This Poster is brought to you for free and open access by Digital Commons @ Colby. It has been accepted for inclusion in CLAS: Colby Liberal Arts Symposium by an authorized administrator of Digital Commons @ Colby. For more information, please contact mfkelly@colby.edu.
Acknowledgments

The authors would like to thank Sahan Dissanayake for all of his support throughout the research process. Also, we would like to thank Professor Dissanayake’s EC231 class for their assistance in the data collection process. In addition, we would like to thank Robert Gilchrist from the Waterville Public Works department for his support in our research.
