Educational Assessment of Maine's 11th Graders

Sources:
- Maine Office of GIS - Maine Administrative School Unit Geographic Layers
- Maine Department of Education - Maine Educational Assessment Scores by Administrative School Unit
- Maine Education Policy Research Institute Legislative Districts Education Report 2005

Notes:
- Numbers refer to Maine School Administrative Units
- NAD 83 UTM ZONE 19N
- Scores for all Writing, Reading, Math, and Science tests were arithmetically averaged by Maine School Administrative Units and then presented as the average score.
- Scores were for the 2004 Maine Educational Assessment administered by the Maine Department of Education for 11th graders.

Created by Steve Kasperski in March 2005
Presented at The Colby Undergraduate Research Symposium
