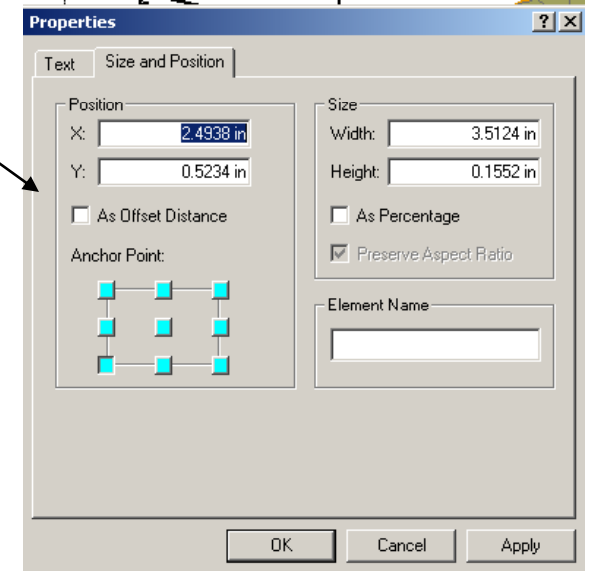

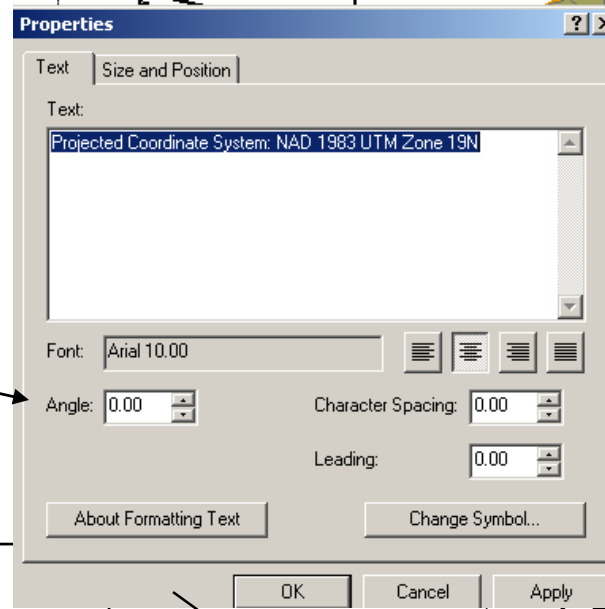

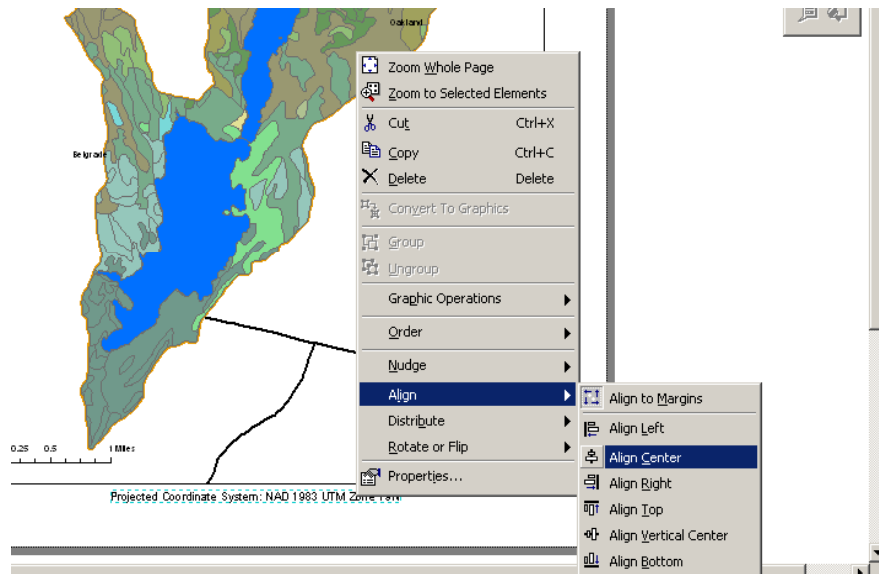

## Coordinate system label

Create a text box at the bottom of the map. Type "Projected Coordinate System: NAD1983 UTM Zone 19N"

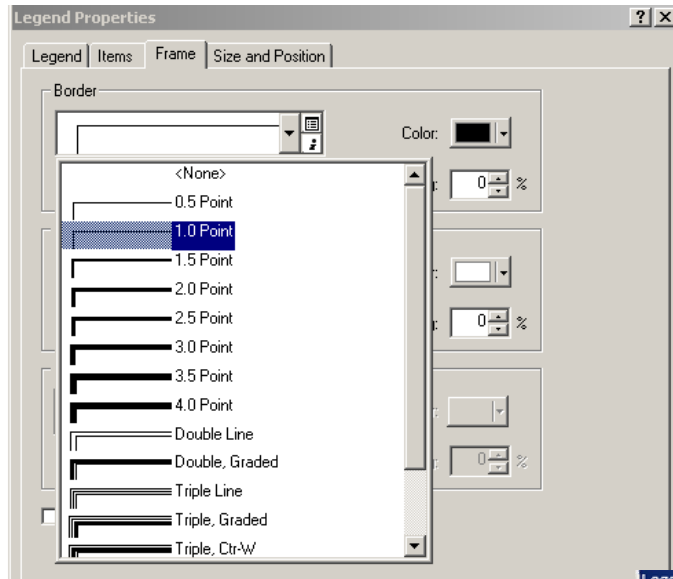

Double click on outside of text box

To center text box on page, right click on outside of text box:

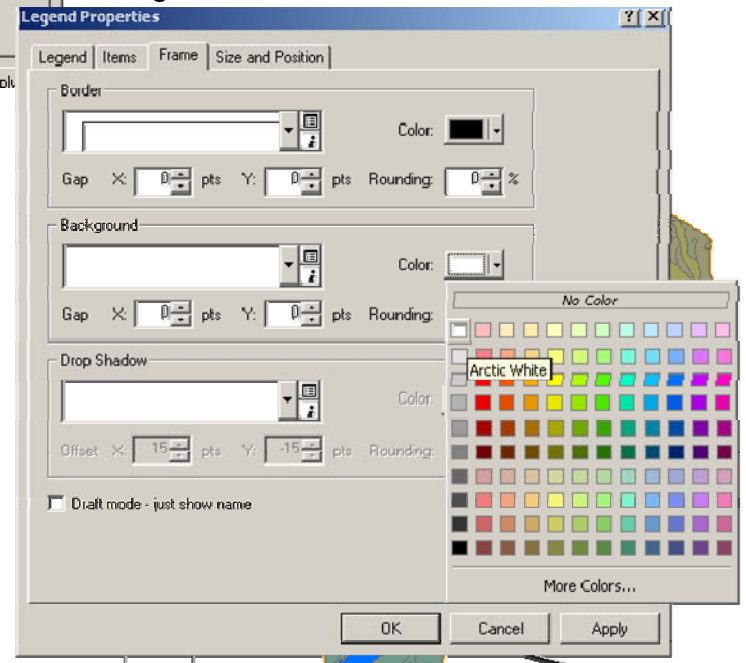

# Legend

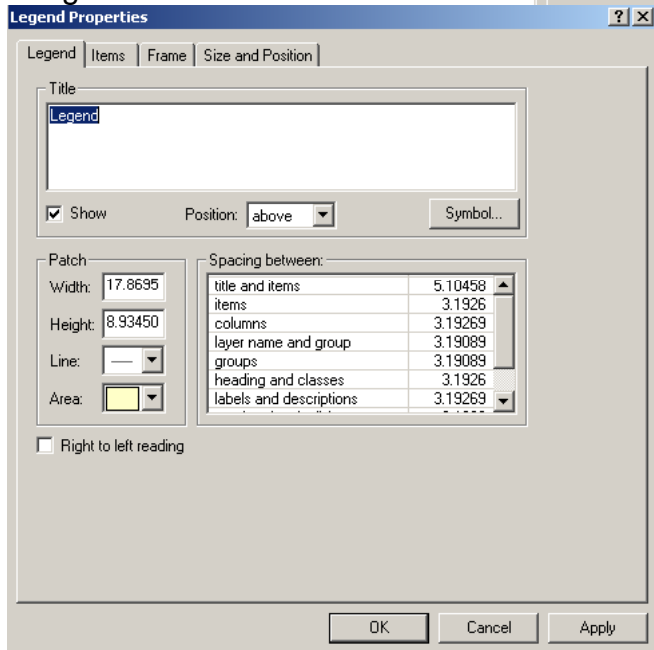

## Border

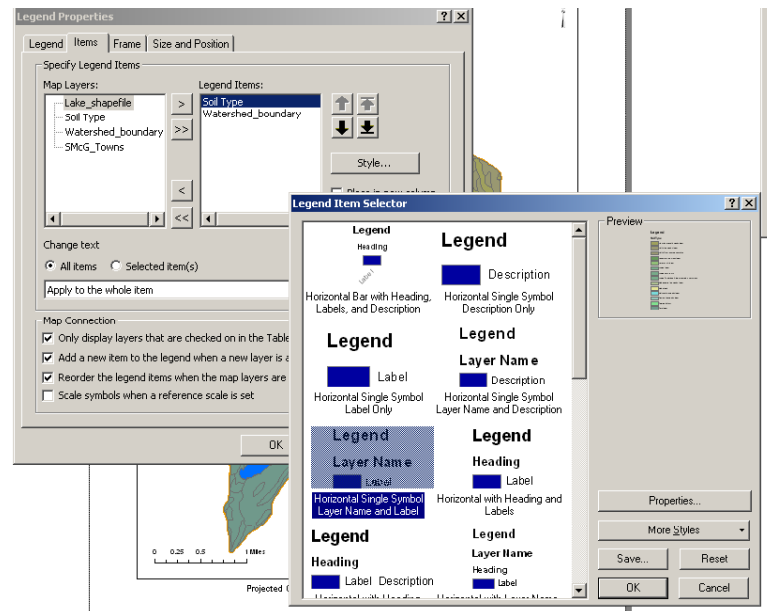

## Background

## Legend title

## Editing legend format

Double click on legend border, select items tab, select desired layer, select style button

For layers that do not display multiple categories, you do not need to edit them in the legend and may not want them in the legend at all
